The Good Samaritan - John Marrs 2018-04

She's a friendly voice on the phone. But can you trust her? The people who call End of the Line need hope. They need reassurance that life is worth living. But some are unlucky enough to get through to Laura. Laura doesn't want them to hope. She wants them to die. Laura hasn't had it easy: she's survived sickness and a difficult marriage only to find herself heading for forty, unsettled and angry. She doesn't love talking to people worse off than she is. She craves it. But now someone's on to her--Ryan, whose world falls apart when his pregnant wife ends her life, hand in hand with a stranger. Who was this man, and why did they choose to die together? The sinister truth is within Ryan's grasp, but he has no idea of the desperate lengths Laura will go to... Because the best thing about being a Good Samaritan is that you can get away with murder. Revised edition: This edition of The Good Samaritan includes editorial revisions.

The Secret History of the World - Jonathan Black 2013-05-30

THE INTERNATIONAL BESTSELLER The complete history of the world, from the beginning of time to the present day, based on the beliefs and writings of the secret societies. Jonathan Black examines the end of the world and the coming of the Antichrist. Or is the Antichrist already here? How will he make himself known and what will become of the world when he does? Will it be the end of Time? Having studied theology and learnt from initiates of all the great secret societies of the world, Jonathan Black has learned that it is possible to reach an altered state of consciousness in which we can see things about the way the world works that hidden from our everyday commonsensical consciousness. This history shows that by using secret techniques, people such as Leonardo da Vinci, Isaac Newton and George Washington have worked themselves into this altered state - and have been able to access supernatural levels of intelligence. This book will leave you questioning every aspect of your life and spotting hidden messages in the very fabric of society and in life itself. It will open your mind to a new way of living and leave you questioning everything you have been taught - and everything you've taught your children.

Go Away, Unicorn! - Emily Mullock 2019-09-05

The original storybook that inspired the hit new TV show on Disney Channel! Go Away, Unicorn! is the snarky yet sweet story of Alice, a young girl who finds a best friend in the most unlikely of places. Go Away, Unicorn! is a funny, quirky book about the misadventures of an independent young girl, Alice, and her unicorn best friend, who constantly pops in and out of her life unannounced. Alice isn't interested in things like rainbows, glitter, the colour pink and unicorns. So her life is turned upside-down when a real-live unicorn shows up at her birthday party and decides to be her best friend. Unicorn is a wild, wacky, party animal who does everything he can to inject fun into Alice's day. Though she would never admit it, Unicorn's zany and unpredictable personality is the perfect addition to Alice's busy life. While it's hard for her to refuse his bubbly and sparkly personality, he can really be a horn in her side. And that's when you'll hear her say, "GO AWAY, UNICORN!"

At the Mountains of Madness Illustrated - Howard Phillips Lovecraft 2021-03-25

At the Mountains of Madness is a science fiction-horror novella by American author H. P. Lovecraft, written in February/March 1931 and rejected that year by Weird Tales editor Farnsworth Wright on the grounds of its length. It was originally serialized in the February, March, and April 1936 issues of Astounding Stories. It has been reproduced in numerous collections. The story details the events of a disastrous expedition to the Antarctic continent in September 1930, and what was

found there by a group of explorers led by the narrator, Dr. William Dyer of Miskatonic University. Throughout the story, Dyer details a series of previously untold events in the hope of deterring another group of explorers who wish to return to the continent. The story is recalled in a first-person perspective by the geologist William Dyer, a professor at Arkham's Miskatonic University, in the hope to prevent an important and much publicized scientific expedition to Antarctica. Throughout the course of his explanation, Dyer relates how he led a group of scholars from Miskatonic University on a previous expedition to Antarctica, during which they discovered ancient ruins and a dangerous secret, beyond a range of mountains higher than the Himalayas.

The Art of Winnie-the-Pooh - James Campbell 2018-05-08

Foreword by Minette Shepard The enchanting story of some of the most beloved characters in English children's literature—Winnie-the-Pooh and his friends from the Hundred Acre Wood, Piglet, Eeyore, Tigger, Kanga, Roo, Christopher Robin, and more—and the remarkable partnership between a writer and an illustrator that brought them to life, told for the first time in this beautiful volume illustrated with more than 125 full-color images from the Pooh series, never-before-seen sketches, artwork, family photographs, and memorabilia. Winnie-the-Pooh and his friends have enthralled generations of children and have become some of the world's most beloved characters. But before their adventures were captured in many millions of books published in nearly fifty languages, they started life in the 1920s as the product of a unique collaboration between author A. A. Milne and illustrator E. H. Shepard. They wove images and text together in a way that was utterly original for the time. It was a process that Shepard relished; he continued to create artwork for new editions until his death in 1976 at the age of ninety-six. This lovingly designed, full-color volume, which includes a foreword from Shepard's granddaughter, tells the story behind this remarkable partnership, and traces the evolution of Shepard's work, from his first tentative sketches to the illustrations we know and love, including the characters' later incarnations by the artists at Walt Disney Studios. A stunning and rare collection, filled with some never-before-published sketches and the first illustration of Pooh, *The Art of Winnie-the-Pooh* is a treasure trove of early art and an exclusive behind-the-scenes peek at the creation of Pooh bear and Hundred Acre Wood—direct from the artist's estate—that is sure to become a cherished keepsake for devoted fans and readers who grew up with these timeless characters.

My Brilliant Life - Ae-ran Kim 2021-01-26

A BEST OF THE MONTH SELECTION BY OPRAH MAGAZINE AN NPR BEST BOOK OF 2021 "An eminent South Korean talent makes her American debut in this poignant watercolor of a novel . . . Kim is a writer on the move." —O, The Oprah Magazine Ae-ran Kim's *My Brilliant Life* explores family bonds and out-of-the-ordinary friendships, interweaving the past and present of a tight-knit family, finding joy and happiness in even the most difficult times. Areum lives life to its fullest, vicariously through the stories of his parents, conversations with Little Grandpa Jang—his sixty-year-old neighbor and best friend—and through the books he reads to visit the places he would otherwise never see. For several months, Areum has been working on a manuscript, piecing together his parents' often embellished stories about his family and childhood. He hopes to present it on his birthday, as a final gift to his mom and dad; their own falling-in-love story. Through it all, Areum and his family will have you laughing and crying, for all the right reasons. "This novel snuck up on me and captured my heart." —Margarita Montimore, USA Today bestselling author of *Oona Out of Order* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Blue - Steve Aoki 2019-09-03

The music. The mix. His life. "[A] passionate, introspective memoir." —Publishers Weekly "Sometimes I think my whole life can be seen through shades of blue..." —Steve Aoki *Blue* is the remarkable story—in pictures and words—of Steve Aoki, the superstar DJ/producer who started his career as a vegan straightedge hardcore music kid hellbent on defying his millionaire father, whose unquenchable thirst to entertain—inherited from his dad, Rocky Aoki, founder of Benihana—led him to global success and two Grammy nominations. Ranked among the top ten DJs in the world today, Grammy-nominated artist, producer, label head, fashion designer, philanthropist and entrepreneur Steve Aoki is an authentic global trendsetter and tastemaker who has been instrumental in defining contemporary youth culture. Known for his outrageous stage antics (cake throwing, champagne spraying, and the 'Aoki Jump') and his endearing personality, Steve is also the brains behind indie record label Dim Mak, which broke acts such as The Kills, Bloc Party, and The Gossip. Dim Mak also put out the first releases by breakout EDM stars The Chainsmokers and The Bloody Beetroots, as well as the early releases for Grammy-nominated artist Iggy Azalea, in addition to EDM star Zedd and electro duo MSTRKFT. In *Blue*, Aoki recounts the epic highs of music festivals, clubs and pool parties around the world, as well as the lows of friendships lost to drugs and alcohol, and his relationship with his flamboyant father. Illustrated with candid photos gathered throughout his life, the book reveals how Aoki became a force of nature as an early social media adopter, helping to turn dance music into the phenomenon it is today. All this, while remaining true to his DIY punk rock principles, which value spontaneity, fun and friendship above all else—demonstrable by the countless cakes he has flung across cities worldwide.

World Development Report 1978 - 1978

This first report deals with some of the major development issues confronting the developing countries and explores the relationship of the major trends in the international economy to them. It is designed to help clarify some of the linkages between the international economy and domestic strategies in the developing countries against the background of growing interdependence and increasing complexity in the world economy. It assesses the prospects for progress in accelerating growth and alleviating poverty, and identifies some of the major policy issues which will affect these prospects.

The Last Breath - Kimberly Belle 2018-09-10

"Fans of domestic suspense will adore Kimberly Belle." —Mary Kubica, New York Times bestselling author of *The Good Girl From the Internationally bestselling author of *The Marriage Lie*, a riveting story of deceit and dark truths. Humanitarian aid worker Gia Andrews chases disasters around the globe for a living. It's the perfect lifestyle to keep her far away from her own dark past. Sixteen years ago, Gia's father was imprisoned for brutally killing her stepmother. Now that he's back home and dying of cancer, Gia must care for him and reluctantly resumes the role of daughter to the town's most infamous murderer. Gia's old wounds are ripped open as protesters show up on the lawn and death threats are hurled at her, turning her own personal tragedy, once again, into front-page news. As the past unravels before her, Gia finds herself torn*

between the stories that family, friends, and even her long-departed stepmother have believed to be real all these years. But in the end, the truth—and all the lies that came before—may have deadlier consequences than she could have ever anticipated.... Originally published in 2014. Don't miss Kimberly Belle's newest novel, *My Darling Husband!*

Love for Imperfect Things - Haemin Sunim 2020-02-04

Susan Cain, New York Times bestselling author of *Quiet*: "The world could surely use a little more love, a little more compassion, and a little more wisdom. In *Love for Imperfect Things*, Haemin Sunim shows us how to cultivate all three, and to find beauty in the most imperfect of things—including your very own self." A #1 internationally bestselling book of spiritual wisdom about learning to love ourselves, with all our imperfections, by the Buddhist author of *The Things You Can See Only When You Slow Down* Hearing the words "be good to yourself first, then to others" was like being struck by lightning. Many of us respond to the pressures of life by turning inward and ignoring problems, sometimes resulting in anxiety or depression. Others react by working harder at the office, at school, or at home, hoping that this will make ourselves and the people we love happier. But what if being yourself is enough? Just as we are advised on airplanes to take our own oxygen first before helping others, we must first be at peace with ourselves before we can be at peace with the world around us. In this beautiful follow-up to his international bestseller *The Things You Can See Only When You Slow Down*, Zen Buddhist monk Haemin Sunim turns his trademark wisdom to the art of self-care, arguing that only by accepting yourself—and the flaws that make you who you are—can you have compassionate and fulfilling relationships with your partner, your family, and your friends. With more than thirty-five full-color illustrations, *Love for Imperfect Things* will appeal to both your eyes and your heart, and help you learn to love yourself, your life, and everyone in it. When you care for yourself first, the world begins to find you worthy of care.

Indonesian Political Thinking 1945-1965 - Herbert Feith 2007

This collection of more than one hundred excerpts from speeches, lectures, articles, and pamphlets, most of the not previously available in English, is regarded as the principal source book on Indonesian politics for the post-revolution period of 1945-1965. Chosen to define and illuminate the country's complex issues, the selections provide a balanced, comprehensive, and well-ordered survey of Indonesian political thinking from just before independence to the fall of Sukarno. After an introduction by Herbert Feith in which he discusses the Indonesian intellectual and his place in politics, the major and minor Indonesian figures of the period express their political views and their responses to the events of the first twenty years of independence. A commentary at the beginning of each chapter supplies background material relating to the selections. Three appendixes offer brief biographies of the Indonesian authors, a glossary of unfamiliar terms, and a chronological chart. *Indonesian Political Thinking*, now brought back to life in Equinox Publishing's *Classic Indonesia* series, is a must-have resource for Indonesians and Indonesianists alike.

HERBERT FEITH was professor of Politics at Monash University, Victoria, Australia. He first became familiar with Indonesian problems when he was an English Language Assistant with the Ministry of Information of the Republic of Indonesia during the 1950s. He received the MA degree from the University of Melbourne, the PhD from Cornell University, and was a Research Fellow in the Department of Pacific History, Australian National University, 1960-62. Professor Feith is author of *The Decline of Constitutional Democracy in Indonesia*, also a member of Equinox Publishing's *Classic Indonesia* series. LANCE CASTLES graduated from Melbourne University, Australia, received the MA degree from Monash University, and the PhD degree from Yale University. He is the author of *Religion, Politics, and Economic Behavior in Java: The Kudus Cigarette Industry*.

The Birdwoman's Palate - Laksmi Pamuntjak 2018-07

In this exhilarating culinary novel, a woman's road trip through Indonesia becomes a discovery of friendship, self, and other rare delicacies. Aruna is an epidemiologist dedicated to food and avian politics. One is heaven, the other earth. The two passions blend in unexpected ways when Aruna is asked to research a handful of isolated bird flu cases reported across Indonesia. While it's put a crimp in her aunt's West Java farm, and made her own confit de canard highly questionable, the investigation does provide an irresistible opportunity. It's the perfect excuse to get away from corrupt and corrosive Jakarta and explore the spices of the far-flung regions of the islands with her three friends: a celebrity chef, a globe-trotting "foodist," and her coworker Farish. From Medan to Surabaya, Palembang to Pontianak, Aruna and her friends have their fill of local

cuisine. With every delicious dish, she discovers there's so much more to food, politics, and friendship. Now, this liberating new perspective on her country—and on her life—will push her to pursue the things she's only dreamed of doing.

Sapiens - Yuval Noah Harari 2015-02-10

New York Times Bestseller A Summer Reading Pick for President Barack Obama, Bill Gates, and Mark Zuckerberg From a renowned historian comes a groundbreaking narrative of humanity's creation and evolution—a #1 international bestseller—that explores the ways in which biology and history have defined us and enhanced our understanding of what it means to be "human." One hundred thousand years ago, at least six different species of humans inhabited Earth. Yet today there is only one—homo sapiens. What happened to the others? And what may happen to us? Most books about the history of humanity pursue either a historical or a biological approach, but Dr. Yuval Noah Harari breaks the mold with this highly original book that begins about 70,000 years ago with the appearance of modern cognition. From examining the role evolving humans have played in the global ecosystem to charting the rise of empires, *Sapiens* integrates history and science to reconsider accepted narratives, connect past developments with contemporary concerns, and examine specific events within the context of larger ideas. Dr. Harari also compels us to look ahead, because over the last few decades humans have begun to bend laws of natural selection that have governed life for the past four billion years. We are acquiring the ability to design not only the world around us, but also ourselves. Where is this leading us, and what do we want to become? Featuring 27 photographs, 6 maps, and 25 illustrations/diagrams, this provocative and insightful work is sure to spark debate and is essential reading for aficionados of Jared Diamond, James Gleick, Matt Ridley, Robert Wright, and Sharon Moalem.

The Big Book of Outdoor Cooking and Entertaining - Cheryl Alters Jamison 2010-11-02

America's outdoor cooking experts Cheryl and Bill Jamison have something big to say. So it takes a book this big to hold it all. They have put their knowledge about outdoor cooking and entertaining into one gigantic, colossal, humongous, comprehensive guide. Bursting with more than 850 recipes and hundreds of tips and how-tos for grilling, barbecuing, smoking, rotisserie roasting, planking, big-pot frying, and boiling, *The Big Book of Outdoor Cooking and Entertaining* is the only backyard cookbook you'll ever need. Cheryl and Bill traveled the globe sampling regional outdoor favorites, from barbecued Kansas City ribs to Texas brisket. They feasted on succulent rotisserie chickens from France, and banana-leaf-wrapped dishes from Mexico's Yucatán. They learned from the experts who fry up Chesapeake crab cakes, boil up a mess of Cajun crawfish, or perch poultry on a beer can for a long soak in wood smoke. Then they came home and cooked and cooked until they had it right, so you can get it right. Whether it's hot little tapas, a serious steak, a juicy burger, flavorful fish, a pan full of paella, pizza or pasta topped with grilled vegetables, or chicken done to a turn, Cheryl and Bill will coach you to perfect results. And to round out those party meals, they offer an enormous selection of starters, sides, drinks, and desserts that will win raves from family, friends, and guests. *The Big Book of Outdoor Cooking and Entertaining* is chock-full of the Jamisons' signature easy-to-follow recipes for dishes like Jalapeño Cheeseburgers, Guava-Sauced Baby Back Ribs, Tamarind-Tangerine Chicken Breasts, and Guinness-Soaked Pork Chops. In addition, they've included a load of advice on equipment and tools, tips for the very best results, vignettes on outdoor cooking celebrations, and plenty of menu ideas. With *The Big Book of Outdoor Cooking and Entertaining*, you'll be the life of your own party. It's not just the last word on outdoor cooking. It's the biggest.

Law, Liberty, and Morality - H. L. A. Hart 1963

This incisive book deals with the use of the criminal law to enforce morality, in particular sexual morality, a subject of particular interest and importance since the publication of the Wolfenden Report in 1957. Professor Hart first considers John Stuart Mill's famous declaration: "The only purpose for which power can be rightfully exercised over any member of a civilized community is to prevent harm to others." During the last hundred years this doctrine has twice been sharply challenged by two great lawyers: Sir James Fitzjames Stephen, the great Victorian judge

and historian of the common law, and Lord Devlin, who both argue that the use of the criminal law to enforce morality is justified. The author examines their arguments in some detail, and sets out to demonstrate that they fail to recognize distinction of vital importance for legal and political theory, and that they espouse a conception of the function of legal punishment that few would now share.

Pure Theory of Law - Hans Kelsen 2005

Reprint of the second revised and enlarged edition, a complete revision of the first edition published in 1934. A landmark in the development of modern jurisprudence, the pure theory of law defines law as a system of coercive norms created by the state that rests on the validity of a generally accepted Grundnorm, or basic norm, such as the supremacy of the Constitution. Entirely self-supporting, it rejects any concept derived from metaphysics, politics, ethics, sociology, or the natural sciences. Beginning with the medieval reception of Roman law, traditional jurisprudence has maintained a dual system of "subjective" law (the rights of a person) and "objective" law (the system of norms). Throughout history this dualism has been a useful tool for putting the law in the service of politics, especially by rulers or dominant political parties. The pure theory of law destroys this dualism by replacing it with a unitary system of objective positive law that is insulated from political manipulation. Possibly the most influential jurist of the twentieth century, Hans Kelsen [1881-1973] was legal adviser to Austria's last emperor and its first republican government, the founder and permanent advisor of the Supreme Constitutional Court of Austria, and the author of Austria's Constitution, which was enacted in 1920, abolished during the Anschluss, and restored in 1945. The author of more than forty books on law and legal philosophy, he is best known for this work and General Theory of Law and State. Also active as a teacher in Europe and the United States, he was Dean of the Law Faculty of the University of Vienna and taught at the universities of Cologne and Prague, the Institute of International Studies in Geneva, Harvard, Wellesley, the University of California at Berkeley, and the Naval War College. Also available in cloth.
