A vivid and resplendent novel for our time." —Elaine Neil Orr, critically acclaimed author of *Swimming Between Worlds* Tara moves to the American South three years after her arranged marriage to tech executive Sanjay. Ignored and lonely, Tara finds herself regressing back to childhood memories that have scarred her for life. When she was eight, her parents had left her behind with her aging grandparents

and a schizophrenic uncle in Mangalore, while taking her baby brother with them to make a new life for the family in Dubai. Tara's memories of abandonment and isolation mirror her present life of loneliness and escalating abuse at the hands of her husband. She accepts the help of kind-hearted American strangers to fight Sanjay, only to be pressured by her patriarchal family to make peace with her circumstances. Then, in a moment of truth, she discovers the importance of self-worth—a revelation that gives her the courage to break free, gently rebuild her life, and even risk being shunned by her community when she marries her childhood love, Cyrus Saldanha. Life with Cyrus is beautiful, until old fears come knocking. Ultimately, Tara must face these fears to save her relationship with Cyrus—and to confront the victim-shaming society she was raised within. Intimate and deeply moving, Purple Lotus is the story of one woman's ascension from the dark depths of desolation toward the light of freedom.

Understanding Bollywood - Ulka Anjaria 2021-03-05

This book offers an introduction to popular Hindi cinema, a genre that has a massive fan base but is often misunderstood by critics, and provides insight on topics of political and social significance. Arguing that Bollywood films are not realist representations of society or expressions of conservative ideology but mediated texts that need to be read for their formulaic and melodramatic qualities and for their pleasurable features like bright costumes, catchy music,

and sophisticated choreography, the book interprets Bollywood films as complex considerations on the state of the nation that push the boundaries of normative gender and sexuality. The book provides a careful account of Bollywood's constitutive components: its moral structure, its different forms of love, its use of song and dance, its visual style, and its embrace of cinephilia. Arguing that these five elements form the core of Bollywood cinema, the book investigates a range of films from 1947 to the present in order to show how films use and innovate formulaic structures to tell a wide range of stories that reflect changing times. The book ends with some considerations on recent changes in Bollywood cinema, suggesting that despite globalization the future of Bollywood remains promising. By presenting Bollywood cinema through an interdisciplinary lens, the book reaches beyond film studies departments and will be useful for those teaching and studying Bollywood in English, sociology, anthropology, Asian studies, and cultural studies classes.

**The Things We Leave Unfinished** - Rebecca Yarros 2021-02-23

Told in alternating timelines, *THE THINGS WE LEAVE UNFINISHED* examines the risks we take for love, the scars too deep to heal, and the endings we can't bring ourselves to see coming. Twenty-eight-year-old Georgia Stanton has to start over after she gave up almost everything in a brutal divorce—the New York house, the friends, and her pride. Now back home at her late great-grandmother's estate in Colorado, she finds herself face-to-face with Noah Harrison, the bestselling author of a million books where the cover is always people nearly kissing. He's just as arrogant in person as in

interviews, and she'll be damned if the good-looking writer of love stories thinks he's the one to finish her grandmother's final novel...even if the publisher swears he's the perfect fit. Noah is at the pinnacle of his career. With book and movie deals galore, there isn't much the "golden boy" of modern fiction hasn't accomplished. But he can't walk away from what might be the best book of the century—the one his idol, Scarlett Stanton, left unfinished. Coming up with a fitting ending for the legendary author is one thing, but dealing with her beautiful, stubborn, cynical great-granddaughter, Georgia, is quite another. But as they read Scarlett's words in both the manuscript and her box of letters, they start to realize why Scarlett never finished the book—it's based on her real-life romance with a World War II pilot, and the ending isn't a happy one. Georgia knows all too well that love never works out, and while the chemistry and connection between her and Noah is undeniable, she's as determined as ever to learn from her great-grandmother's mistakes—even if it means destroying Noah's career.

**Television Movies of the 21st Century** - Vincent Terrace 2021-04-23

For the major broadcast networks, the heyday of made-for-TV movies was 20th Century programming like The ABC Movie of the Week and NBC Sunday Night at the Movies. From the waning days of the broadcast networks to the influx of basic cable TV movies, this encyclopedia covers 1,370 films produced during the period 2000-2020. For each film entry, the reader is presented with an informative storyline, cast and character lists, technical credits (producer, director, writer), air dates, and networks. It covers the networks (ABC, CBS, Fox, Ion, and NBC) and such basic cable channels as ABC Family, Disney, Fox Family, Freeform,

Hallmark, INSP, Lifetime, Nickelodeon, Syfy, TBS and TNT. There is also an appendix of "Announced but Never Produced" TV movies and a performer's index.

Dying to Be Me - Anita Moorjani 2022-03-08

THE NEW YORK TIMES BESTSELLER! "I had the choice to come back ...  
or not. I chose to return when I realized that 'heaven' is a state, not a place" In  
this truly inspirational memoir, Anita Moorjani relates how, after fighting  
cancer for almost four years, her body began shutting down—overwhelmed

her inherent worth . . . and the actual cause of her disease. Upon regaining  
consciousness, Anita found that her condition had improved so rapidly that she  
was released from the hospital within weeks—without a trace of cancer in her  
body! Within this enhanced e-book, Anita recounts—in words and on

career and find true love, as well as how she eventually ended up in that  
hospital bed where she defied all medical knowledge. In "Dying to Be Me,"  
Anita Freely shares all she has learned about illness, healing, fear, "being  
love," and the true magnificence of each and every human being!

*Care-Based Methodologies* - Veena Vasudevan 2022-02-24

Care-Based Methodologies reimagines relationships between researchers and  
youth participants in school-based research. The book calls attention to care-  
based methodologies as essential to qualitative and ethnographic research in  
schools, particularly when participants are youth from nondominant

communities. While researchers come to schools seeking to understand  
youths' lived experiences and become implicated in the quotidian rhythms of  
their lives, it is rare that they receive training on how to navigate the  
complex interpersonal dynamics and relationships that take shape during  
long-term school research. How can researchers ensure that they care for the  
wellbeing of youth, not just the stories and data collected from them? How do  
researchers maneuver the various roles they may come to play in youth's  
lives over the course of, and beyond, a study with care? What happens when  
scholars transgress the traditional power dynamics of researcher-participant  
relationships to walk with youth in their research? This book illustrates the  
possibilities for conducting rigorous and responsible research that  
simultaneously improves our understanding of youth's lives, cares for their  
wellbeing, and works toward dismantling the systems that oppress them. The  
editors of the volume offer an opening chapter that articulates how  
researchers can practice care-based methodologies with youth by centering  
transparency, reflexivity, reciprocity, curiosity, consent, and self-care. The  
chapters that follow draw from a range of qualitative and ethnographic studies  
to highlight how care mediates and informs the research process and offer  
concrete guidance for employing care-based methodologies in school-based  
studies with youth.

**The Dutch Wife** - Ellen Keith 2018-09-04

A sweeping story of love and survival during World War II AMSTERDAM, MAY 1943. As the tulips bloom and the Nazis tighten their grip across the city, the last signs of Dutch resistance are being swept away. Marijke de Graaf and her husband are arrested and deported to different concentration camps in Germany. Marijke is given a terrible choice: to suffer a slow death in the labor camp or—for a chance at survival—to join the camp brothel. On the other side of the barbed wire, SS officer Karl Mÿller arrives at the camp hoping to live up to his father's expectations of wartime glory. When he encounters the newly arrived Marijke, this meeting changes their lives forever. Woven into the narrative across space and time is Luciano Wagner's ordeal in 1977 Buenos Aires, during the heat of the Argentine Dirty War. In his struggle to endure military captivity, he searches for ways to resist from a prison cell he may never leave. From the Netherlands to Germany to Argentina, *The Dutch Wife* braids together the stories of three individuals who share a dark secret and are entangled in two of the most oppressive reigns of terror in modern history. This is a novel about the blurred lines between love and lust, abuse and resistance, and right and wrong, as well as the capacity for ordinary

people to persevere and do the unthinkable in extraordinary circumstances. Don't miss **THE DUTCH ORPHAN!** Ellen's next riveting novel set about a woman who must choose between family loyalty and her own safety.

When you look at his designs from above, a story emerges... Joey's "bird's eye" drawings reveal what he observes and thinks about every day. Told in alternating viewpoints--April's in text and Joey's mostly in art--the story gives the "whole picture" of what happens as these two outsiders find their rightful places.

*Nora* - Nuala O'Connor 2021-01-05

Named one of the best books of historical fiction by the New York Times Acclaimed Irish novelist Nuala O'Connor's bold reimagining of the life of James Joyce's wife, muse, and the model for Molly Bloom in *Ulysses* is a "lively and loving paean to the indomitable Nora Barnacle" (Edna O'Brien). Dublin, 1904. Nora Joseph Barnacle is a twenty-year-old from Galway working as a maid at Finn's Hotel. She enjoys the liveliness of her adopted city and on June 16—Bloomsday—her life is changed when she meets Dubliner James Joyce, a fateful encounter that turns into a lifelong love. Despite his hesitation to marry, Nora follows Joyce in pursuit of a life beyond Ireland, and they surround themselves with a buoyant group of friends that

grows to include Samuel Beckett, Peggy Guggenheim, and Sylvia Beach. But as their life unfolds, Nora finds herself in conflict between their intense desire for each other and the constant anxiety of living in poverty throughout Europe. She desperately wants literary success for Jim, believing in his singular gift and knowing that he thrives on being the toast of the town, and it eventually provides her with a security long lacking in her life and his work. So even when Jim writes, drinks, and gambles his way to literary acclaim, Nora provides unflinching support and inspiration, but at a cost to her own happiness and that of their children. With gorgeous and emotionally resonant prose, Nora is a heartfelt portrayal of love, ambition, and the quiet power of an ordinary woman who was, in fact, extraordinary.

**There's Always a Catch** - Stephanie Taylor 2016-03-29

"This book is such a joy to read. It is witty, quirky and well written. I challenge you to not fall in love with this island, the inhabitants and the visitors. Escape to a tropical island where the only traffic comes from slow-moving golf carts driven by eccentric retirees, the commute to work involves getting sand between your toes, and happy hour means salty margaritas with a view of the ocean...*There's Always a Catch* follows Holly Baxter, Christmas Key's 30-year-old mayor, as she tries to convince her neighbors (mostly eccentric retirees pattering around the island on golf carts) that progress is a necessity. Amid family secrets and surprising revelations, Holly battles her mother for control of the island that her grandparents left behind. Throw in her hunky ex-boyfriend--the island's only cop--and some magnetic chemistry with a fisherman who's visiting the island, and you'll see why Holly realizes that (in life and in love) *There's Always a Catch!*" I loved this book. *Legal Pluralism and Governance in South Asia and Diasporas* - Livia Holden 2016-04-14

*Legal Pluralism and Governance in South Asia and the Diasporas* contributes to the already heated debate about legal pluralism and the ontology of law by shifting the attention toward the relationship between what is treated as law and its impact on governance at the fora of dispute resolution. This book addresses sensitive issues such as gender rights and alternative dispute resolution in India, Hindu and Muslim personal laws in South Asia and in

Europe, cross-border white violence, the change to Islamic legal traditions under Western domination, women's inheritance in Pakistan and in the disputed territory of Gilgit Baltistan, indigenous rights and resistance at the India-Bangladesh border, and customary laws of nomadic groups in India. The authors deploy a variety of views that point at the pros and cons of legal pluralism and also integrates its opponents. They show how constructions of identity, religion, and power have historically informed the conceptualisation of secularism which may be an ideal, sometimes able to provide for perceptions of accountable governance, but also generating dividing worldviews. This book was published as a special issue of the *Journal of Legal Pluralism and Official Law*.

**Glimpses of My Master** - Veena Schlegel 2015-02-18

'Glimpses of my Master' is an account of the life and work of the enlightened Indian mystic, Osho, written from the point of view of a close disciple. Veena Schlegel was one of the first western people to meet Osho, formerly Bhagwan Shree Rajneesh, in Bombay, India, in 1971. Working for him and his community in a number of ways - as a meditation centre leader, as an editor of his books, as one of his PR people in Rajneeshpuram in the USA and as one of a team of seamstresses responsible for his clothes and household effects - presented Veena with an opportunity to not only work on herself, but to observe him working with the hundreds of thousands of people coming from all over the world to listen to his words, do his meditations and live in his communes in India, the USA and around the world. Her book is about her very personal, often humorous, insights into this inspirational and extraordinary man and his attempts to help people become more aware and

conscious and thus lead happier, more contented lives based on an understanding of their own personal truths. 'Glimpses of my Master' is the second of a trilogy of books in which Veena writes both about her journeys around the world and her journeys inwards on the spiritual path.

Descended from two of the oldest and most distinguished bloodlines in New York, the Schuylers are proud to be one of their fledgling country's founding families, and even prouder still of their three daughters - Angelica, with her razor-sharp wit; Peggy, with her dazzling looks, and Eliza, whose beauty and charm rival those of both her sisters, though she'd rather be aiding the colonists' cause than dressing up for some silly ball. Still, Eliza can barely contain her excitement when she hears

of the arrival of one Alexander Hamilton, a mysterious, rakish young colonel and General George Washington's right-hand man. Though Alex has arrived as the bearer of bad news for the Schuylers, he can't believe his luck - as an orphan, and a bastard one at that - to be in such esteemed company. And when Alex and Eliza meet that fateful night, so begins an epic love story that would forever change the course of American history.
