Bikin' and Brotherhood - David Charles Spurgeon 2014-10-14

From the popularity of cable television shows concerning building choppers or the criminal aspects of the motorcycle gang lifestyle, to the phenomenal

success of the Harley-Davidson Motor Company, no one can deny America has become fascinated with bikers and the machines they love. Author Dave Spurgeon provides a firsthand look into the world of the Harley enthusiast and beyond. He takes you to where few have dared to tread—into the sinister, and often misunderstood, reality of the true one-percenters. He takes you on a ride into a place about which many are curious, but few know well. Be advised: This is not the exhaustive work of an investigative reporter, nor an account of the zealous efforts of an undercover law enforcement operation. This is the personal chronicle of Spurgeon's 15 years in the fast lane. Sobering, sometimes humorous, yet always painfully accurate, it begins with his love affair with the motorcycle and then continues into the ominous 1%er Brotherhood of the bike gang culture in America. You will be educated, entertained, warned, and enlightened by this brutally honest narrative from a man who has been there and back and lived to tell about it.

Ultimate Harley Davidson - Hugo Wilson 2021-08-31

Take a full-throttle tour through more than a century of Harley-Davidson history with this definitive e-guide. The Ultimate Harley-Davidson tells the story of the world's greatest motorcycle make--from its origins in a backyard shed to the international company it is today, more than 100 years later. From the early bikes and their key innovations to the v-rods and sports bikes of recent years, it is the complete e-guide for lovers of this American classic. Gloriously illustrated gallery spreads showcase more than 70 of the best-loved Harleys ever created, drawing out their defining features. Spectacular close-ups of key engines explain how the classic Harleys ran, while an updated catalog of every production model provides technical data and key specs for each bike. Whether you're an easy rider or born to be wild--or just mad about motorcycles--there is only one Harley-Davidson, and this is the ebook for you.

American Iron Magazine Presents 1001 Harley-Davidson Facts - Tyler Greenblatt 2017-02-15

When anyone thinks of motorcycling, whether they are enthusiasts or only casually interested, the name Harley-Davidson immediately comes to mind.

Harley-Davidson is among the oldest surviving motorcycle manufacturers; the company began in 1903 and continues to this day. As you can imagine, over the course of more than 100 years, the company has seen prosperous times as well as lean times, changes in focus and direction, evolution and revolution. All of that leads to a lot of company history and trivia. American Iron Magazine associate editor Tyler Greenblatt has compiled 1,001 Harley-Davidson facts into this single volume, with subjects ranging from the historic powertrains to pop culture to Harley-Davidson as a company and manufacturer. Facts begin with the early years, when a motorcycle was not much more than a bicycle with an engine attached, to the war efforts of World War I, when 15,000 were put into service. During the 1920s, Harley-Davidson grew into the largest manufacturer in the world, and that momentum helped carry it through the Great Depression and into World War II. Postwar development and AMF ownership are also covered in detail, as well as the restructuring and revival of the brand in recent years. Whether you're a casual rider, racer, or restorer, Harley-Davidson enthusiasts will be sure to find something in this book for that next conversation with fellow hobbyists. This book will keep Harley-Davidson enthusiasts entertained for hours, and is a great edition to any motorcycling library. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Arial}

WALNECK'S CLASSIC CYCLE TRADER, FEBRUARY 2008 - Causey Enterprises, LLC

Harley-Davidson Since 1965 - Allan Girdler

Valuable information on Harley-Davidson motorcycles, including the Sportster, the Shovelhead- and Evolution-engined bikes, as well as competition, police, Aermacchi, and Buell models. Packed with information on where and how to find these machines, how to identify rare models, and how to figure out what your machine is worth. Girdler offers a mini-history

of each model, and explains why the model exists and what its role was in Harley-Davidson's line-up. Covers all models built 1965-98, plus performance ratings. Includes 5-Star rating system.

Donny's Unauthorized Technical Guide to Harley-Davidson, 1936 to Present - Donny Petersen 2013-02-12

In this second part of his fifth volume on Harley-Davidson motorcycles, Donny Petersen, who studied privately with Harley-Davidson engineers, shares practical knowledge and streetwise tips on the Shovelhead motorcycle. Donny presents what Harley-Davidson has to say through the myriad of service bulletins back in the day in everyday language. He also uses his extensive practical experience to constructively critique the official line, offers additional hard-earned information, and then shares what he does to his own bikes. He provides • solutions to fix the Shovelhead's teething problems; • Harley's responses to ongoing problematic aspects of vibration, as well as the aftermarket's cures; • tips on working with the Shovelhead's carburetors and five ignitions; starter and charging systems, electrical switches, circuit breakers, and relays; and • best practices for lubrication, as well as the progression of front forks and shocks, brakes, wheels, and tires. Written in straightforward language, this guide offers step-by-step instructions to help all levels of enthusiasts, from novices to expert mechanics. In his usual forthright manner, Donny makes technical issues understandable, interspersing

~~*WALNECK'S CLASSIC CYCLE TRADER, AUGUST 2007*~~ that comes with being a Harley rider.

WALNECK'S CLASSIC CYCLE TRADER, FEBRUARY 1997 - Causey Enterprises, LLC

Harley-Davidson - Patrick Hook 2002

A special anniversary... The motorcycle that every easy rider craves... A book so popular it's in reprint even before it's released. This is sure to zoom out of stores! Happy 100th birthday, Harley Davidson! Celebrate a century of the most exciting motorcycles ever made in 448 exciting, thrill-inducing pages of color photographs. With images of every Harley ever produced and sold, and complete specs on each one, this beautiful, oversized volume will rev cycle lovers' motors on high. Beginning with the first model made in 1903 (which zipped along at a grand 25 miles per hour), there's information on the motorcycle's designation, engine, bore & stroke, displacement, torque, Bhp, and top speed. In sparkling images, see 1907's Silent Gray Fellow, with its bicycle-like frame; move on to the post-war Hydra Glide, aimed at a totally new market; the Dyna Glide, born in 1947 and existing in all its shiny glory till 1996; the Evo Sportster, offered in two engine sizes; and right up to today's sleek, fast cycles. There are also brochure covers, countless close-ups of smaller details, and a wealth of other fascinating facts.
