Mercedes-Benz 300 SL - Hans Kleissl 2021-06

A lavishly illustrated tribute to one of the most beloved European cars of all time. For nearly seventy years, no car has moved the lovers of classic cars more than the 300 SL. A legend since its launch in 1954 as a gullwing coupe, the 300 SL has been seen as the very model of what a sports car can be, its style and beauty perfectly matched to its power and handling. This beautifully illustrated tribute volume brings together Hans Kleissl, one of the world's leading experts on the 300 SL, and former Daimler historian and Mercedes-Benz archive manager Harry Niemann. The resulting book captures the magic and mystique of the car through history, photographs, insights into its technological breakthroughs, and firsthand accounts of its storied run. There's no better gift for the passionate fan of the 300 SL.

Consumers Digest - 1989

Break it Down - Michael W. Small 1992

This comprehensive introduction to dozens of today's rap superstars--L.L. Cool J., Public Enemy, NWA, KRS-One, Salt-n-Pepa, and others--includes photos, profiles, and interviews. The book smashes outworn ideas about rap as the genre's outspoken new rulers discuss their private lives, their music, racism, crime, fashion, censorship, sexism, and religion. Photos.

Buckle-Up America! Idea Sampler. 1990 - 1990

Mercedes-Benz - Brian Long 2013-03-18

It's hard to believe, but the W129-series Mercedes-Benz SL was launched over 20 years ago. However, its timeless styling has kept it fresh and attractive in the eyes of a new generation of enthusiasts, as well as those returning to the car having owned one when they were still in the dealerships. A combination of superb original design and peerless engineering and build quality adds to the desirability of this series of classic German machines, and has ensured that many of these cars can still be seen in regular use today. Covering the SL's ever-changing specification, and its presence in many of the world's major markets is a huge task, but it's all presented here in definitive detail, along with stunning

contemporary photography, in a volume that will readily grace any reference library shelf or connoisseur's coffee table. Two earlier books, also published by Veloce, and covering the W113 cars and the 107-series SL and SLC, act as perfect companions to this title, which takes the SL story up to 1989.
