The George Carlin Letters - Sally Wade 2011-11-01

A unique illustrated memoir by Sally Wade, the love of George Carlin's life for ten years, **THE GEORGE CARLIN LETTERS: THE PERMANENT COURTSHIP OF SALLY WADE** is a collection of never-before-seen writings and artwork by the late great comedian (representing at least 1/3 of the text in the book), woven into Wade's beautifully told chronicle of the last ten years of their life together. The book provides a rare glimpse into the man behind the legend. George Carlin wrote to Sally daily—notes,

postcard, letters...he even started fights on paper; the title is taken from his very last note, which Sally found propped up on her computer upon returning from the hospital the day he died. One of the greatest love stories ever told...hilariously, until the release of this book, no one but Sally has ever seen this side of George Carlin. And everyone is guaranteed to fall in love with both of them.

***Don't Stand Too Close to a Naked Man* - Tim Allen 1995-09-01**

In a dual biography and humorous information guide, the star of Home

Improvement discusses his prison term and successful television show while offering hints on how to deal with the opposite sex and recognize the parallels between golf courses and strip joints. Reprint.

Critical Thinking - Gregory Bassham 2008

This clear, learner-friendly text helps today's students bridge the gap between everyday culture and critical thinking. The text covers all the basics of critical thinking, beginning where students are, not where we think they should be. Its comprehensiveness allows instructors to tailor the material to their individual teaching styles, resulting in an exceptionally versatile text.

Cheech & Chong - Tommy Chong 2008-08-12

Dave's Not Here, Man But America's favorite stoner comedian, Tommy Chong, is back and funnier than ever as he takes us on a nostalgic trip through his career with partner Richard "Cheech" Marin. Over the course of their decades-long partnership, Cheech and Chong performed to sold-out crowds across the country, made nine hit albums, starred in eight blockbuster movies, and created memorable and iconic characters that still resonate with fans today. But the good life didn't just appear in a haze of smoke. It all started during the late 1960s in a strip club in the fragile heart of Vancouver's Chinatown, where Tommy was winding down his career as a Motown recording artist and starting an improv comedy troupe, and

Cheech was a draft-dodging, pottery-throwing, underground music reviewer. Together they came to define the hippie-era counterculture, and their celebrated movie debut, *Up in Smoke*, remains one of the highest-grossing Warner Bros. films ever. In his very own unauthorized autobiography, New York Times bestselling author and pop culture hero Chong reveals his unique relationship with Cheech and recalls the inspiration for their most beloved bits. He introduces famous guest stars like Peter Sellers, John Belushi, Jimi Hendrix, Dan Aykroyd, John Lennon, Diana Ross, and Jack Nicholson, and examines the influences that had the greatest impact on his comedy -- from R&B musicians and Redd Foxx to Lenny Bruce and (of course) marijuana. Finally, with keen insight and utter candor, he explores the rift that has separated the legendary comedy team for more than twenty years. From pot smoking to politics to the universe at large, *Cheech & Chong: The Unauthorized Autobiography* is the closest you'll ever get to sitting in a van made entirely of marijuana, trading stories with an unlikely legend, and feeling...well...funny.

A Collection of Jokes and Funny Stories - Marvin Leberman 2004-11-24

Emailed jokes and funny stories.

[A Carlin Home Companion](#) - Kelly Carlin 2015-09-15

Truly the voice of a generation, George Carlin gave the world some of the most hysterical and iconic comedy routines of the last fifty years. From the

"Seven Dirty Words" to "A Place for My Stuff," to "Religion is Bullshit," he perfected the art of making audiences double over with laughter while simultaneously making people wake up to the realities (and insanities) of life in the twentieth century. Few people glimpsed the inner life of this beloved comedian, but his only child, Kelly, was there to see it all. Born at the very beginning of his decades-long career in comedy, she slid around the "old Dodge Dart," as he and wife Brenda drove around the country to "hell gigs." She witnessed his transformation in the '70s, as he fought back against-and talked back to-the establishment; she even talked him down from a really bad acid trip a time or two ("Kelly, the sun has exploded and we have eight, no-seven and a half minutes to live!"). Kelly not only watched her father constantly reinvent himself and his comedy, but also had a front row seat to the roller coaster turmoil of her family's inner life--alcoholism, cocaine addiction, life-threatening health scares, and a crushing debt to the IRS. But having been the only "adult" in her family prepared her little for the task of her own adulthood. All the while, Kelly sought to define her own voice as she separated from the shadow of her father's genius. With rich humor and deep insight, Kelly Carlin pulls back the curtain on what it was like to grow up as the daughter of one of the most recognizable comedians of our time, and become a woman in her own right. This vivid, hilarious, heartbreaking story is at once singular and

universal--it is a contemplation of what it takes to move beyond the legacy of childhood, and forge a life of your own.

3 x Carlin - George Carlin 2015-09-01

Three comedic classics in one, by the legendary George Carlin. Includes *Brain Droppings*, *Napalm and Silly Putty*, and *When Will Jesus Bring the Pork Chops?* For four decades, George Carlin has been one of America's favorite comics, known as much for his willingness to take on taboo subjects as for his absurdist wordplay. As an author, he has proved equally popular: With combined sales of more than two million copies, Carlin's three books of razor-sharp and hilarious observations have topped bestseller lists nationwide. Now, for the first time as an ebook, Hachette Books proudly collects all three volumes--*When Will Jesus Bring the Pork Chops?*, *Napalm and Silly Putty*, and *Brain Droppings*--into one hilarious omnibus.

When Will Jesus Bring the Pork Chops? - George Carlin 2004-10-01

On the heels of George Carlin's #1 New York Times bestseller *Napalm & Silly Putty* comes *When Will Jesus Bring the Pork Chops?*--infused with Carlin's trademark irreverent humor and biting cultural observations. Here we go again . . . George Carlin's hilarious *When Will Jesus Bring the Pork Chops?* offers his cutting-edge opinions and observational humor on everything from evasive euphemistic language to politicians to the media

to dead people. Nothing and no one is safe! Despite the current climate of political correctness, Carlin is not afraid to take on controversial topics: Carlin on the media: The media comprises equal parts business, politics, advertising, public relations, and show business. Nice combination. Enough bull for Texas to open a chain of branch offices. Carlin on the battle of the sexes: Here's all you have to know about men and women: women are crazy, men are stupid. And the main reason women are crazy is that men are stupid. Carlin on hygiene: When did they pass a law that says the people who make my sandwich have to be wearing gloves? I'm not comfortable with this. I don't want glove residue all over my food; it's not sanitary. Who knows where these gloves have been? Carlin on evasive language: Just to demonstrate how far using euphemisms in language has gone, some psychologists are now actually referring to ugly people as those with "severe appearance deficits." Hey, Doctor. How's that for "denial"? Carlin on politics: No self-respecting politician would ever admit to working in the government. They prefer to think of themselves "serving the nation." To help visualize the service they provide the country, you may wish to picture the things that take place on a stud farm. The thinking person's comic who uses words as weapons, Carlin puts voice to issues that capture the modern imagination. For instance, why are there Ten Commandments? Are UFOs real? What will the future really be like?

This brand-new collection tackles all that and more. In *When Will Jesus Bring the Pork Chops?* Carlin's razor-sharp observations demolish everyday values and leave you laughing out loud--delivering exactly what his countless fans have been waiting for.

The I Chong - Tommy Chong 2007-06-05

A personal memoir by the iconic comedian, inspired by his 2003 imprisonment, describes how the U.S. Drug Enforcement Administration attempted to make an example of him when they convicted him of supporting terrorist interests through his marijuana use. Reprint. 40,000 first printing.

Versed - Rae Armantrout 2010-08

Provides an expanded view of the arc of the author's writing, collecting poems dealing with the perversity of human consciousness and the confrontation of the invisible experienced during the author's bout with cancer.

Three Times Carlin - George Carlin 2008-04-25

A compilation of three of the popular comedian's irreverent observations about life with more than thirty pages of bonus material.

The Winner of the Slow Bicycle Race - Paul Krassner 1996

But get ready! On the surface, Krassner's writings seamlessly blend factual reporting and suggestive misstatement. "The truth," says Krassner, "is Silly

Putty;" and "cultural anarchy is freedom of speech."

Tree Crops - J. Russell Smith 2019-10-17

Tree Crops: A Permanent Agriculture, first published in 1929 and last updated in 1953 (and the edition reprinted here) is a classic, pioneering look at the use of trees for food, soil conservation, and sustainable agriculture. Author J. Russell Smith (1874-1966) travelled widely and shares his insights and research into agro-forestry, describing how trees such as carob, honey locust, persimmon, mulberry, oaks and pecans can be used to enrich the land and the people and animals dependent on it. Illustrated with over 80 pages of photographs.

Empire of the Air - Tom Lewis 2021-09-15

Empire of the Air tells the story of three American visionaries—Lee de Forest, Edwin Howard Armstrong, and David Sarnoff—whose imagination and dreams turned a hobbyist's toy into radio, launching the modern communications age. Tom Lewis weaves the story of these men and their achievements into a richly detailed and moving narrative that spans the first half of the twentieth century, a time when the American romance with science and technology was at its peak. Empire of the Air is a tale of pioneers on the frontier of a new technology, of American entrepreneurial spirit, and of the tragic collision between inventor and corporation.

Unfamiliar Fishes - Sarah Vowell 2012-03-06

An irreverent analysis of late-nineteenth-century imperialism in the United States focuses on the annexation of Hawaii as a defining historical milestone, covering such contributing factors as the missionary overthrow of the Hawaiian monarchy and the activities of whaling fleets.

Tales of Tongue Fu - Paul Krassner 2007

Part fictional narrative, part send-up of the New Age movement, and part comedic triumph, Tales of Tongue Fu splits the reader's sides with hilarious misadventures and wicked social commentary. The book's hero, Tongue Fu, evolves from the humble son of a radioactive mother and a kamikaze pilot father to a guru — with an incredibly long tongue, which he uses for both romance and martial arts. Tongue Fu meets a cadre of riotous characters along his way, from Baba Blabla, who has been silent for 30 years, to Rosebud Zwaliyeh, an activist who joins a cult. At every turn, comedy legend Krassner skewers phony spiritualism with his formidable wit, and endlessly entertains with his razor-sharp satire and notorious sense of humor, as Trina Robbins delights with her singular artistic vision.

The role of federal military forces in domestic disorders, 1877-1945 -

Clayton D. Laurie 1997-07-15

CMH 30-15. Army Historical Series. 2nd of three planned volumes on the history of Army domestic support operations. This volume encompasses

the period of the rise of industrial America with attendant social dislocation and strife. Major themes are: the evolution of the Army's role in domestic support operations; its strict adherence to law; and the disciplined manner in which it conducted these difficult and often unpopular operations.

Three Times Carlin - George Carlin 2011-05-17

A perfectly gift-able, perfectly cynical, slipcased omnibus of George Carlin's trademark irreverence -- including bonus never-before-published material For four decades, George Carlin has been one of America's favorite comics, known as much for his willingness to take on taboo subjects as for his absurdist wordplay. As an author, he has proved equally popular: With combined sales of more than two million copies, Carlin's three books of razor-sharp and hilarious observations have topped bestseller lists nationwide. Now, just in time for the holidays, Hyperion proudly collects all three volumes -- *When Will Jesus Bring the Pork Chops*, *Napalm and Silly Putty*, and *Brain Droppings* - into one hilarious omnibus, a slipcased edition that also includes new material.

The Global Politics of Power, Justice and Death - Peter Anderson
2005-07-15

This exciting new text adopts a challenging question-led approach to the major issues facing global society today, in order to investigate the nature and complexity of global change. Among other things it looks at the future

of the state, the environment, the international political economy, war and global rivalries, and the role of international law and the UN in the post-Cold War world. The book devises a readily comprehensible "change map", which both incorporates a wide range of the fundamental concepts of international relations theory and suggests a number of new concepts capable of assisting the investigation of global change. This new framework is deployed to look closely at real world issues in order to isolate the crucial factors which determine whether or not mass hunger, for example, or environmental abuse, can be eliminated.

The Geneva Book - William Melancthon Glasgow 1908

World Military Leaders - Mark Grossman 2007

Articles profiling important military leaders are arranged in A to Z format.

A Modern Man - George Carlin 2021-11-02

A new collection of greatest hits from one of the greatest comedians of our time, George Carlin, now the subject of the HBO documentary *George Carlin's American Dream*, directed by Judd Apatow and Michael Bonfiglio George Carlin was: "a true, true artist" (Chris Rock)... "the master" (Jon Stewart)... "one of the Mount Rushmore guys in our profession" (Jerry Seinfeld)... "the comedian's comedian" (Jay Leno)... "an icon for comedy" (Margaret Cho)... "a deep thinker and a very, very funny man" (Lily

Tomlin)...“one of my heroes” (Stephen Colbert)...“brilliant” (Joan Rivers)... You can’t talk about comedy legends without talking George Carlin. Named the greatest standup of all time by XM Radio’s “All Time Comedy Greats” (and #2 by both Comedy Central and Rolling Stone), Carlin garnered multiple gold records, 4 Grammys, 6 Emmy nominations, and the Mark Twain Prize for American Humor. He was the first host of SNL, appeared on the Tonight Show some 130 times, and acted in beloved films like Bill and Ted’s Excellent Adventure and Dogma. Dubbed “the dean of counterculture comedians,” there was no one like George Carlin. Featuring a foreword by Lewis Black and an introduction by Carlin’s longtime best friend and manager, A Modern Man is a perfect introduction for new fans and a must-have for longtime fans, showcasing the longevity, range, and—above all—hilarity of the master. Filled with thoughts, musings, questions, lists, beliefs, curiosities, monologues, assertions, assumptions, and other delicious verbal ordeals, it is drop-dead funny tour through Carlin’s singular mind. More than ten years after his death, Carlin’s characteristically ironic takes on life’s annoying universal truths remain thoughtful, fearless, and somehow more relevant than ever.

Pioneer Life in Southeast Florida - Charles William Pierce 1970

Pot Stories for the Soul - Paul Krassner 2012-05-18

The pieces in Pot Stories for the Soul are funny, whimsical, bizarre, poignant, informational, shocking, and, yeah, soulful. They are about love, hate, escape, reality, the paranormal, Allen Ginsberg, Ken Kesey, Michelle Phillips, Hunter Thompson, Abbie Hoffman, Wavy Gravy and peanut butter. Ultimately, these stories reveal the wide, weird, and wonderful subculture of stoners, where the reefers are mad, the joints are fat, and the buzz lasts for six-and-a-half days. Mainstream America has had an uneasy relationship with marijuana. Once a legal substance, the 1930s saw a massive campaign against the "Devil's Harvest" that led to pot being rendered illegal. In the 1960s, marijuana became one of the defining elements of the counterculture before once again being shunted to the sidelines. Over the last decade, however, marijuana has gone mainstream and has been the topic of seminars, expos, concerts, comedy routines, movies, TV shows, and college courses across the country. Originally published by High Times in 1999, Pot Stories for the Soul won the Firecracker Alternative Book Award and also became a Quality Paperback Book Club selection. This brand-new edition includes several new essays by Paul Krassner, plus his foreword, his afterword, and the evolution of cannabis sanity in between.

Seven Dirty Words - James Sullivan 2010-06-08

In Seven Dirty Words, journalist and cultural critic James Sullivan tells the

story of Alternative America from the 1950s to the present, from the singular vantage point of George Carlin, the Catholic boy for whom nothing was sacred. A critical biography, *Seven Dirty Words* is an insightful (and, of course, hilarious) examination of Carlin's body of work as it pertained to its cultural times and the man who created it, from his early days as amore-or-less conventional comedian to his stunning transformation into the subversive comedic voice of the emerging counterculture. Sullivan also chronicles Carlin's struggles with censorship and drugs, as well as the full-blown renaissance he experienced in the 1990s, both personally and professionally, when he became an elder statesman to a younger generation of comics who revered him. *Seven Dirty Words* is nothing less than the definitive biography of an American master who changed the world, and also a work of cultural commentary which frames George Carlin's extraordinary legacy.

The Gentle Island - Brian Friel 1993

Confessions of a Recovering Environmentalist and Other Essays - Paul Kingsnorth 2017-08-01

A provocative and urgent essay collection that asks how we can live with hope in “an age of ecocide” Paul Kingsnorth was once an activist—an ardent environmentalist. He fought against rampant development and the

depredations of a corporate world that seemed hell-bent on ignoring a looming climate crisis in its relentless pursuit of profit. But as the environmental movement began to focus on “sustainability” rather than the defense of wild places for their own sake and as global conditions worsened, he grew disenchanted with the movement that he once embraced. He gave up what he saw as the false hope that residents of the First World would ever make the kind of sacrifices that might avert the severe consequences of climate change. Full of grief and fury as well as passionate, lyrical evocations of nature and the wild, *Confessions of a Recovering Environmentalist* gathers the wave-making essays that have charted the change in Kingsnorth’s thinking. In them he articulates a new vision that he calls “dark ecology,” which stands firmly in opposition to the belief that technology can save us, and he argues for a renewed balance between the human and nonhuman worlds. This iconoclastic, fearless, and ultimately hopeful book, which includes the much-discussed “Uncivilization” manifesto, asks hard questions about how we’ve lived and how we should live.

Who's to Say What's Obscene? - Paul Krassner 2009

Fans of *The Daily Show* will appreciate this timely collection of satirical essays by counterculture icon Paul Krassner. With irreverence and an often X-rated wit, Krassner writes with a unique perspective on comedy

and obscenity in politics and culture, from "Bong Hits 4 Jesus" banners to scenes cut out of movies including Borat and Milk. In his essay "Don Imus Meets Michael Richards," Krassner examines racism in comedy, from Lenny Bruce to Dave Chapelle, on The Sarah Silverman Show and Curb Your Enthusiasm and in controversial comic strips like The Bookdocks. In his piece "The Great Muhammad Cartoon Controversy," he looks at free speech and self-censorship in the face of threats--real and perceived--from religious fundamentalists. Throughout, Krassner riffs about busted public figures, counterculture, free speech, late-night talk shows, censorship, sex and the current state of satire. "These are times of repression," says Krassner, "and the more repression there is, the more there is for irreverence toward those in authority." Paul Krassner is an author, journalist, stand-up comedian and founder of the freethought magazine the Realist, which he published from 1958 to 2001. He was a co-founder of the Yippies and a member of Ken Kesey's Merry Pranksters. He received an Upton Sinclair Award for dedication to freedom of expression. Krassner was a close friend of Lenny Bruce and the editor of Bruce's autobiography, How to Talk Dirty and Influence People. A prolific writer, his articles have appeared in Rolling Stone, Spin, Playboy and many other venues. He has been a guest on Late Night with Conan O'Brien and Politically Incorrect with Bill Maher and writes regularly for High Times, Adult Video News and

Huffington Post.

100 Atmospheres - The Meco Network 2019-07-17

100 Atmospheres is an invitation to think differently. Through speculative, poetic, and provocative texts, thirteen writers and artists have come together to reflect on human relationships with other species and the planet.

The Feminist Porn Book - Tristan Taormino 2013-02-19

The Feminist Porn Book celebrates the power of desire, turning the spotlight on an industry where feminism is thriving.

Napalm & Silly Putty - George Carlin 2001-07-01

A hilarious new collection of razor-sharp observations from the New York Times bestselling author of Brain Droppings. Few comics make the transition from stage to page as smoothly or successfully as George Carlin. Brain Droppings spent a total of 40 weeks on the New York Times bestseller list, and this new one is certain to tickle even more ribs (and rattle a few more cages) with its characteristically ironic take on life's annoying universal truths. In *Napalm & Silly Putty*, Carlin doesn't steer clear of the tough issues, preferring instead to look life boldly in the eye to pose the questions few dare to ask: How can it be a spy satellite if they announce on TV that it's a spy satellite? Why do they bother saying "raw sewage"? Do some people cook that stuff? In the expression "topsy-turvy,"

what exactly is meant by "turvy"? And he makes some startling observations, including: Most people with low self-esteem have earned it. Guys don't seem to be called "Lefty" anymore. Most people don't know what they're doing, and a lot of them are really good at it. Carlin also waxes wickedly philosophical on all sorts of subjects, including: KIDS-- They're not all cute. In fact, if you look at them closely, some of them are rather unpleasant looking. And a lot of them don't smell too good either. DEATH ROW--If you're condemned to die they have to give you one last meal of your own request. What is that all about? A group of people plan to kill you, so they want you to eat something you like? Add to the mix "The Ten Most Embarrassing Songs of All Time," "The 20th Century Hostility Scoreboard," and "People I Can Do Without," and you have an irresistibly insouciant assortment of musings, questions, assertions, and assumptions guaranteed to please the millions of fans waiting for the next Carlin collection--and the millions more waiting to discover this comic genius.

The Ultimate Book of Boxing Lists - Bert Randolph Sugar 2011-01-11

What were the ten most fantastic knockouts in boxing history? Which pugilist had the greatest jab of all time? What were the sport's most intense rivalries? Who scored the biggest upsets in the sport's annals? Which fighters have the best nicknames? These questions and many

others are answered in this bold collection of ranked lists from two of boxing's most popular commentators. Each list has an introductory paragraph followed by a number of ranked entries, with each entry featuring a brief explanation of ranking plus entertaining and enlightening background information. Also included are original lists contributed exclusive to this book by more than 25 top personalities from boxing and beyond, including Muhammad Ali, Joe Frazier, George Foreman, Oscar De La Hoya, Bernard Hopkins, and more.

Foreign Faction - A. James Kolar 2012

A former lead investigator in the JonBenet Ramsey homicide case breaks six years of silence. *Foreign Faction* blows the cover off the lone-intruder / sexual predator theory and reveals startling new evidence that heretofore has only been seen by a select few. Explore the journey of these discoveries, and determine for yourself who really was responsible for the kidnap and murder of the childhood beauty queen, JonBenet Ramsey.

The Best of Brain Droppings - George Carlin 2007-06

With his signature dark and daring humor drawn from everyday life, the world at large, and the vagaries of the English language, George Carlin offers his creative finest in *The Best of Braindroppings*. From the random braindropping ("When you sneeze, all the numbers in your head go up by one.") to favorite oxymorons ("holy war," for one), and from questions to

ponder ("Why are there no B batteries?" for instance) to his classic monologue comparing baseball and football, this little book packs in a lot of laughs.

Nitro - Guy Evans 2018-07-12

Reviews "The most definitive, well written and thoroughly researched book on the rise and fall of WCW." --Eric Bischoff, former WCW President "This is - without question - the very best book ever written on professional wrestling." --Conrad Thompson "Well written and captivating...a fresh take on [the] time period." --Chris Harrington, AEW VP of Business Strategy "...may be the best overall pro wrestling book to date." --David Bixenspan, Deadspin Synopsis In April 1999, Entertainment Weekly asked its readers what many were surely wondering to themselves: how did wrestling get so big? As a consequence of the heated ratings competition between World Championship Wrestling (WCW) and the World Wrestling Federation (WWF), the spectacle had taken over Monday nights on prime-time cable television. But in a departure from the family-friendly programming produced by the last industry boom - the 1980s wave, which made household names of Hulk Hogan, 'Rowdy' Roddy Piper and Andre the Giant - the new era of wrestling combined stunning athleticism with a raunchy sex appeal, engrossing story lines and novel production techniques that reflected a changing society and its shifting values. Once

again, wrestling was a ubiquitous phenomenon - only this time, it seemed as though the fad would never end. With both WCW and WWF expanding into other forms of entertainment - movies, video games, music and the like - the potential for growth appeared to be limitless. But with uncertainty surrounding its corporate future, and increasingly uninspired programming eroding its audience, WCW stood on the verge of collapse. Three years into a five-year plan devised by its charismatic leader - a former Blue Ribbon Foods salesman named Eric Bischoff - the company whose unexpected ascension initiated the entire boom was operating on borrowed time. For by the end of the five-year plan, WCW ceased to exist. But NITRO is a story about much more than WCW and the Monday Night Wars. It is a story of an era, a time in which the media and cultural landscape precipitated - and later supported - pro wrestling's mainstream popularity. It is a story of how a company made in the image of an intuitively brilliant risk-taker betrayed its original promise. It is a story of how a handful of men, each struggling with their own limitations, facilitated a public obsession that changed television forever. And so, with the inside knowledge of a journalist, the perspective of a historian, and the passion of a fan, author Guy Evans provides a fresh look at an unfortunate inevitability - the downfall of World Championship Wrestling. Bolstered by exclusive interviews with over 120 former TBS and WCW employees,

NITRO is the definitive picture of the last wrestling boom. Featuring exclusive interviews and comments from: Eric Bischoff, fmr. President of World Championship Wrestling;Harvey Schiller, fmr. President of Turner Sports;Jamie Kellner, fmr. CEO of Turner Broadcasting System;Bill Burke, fmr. President of TBS network;Joe Uva, fmr. President of Turner Entertainment Sales and Marketing; Scot Safon, fmr. SVP of Marketing for TNT network;Kevin Nash, WWE Hall of Famer and 5-time WCW world champion; Diamond Dallas Page, WWE Hall of Famer and 3-time WCW world champion;Vince Russo, fmr. WCW writer;Marcus 'Buff' Bagwell, fmr. WCW superstar and 5-time world tag team champion;Kevin Sullivan, fmr. WCW superstar and head booker;Hugh Morrus, fmr. WCW superstar;Neal Pruitt, fmr. WCW Feature Producer and voice of the nWo;David Crockett, fmr. WCW Vice President of Production;Dick Cheatham, fmr. Group Controller for TBS;Alan Sharp, fmr. WCW Director of Public Relations;Mike Weber, fmr. WCW Director of Marketing;Rob Garner, fmr. WCW Vice President of TV Programming and SalesJerry Jarrett, legendary wrestling promoter and booker...And many, many, many more!

In Praise of Indecency - Paul Krassner 2009-05-19

Paul Krassner's style of personal journalism constantly blurs the line between the observer and the participant. Nowhere is this more apparent than in this collection of essays and interviews culled from his columns at

AVN online. With a biting wit and tongue firmly planted in cheek, Paul Krassner reveals the absurdity of oppressive social mores in this stark, funny and ultimately thought-provoking collection.

Sometimes a Little Brain Damage Can Help - George Carlin 1984

True Story - Bill Maher 2010-05-11

Bill Maher, the hilarious, irreverent star of the hit ABC talk show *Politically Incorrect*, is one of America's hottest comics. But like many of today's late-night humor kings, Maher began his career navigating New York City's seedy stand-up comedy circuit. He was there back in the Golden Age of comedy, when everybody wanted to be Eddie Murphy, and even the laundromat had its own open-mike night. *True Story* is Maher's debut novel about the wild and crazy life of the stand-up comedian -- a bawdy, rowdy tell-all report from the front line. Set in New York, circa 1979, in the late-night, neon-lit comedy clubs when the comedy boom was just heating up, *True Story* features five would-be comics, their shticks, their chicks, their rampant egos. These guys are desperate for celebrity, desperate for money, and -- what else? -- desperate to get laid. Which means they're also required to become "road comics," shacking up in low-rent condos provided by sleazy club owners as the comedy scene spreads to the heartland in the early '80s. The result is a hilariously funny novel about the

peculiar world of stand-up, where the ultimate prizes are fame, fortune, and fornication -- and the ultimate aspiration is, quite simply, to be laughed at. Dick, Shit, Fat, Chink, and Buck -- so stage-named for their specialty jokes -- can't begin to fathom the idea of a day job. Hey, they think, it might actually be possible to make a living from comedy! Their crises -- on stage, on the road, and with the ladies -- provide ideal set pieces for Maher's tongue-in-cheek riffs and observations. With perfect-pitch delivery, in classic sardonic style, Maher gives us a bona fide look at these resilient comedians and the scumbag promoters, hostile audiences, and die-hard groupies who make up their warped and twisted world. Only Bill Maher could have written True Story. And lucky for us he did. Because True Story is hilarious. It's offensive. At times it's even touching. So sit back as Maher puts you stageside at the very birth of the comedy boom. You'll laugh in all the right places. Hey, it's a True Story.

The Essential Mae Brussell - Mae Brussell 2014-09-15

"Mae's work may be more relevant now than in her heyday. Like those of many other freedom fighters throughout history, the ghost of Mae Brussell will never rest till justice is served."—Tim Cahill "The main Brussell thesis, if I dare risk commit the sin of summary on her complex work, was that an ex-Nazi scientist-Old Boy OSS clique in the CIA using Mafia hit men changed the course of American history by bumping off one and all, high

and low, who became an irritant to them."—Warren Hinkle, San Francisco Examiner columnist The Essential Mae Brussell is a compilation of chilling essays and radio transcripts by the seminal American anti-fascist researcher, famously supported by John Lennon and Yoko Ono. Mae Brussell was a married housewife with five children living in southern California before she took up the study of fascism in America. After the Kennedy assassination, she purchased the twenty-six-volume Warren Commission Report, and compiled, for herself, evidence that Lee Harvey Oswald was, as he maintained after his arrest, a "patsy." She had a regular radio broadcast on KLRB, an independent FM radio station in Carmel, California. She also published articles in Paul Krassner's the Realist, Hustler, People's Almanac, and the Berkeley Barb. In 1983, Mae's hour-long program shifted to KAZU-FM in Pacific Grove, California, and she remained on the air weekly until her final broadcast in June 1988. On October 3, 1988, at sixty-six, Brussell died of cancer.

Hickory Daiquiri Dock - Tim Federle 2014-12-02

Move over, Mother Goose. Congratulations, and welcome to parenthood! Babies are a miracle, but even miracles poop. A lot. Thank goodness she's got your twinkling eyes, he's got your perfect nose, and we've got your aching back. Welcome to Hickory Daiquiri Dock: Cocktails with a Nursery Rhyme Twist -- the ultimate gift for new parents everywhere.

Featuring 20 classic nursery rhymes with a decidedly grown-up twist, it's time to lose the rattle, pick up a shaker, and throw yourself an extremely quiet party. Especially if you've finally gotten the baby to sleep, which is

always worth toasting to. Drinks include: -- Eeny, Martini, Miny, Mo -- Jack and Coke (and Jill) -- Ring Around the RoséR> -- Old MacDonald Had a Flask -- Baa, Baa, Black Russian -- and more!
