Though 5 Seconds of Summer are opening for One Direction on their worldwide Take Me Home Tour, and though 1D's Louis Tomlinson has been a 5SOS fan for awhile, the pop-punk rockers from Sydney, Australia, aren't just another boy band. They write their own music, play their own instruments, and cite bands such as Blink-182, Green Day, and All Time Low as their influences. Comprised of Luke Hemmings, Michael Clifford, Calum Hood, and Ashton Irwin, 5SOS is leading the next wave of pop-punk sound—and people are taking notice. Their meteoric rise took them from posting YouTube videos on Hemmings' channel in December 2011 to performing on a major worldwide tour less than two years later. You won't want to miss 5 Seconds of Summer: She Looks So Perfect, so you can learn everything about rockers Luke, Michael, Calum, and Ashton now, before they're headlining their own worldwide tour!

But by the time she retires from tennis, she is the best player the world has ever seen. She has shattered every record and claimed twenty Grand Slam titles. And if you ask Carrie, she is entitled to every one. She sacrificed nearly everything to become the best, with her father, Javier, as her coach. A former champion himself, Javier has trained her since the age of two. But six years after her retirement, Carrie finds herself sitting in the stands of the 1994 US Open, watching her record be taken from her by a brutal, stunning player named Nicki Chan. At thirty-seven years old, Carrie makes the monumental decision to come out of retirement and be coached by her father for one last year in an attempt to reclaim her record. Even if the sports media says that they never liked “the Battle-Axe” anyway. Even if her body doesn’t move as fast as it did. Sheehan delves deep into his characters' streams of self-talk and self-imposed delusions, exploring the dark impulses that lurk below the shiny surfaces of many outwardly normal lives. Dark and provocative, the collection will stay with the reader long after the book is finished. Warning: Contains Adult Content

Pop Punk from Down Under - The Story of 5 Seconds of Summer - Neil Daniels 2015-07-02

It seemed as if Sydney's 5 Seconds Of Summer came from out of nowhere. 5SOS have only released one studio album, a live album and a few EPs yet they have nine million Facebook likes, a huge social media following and a largely female fanbase. 5SOS have a devoted fanbase that follows their every move online via the band's regular social media posts. Their success is a matter of timing, luck, perseverance and the good fortune of having One Direction as one of their biggest fans. Their songs are pretty catchy too. However, having toured with One Direction on multiple occasions and being so young has meant that they have been labelled a "boy band" which is not the case. They play their own instruments and write their own songs. 5SOS certainly have more in common with pop punk bands than they do with One Direction. Their musical heroes are bands like Green Day, Good Charlotte, All Time Low and Nirvana. This book charts 5 Seconds Of Summer's rapid rise to success, details their musical influences and offers a handy reference guide to the band's main achievements. Pop Punk From Down Under is essential reading for 5 Seconds Of Summer fans.
