**Literature Portable Anthology 2nd Ed + 50 Essays 2nd Ed + Easywriter 4th** - Ira Berkow 2009

*The Accidental Asian* - Eric Liu 2007-12-18

Beyond black and white, native and alien, lies a vast and fertile field of human experience. It is here that Eric Liu, former speechwriter for President Clinton and noted political commentator, invites us to explore. In these compellingly candid essays, Liu reflects on his life as a second-generation Chinese American and reveals the shifting frames of ethnic identity. Finding himself unable to read a Chinese memorial book about his father's life, he looks critically at the cost of his own assimilation. But he casts an equally questioning eye on the effort to sustain vast racial categories like "Asian American." And as he surveys the rising anxiety about China's influence, Liu illuminates the space that Asians have always occupied in the American imagination. Reminiscent of the work of James Baldwin and its unwavering honesty, *The Accidental Asian* introduces a powerful and elegant voice into the discussion of what it means to be an American.

*The Legacy of David Foster Wallace* - Samuel Cohen 2012-04-15

Considered by many to be the greatest writer of his generation, David Foster Wallace was at the height of his creative powers when he committed suicide in 2008. In a sweeping portrait of Wallace's writing and thought and as a measure of his importance in literary history, *The Legacy of David Foster Wallace* gathers cutting-edge, field-defining scholarship by critics alongside remembrances by many of his writer friends, who include some of the world's most influential authors. In this elegant volume, literary critics scrutinize the existing Wallace scholarship and at the same time pioneer new ways of understanding Wallace's fiction and journalism. In critical essays exploring a variety of topics—including

Wallace's relationship to American literary history, his place in literary journalism, his complicated relationship to his postmodernist predecessors, the formal difficulties of his 1996 magnum opus *Infinite Jest*, his environmental imagination, and the "social life" of his fiction and nonfiction—contributors plumb sources as diverse as Amazon.com reader recommendations, professional book reviews, the 2009 *Infinite Summer* project, and the David Foster Wallace archive at the University of Texas's Harry Ransom Center. The creative writers—including Don DeLillo, Jonathan Franzen, George Saunders, Rick Moody, Dave Eggers, and David Lipsky, and Wallace's Little, Brown editor, Michael Pietsch—reflect on the person behind the volumes of fiction and nonfiction created during the author's too-short life. All of the essays, critical and creative alike, are written in an accessible style that does not presume any background in Wallace criticism. Whether the reader is an expert in all things David Foster Wallace, a casual fan of his fiction and nonfiction, or completely new to Wallace, *The Legacy of David Foster Wallace* will reveal the power and innovation that defined his contribution to literary life and to self-understanding. This illuminating volume is destined to shape our understanding of Wallace, his writing, and his place in history.

**Understanding the Arizona Constitution** - Toni McClory 2016-10-01

Arizona became the nation's 48th state in 1912 and since that time the Arizona constitution has served as the template by which the state is governed. Toni McClory's *Understanding the Arizona Constitution* has offered insight into the inner workings and interpretations of the document—and the government that it established—for almost a decade. Since the book's first publication, significant constitutional changes have occurred, some even altering the very structure of state government itself. There have been dramatic veto battles, protracted budget wars,

and other interbranch conflicts that have generated landmark constitutional rulings from the state courts. The new edition of this handy reference addresses many of the latest issues, including legislative term limits, Arizona's new redistricting system, educational issues, like the controversial school voucher program, and the influence of special-interest money in the legislature. A total of 63 propositions have reached the ballot, spawning heated controversies over same-sex marriage, immigration, and other hot-button social issues. This book is the definitive guide to Arizona government and serves as a solid introductory text for classes on the Arizona Constitution. Extensive endnotes make it a useful reference for professionals within the government. Finally, it serves as a tool for any engaged citizen looking for information about online government resources, administrative rules, and voter rights. Comprehensive and clearly written, this book belongs on every Arizonan's bookshelf.

**America Now** - Robert Atwan 1999-01-01

A key challenge in the first-year composition course is to inspire students as readers and to spark the kind of thoughtful classroom discussion that leads to solid academic writing. As series editor of "The Best American Essays" Robert Atwan constantly scours a wide range of print and online periodicals, bringing to "America Now" an unrivaled awareness of the best writing on today's hottest issues. To make these issues especially relevant for students, Atwan also explores hundreds of campus newspapers on the Internet to find the best student writing on current topics. These models by their peers from across the country show students that they, too, can share ideas through their own discussion and writing.

**The Year of the Intern** - Robin Cook 2014-12

**Oxford Latin Course** - M. G. Balme 1999-06

Designed for North American students, this special version of the Oxford Latin Course combines the best features of both modern and traditional methods of Latin teaching, providing an exciting, stimulating introduction and approach to Latin based on the reading of original texts. In this four-volume North American edition, the order of declensions corresponds to customary U.S. usage, and the spelling has been Americanized. In addition, it offers full-color illustrations and photographs throughout Parts I and II and an expanded Teacher's Book with translations for each part. Parts I-III (now available in hardcover editions) are built around a narrative detailing the life of Horace, now based more closely on historical sources, which helps students to get to know real Romans--with their daily activities, concerns, and habits--and to develop an understanding of Roman civilization during the time of Cicero and Augustus. Part IV (paperback) is a reader consisting of extracts from Caesar, Cicero, Catullus, Virgil, Livy, and Ovid. The second edition of the Oxford Latin Course has been carefully designed to maximize student interest, understanding, and competence. It features a clearer presentation of grammar, revised narrative passages, new background sections, more emphasis on daily life and on the role of women, a greater number and variety of exercises, and review chapters and tests. Each chapter opens with a set of cartoons with Latin captions that illustrate new grammar points. A Latin reading follows, with new vocabulary highlighted in the margins and follow-up exercises that focus on reading comprehension and grammatical analysis. A background essay in English concludes each chapter. Covering a variety of topics--from history to food, from slavery to

travel, these engaging essays present a well-rounded picture of Augustan Rome. The Oxford Latin Course, Second Edition offers today's students and teachers an exceptionally engaging and attractive introduction to the language, literature, and culture of Rome--one that builds skills effectively and is exciting to use.

Writing about Writing - Elizabeth Wardle 2016-12-16

A milestone in the field of composition, *Writing about Writing* continues to be the only textbook to provide an approach that makes writing studies the center of the introductory writing course. Based on Wardle and Downs's research and organized around major threshold concepts of writing, this groundbreaking book empowers students in all majors by showing them how to draw on what they know and engage with ongoing conversations about writing and literacy. The accessible writing studies research in *Writing about Writing* includes foundational research by scholars such as Nancy Sommers and Donald Murray, popular commentary on writing by authors such as Malcolm X and Anne Lamott, and emerging research from both scholars and student writers. Accessible explanations, scaffolded activities, and thoughtful questions help students connect to the readings and transfer their writing-related skills from first-year composition to writing situations in other college courses, work, and their everyday lives. The third edition makes studying writing even more accessible and teachable, with a new overview of rhetoric, a stronger focus on key threshold concepts, scaffolded reading guidance for challenging selections, and a new section in the instructor's manual with responses to frequently asked questions. The conversation on writing about writing continues on the authors' blog, *Write On: Notes on Writing about Writing* (a channel on Bedford Bits, the Bedford/St. Martin's blog for teachers of writing). Go to [community.macmillan.com](http://community.macmillan.com).

40 Short Stories - Beverly Lawn 2004

Gathering forty important short stories in a portable and economical format, the second edition includes even more of the fiction instructors want to teach and more of the help student readers need.

**After the End of History** - Samuel Cohen 2009-10-01

In this bold book, Samuel Cohen asserts the literary and historical importance of the period between the fall of the Berlin wall and that of the

Twin Towers in New York. With refreshing clarity, he examines six 1990s novels and two post-9/11 novels that explore the impact of the end of the Cold War: Pynchon's *Mason & Dixon*, Roth's *American Pastoral*, Morrison's *Paradise*, O'Brien's *In the Lake of the Woods*, Didion's *The Last Thing He Wanted*, Eugenides's *Middlesex*, Lethem's *Fortress of Solitude*, and DeLillo's *Underworld*. Cohen emphasizes how these works reconnect the past to a present that is ironically keen on denying that connection. Exploring the ways ideas about paradise and pastoral, difference and exclusion, innocence and righteousness, triumph and trauma deform the stories Americans tell themselves about their nation's past, *After the End of History* challenges us to reconsider these works in a new light, offering fresh, insightful readings of what are destined to be classic works of literature. At the same time, Cohen enters into the theoretical discussion about postmodern historical understanding. Throwing his hat in the ring with force and style, he confronts not only Francis Fukuyama's triumphalist response to the fall of the Soviet Union but also the other literary and political "end of history" claims put forth by such theorists as Fredric Jameson and Walter Benn Michaels. In a straightforward, affecting style, *After the End of History* offers us a new vision for the capabilities and confines of contemporary fiction.

**Media Poetry** - Eduardo Kac 2007

*Media Poetry* is the first international anthology to document a radically new poetry which takes language beyond the confines of the printed page into a non-linear world of multimedia, interactivity and networking. This anthology includes extensive documentation and discussion of digital poetry and expands the range of contemporary writing to encompass poems created with video, holography, skywriting, and even biotechnology. The work of the poets discussed in this book challenges even the innovations of experimental poetics. It embraces new technologies to explore a new syntax made of linear and non-linear

animation, hyperlinkage, interactivity, real-time text generation, spatiotemporal discontinuities, self-similarity, synthetic spaces, immateriality, diagrammatic relations, visual tempo, multiple simultaneities, and many other innovative procedures.
