"The Child of the East" - Leland Jensen 2016-01-10

Nothing has captured the imagination and conjecture of the people more than that of the Apocalypse, as this is found in all the holy books of the world. The Christians are awaiting the advent of the Antichrist and the Beast which is to precede the return of Jesus Christ and Armageddon. Here, for the first time, Dr. Leland Jensen brings to life the amazing visions of Jeane Dixon, adding an entire New Dimension to this subject and revealing the fulfillment Jeane's most outstanding vision: "THE CHILD OF THE EAST." In A Gift of Prophecy it states: "Visions which come to Mrs. Dixon are unchangeable, because they represent the will of God. The coming event cannot, consequently, be prevented" (p. 155). Therefore, the reading public is waiting for the fulfillment of these visions. In this book, for the first time, "THE CHILD OF THE EAST" has been definitely identified. Jeane states that: "The world as we know it will be reshaped and revamped into one without wars or suffering... he will bring together all mankind in one all-embracing faith. This will be the foundation of a new Christianity, with every sect and creed united through this man who will walk among the people to spread the wisdom of the Almighty Power" (A Gift of Prophecy, pp. 171, 172). This book represents not only his amazing credentials, but gives his interpretations of some of Jeane's other visions such as the Snake and her two visions that she had in St. Matthew's Cathedral. Also by using Jeane Dixon's Criteria, he definitely identifies the Antichrist and slays him with the sword of his mouth. He also exposes the Beast and Dragon prophesied to come in the Book of Revelation. This is all backed up by the most realistic and accurate proofs. The Bible and the Great Pyramid come alive and become clear as crystal. This will excite the reader to new horizons, especially what "THE CHILD OF THE EAST." has to say of what is to take place next! He will become the most talked about person in the world and what he has to say will be of the most discussed subjects. It will be a common conversational piece. Everyone will get in on the act; no one will be able to remain neutral. Everyone will take sides, either for or against. As the events that "THE CHILD OF THE EAST" has predicted take place just exactly as he stated, ultimately everyone in the world will become a believer; there will be mass conversion. Attempting to describe her own sensation, Jeane says: "I felt suspended and enfolded, as if I were surrounded by whipped cream. For the first time I understood the full meaning of the Biblical phrase, 'My cup runneth over.' I loved all mankind. I felt that I would never again need food or sleep, because I had experienced perfect peace" (A Gift of Prophecy, p. 172). It will be just like Jeane said. Read this book and find out for yourself.

Paganism in Arthurian Romance - John Darrah 1997

"His most original contribution to an unravelling of a pagan Arthurian past lies in his appropriation of the fascinating evidence of standing stones and pagan cultic sites. The magical attributes of stones are exemplified in prehistoric standing stones, the real counterparts of the perrons of the French romances. This is dark and difficult territory, but certain events in the Arthurian cycle, which take place on and around Salisbury Plain, have correspondences with known prehistoric events. Building on these elusive clues, and tracing a range of sites around the river Severn and south Wales, John Darrah has added a significant new dimension to the search for the sources of England's great epic, the legends of Arthur and his court."--Jacket.

All-in Fighting - W. E. Fairbairn 2021-05-06

The author of this concise guide to unarmed combat and self-defence is a legend. W. E. Fairbairn (1885-1960) spent over thirty years in the tough environment of the Riot Squads of China's Shanghai Municipal Police. In order to lower levels of Police mortality at the hands of Chinese Tongts, he studied ancient Chinese and Japanese martial arts, including Ju-jitsu, and was the first foreigner to be awarded a black belt in the discipline. He developed his own system which he called 'Defendu'. At the outbreak of the Second World War, he was recruited by Britain's Special Operations Executive as an Instructor in unarmed combat and expounded the deadly mysteries of attack and defence to scores of trainee agents about to be dropped into occupied Europe. His methods were approved and officially adopted throughout the British army. Fairbairn also developed weapons and defence aids such as bullet proof vests. He is best known as the co-inventor of the famous Sykes-Fairbairn knife. In this book he expounds his distilled experience of unarmed combat. Fully illustrated, it shows how to deliver deadly blows with hand, fist, knee and boot; wrist, bear- and strangle holds (and how to break them); how to throw an enemy, and how to break their backs; how to disarm a pistol-wielding attacker; and securing a prisoner. The book also contains a chapter on the use of the rifle in close combat by Captain P. N. Walbridge.

The Minoan Legacy - R.G. Peterson 2015

On their sixteenth birthday, twins, Nick Jensen and Terry Warrington, each receive one last gift from their dead mother. Sixteen years earlier on the night she was murdered, she had two items in her possession, a bracelet engraved with twenty-three random, unevenly spaced Minoan letters and a ring with five symbols representing the elements of Water, Wind, Fire, Earth and Aether, the one Element impervious to all others. Terry, who possesses all four Elements, appears to be the One spoken of in the 8th Mayan Prophecy. Due to Nick's influence, however, he rejects Alastor Thanatos' offer to serve as his mentor. But does his choice have repercussions, not only for his brother, but for the rest of the clan as well? Nick has lost all of his powers and is helpless to do anything when Terry's old posse is sent to attack him. He ends up badly burned and near death. In order to save him, the Clan returns to Greece to enlist the aid of Ligeia, Thanatos' Minoan translator. When they are caught, they lose the precious time they need to save Nick. Only after Terry consents to allow Thanatos to mentor him are they allowed to leave. But is it too late? As the teens solve the mystery of the bracelet and ring, strange events begin to occur. Clues left by the twins' mother lead them back to the sacred Mayan temple at Cholula near Puebla, Mexico. There they find still more cryptic messages that they will need to unravel before their final show down with the person who possesses Aether. Thanatos and the Inner Sanctum are determined to break the influence the Clan has on Terry, even if it means eliminating them. But unbeknownst to the World Council leader, Terry has kept secrets from him, as well as, from members of the Clan. The key questions are on which side will Terry choose to fight, and which person close to the twins will commit the ultimate betrayal predicted in the final Mayan prophecy?

[Tracing Your Ancestors Using DNA](#) - Graham S. Holton 2019-09-19

DNA research is one of the most important and rapidly advancing areas in modern science and the practical use of DNA testing in genealogy is one of its most exciting applications. Yet there is no recent British publication in this field. That is why this accessible, wide-ranging introduction is so valuable. It offers a clear and practical way into the subject, explaining the scientific discoveries and techniques and illustrating with case studies how it can be used by genealogists to gain an insight into their ancestry. The subject is complex and perhaps difficult for traditional genealogists to understand but, with the aid of this book, novices who are keen to take advantage of it will be able to interpret test results and use them to help answer genealogical questions which cannot be answered by documentary evidence alone. It will also appeal to those with some experience in the field because it places the practical application of genetic genealogy within a wider context, highlighting its role as a genealogical tool and suggesting how it can be made more effective.
