#1 NEW YORK TIMES BESTSELLER From the New York Times bestselling author of *Invisible Girl* and *The Truth About Melody Browne* comes a “riveting” (PopSugar) and “acutely observed family drama” (People) that delves into the lingering aftermath of a young girl’s disappearance. Ellie Mack was the perfect daughter. She was fifteen, the youngest of three. Beloved by her parents, friends, and teachers, and half of a teenaged golden couple. Ellie was days away from an idyllic post-exams summer vacation, with her whole life ahead of her. And then she was gone. Now, her mother Laurel Mack is trying to put her life back together. It’s been ten years since her daughter disappeared, seven years since her marriage ended, and only months since the last clue in Ellie’s case was unearthed. So when she meets an unexpectedly charming man in a café, no one is more surprised than Laurel at how quickly their flirtation develops into something deeper. Before she knows it, she’s meeting Floyd’s

daughters—and his youngest, Poppy, takes Laurel’s breath away. Because looking at Poppy is like looking at Ellie. And now, the unanswered questions she’s tried so hard to put to rest begin to haunt Laurel anew. Where did Ellie go? Did she really run away from home, as the police have long suspected, or was there a more sinister reason for her disappearance? Who is Floyd, really? And why does his daughter remind Laurel so viscerally of her own missing girl?

profound work that pivots from the biggest

ideals to the most intimate concerns of a
father for his son, Ta-Nehisi Coates offers a
powerful new framework for understanding
our nation’s history and current crisis.
Americans have built an empire on the idea
of “race,” a falsehood that damages us all

but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bracingly confronts our present, and offers a transcendent vision for a way forward.

In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world.
