

A Primer On Postmodernism Stanley J Grenz

When people should go to the book stores, search creation by shop, shelf by shelf, it is really problematic. This is why we provide the ebook compilations in this website. It will extremely ease you to look guide **A Primer On Postmodernism Stanley J Grenz** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best area within net connections. If you intention to download and install the **A Primer On Postmodernism Stanley J Grenz** , it is agreed easy then, previously currently we extend the colleague to purchase and make bargains to download and install **A Primer On Postmodernism Stanley J Grenz** suitably simple!

The Dismemberment of Orpheus - Ihab Hassan 1982

In this book, the first edition of which was published in 1971 by Oxford University Press, Ihab Hassan takes Orphic dismemberment and regeneration as his metaphor for a radical crisis in art and language, culture and consciousness, which prefigures postmodern literature. The modern Orpheus, he writes, "sings on a lyre without strings." Thus, his sensitive critique traces a hypothetical line from Sade through four modern authors--Hemingway, Kafka, Genet, and Beckett--to a literature still to come. But the line also breaks into two Interludes, one concerning 'Pataphysics, Dada, and Surrealism, and the other concerning Existentialism and Aliterature. Combining literary history, brief biography, and critical analysis, Hassan surrounds these authors with a complement of avant-garde writers whose works also foreshadow the postmodern temper. These include Jarry, Apollinaire, Tzara, Breton, Sartre, Camus, Nathalie Sarraute, Robbe-Grillet, and in America, Cage, Salinger, Ginsberg, Barth, and Burroughs. Hassan takes account also of related contemporary developments

in art, music, and philosophy, and of many works of literary theory and criticism. For this new edition, Hassan has added a new preface and postface on the developing character of postmodernism, a concept which has gained currency since the first edition of this work, and which he himself has done much to theorize.

Who Needs Theology? - Stanley J. Grenz 2009-08-20

Stanley J. Grenz and Roger E. Olson show what theology is, what tools theologians use, why every believer (advanced degrees or not) is a theologian and how the theological enterprise can be productive and satisfying.

The Challenge of Postmodernism - David S. Dockery 2001-06

Learn how to reach a new generation in a rapidly changing world with the unchanging gospel.

The Cambridge Companion to Postmodern Theology - Kevin J. Vanhoozer 2003-07-31

Postmodernity allows for no absolutes and no essence. Yet theology is concerned with the absolute, the essential. How then does theology sit within postmodernity? Is postmodern theology possible, or is such a concept a contradiction in terms?

Should theology bother about postmodernism or just get on with its own thing? Can it? Theologians have responded in many different ways to the challenges posed by theories of postmodernity. In this introductory 2003 guide to a complex area, editor Kevin J. Vanhoozer addresses the issue head on in a lively survey of what 'talk about God' might mean in a postmodern age, and vice versa. The book then offers examples of different types of contemporary theology in relation to postmodernity, while the second part examines the key Christian doctrines in postmodern perspective. Leading theologians contribute to this clear and informative Companion, which no student of theology should be without.

Renewing the Center - Stanley James Grenz 2006

The second edition of this important foundational text for the emerging church includes a new foreword by Biran McLaren and a new afterword from John Franke updating the book for the contemporary church scene.

Rediscovering the Triune God - Stanley James Grenz 2004

The last century has witnessed a revival and renewal of trinitarian theology, led initially by Karl Barth. The legendary puzzles of trinitarian theology have become especially vexing in an era of changed philosophical and cultural categories, and a host of religious thinkers in the last century have tried to reformulate the main lines of thought about God's trinitarian life. Theologian Stanley Grenz here tells this story of trinitarian theology, reporting and analyzing the remarkable ferment in the discipline and discussing especially eleven theologians on such issues as: God's inner life vs. God's relationship to creation (immanent and economic trinity), social vs. psychological

analogies for the relationships within God, the relationship between trinity and Christology, the feminist critique of classical categories, and how God's trinitarian life figures in evolution, social justice, and spirituality. Grenz's Introduction place this ferment historically in the course of Christian thought from the patristic period to now, while his Conclusion sets a future agenda for the doctrine and theology.

Pocket Dictionary of Theological

Terms - Stanley J. Grenz 2010-03-17
The perfect companion to theological studies, this dictionary provides three hundred-plus definitions, including both English and foreign terms. A must-have for every theological reader.

Created for Community - Stanley J. Grenz 2015-01-13

This revised edition of a classic college-level introduction to theology presents the core doctrines of the Christian faith, encouraging readers to connect belief with everyday life. Stanley Grenz, one of the leading evangelical scholars of his era, and Jay Smith, an expert on Grenz's theological legacy, construct a helpful theology that is biblical, historical, and contemporary. The third edition includes a foreword by John Franke, a new preface and afterword, resources for further study, and updated footnotes. The book's easy-to-use format includes end-of-chapter discussion questions and connects theological concepts with current cultural examples.

The Trinitarian Theology of Stanley J. Grenz - Jason S. Sexton 2013-09-12

Exploring one of the most controversial figures in recent evangelical theology, this book thoroughly examines core features of Stanley J. Grenz's Trinitarian vision.

Isaac Backus--Puritan and Baptist - Stanley James Grenz 1983

Women in the Church - Stanley J.

Grenz 2010-05-28

Studies of key biblical passages on women's roles in the church fill entire bookshelves, if not libraries. But in *Women in the Church*, Stanley Grenz and Denise Muir Kjesbo offer the first in-depth theological study of this issue--one of the most bitterly contested issues of our day. Carefully considering the biblical, historical and practical concerns surrounding women and the ordained ministry, this book will enlighten people on all sides of the issue. But Grenz and Kjesbo make no secret of their bold conclusion: 'Historical, biblical and theological considerations converge not only in allowing, but also in insisting, that women serve as full partners with men.' Thorough and irenic, *Women in the Church* bids to take an intense discussion to a new plane.

Reason for Hope - Stanley J. Grenz
2005-11-15

Beyond Evangelicalism - Steven

Knowles 2016-12-05

A prolific author and thinker, Stanley J. Grenz was a respected and influential figure, not only within evangelicalism but in the wider theological world. Amongst the many issues tackled by him it is perhaps his revisioning of evangelical theology in the light of the postmodern challenge that has caused the biggest stir in the theological world. Advocating a nonfoundationalist methodology, Grenz attempts to re-position evangelical theology in line with postmodern concerns. This work examines the main traits of postmodern thought that would seem to directly challenge how evangelical theology is traditionally done. An examination of the seminal influences on Grenz will be traced in order to understand more fully the position he takes. A rigorous

critique and assessment of his theological methodology will follow with the conclusion that his work goes beyond evangelicalism. This will be the first book length treatment on Grenz's work on theological methodology and therefore will break new ground in this important area of study.

Theology for the Community of God -

Stanley J. Grenz 2000-01-31

This proven systematic theology represents the very best in evangelical theology. Stanley Grenz presents the traditional themes of Christian doctrine -- God, humankind, Christ, the Holy Spirit, the church, and the last things--all within an emphasis on God's central program for creation, namely, the establishment of community. Masterfully blending biblical, historical, and contemporary concerns, Grenz's respected work provides a coherent vision of the faith that is both intellectually satisfying and expressible in Christian living. Available for the first time in paperback.

The Moral Quest - Stanley J. Grenz

2016-09-27

Stanley J. Grenz masterfully leads readers into a theological engagement with moral inquiry that is a first-rate introduction to Christian ethics.

Postmodernism 101 - Heath White

2006-07-01

Finally, here's a book about postmodernism that you don't need a philosophy degree to understand. In *Postmodernism 101: A First Course for the Curious Christian*, Heath White offers a brief and accessible introduction to the ideas of postmodernism and its relationship to Christianity. White paints the historical and philosophical background underlying postmodernism in understandable, but not oversimplified, language. He then

describes what postmodernism means to our view of self, language, thought, the search for knowledge, and culture. White invites Christians who otherwise might have avoided postmodern theorizing into this important dialogue with questions for further thought after each chapter and suggestions for future reading. This book is ideal for students as well as curious pastors and lay readers.

Betrayal of Trust - Stanley J. Grenz 2001-09-01

Sexual misconduct by clergy is a devastating issue that reaches across all denominations, damaging the credibility of the church in its wake. The media regularly reports on the moral failure of leaders and abuse at the hands of those who are supposed to be trustworthy. *Betrayal of Trust* focuses on a common scenario of abuse--sexual involvement between a male pastor and a female congregant--and offers practical solutions on how to respond to and prevent this betrayal of trust. This book presents methods that will help churches respond sensitively to victims and implement policies and procedures to prevent abuse from taking place. For clergy who may be at risk for this behavior, it offers help in establishing appropriate boundaries. This second edition includes a new chapter that offers help for the wandering pastor and a risk-determination questionnaire for pastors who may become abusers.

The Named God and the Question of Being - Stanley J. Grenz 2005-11

In this book, Stanley Grenz examines the long-standing trajectory of thought that has equated the concept of "being" with the God of the Bible--and thus claimed that the ontological category of being is the guiding concept by which God should be understood. Grenz extends the engagement between Christian theology

and the Western philosophical tradition and focuses the discussion on the importance of naming, particularly given that the Christian God is both named and triune. In doing so, he organizes the book into three parts, forming an overarching story of the interplay between the named character of God and the question of being. First he analyzes the history of the philosophical concept of Being, then he shifts the focus to an exegesis of the "I Am" texts, and finally he moves to a renewed conversation between theology and ontological philosophy by means of the divine name.

What Christians Really Believe--and why - Stanley James Grenz 1998-01-01
In this book, Stanley Grenz presents the central tenets of Christian faith clearly and concisely, answering the most commonly asked questions: Why believe at all? Which God? Who is Jesus and what did he do? What am I searching for?

Who Needs Theology? - Stanley J. Grenz 2009-08-20

Stanley J. Grenz and Roger E. Olson show what theology is, what tools theologians use, why every believer (advanced degrees or not) is a theologian, and how the theological enterprise can be productive and satisfying.

Welcoming But Not Affirming - Stanley James Grenz 1998-01-01

A respected evangelical speaks out on the church's most controversial issue, proposing that it is possible for Christian communities to welcome homosexuals without affirming same-sex unions.

On the Way to Language - Martin Heidegger 1982-02-24

In this volume Martin Heidegger confronts the philosophical problems of language and begins to unfold the meaning behind his famous and little understood phrase "Language is the House of Being." The "Dialogue on

Language," between Heidegger and a Japanese friend, together with the four lectures that follow, present Heidegger's central ideas on the origin, nature, and significance of language. These essays reveal how one of the most profound philosophers of our century relates language to his earlier and continuing preoccupation with the nature of Being and human being. One the Way to Language enable readers to understand how central language became to Heidegger's analysis of the nature of Being. On the Way to Language demonstrates that an interest in the meaning of language is one of the strongest bonds between analytic philosophy and Heidegger. It is an ideal source for studying his sustained interest in the problems and possibilities of human language and brilliantly underscores the originality and range of his thinking.

Created for Community - Stanley J. Grenz 1998-08

Makes theology accessible to a wider audience, introducing readers to the core doctrines of the Christian faith and encouraging them to connect belief with everyday life.

20th-Century Theology - Stanley J. Grenz 2010-01-26

Stanley J. Grenz and Roger E. Olson offer a sympathetic guide and a critical assessment of the significant theologians and theologians of the 20th century. They trace the shifts in theology as it has moved back and forth between God's immanence and God's transcendence.

Sexual Ethics - Stanley James Grenz 1997-01-01

In this biblically grounded study, Stanley Grenz synthesizes theology, ethics, and current medical research to offer an evangelical perspective on the profound role that sexuality does, and should, play in our lives today. He calls for Christians to

live a biblical sexual ethic in the contemporary world, at the same calling on the church to recognize that its mandate includes being a reconciling community, one that proclaims God's grace to all.

Revisioning Evangelical Theology - Stanley J. Grenz 1993-03-02

Stanley Grenz evaluates the course of evangelical theology and sets out a bold agenda for a new century. He proposes that evangelical theology should find its central integrative motifs in the reign of God and the community of Christ.

Rediscovering the Triune God - Stanley J. Grenz 2004

The last century has witnessed a revival and renewal of trinitarian theology, led initially by Karl Barth. The legendary puzzles of trinitarian theology have become especially vexing in an era of changed philosophical and cultural categories, and a host of religious thinkers in the last century have tried to reformulate the main lines of thought about God's trinitarian life. Theologian Stanley Grenz here tells this story of trinitarian theology, reporting and analyzing the remarkable ferment in the discipline and discussing especially eleven theologians on such issues as: God's inner life vs. God's relationship to creation (immanent and economic trinity), social vs. psychological analogies for the relationships within God, the relationship between trinity and Christology, the feminist critique of classical categories, and how God's trinitarian life figures in evolution, social justice, and spirituality. Grenz's Introduction place this ferment historically in the course of Christian thought from the patristic period to now, while his Conclusion sets a future agenda for the doctrine and theology.

A Matrix of Meanings - Craig Detweiler 2003-11

A lighthearted analysis of modern pop culture considers what lessons can be learned from today's movies, music, television, and more, exploring how its popularity and successes reflects today's society. Original.

Sexual Ethics - Stanley Grenz 1990

Shaping Theology - David F. Ford
2007-12-26

This is an innovative book about the shape theology takes in its varied interactions – religious and secular, local and global, historical and contemporary, academic and practical. An innovative book about the shape of theology in reaction to its relationship with the Church, with theologians, with other religions, and with the university. Written by David Ford, recognized internationally as one of the most creative of contemporary theologians. Considers how theology shapes other areas of life via its conversations in the public sphere and with non-faith communities. Views theology as both a way of thinking and a way of living, and considers how this lived character cannot be entirely grasped through reason alone. The first volume to bring together a complete and well-rounded account of theology's interaction with all its conversation partners.

Pocket Dictionary of Ethics - Stanley J. Grenz 2003-08-01

Stanley J. Grenz and Jay T. Smith define more than 300 terms related to Christian ethics, including ideas, issues, positions, thinkers, schools and specialties.

Beyond Foundationalism - Stanley James Grenz 2001-01-01

Grenz and Franke provide a methodological approach for doing theology in the postmodern world. They call for a theological method that moves beyond the Enlightenment way of ordering and understanding information (foundationalism). They

propose a theological method that takes seriously the Spirit, tradition and contemporary culture, while stressing trinitarian structure, community and eschatology.

The Millennial Maze - Stanley J. Grenz 1992-09-25

Stanley J. Grenz describes four major views on the millennium held by evangelicals and assesses their strengths and weaknesses.

The Social God and the Relational Self - Stanley J. Grenz 2001-01-01
In this, the first of a six-volume contribution to systematic theology, Grenz creatively extends the insights of contemporary Trinitarian thought to theological anthropology. "The Social God and the Relational Self" is an example of theological construction as an ongoing conversation involving biblical texts, the theological heritage of the Christian tradition, and the contemporary historical-social context.

After Christianity - Gianni Vattimo
2002

In this provocative book, one of Europe's foremost philosophers contemplates the future of religion in the postmodern world.

A Primer on Postmodernism - Stanley James Grenz 2001

From the Academy to Pop Culture, our society is in the throes of change rivaling the birth of modernity out of the decay of the Middle Ages. We are now moving from the modern to the postmodern era. But what is postmodernism? How did it arise? What characterizes the postmodern ethos? Who are its leading advocates? Most important of all, what challenges does this cultural shift present to the church, which must proclaim the gospel to the emerging postmodern generation? Stanley J. Grenz here charts the postmodern landscape. He shows the threads that link art and architecture, philosophy and fiction,

literary theory and television. He shows how the postmodern phenomenon has actually been in the making for a century, also introducing readers to the contemporary gurus of the postmodern mind-set. Scholarly yet accessible to all, this volume is an indispensable guide for understanding contemporary Western culture.

Truth Decay - Douglas Groothuis
2009-09-20

A 2001 Christianity Today Award of Merit winner! The concept of truth as absolute, objective and universal has undergone serious deterioration in recent years. No longer is it a goal for all to pursue. Rather postmodernism sees truth as inseparable from culture, psychology, race and gender. Ultimately, truth is what we make it to be. What factors have accelerated this decay of truth? Why are people willing to embrace such a devalued concept? How does this new view compare and contrast with a Christian understanding? While postmodernism contains some truthful insights (despite its attempt to dethrone truth), Douglas Groothuis sees its basic tenets as intellectually flawed and hostile to Christian views. In this spirited presentation of a solid, biblical and logical perspective, Groothuis unveils how truth has come under

attack and how it can be defended in the vital areas of theology, apologetics, ethics and the arts.

Christianity and the Postmodern Turn
- Myron B. Penner 2005-07

Addresses the promises and perils of postmodernity for the church today.

The Baptist Congregation - Stanley J. Grenz 2002

Stanley J. Grenz seeks to build upon emphases that have been significant throughout Baptist history?the personal nature of the salvation experience, the ordinances of believer's baptism and the Lord's Supper, primacy of Scripture, the church as a company of the redeemed, and the concept of separation of church and state. Questions relating to each chapter will stimulate group interaction and provide thought for personal reflection. Baptists of all fellowships and affiliations will find this book an invaluable resource for understanding the foundations of Baptist beliefs and polity.

A Primer on Postmodernism - Stanley J. Grenz 1996-02-06

Grenz examines the topography of postmodernism, a phenomenon everyone acknowledges, but has difficulty describing with precision. Of particular significance is his discussion of the challenges this cultural shift presents to the church.
