Lullabies for Little Criminals - Heather O'Neill
2016-04-05

A new deluxe edition of the international bestseller by Heather O'Neill, the Giller-shortlisted author of *Daydreams of Angels* and *The Girl Who Was Saturday Night*, featuring an original foreword from the author, to celebrate the tenth anniversary of the coming-of-age story that *People* describes as "a vivid portrait of life on skid row." Baby, all of thirteen years old, is lost in the gangly, coltish moment between childhood and the strange pulls and temptations of the adult world. Her mother is dead; her father, Jules, is scarcely more than a child himself and is always on the lookout for his next score. Baby knows that "chocolate milk" is Jules' slang for heroin and sees a lot more of that in her house than the real article. But she takes vivid delight in the scrappy bits of happiness and beauty that find

their way to her, and moves through the threat of the streets as if she's been choreographed in a dance. Soon, though, a hazard emerges that is bigger than even her hard-won survival skills can handle. Alphonse, the local pimp, has his eye on her for his new girl; he wants her body and soul—and what the johns don't take he covets for himself. At the same time, a tender and naively passionate friendship unfolds with a boy from her class at school, who has no notion of the dark claims on her—which even her father, lost on the nod, cannot totally ignore. Jules consigns her to a stint in juvie hall, and for the moment this perceived betrayal preserves Baby from terrible harm—but after that, her salvation has to be her own invention. Channeling the artlessly affecting voice of her thirteen-year-old heroine with extraordinary accuracy and power, Heather O'Neill's heartbreaking and wholly original debut novel

blew readers away when it was first published ten years ago. Now in a new deluxe package it is sure to capture its next decade of readers as Baby picks her pathway along the edge of the abyss to arrive at a place of redemption, and of love.

Stronger - Cindy McCain 2021-04-27

In *Stronger*, the widow of Senator John McCain opens up about her beloved husband, their thirty-eight-year marriage, and the trials and triumphs of a singular American life. "At once a love letter to her late husband . . . and an indictment of the party-line politics he fought against . . . This is the Cindy McCain we suspected was at his side for so many years."—Time Cindy Hensley was just out of college when she met and fell in love with the celebrated Navy hero John McCain. They embarked on a thrilling life together that put her at the center of American politics for over four decades. *Stronger*, her moving and inspiring memoir, tells the story of her adventurous life with John for the first time. Raising their four children in Arizona while John flourished as a six-term senator in Washington, D.C., Cindy McCain brought her own flair to the role of political wife. She eagerly supported John's career even as she tried hard to stay out of the spotlight and maintain her own health and well-being. In *Stronger*, she is honest in revealing her own successes and missteps, discussing how she dealt with political attacks targeting her children, her battle with opioid addiction, and the wild whirl of campaigning for president. As they built their life together, Cindy and John continued the multi-generation McCain tradition of service to country. With both immense pride and deep worry, she sent two sons off to active duty in the military. She describes her own brave efforts bringing

medical support to countries in crisis and empowering women in Africa and around the world. And she reveals her feelings about the tumultuous effects of the Trump presidency on the military. Most important, this book shares how John's humor and strength helped Cindy grow into the confident woman she is now. More than a political story, *Stronger* is the unforgettable journey of one woman who believes in family, honor, and country—and is willing to stand up for all of them.

My Mother's Spice Cupboard - Elana Benjamin 2018-11-01

My Mother's Spice Cupboard is the true story of the author's Sephardi Jewish family's migration from Baghdad to Bombay (now Mumbai) to Sydney. Unlike most other Australian Jews, her parents were born and grew up in Bombay, and her grandparents came from Iraq, Burma and India. Her father's family immigrated to Sydney, her mother's to Los Angeles, both in the 1960s. They married in Sydney and raised their family there, alongside the father's many brothers and sisters and members of their former Bombay community. Despite being Jewish, her upbringing was greatly influenced by the food, language and culture of India, and to a lesser extent, Iraq. *My Mother's Spice Cupboard* is the story of what happened to a community which no longer exists, how its members built new lives in a different country, and what it was like to grow up as one of their children. It's also about how much things have changed over four generations in one family. The author's grandparents' arranged marriage produced nine children; both her parents grew up within the confines of Bombay's insular Baghdadi Jewish community whereas she grew up as a first generation Australian in Sydney. Her children's lives are underpinned by the differing Jewish traditions of her family and her husband's family. The themes

underlying the story are those of family and community versus individuality; choice versus obligation; and tradition versus modernity. And underlying the entire narrative is the importance of food and cooking, which goes beyond the mere provision of sustenance to express warmth, love and hospitality.

A Stolen Life - Jaycee Dugard 2011-07-12

In the summer of 1991 I was a normal kid. I did normal things. I had friends and a mother who loved me. I was just like you. Until the day my life was stolen. For eighteen years I was a prisoner. I was an object for someone to use and abuse. For eighteen years I was not allowed to speak my own name. I became a mother and was forced to be a sister. For eighteen years I survived an impossible situation. On August 26, 2009, I took my name back. My name is Jaycee Lee Dugard. I don't think of myself as a victim. I survived. *A Stolen Life* is my story—in my own words, in my own way, exactly as I remember it. --- The pine cone is a symbol that represents the seed of a new beginning for me. To help facilitate new beginnings, with the support of animal-assisted therapy, the J A Y C Foundation provides support and services for the timely treatment of families recovering from abduction and the aftermath of traumatic experiences—families like my own who need to learn how to heal. In addition, the J A Y C Foundation hopes to facilitate awareness in schools about the important need to care for one another. Our motto is "Just Ask Yourself to . . . Care!" A portion of my proceeds from this memoir will be donated to The J A Y C Foundation Inc. www.thejaycfoundation.org

Quicklet on Jaycee Dugard's A Stolen Life (CliffsNotes-Like Summary and Analysis) - Jenny Greenleaf 2012-02-24
ABOUT THE BOOK Throughout Jaycee's memoir, she shares journal entries and photographs. The last chapters of the book reveals how difficult it is for her and her daughters to transition from being captives to having freedom. She spends a lot of time second-guessing her trips out in public, and guards their privacy closely. Jaycee writes about how she and her daughters are going through a recovery period, as well as therapy involving horses. She concludes the book by writing about her new foundation, as well as publicly thanking those around her for helping her and her daughters through their recovery. MEET THE AUTHOR Best-selling author, Jennifer Greenleaf (1975-present) was born in Leominster, Massachusetts to parents who are talented by their own rights (her mother is a crafter, as well as a self-made business-woman, and her father is a computer scientist). Her family moved to Maine in 1978, and despite trekking across the country from 1994-2000, she made her way back to Maine. Since 1999, she's written 1,000's of articles for the web, as well as many in print. She has also been a commissioned mixed-media artist since 1993. She and her husband, Chris, are raising three wonderful children (ages 10, 11, and 12 as of this writing), as well as four kitties. As you can see from Jennifer's list of books in this profile, she loves writing about whatever interests her. As of 2011, she began writing fiction, which will be revealed in 2012. EXCERPT FROM THE BOOK Jaycee Dugard opens her memoir by providing an Author's Note explaining how her book may be confusing to her readers. She describes how her mind jumps from one memory to the next and, in order to keep her voice,

that's how she wants to write her story. "Even after I was freed, moments are fragmented and jumbled. With some help, I have come to realize that my perspective is unique to abduction." Her note is followed by her most recent school portrait taken when she was eleven-years-old. Jaycee begins her story in the introduction by explaining she was held captive for eighteen years and, during that entire time, she wasn't allowed to say her name. She wants this memoir to help others who might have gone through a similar situation, "With my writings, I hope to convey that you can endure tough situations and survive. Not just survive, but be okay even on the inside, too." Buy a copy to keep reading!

A Stolen Life - Jaycee Dugard 2011-07-12

A raw and powerful memoir of Jaycee Lee Dugard's own story of being kidnapped as an 11-year-old and held captive for over 18 years On 10 June 1991, eleven-year-old Jaycee Dugard was abducted from a school bus stop within sight of her home in Tahoe, California. It was the last her family and friends saw of her for over eighteen years. On 26 August 2009, Dugard, her daughters, and Phillip Craig Garrido appeared in the office of her kidnapper's parole officer in California. During her time in captivity, at the age of fourteen and seventeen, she gave birth to two daughters, both fathered by Garrido. Dugard's memoir is written by the 30-year-old herself and covers the period from the time of her abduction in 1991 up until the present. January First - Michael Schofield 2012-08-07

Michael Schofield's daughter January is at the mercy of her imaginary friends, except they aren't the imaginary friends that most young children have; they are hallucinations. And January is caught in the conflict between our world and their world, a place she calls Calalini. Some of these hallucinations, like "24 Hours," are friendly and some, like "400 the Cat" and "Wednesday the Rat," bite and scratch her until she does what they want. They often tell her to scream at strangers, jump out of buildings, and attack her baby brother. At six years old, January Schofield, "Janni," to her family, was diagnosed with schizophrenia, one of the worst mental illnesses known to man. What's more, schizophrenia is 20 to 30 times more severe in children than in adults and in January's case, doctors say, she is hallucinating 95 percent of the time that she is

awake. Potent psychiatric drugs that would level most adults barely faze her. A New York Times bestseller, *January First* captures Michael and his family's remarkable story in a narrative that forges new territory within books about mental illness. In the beginning, readers see Janni's incredible early potential: her brilliance, and savant-like ability to learn extremely abstract concepts. Next, they witness early warning signs that something is not right, Michael's attempts to rationalize what's happening, and his descent alongside his daughter into the abyss of schizophrenia. Their battle has included a two-year search for answers, countless medications and hospitalizations, allegations of abuse, despair that almost broke their family apart and, finally, victories against the illness and a new faith that they can create a life for Janni filled with moments of happiness. A compelling, unsparing and passionate account, *January First* vividly details Schofield's commitment to bring his daughter back from the edge of insanity. It is a father's soul-baring memoir of the daily struggles and challenges he and his wife face as they do everything they can to help Janni while trying to keep their family together.

On June 10, 1991, in a small community near Lake Tahoe, a strange car approaches Jaycee as she is walking to the school bus. An Intimate Life - Cheryl T. Cohen-Greene 2012-11-13
The real life behind Helen Hunt's Oscar-nominated performance in The Sessions: "A provocative and unusual book about a provocative and unusual profession" (Booklist). For the past forty years, Cheryl Cohen Greene has worked as a surrogate partner, helping clients to confront and ultimately accept their sexuality. In this riveting memoir, Cohen Greene shares some of her most moving cases, and also reveals her own sexual coming-of-age. Beginning with a rigid Catholic

upbringing in the 1950s, where she was taught to think sex and sexual desires were unnatural and wrong, Cohen Greene struggled to reconcile her sexual identity. In the 1960s Sexual Revolution, Cohen Greene found herself drawn to alternative sexual paths, and ultimately achieved a rich and rewarding career as a surrogate partner. Sex surrogacy as a profession was first developed by noted sex researchers Masters and Johnson in the 1960s, and since its inception has remained in the shadows. An Intimate Life offers a candid look into the personal and professional life of a surrogate partner, examining the cultural and emotional ramifications of pursuing something most people consider taboo. The memoir opens with Cohen Greene's work with Berkeley-based poet and journalist Mark O'Brien, who was confined to an iron lung after contracting polio at age six. His short essay "On Seeing A Sex Surrogate" was adapted into the film The Sessions starring John Hawkes and Helen Hunt as Cheryl T. Cohen Greene.
