Human Biology for A2 Level

- Mary Jones 2005-04-07

Human Biology provides full coverage of the specification from OCR first introduced in September 2003. It carries an endorsement from the awarding body and is written by Mary Jones and Geoff Jones who are the authors of numerous successful textbooks for biology courses.

Maths for Advanced Biology

- Alan Cadogan 2002

Written by teachers and fully covering the 2002 A Level maths specifications for biology, this text is useful for both classroom work and homework exercises. Relevant for AS and A2 Levels of study and designed to be accessible and friendly in format, its aim is to provide clear and concise explanations of mathematical concepts and how these are then applied in biology. Worked examples are included throughout encouraging students to grasp the subject matter

with ease. Examination style questions and answer sections provide an opportunity for continuous progression and to consolidate learning.

Data and Data Handling for A2 Level Biology - Bill Inidge 2003-06

Aims to help students of various ability levels develop skills of data interpretation, application and analysis. Tying into the scheme of assessment for A2 Biology, which places a proportion of marks upon these skills than at AS, this book uses both core exercises for A2 Biology, and broader exercises involving various areas of the specification.

**Edexcel A2-level Biology** - Ann Fullick 2009

*Biology Exam Practice for CCEA A2 Level* - James Napier 2020-10

**A2-Level Biology Exam Board Revis Guide** - Kate Houghton 1970-01

A guide to syllabus-specific

revision for the A2-level Biology AQA A course. It explains every topic clearly, along with worked examples. It is also suitable for last minute revision or for support during the whole course.

AS/A2 Level Biology AQA Complete Revision & Practice - Richard Parsons 2010-01

This revision guide for A-Level Biology is suitable for the AQA exam board. Tricky topics are broken down and explained in straightforward terms with plenty of diagrams. The book also includes practice exam questions for every topic. *A2-Level Biology, Edexcel* - Ellen Bowness 2005-12 Providing syllabus-specific revision for the A2-level Biology Edexcel course, this guide explains every topic, with worked examples. Ideal for last minute revision or for support during the whole course, this book gives coverage for A-level in the CGP style.

**A2 Level Biology Ocr**

**Revision Guide** - CGP Books 2009-06  
A2-Level Biology OCR Complete Revision & Practice

**A2 Level Biology for OCR: Student Book** - CGP Books 2012-06-01

Biology - John Parker 2004-07

These New editions of the successful, highly-illustrated study/revision guides have been fully updated to meet the latest specification changes. Written by experienced examiners, they contain in-depth coverage of the key information plus hints, tips and guidance about how to achieve top grades in the A2 exams.

*AQA a Level Biology Year 2 Student Book* - Glenn Toole 2015-04-01

Fully revised and updated for the new linear qualification, written and checked by curriculum and specification experts, this Student Book supports and extends students through

the new course while delivering the breadth, depth, and skills needed to succeed in the new A Levels and beyond.

**Cambridge International AS and A Level Biology** -

C. J. Clegg 2015-01-30  
This title covers the entire syllabus for Cambridge International Examinations' International AS and A Level Biology (9700). It is divided into separate sections for AS and A Level making it ideal for students studying both the AS and the A Level and also those taking the AS examinations at the end of their first year. - Explains difficult concepts using language that is appropriate for students around the world - Provides practice throughout the course with carefully selected past paper questions at the end of each chapter We are working with Cambridge International Examinations to gain endorsement for this title.

A2 Level Biology Aqa Revision Guide - CGP Books

2009-05  
A2-Level Biology AQA Complete Revision & Practice

**Biology for CCEA AS Level** - James Napier 2012-06

This text follows the same content on point as the CCEA specification. Its bright and clear presentation will aid students' understanding of the course and the sample examination questions provided throughout reinforce the learning and aid preparation for the exam.

**OCR A Level Human Biology AS and A2** -

Barbara Geatrell 2009-09-01  
This revision guide is clearly written by experienced examiners and teachers and is packed full of information, quick-check revision questions, hints and tips from examiners, and practice exam-style questions, to provide students with that extra help they need for exam preparation.

**Revise A2 Level Biology**

**for AQA Specification B** -  
Graham Read 2002

This revision guide is written at the appropriate level for the exam, giving students a clear indication of the level they are expected to achieve. The content covers everything students need to know for the OCR exams, without extra information needed for other exam specifications.

**AQA Biology A2** - Glenn Toole 2014-11

This is the only set of resources to have been developed with, and exclusively endorsed by, AQA, making them the first choice to support the new AQA specification for AS and A2.

AS Level Biology for OCR: Student Book - CGP Books  
2012-04-01

**A2-level Biology** - 2005

**AS/A level Biology** - Mary Jones  
2007-05-03  
Cambridge International AS

and A Level Biology meets the requirements of the Cambridge syllabuses for Cambridge International AS level and A level Biology, and is endorsed by Cambridge for use with these examinations. In one volume, this textbook covers the complete AS level syllabus, the core A Level syllabus and the new Applications of Biology section. Each chapter starts with a list of learning objectives. Questions throughout the text reinforce students understanding, and the past examinations questions help with revision. The accessible language means that the material is suitable for all students, including those for whom English is not their first language.

**BIOLOGY FOR CCEA A2 LEVEL - 2ND EDITION.** -  
DR JAMES. NAPIER 2017

Cambridge International AS and A Level Biology Workbook with CD-ROM -  
Mary Jones 2016-05-26

Fully revised and updated content matching the Cambridge International AS & A Level Biology syllabus (9700). The Cambridge International AS and A Level Biology Workbook with CD-ROM supports students to hone the essential skills of handling data, evaluating information and problem solving through a varied selection of relevant and engaging exercises and exam-style questions. The Workbook is endorsed by Cambridge International Examinations for Learner Support. Student-focused

scaffolding is provided at relevant points and gradually reduced as the Workbook progresses, to promote confident, independent learning. Answers to all exercises and exam-style questions are provided on the CD-ROM for students to use to monitor their own understanding and track their progress through the course.
