ACCA Paper F4 - Corp and Business Law (Eng) Study Text - BPP Learning Media 2009-07-01

The Association of Chartered Certified Accountants (ACCA) is the global body for professional accountants. With over 100 years of providing world-class accounting and finance qualifications, the ACCA has significantly raised its international profile in recent years and now supports a BSc

(Hons) in Applied Accounting and an MBA. BPP Learning Media is an ACCA Official Publisher. The ACCA F4 UK syllabus seeks to develop knowledge and understanding of the English legal framework that is relevant to the business context in which accountants work. Human Rights law is also important and students must appreciate the fact that further legal advice should be sought where necessary. The syllabus also covers how businesses are affected by the law, including: * The types of business that can be established * How companies are formed, administered, financed and closed down * How businesses trade * How a business deals with its employees * The impact of ethics and corporate governance. This examiner reviewed F4 UK text takes the reader on a journey from complete novice to an accountant who has a good understanding of the legal issues relevant to businesses. It comprehensively covers all the detail required to pass the ACCA's law exam and according to the examiner "makes the task of coming to terms with it almost enjoyable". BPP Learning Media is the publisher of choice for many ACCA students and tuition providers worldwide. Join them and plug into a world of expertise in ACCA exams.
