One of the most significant developments within contemporary American Christianity, especially among younger evangelicals, is a groundswell of interest in the Reformed tradition. In *Reformed Resurgence*, Brad Vermurlen provides a comprehensive sociological account of this phenomenon known as New Calvinism and what it entails for the broader evangelical landscape in the United States. Vermurlen develops a new theory for understanding how conservative religion can be strong and thrive in the hypermodern Western world. His paradigm uses and expands on strategic action field theory, a recent framework proposed for the study of movements and organizations that has rarely been applied to religion. This

approach to religion moves beyond market dynamics and cultural happenstance and instead shows how religious strength can be fought for and won as the direct result of religious leaders' strategic actions and conflicts. But the battle comes at a cost. For the same reasons conservative Calvinistic belief is experiencing a resurgence, present-day American evangelicalism has turned in on itself. Vermurlen argues that in the end, evangelicalism in the United States consists of pockets of subcultural and local strength within the "cultural entropy" of secularization, as religious meanings and coherence fall apart.

**Gripped by the Greatness of God** - James MacDonald  
2008-09-01

When was the last time you were really and truly gripped by God's greatness? Most Christians recall heartfelt resolutions around a fire at bible camp as children, and perhaps a revival meeting or two. But what causes the

fervor of those experiences to translate into a consistent life pattern? Pastor and author James MacDonald believes that the better we understand God, the better we understand ourselves, and the less likely we are to favor our own will over God's. He writes: 'God is not safe and He will not be squeezed into some neat, respectable Sunday discussion...No. To Know God at all is to watch Him explode any box we put Him in with His terror, majesty and indescribable wonder.' Expounding upon Isaiah's encounters with God, MacDonald prods snoozing saints to rediscover the wonder of God's attributes. He also shares candidly from his experiences in life and ministry where God proved Himself to be the Great I AM. This book will spur new and seasoned believers alike to detest mediocrity in their spiritual walks. Ideal for individual or small group study.

10 Choices - James MacDonald  
2010-05-03

Many people see their lives

playing out like a movie they cannot control. They have come to feel like spectators watching a story unfold, unable to stop the stampeding consequences. They feel the die is cast, and nothing they do can alter the outcome. James MacDonald believes that is a lie. In 10 Choices he says, while people are where they are in life because of the choices they've made, they don't have to stay there. This book is about getting beyond self-help and blame shifting and changing at the deepest and most profound level...the will. A person's will is what he uses to choose and act. This book helps readers to discover the heights to which their wills, truly surrendered to God, can actually soar and the "10 choices" that can take them there. This impactful book will prompt readers to make 10 Choices that are sure to change their lives forever.

Unmasking the Male Soul -  
Wilmer G. Villacorta  
2019-09-23

Unmasking the Male Soul is  
about freedom that confronts

the innate and enslaving obsession for power and control in destructive ways. At the core of this liberating process, we must acknowledge that we cannot escape the sociocultural matrix in which every human being emerges. In denying their fallen nature, human beings set aside their dependency on God and become self-centered and self-reliant. It is from their self-centered hearts that human beings foster dynamics of coercion, domination, competition, and distorted self-realization at the expense of others. This cycle of shame and guilt is well-disguised behind a mask which enables them to enact these dynamics in subtle ways. At times even in the name of religion, men followed the illusion of their internal insecurities and became dependent on masks of power and control. It is time to break away from the chains of exclusion and devaluation of women in Christian leadership. Masculinities have only perpetrated a narrative of exceptionalism as the apex of

humankind, and often they have contrasted to subservient expectations of women in leading others. Each chapter responds to the implicit male silence on the issue in a multidisciplinary way with historical, sociocultural, theological, and scriptural implications. In this book, I will endeavor to challenge the masks of masculinities and dismantle several mental models that foment a gender divide in Christ-like leadership in the twenty-first century.

*40 Day Run Daily Devotional*

*For Men* - Steven Waters  
2019-04-16

40 Day Run is a daily devotional written for men and deals with issues ranging from establishing a healthy worldview to making relationships work. Each day you will be challenged with thought-provoking ideas and will encounter fresh perspectives. The Bible tells us that life is like running a race. Some days the terrain is rocky and uneven, making the going difficult. Other days the road is smooth and the running is easy. When running in the mountains, it is easy to see what lays ahead. When running through valleys, it is often difficult to maintain perspective. Our relationship with God, and with each other, can often be the same way. Whether you are currently on the heights of the mountain or at the bottom of the valley in your own life, you will find the encouragement to run the race marked out for you!

*A Man's Greatest Challenge* - Dai Hankey 2014-10-02

Gospel Shaped Church is a

curriculum from The Gospel Coalition that will help whole congregations pause and think carefully and prayerfully about the kind of church they are called to be. Gospel Shaped Living is a track that explores over 7 sessions what it means for a local church to be a distinctive countercultural community. How should Christians live? The church should be a distinctive community of God's people-but how different are we from the rest of the world? This track helps us untangle some of the false ideas and traditions that evangelicals have had in the past, and reveals the more deeply challenging picture that emerges from Scripture. This flexible resource will train your whole church through teaching, preaching, daily reading and small-group Bible study and discussion-or any combination of those elements. The overall aim is that your church will embark on a journey to discover the kind of people they should be as they are shaped by the gospel of Jesus Christ.

*A Man's Strategy for Conquering Temptation* - Bob Vereen 2009-07-21

Christian men are in the midst of a life-long process. They're being transformed by the renewing of their minds, and through the power of the Holy Spirit, they're crucifying the sinful nature with its passions and desires. But the world, the flesh, and the devil go to great lengths to thwart the process. Our culture is obsessed with sex. Pornography, declining morals, pervasive visual stimulation, rampant divorce, and epidemic adultery. They all reflect ungodly passions. And inflame impure thoughts. In this six-week study you'll learn that God has provided everything you need to resist temptation. Through the examples of men in Scripture—those who fell into sin and those who stood firm—you'll find hope for controlling your passions. You'll learn how to choose the path of purity. And you'll find assurance that through the power of the Holy Spirit and God's Word, you can escape

the corruption of this world and one day stand before God blameless and pure.

Jesus' love and life demonstrate habits that point us to God and transform our lives. Are you ready?

*Taking America Back for God* - Andrew L. Whitehead 2020-02-03

Why do so many conservative Christians continue to support Donald Trump despite his many overt moral failings? Why do many Americans advocate so

vehemently for xenophobic policies, such as a border wall with Mexico? Why do many Americans seem so unwilling to acknowledge the injustices that ethnic and racial minorities experience in the United States? Why do a sizeable proportion of Americans continue to oppose women's equality in the workplace and in the home? To answer these questions, *Taking America Back for God* points to the phenomenon of "Christian nationalism," the belief that the United States is-and should be-a Christian nation. Christian ideals and symbols have long played an important role in American public life, but Christian nationalism is about far more than whether the phrase "under God" belongs in the pledge of allegiance. At its heart, Christian nationalism demands that we must preserve a particular kind of social order, an order in which everyone--Christians and non-Christians, native-born and immigrants, whites and minorities, men and women--recognizes their

"proper" place in society. The first comprehensive empirical analysis of Christian nationalism in the United States, *Taking America Back for God* illustrates the influence of Christian nationalism on today's most contentious social and political issues. Drawing on multiple sources of national survey data as well as in-depth interviews, Andrew Whitehead and Samuel Perry document how Christian nationalism shapes what Americans think about who they are as a people, what their future should look like, and how they should get there. Americans' stance toward Christian nationalism provides powerful insight into what they think about immigration, Islam, gun control, police shootings, atheists, gender roles, and many other political issues--very much including who they want in the White House. *Taking America Back for God* is a guide to one of the most important--and least understood--forces shaping American politics. *Man Up!: 40 Devotions for*

*The Game Plan* - Joe Dallas  
2005-07-17

Men everywhere are under attack-your neighbor, your coworker, your pastor, even your husband. And, even in Christian homes, 40% of men have fallen to this foe that can destroy marriages and ruin lives. Who is this devastating adversary? Pornography. It floods our airwaves and PCs, assaulting the senses, and luring its prey to return again and again. Drawing from seventeen years of counseling practice, and using material that he's taught for more than ten years, Joe Dallas is helping readers face this enemy.

Equipping those who have been caught up in pornography or other forms of sexual sin with the ability to abandon that behavior and never return. Using the acronym ROUTE-Repentance, Order, Understanding, Training, and Endurance-Dallas walks readers through the steps necessary to attain-and maintain-sexual integrity. "No one understands this subject better than Joe Dallas. And nowhere is there a more biblical and user-friendly 'game plan' for Christian men committed to reclaiming moral purity. James Kennedy, Ph.D. "You may beat

your demon the first time through The Game Plan or you may need it through a long season, but it's a worthy companion. Joe's advice is sound and his format is friendly."--Tom Minnery, Focus on the Family "I can tell you without hesitation that The Game Plan is one of the best books I've ever read on this important topic."--Robert Adrescok, Editor, New Man Magazine

**The Sword & Shield** - Robert Noland 2019-06-12

The Sword & Shield Men's Devotional is a 40-day journey designed to encourage, inspire, and challenge men to be leaders for Christ in their families, workplaces, and circles of influence. From biblical to medieval times, the sword was an offensive weapon and the shield, a defensive weapon. In the dominant hand of the warrior, the sword was used to advance; in the lesser hand, the shield defended against attacks. As modern metaphors, the sword represents spiritual growth transformation of men into the image of Christ and the shield, moral protection intentional actions to stop the enemy. As examples, a sword is commitment to daily prayer, while a shield is accountability to strengthen areas of

weakness. The goal for the Sword & Shield Men's Devotional is two-fold: Offer relevant, transferable principles of spiritual growth to men, and develop a daily time spent with God to form an on-going habit past the forty days.

**40 Lives in 40 Days** - John F. MacArthur 2022-07-19

Have you ever wondered why God uses ordinary people to accomplish His work and to spread the good news? Join bestselling author and Bible teacher John MacArthur as he takes a closer look at the everyday lives of the men and women that God trusted to carry His message and lead His people. 40 Lives in 40 Days is a brand-new devotional compilation of MacArthur's extensive studies of the Bible characters who show us that we don't have to be perfect to do God's work. From the twelve disciples to the Samaritan woman, MacArthur shares that Jesus chose average people--fishermen, tax collectors, doubters, political zealots--and gave them a remarkable mission. These encouraging stories, based in Scripture, help shed light on these real men and women who endured struggle, pain, and heartache, just like us. They were perfectly ordinary sinners--living proof of God's

kindness--who went on to serve an extraordinary purpose in spreading the gospel. By tracing the lives of these unlikely heroes, MacArthur shows us that the difficulties and temptations that they lived through are the same trials that modern believers face today. Throughout 40 Lives in 40 Days, MacArthur will: Dive deep into the stories of Jesus' earliest disciples Teach us that God continues to mold and use ordinary people today Share the surprising ways God accomplishes His purposes Provide an honest look at all of God's people Help you experience God's goodness and grace As you get to know each of these 40 figures even better, you'll see why the lives they led can still serve as an inspiration to believers today.

**Deuteronomy** - Matthew H. Patton 2017-03-16

The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are

made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. The book of Deuteronomy contains the final words of Moses to Israel as they wait to enter the Promised Land. Reflecting on the nation's past mistakes, Moses calls Israel to faithful obedience while recounting the past faithfulness of God. This study guide helps Christians understand that the only hope for obedience to God's

commands is the grace of God found in the person and work of Jesus.

**Verses & Versus** - Robert Noland 2017-12-30

When am I being confident and when do I spill over into arrogance? When is my anger justifiable and when am I bordering on rage? Where am I planning wisely and where am I just selfishly plotting? When do I speak up and where do I need to shut up? Where am I investing my hours and where am I merely wasting time? Life these days can seem like a tightrope walk with no net. All too often we feel like we're playing a one-person game of teeter-totter, running back and forth between two contrasting sides of an issue, trying desperately to find the balance. The Bible is the great Standard for all of life. Inside its pages, we can discover both our life and stability in these shaky times. Yes, we will fail and falter in this broken, fallen world, but the Scripture has the answer for this daily dilemma as well. Invest the next forty days in the Verses of

the Bible speaking to the Versus of the culture. From within the deep cultural contrasts in which we struggle and strive, find biblical breakthroughs in connecting the truth and power of God's Word to your heart, soul, and spirit. **Lord, Change My Attitude** -

James MacDonald 2015-06-18

Change your attitude, change your life. We're very good at explaining why we're unhappy: bad job, bad relationships, bad luck. But there's probably a better reason: bad attitudes. In *Lord, Change My Attitude*, James MacDonald shows us

just how much our attitudes affect our lives. One of his bestsellers, this book is classic James: It's clear, it's inspiring, and it packs a punch. Drawing from the experience of the Israelites who grumbled through the wilderness, MacDonald shows how bad attitudes rob us of joy. Coveting, complaining, and being critical are not what our hearts were made for. They were made for thankfulness, contentment, and love. Is your heart straining under the weight of a bad attitude? Don't read this book if you're looking for a quick fix. Don't read this book if you're unwilling to change. Read it if you're ready for a serious, inside-out attitude adjustment.

**Do You Believe?** - Robert Noland 2015-03-01

The cross of Christ has long been a historic and revered religious icon as well as a divine dividing line within humanity. The powerful Pure Flix film *Do You Believe?* ushers the timeless question of the meaning of the cross to a deeply personal place: What

does it mean to me? Is it only a symbol or truly salvation? The *Do You Believe? Devotional* is a 40-day journey centered around the eternal evidence and powerful proof of the great love of God with the sacrifice offered for humanity associated with only One, His Son, Jesus Christ. In the film, a challenging question is brought before our politically correct culture: If you were accused of being a Christian, would there be enough evidence to convict you? Regardless of your own answer to such a question, or the place in life you may find yourself, these 40 days can be an investment into your future and more importantly, your eternity as you pursue a deeper level of faith for yourself. The *Do You Believe? Devotional* book is a daily walk through the word of God with inspiring quotes from the film. It offers a respite from the rush of life and the peace and hope made available only through the cross.

As each volume focuses on a particular book in the Bible, believers will find the study useful for the enrichment of daily devotional reading or as the basis for small group Bible study discussion. In this volume, readers will be led through a

daily study of the Old Testament book of 1 Samuel. 40 Days in 1 Samuel breaks down the book of 1 Samuel into chunks that present the "Big Picture" of the passage, then "Digging Deeper" into that section, and then moving to help the reader into "Living Out" the lessons that are taught each day.

### **40 Days of Praise from Prison** - Nathan Storm

2022-08-01

What would you do if you were sentenced to 270 months in a federal prison? Would you give up hope? What about your family? How do you think they feel? Do they miss you as much as you miss them? These are some of the realities that go through my mind on a daily basis. I regret most of the choices that I have made in my adult life. I wonder what my life would have been like if I had never taken that first drink or first drug. Then I wonder why I should get up every morning at five to pray to God to help me, to give me strength and patience, and to be kind to others. Why? Because of faith. I believe that God has a purpose for me no matter what my situation is. I am saved by his grace. There are more than one million men and women who struggle like me. We are not lost causes. We have hopes,

dreams, and families just like everyone else. Most of us just want another chance. There are many great people in the Bible who made mistakes or committed sins, and God still used them for his greater plan. If the Creator of the world can forgive, then why can't we? He made us all, and we are not mistakes. I wrote these prayers in a dark time in America. I did it to give hope and inspiration to other men and women in similar situations. I give all the honor and glory to God. 49 [Recovering Biblical Manhood and Womanhood \(Revised Edition\)](#) - John Piper

*Act Like Men* - James

MacDonald 2014-10-01

Man up; it's the best thing you can do for others—and yourself. Men are so busy doing so many different things; when not working, their free time is often full of the trivial or sinful. But what society and church so desperately need are men who embrace all that God created them to be, who long to follow

God without limits and meet the needs of those around them without hesitation. To get there, we need what Pastor James MacDonald calls “radical surgery”—a deep, probing exploration and reparation of all that it means to be a man. In his definitive, bold voice, MacDonald calls men to be watchful, firm in their faith, strong, and loving. This isn't a call for bravado and bluster. It's a call for men to mix tender and tough, to be humble, to follow Jesus. It is a call to be leaders, men of God, husbands who are present and caring and strong. It is straight talk—no posturing or posing or beating around the bush—inviting men to redemption and restoration in their manhood. Read *Act Like Men* and take bold steps toward being all that God designed you to be.

**Legacy of Leaders** - Robert Noland 2021-06-14

Jesus redefined the concept of leadership when He stated,

"Whoever wants to be a leader among you must be your servant. For even the Son of Man came not to be served but to serve others and to give his life as a ransom for many" (Matthew 20:26-28; Mark 10:43-45, Luke 22:26-27). Legacy of Leaders: A 40-Day Journey with the Men of God's Word walks through forty stories in the Bible from Genesis to Revelation, from pillars of the faith like Abraham and David to the easily missed

like Shamgar and Joseph (Jesus' dad). Whether your first or thousandth time through these ageless accounts of men who encountered God, Scripture reveals that He did not choose super-heroes, but rather broken men the world often ignored and overlooked. Be encouraged, challenged, and inspired on this 40-day journey, allowing God to show you what His leadership can look like in your life, as well as the leader He can create in you.
