Building a Medical Vocabulary - Peggy C. Leonard 2014-09-25

The language of medicine may be complex, but learning it doesn't have to be. Using short, easy-to-understand segments followed immediately by programmed exercises, *Building a Medical Vocabulary: With Spanish Translations, 9th Edition* starts with medical terms that you may already know and builds your knowledge by adding new combining forms, prefixes, and suffixes. An Evolve companion website reinforces your understanding with interactive games, animations, audio pronunciations, and more. Organizing medical terms by body system, this text provides the building blocks for effective communication in the health care environment. Easy-to-understand, conversational writing style makes reading and absorbing the material enjoyable. Programmed Learning sections allow you to actively participate in learning and get instant feedback on your progress. An Evolve companion website reinforces learning with audio pronunciations, interactive games, exercises, animations, flash cards, and more. Thorough explanation of terms enhances understanding by presenting vocabulary in the context of medical settings. Moderate level of A&P coverage provides the background that you need to understand body systems in the context of medical terminology. Health Care Reports and case studies allow you to apply your knowledge to job-like situations. Spanish translations cover common Spanish terminology that you are likely to encounter in the clinical environment. Be Careful with These caution boxes highlight important distinctions between terms that are

similar in spelling and/or pronunciation. Comprehensive end-of-chapter reviews allow you to measure your learning against chapter objectives. The Joint Commission official Do Not Use list of error-prone abbreviations alert you to abbreviations that should not be used in the clinical setting. Bookmark pronunciation guide makes it easy to find pronunciations and may also be used to cover the answer column while working the programmed learning sections of the text. Glossary/Index makes it easy to find words and their definitions, and is great for final exam review. NEW Special Sense Organs chapter is dedicated to coverage of the eye, ear, and other special senses. NEW! List of key terms with pronunciations in each chapter provides a helpful review that coordinates with audio files on the Evolve companion website. NEW ICD and CPT information includes ICD and CPT terminology.

Are you looking for an incredibly good manuscript for learning Spanish? Are you frustrated because you want to leave for a trip to Spanish, but you can't due to your lack of Spanish language knowledge? Do you know what is the hardest thing to find in a language learning manuscript? If you want to know the answer, then keep reading... Attention: to start on your path to learning, you do not have to purchase the whole series, instead, you can buy this book only. However, the purchase of the complete

series of four books is recommended for a richer and more detailed study of the language in question. Probably you have already tried to learn Spanish by watching your favorite movies and series, and maybe you could not see them until the end, giving up right away because they were talking too fast and you could not understand that much. If this happened to you, you probably thought that learning Spanish is too difficult, if not impossible for you... Science helps you here. Did you know that we memorize and learn information more easily through stories? Because our brain likes it, it has been so used from an early age, with the stories they told us, cartoons etc. In this way it is more inclined to learn. As a result, it is easier to learn and memorize a new language by reading stories. There are several manuscripts similar to this one for learning Spanish but they are not really optimal or suitable for beginners for different reasons: complicated terms are used, the stories are too long, lack of vocabulary, excessive amount of grammatical errors, lack of techniques and suggestions to help the reader to memorize effortlessly and other carelessness that you will not find in this manuscript. Here you'll find: - 13 Dual-Language lessons in parallel text broken down into verb tenses - Intermediate vocabulary that can be used in several situations - The verb "pretérito imperfecto" and "pretérito perfecto" - The verb "presente del subjuntivo" and "condicional" - The verb "pretérito indefinido" and "futuro del indicativo" - 1 empowering lesson with all the tenses together and much more! In fact, even if you have never spoken or written in Spanish, no need to worry because this book was designed specifically for people like you... At the end of each story,

there are 10 questions and suggested answers that will guide you in each of your answers. In addition to get the most out of this manuscript you'll find a parallel translation of the stories in English and at the beginning of each lesson, there is a glossary that contains the words of the story that will follow. This will help you to memorize the most important words of each story. In conclusion with all these advantages it will be scientifically impossible not to learn spanish. If you are ready to learn quickly and effortless spanish, just buy a copy of this manuscript to start speaking spanish fluently now.
