Act Like Men - James MacDonald

2014-10-01

Man up; it's the best thing you can do for others—and yourself. Men are so busy doing so many different things; when not working, their free time is often full of the trivial or sinful. But what society and church so desperately need are men who embrace all that God created them to be, who long to follow God without limits and meet the needs of those around them without hesitation. To get there, we need what Pastor James MacDonald calls "radical surgery"—a deep, probing exploration and reparation of all that it means to be a man. In his definitive, bold voice, MacDonald calls men to be watchful, firm in their faith, strong, and loving. This isn't a call for bravado and bluster. It's a call for men to mix tender and tough, to be humble, to follow Jesus. It is a call to be leaders, men of God, husbands who are present and caring and strong. It is straight talk—no posturing or posing or beating around the bush—inviting men to redemption and restoration in their manhood. Read *Act Like Men* and take bold steps toward being all that God designed you to be.

Be Hopeful (1 Peter) - Warren W. Wiersbe 2010-01-01

"Hope is not a sedative; it is a shot of adrenaline, a blood transfusion." Through clever word pictures like this, best-selling author and former pastor Warren Wiersbe preaches the same message Peter preached so long ago. Turning each enlightening page, believers gain increasing confidence in true Hope, a God in whom they don't just wish for eternal life. In Scripture, hope means the promise of salvation for those who have accepted Him and His Son's death and resurrection. Christians who possess this hope and live as though they possess it will learn godly submission, holy living, and harmony with other believers. These qualities will prepare them for what Peter paints in his epistle as inevitable-suffering and persecution. Though Peter is writing to warn a people who would soon be under the tyranny of a heathen Roman emperor, some level of suffering will always be a part of the believers' journey. A time is soon coming when living the "comfortable" Christian life will be far more costly than the life willing to give up all.

Victorious - Warren W. Wiersbe 1985-12

In this expository survey of Revelation, Warren Wiersbe clearly illustrates that prophecy is practical. The Apostle John wrote this New Testament book to encourage suffering saints, not only in his own day, but in every era of church history.

Be Real (1 John) - Warren W. Wiersbe 2010-01-01

"Like a child eating cotton-candy at the circus, many people who expect to bite into something real end up with a mouthful of nothing. They waste priceless years on empty substitutes for reality." Through clever word pictures like this that strike the reader with their simple truth, acclaimed best-selling author and former pastor Warren Wiersbe shares priceless unchanging realities as he opens up the book of I John. Though Be Real is originally copyrighted in 1972, Wiersbe's text is enchantingly as timeless as the truths in the

Bible itself! His humor is witty, his research is extensive, his historical context is deep, and his commentary is solidly based on the Word of God. In fact, the "Word was with God, and the Word was God" (John 1:1) is the crux upon which he builds to explain the manifestation of a perfect, holy Supreme Being to this hurting world of finite sinners. Heaven blesses earth and the Divine Creator becomes one of the created in this personal and/or group study that you will not soon forget.

Emotionally Healthy Spirituality - Peter Scazzero 2011-05-09

What Are You Missing? Peter Scazzero learned the hard way: you can't be spiritually mature while remaining emotionally immature. Even though Pete was pastor of a rapidly growing church, he did what most people do: avoid conflict in the name of Christianity ignore his anger, sadness, and fear use God to run from God live without boundaries Eventually God awakened him to a biblical integration of emotional health, a profound relationship with Jesus, and the historical practices of contemplative spirituality. It created nothing short of a spiritual revolution, utterly transforming him and his church. In this best-selling book Pete outlines his journey and the signs of emotionally unhealthy spirituality. Then he provides seven biblical, reality-tested ways to break through to the revolutionary life Christ meant for you. *Emotionally Healthy Spirituality* is presently used in more than twenty-six countries to equip churches in a deep, beneath-the-surface spiritual formation paradigm that truly transforms lives.

The Five Books of Jesus - James Goldberg 2012-09-20

It starts in the desert. John the prophet lowers Jesus under the Jordan's muddy waters and pulls him up, just as a bird swoops down to skim the river's surface. It spreads next to Galilee, where some welcome Jesus as a disciple of John and others grow wary of his rising influence—fishermen are leaving their nets, tax collectors their offices, and students their masters to listen to this new saint. After abandoning his nets, Andrew ties knots in the threads of his shirt to remember Jesus' teachings. After escaping his slum, Judas waits for Jesus to call down the legions of angels who can end a broken world. But just as Jesus' movement in the north is gaining strength, he turns south toward the Temple and a fate his followers will struggle to understand. The Five Books of Jesus, James Goldberg's lyrical novelization of Jesus' ministry, tells the story of the gospels as Jesus' followers might have experienced it: without knowing what would happen next or how to make sense of events as they unfold.

Two thousand years ago, the church at Colossae faced similar challenges. The Apostle Paul wrote a letter outlining the only way we can live complete lives: Christ. What can we learn today from this ancient church? Called by many scholars the "most profound letter Paul ever wrote," *Colossians* warrants a careful, faithful study. For both Ruth and Esther, God used stressful circumstances to bring about his eternal purposes. The stories of Ruth and Esther will make you contemplate: Would I trust God enough to do what they did? Go chapter by chapter through the books of Ruth and Esther to see how the lives of these two remarkable women epitomize the type of faith that glorifies God. As you read, ask yourself: How does God want to use my faithful commitment? Will he use your life to affect the generations to come, or will he use your life to impact the current generation? Either way, author Warren Wiersbe helps you to be prepared and be committed to God's will no matter what the cost.

Be Alive (John 1-12) - Warren W. Wiersbe 2009-01-01

When Jesus spoke, people listened. When Jesus traveled, people followed. When Jesus arrived, hearts and lives were transformed. No other Gospel gives such extensive explanation to Jesus' ministry as the Gospel of John. The first three Gospels describe events, but the fourth Gospel describes the significance behind those events. Through miracles, parables, and relationships, Jesus shows how He is the fulfillment of God's promises of old. He is the Word, the Light, the Lamb—the eternal Son of God. Let the humanity of Christ move you as He feels your joys and pains, and let the deity of Christ awaken you to the life He has planned!
