While Nick has never questioned what kind of man he is or what he truly wants in life, working for Damian during a BDSM photo shoot opens his eyes to all sorts of sexual possibilities, and many of them include the handsome Mr. Wolfe. Damian has serious doubts about getting involved with a younger man who knows nothing about the BDSM lifestyle, but Nick's adventurous and humorous approach to new experiences is far too alluring to resist. Although he knows it might be a mistake, Damian takes Nick into his life. Flirting on the edges of control, submission, and pain excites Nick more than he would have ever dreamed possible. With Damian, Nick learns about his own deeply hidden desires and finds out that relinquishing control doesn't make him weak—having someone else in control of his

sexual pleasure simply heightens it. And the reverse is true for Damian: Control turns him on. So they set out to explore these sensual boundaries together, neither expecting to find love along the way.
