Long Story Short - Marty Machowski 2010-11-03

Family Bible study doesn't have to be complicated. Best-selling children's book author Marty Machowski helps busy parents share the gospel story with their kids through *Long Story Short*, an outstanding devotional book full of stories, illustrations, and applicable learning suggestions. For active families, reading the Bible together can feel overwhelming. *Long Story Short* is designed to explain God's plan of salvation through the Old Testament, focusing on the hero of Scripture and important biblical truths without being corny, confusing, or condescending. As a creative and Christ-centered family devotional, *Long Story Short* equips parents to make disciples in their homes by breaking down the Bible story in shorter, easy-to-understand sections. Both practical and simple, this beautifully designed book is faithful and interactive to Scripture. Machowski guides families through the Old Testament stories, drawing on his experience as a father of six and family life pastor. Christian parents know the importance of passing the gospel story on to their children, yet we live in a busy world filled with distractions. Schedules collide, homework and laundry and soccer practice await, and before you know it, it's easy to miss God's Word. With just ten minutes a day, five days a week, parents have enough time to pass on the most valuable treasure the world has ever known. *Long Story Short* is a family devotional program designed to cultivate honest and powerful discussion about the Bible, which is the catalyst for change in children's lives.

She Reads Truth - Raechel Myers 2016-10-04

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. *Help Your Kids Learn and Love the Bible* - Danika Cooley 2021-06-08
