Oral Surgery - Fragiskos D. Fragiskos 2007-03-08

This book covers a wide range of topics in oral surgery with detailed, step-by-step analysis of surgical techniques, with many examples. Various aspects of surgical techniques are analyzed. These include the instruments and materials used in oral surgery, types of flaps and suturing techniques, radiographic techniques, complications and treatment, and odontogenic infections. Also covered is the latest scientific information concerning preventive and therapeutic use of antibiotics in dentistry. The abundant photographic material, together with figures which are of excellent quality, make this book a must in every dental library.

Essential Thor - Stan Lee 2004-05-10

Bumper reprint collection of Thor's earliest appearances. Re-live meek Dr. Donald Blake's transformation into the legendary god of thunder in this collection of the mighty Thor's earliest classic adventures. With his mystical hammer Mjolnir at his side, Thor sets out to bring justice to earth.

Riven - Jerry B. Jenkins 2008

When Brady Wayne Darby, a condemned man whose life is

marked by death, guilt, and despair, meets Thomas Carey, a weary man of God, he learns about the prospects of rebirth, forgiveness, and hope.

Comments on the Moro Massacre - Mark Twain 2016-01-06
Comments on the Moro Massacre is a short essay by Mark Twain. Samuel Langhorne Clemens (November 30, 1835 - April 21, 1910), better known by his pen name Mark Twain, was an American author and humorist. He wrote The Adventures of Tom Sawyer (1876) and its sequel, Adventures of Huckleberry Finn (1885), the latter often called "The Great American Novel." Twain grew up in Hannibal, Missouri, which provided the setting for Huckleberry Finn and Tom Sawyer. After an apprenticeship with a printer, he worked as a typesetter and contributed articles to the newspaper of his older brother, Orion Clemens. He later became a riverboat pilot on the Mississippi River before heading west to join Orion in Nevada. He referred humorously to his singular lack of success at mining, turning to journalism for the Virginia City Territorial Enterprise. In 1865, his humorous story, "The Celebrated Jumping Frog of Calaveras County," was published, based on a

story he heard at Angels Hotel in Angels Camp, California, where he had spent some time as a miner. The short story brought international attention, and was even translated into classic Greek. His wit and satire, in prose and in speech, earned praise from critics and peers, and he was a friend to presidents, artists, industrialists, and European royalty. Though Twain earned a great deal of money from his writings and lectures, he invested in ventures that lost a great deal of money, notably the Paige Compositor, a mechanical typesetter, which failed because of its complexity and imprecision. In the wake of these financial setbacks, he filed for protection from his creditors via bankruptcy, and with the help of Henry Huttleston Rogers eventually overcame his financial troubles. Twain chose to pay all his pre-bankruptcy creditors in full, though he had no legal responsibility to do so. Twain was born shortly after a visit by Halley's Comet, and he predicted that he would "go out with it," too. He died the day after the comet returned. He was lauded as the "greatest American humorist of his age," and William Faulkner called Twain "the father of American literature." Twain began his career writing light, humorous verse, but evolved into a chronicler of the vanities, hypocrisies and murderous acts of mankind. At mid-career, with Huckleberry Finn, he combined rich humor, sturdy narrative and social criticism. Twain was a master at rendering colloquial speech and helped to create and popularize a distinctive American literature built on American themes and language. Many of Twain's works have been suppressed at times for various reasons. Adventures of Huckleberry Finn has been repeatedly restricted in American high schools, not least for its frequent use of the word "nigger," which was in common usage in the pre-Civil War period in which the novel was set.

Social Research Methods - Nicholas Walliman 2006-03-10

SAGE Course Companions are an exciting new series from SAGE offering students an insider's guide into how to make the most of their undergraduate courses and extend their understanding of key concepts covered in their course. Social Research Methods provides student readers with essential help with their research project, with revising for their course exams, preparing and writing course assessment materials, and enhancing and progressing their knowledge and thinking skills in line with course requirements on Research Methods courses. This Course Companion is designed to augment, rather than replace, existing textbooks for the course, and will provide: " Helpful summaries of the course curriculum to aid essay and project planning " Key summaries of the approach taken by the main Methods textbooks " Guidance on the essential study skills required " Help with developing critical thinking " Route-maps to aid the development of wider learning above and beyond the textbook " Pointers to success in course exams and written assessment exercises " A tutor's-eye view of what course examiners are looking for " An insider's view of what key course concepts are really all about SAGE Course Companions are much more than revision guides for undergraduate; they are an essential tool to taking your course learning and understanding to new levels and in new directions that are the key to success in undergraduate courses.

Medical Terminology: A Short Course - Davi-Ellen Chabner

2015-10-26

Quickly master the basics of medical terminology and begin speaking and writing terms almost immediately! Using Davi- Ellen Chabner's proven learning method, *Medical Terminology: A Short Course, 7th Edition* omits time-consuming, nonessential information and helps you build a working medical vocabulary of the most frequently encountered prefixes, suffixes, and word roots. Medical terms are introduced in the context of human anatomy and physiology to help you understand exactly what they mean, and case studies, vignettes, and activities demonstrate how they're used in practice. With all this plus medical animations, word games, and flash cards on the Evolve companion website, you'll be amazed at how easily medical terminology becomes part of your vocabulary. Self-teaching text/workbook approach reinforces learning every step of the way with labeling diagrams, pronunciation tests, and review sheets throughout the book. Clear, non-technical explanations demystify medical terminology even if you've had little or no background in science or biology. "Picture Show" activities, practical case studies, and vignettes demonstrate real-life applications of medical terms in describing describe pathology and procedures. Full-color images illustrate anatomical and pathological terms. "Principal Diagnosis" feature shows how medical terms are used in clinical practice by asking you to read physician notes about a case and determine the patient's principal diagnosis. "First Person" narratives help you understand diseases and conditions from the patient's perspective. "Spotlight" feature identifies and clarifies potentially confusing terminology. "Medical Terminology Check Up" at the end of each chapter reinforces your understanding of key concepts. Labeled illustrations in the Spanish glossary present Spanish terms for major anatomical structures. A tablet-optimized Evolve companion website includes word games, learning exercises, audio pronunciations, animations, an anatomy coloring book, electronic flash cards, and more. NEW and UPDATED medical information keeps you current with

today's healthcare terminology, and includes new illustrations clarifying difficult concepts and procedures. IMPROVED! Evolve resources "are now optimized for tablet use, and mobile-optimized versions of the flash cards and quick quizzes make it easier for on-the-go study and review."

Sexuality Now: Embracing Diversity - Janell Carroll
2006-02-28

The second edition of this highly praised human sexuality text continues to be a product of author Janell Carroll's partnership with her students to answer the questions and concerns that they have about themselves and their sexuality with scientific fact, sensitivity, humor and unmatched candor. Janell Carroll clearly conveys foundational biological and health issues, extensively cites both current and classic research, and addresses all material in a fresh and fun way; her book helps teach students what they need, and want, to know about sexuality. Her focus takes into account the social, religious, ethnic, racial, and cultural contexts of today's students. Dr. Carroll has used feedback from the first edition to add even further value to this popular title-streamlining student pedagogy and providing dynamic learning opportunities through Active Summaries at the end of chapters, a new online student tutorial, new video components, and content for Classroom Response Systems. This continues to be the text most representative of today's students, incorporating new sexual position art, a new pronunciation guide, and (for instructors) a new cross-cultural Slang Guide. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Management Strategies and Skills - Judith Dwyer 2013
The new edition of Judith Dwyer's best-selling Management text has been updated and mapped to both Certificate IV in Frontline Management and Diploma of Management in the BSB07 Business Services Training Package. Written in plain English, with extensive use of succinct tables, diagrams and a full-colour internal design, this text

conveys information to the reader easily and is ideal for visual learners. The text encourages learning with a logical pathway: the theory is presented, the reader is asked to reflect with Ask Yourself questions and then the student is engaged in practical applications with Apply Your Knowledge sections. This is an invaluable teaching tool for all management students and lecturers in the VET sector. Scope: Management Strategies and Skills, 2e is mapped to both Certificate IV in Frontline Management and Diploma of Management in the BSB07 Business Services Training Package.
