Tiger, Tiger - Margaux Fragoso 2011-03-01

A Washington Post Notable Nonfiction Book for 2011 A Globe and Mail Best Books of the Year 2011 Title Tiger, Tiger is a Publishers Weekly Best Nonfiction title for 2011 A Kirkus Reviews Best Nonfiction of 2011 title One summer day, Margaux Fragoso meets Peter Curran at the neighborhood swimming pool, and they begin to play. She is seven; he is fifty-one. When Peter invites her and her mother to his house, the little girl finds a child's paradise of exotic pets and an elaborate backyard garden. Her mother, beset by mental illness and overwhelmed by caring for Margaux, is grateful for the attention Peter lavishes on her, and he creates an imaginative universe for her, much as Lewis Carroll did for his real-life Alice. In time, he insidiously takes on the role of Margaux's playmate, father, and lover. Charming and manipulative, Peter burrows into every aspect of Margaux's life and transforms her from a child fizzing with imagination and affection into a brainwashed young woman on the verge of suicide. But when she is twenty-two, it is Peter—ill, and wracked with guilt—who kills himself, at the age of sixty-six. Told with lyricism, depth, and mesmerizing clarity, *Tiger, Tiger* vividly illustrates the healing power of memory and disclosure. This extraordinary memoir is an unprecedented glimpse into the psyche of a young girl in free fall and conveys to readers—including parents and survivors of abuse—just how completely a pedophile enchants his victim and binds her to him.

Marijuana Nation: One Man's Chronicle of America Getting High: From Vietnam to Legalization - Roger Roffman 2014-04-20

As public attitudes about pot undergo rapid change, Roger Roffman's portrait of marijuana in America rises above punditry and rhetoric Roger Roffman first discovered marijuana while serving as a US Army officer in Vietnam. From these seemingly innocuous beginnings, Roffman has been fascinated by marijuana, as a researcher, scholar, therapist, activist, and user. Ever since America's youth first marched in opposition to the war in Vietnam, pot's popularity has periodically ebbed and surged. Calls for greater, fewer, or no marijuana penalties also have swung on their own pendulum. From lobbying in Washington, to talking to doctors and nurses in oncology wards, and watching his brother struggle with addiction, Roffman has experienced the layered and complex relationship Americans have with marijuana first-hand. With one foot on each side of the fence, at times feeling at odds with both camps, Roffman is on a quest to challenge those who insist we think of marijuana as a weapon of mass destruction, as well as those who would have us see it as a harmless source of pleasure and relief.
