

# By Clark A Campbell The New One Page Project Manager Communicate And Manage Any Project With A Single Sheet Of Paper 2nd Edition

Thank you completely much for downloading **By Clark A Campbell The New One Page Project Manager Communicate And Manage Any Project With A Single Sheet Of Paper 2nd Edition** .Most likely you have knowledge that, people have see numerous time for their favorite books in imitation of this By Clark A Campbell The New One Page Project Manager Communicate And Manage Any Project With A Single Sheet Of Paper 2nd Edition , but end up in harmful downloads.

Rather than enjoying a fine PDF later than a mug of coffee in the afternoon, then again they juggled later than some harmful virus inside their computer. **By Clark A Campbell The New One Page Project Manager Communicate And Manage Any Project With A Single Sheet Of Paper 2nd Edition** is genial in our digital library an online entry to it is set as public therefore you can download it instantly. Our digital library saves in combined countries, allowing you to get the most less latency era to download any of our books similar to this one. Merely said, the By Clark A Campbell The New One Page Project Manager Communicate And Manage Any Project With A Single Sheet Of Paper 2nd Edition is universally compatible subsequently any devices to read.

The China Study - T. Colin Campbell 2006

Referred to as the "Grand Prix of epidemiology" by The New York Times, this study examines more than 350 variables of health and nutrition with surveys from 6,500 adults in more than 2,500 counties across China and Taiwan, and conclusively demonstrates the link between nutrition and heart disease, diabetes, and cancer. While revealing that proper nutrition can have a dramatic effect on reducing and reversing these ailments as well as curbing obesity, this text calls into question the practices of many of the current dietary programs, such as the Atkins diet, that are widely popular in the West. The politics of nutrition and the impact of special interest groups in the creation and dissemination of public information are also discussed.

**Italian Renaissance Art** - Stephen J. Campbell 2017

A new edition--now in two volumes--of the largest and most comprehensive textbook about Italian Renaissance art. Now in its second edition, Italian Renaissance Art presents an updated and even more accessible history. The book has been split into two volumes: the first, covering the period 1300 to 1510; the second, 1490 to 1600. The volumes retain the same innovative decade-by-decade structure as the first edition, and a number of chapters have been revised by the authors to reflect the latest scholarship. The coverage of the Trecento has been expanded, and a new appendix section explains all the key Renaissance art-making techniques, with illustrations and step-by-steps for such processes as lost-wax casting. This book tells the story of art in the great cities of Rome, Florence, and Venice while profiling a range of other centers throughout Italy--including in this edition art from Naples, Padua, and Palermo.

Fiction Can Be Murder - Becky Clark 2018-04-08

Life Becomes Stranger than Fiction when Charlee's Latest Novel Inspires a Real Murder Mystery author Charlemagne "Charlee" Russo thinks the twisty plots and peculiar murders in her books are only the product of her imagination—until her agent is found dead exactly as described in Charlee's new, unpublished manuscript. Suspicion now swirls around her and her critique group, making her confidence drop as severely and unexpectedly as her royalty payments. The police care more about Charlee's feeble alibi and financial problems than they do her panicky claims of innocence. To clear her name and revive her career, she must figure out which of her friends is a murderer. Easier said than done, even for an author who's skilled at creating tidy endings for her mysteries. And as her sleuthing grows dangerous, Charlee's imagination starts working overtime. Is she being targeted, too? Praise: "The charming heroine and the supporting cast shine in Clark's fun and funny solo mystery debut...which doesn't take anyone too seriously in the best way possible."—Kirkus Reviews "Cozy fans should enjoy this funny and affecting view into a mystery writer's life."—Publishers Weekly "Charlee Russo is my new favorite amateur sleuth! Wickedly witty author Charlee takes us along on her wild ride to prove her innocence in the murder of her literary agent, a murder based on the plot of one of her own books! Giving readers an inside look at the writer's life, Becky Clark pens a funny, clever page turner of a mystery and I can't wait for the next one in this terrific new series!"—Jenn McKinlay, bestselling author of the Library Lover's Mysteries "Becky Clark wields a witty pen, writing about an author

who is plunged into her own mystery."—Marty Wingate, author of the Potting Shed and Birds of a Feather series "Becky Clark is a hilarious new talent in mystery fiction. With a mixture of humor and plot, Fiction Can Be Murder pulls back the curtain on the creative writing process and exposes the homicidal thoughts that take place while writing a book."—Diane Vallere, national bestselling author of the Costume Shop mysteries "In Fiction Can Be Murder, Becky Clark gives us a fun and funny peek into the writers' life. Although in the case of her protagonist, the smart, likeable, and feisty Charlee Russo, that life includes the real murder of her agent. This clever mystery, first in a new series, is perfect for book lovers."—Vicki Delany, national bestselling author of the Sherlock Holmes Bookshop mysteries "Fresh, fast, and furiously fun, Fiction Can Be Murder packs one surprise after the next. Becky Clark writes with wry wit, a keen eye, and no shortage of authority on this particular subject. Charlee Russo is like a lot of authors I know—except most of them only dream of killing their agents."—Brad Parks, Shamus-, Nero-, and Lefty-award-winning author of Closer Than You Know "This killer plot will take you on the literary ride of your life. In this new series, Clark has crafted an intriguing mystery that opens the door into the crazy world of literary agents, publishers, royalties, critique groups, and murder."—Cheryl Hollon, author of the Webb's Glass Shop Mysteries "A promising series debut."—Booklist

The New One-Page Project Manager - Clark A. Campbell 2012-12-17

How to manage any project on just one piece of paper The New One-Page Project Manager demonstrates how to efficiently and effectively communicate essential elements of a project's status. The hands of a pocket watch reveal the time of day without following every spring, cog, and movement behind the face. Similarly, an OPPM template reduces any project—no matter how large or complicated—to a simple one-page document, perfect for communicating to upper management and other project stakeholders. Now in its Second Edition, this practical guide, currently saving time and effort in thousands of organizations worldwide, has itself been simplified, then refined and extended to include the innovative AgileOPPM™. This Second Edition will include new material and updates including an introduction of the ground-breaking AgileOPPM™ and an overview of MyOPPM™ template builder, available on-line Includes references throughout the book to the affiliated sections in the Project Management Body of Knowledge (PMBOK®) Shows templates for the Project Management Office (PMO) This new and updated Second Edition will help you master the one-page approach to both traditional project management and Agile project management. (PMBOK is a registered marks of the Project Management Institute, Inc.)

**Make Love the Bruce Campbell Way** - Bruce Campbell 2015-10-01

What you're reading right now is known as the "cover copy," or "flap copy." This is where the 84,951 words of my latest book are cooked down to 350 words or less to capture your imagination/download. I pondered how to do that. Should I cut to the chase and reveal pivotal plot points like the one at the end of the book where the little girl on crutches points an accusing finger and shouts, "the killer is Mr. Porter"? No. I have too much respect for you as an intelligent consumer to attempt such an obvious ruse. But let's not play games

here. You clicked your way to this page, so you either: A. Know who I am. B. Like the cool smoking jacket I'm wearing on the cover. Or: C. Thought this was a secret link to Ashley Madison. Is it a sequel to my autobiography *If Chins Could Kill: Confessions of a B Movie Actor*? Sadly, no, which made it much harder to write. Is it an "autobiographical novel"? Yes. I am the lead character in the story (coincidentally an actor), and I am a real person, and everything in the book actually happened - except for the stuff that didn't. The action revolves around my preparations for a pivotal role in the A-list relationship film, *Let's Make Love!* My Homeric attempt to break through the glass ceiling of B-grade genre fair is hampered by a vengeful studio executive and a production that becomes infected by something called the "B-movie virus" - symptoms of which include excessive use of cheesy special effects, slapstick, and projectile vomiting. From a violent fistfight with a Buddhist to a life-altering stint in federal prison, this novel has it all. And if the 84,951 words are too time-consuming, there are lots and lots of cool graphics - all of which have been upgraded to vibrant color since the first publication. I hope you enjoy the book - and if you learn anything at all about making love, please share it with me! Regards, Bruce "Go Ahead and Call Me Ash" Campbell

**Opinions and Decisions of the Federal Power Commission** - United States. Federal Power Commission 1951

Contains all the formal opinions and accompanying orders of the Federal Power Commission ... In addition to the formal opinions, there have been included intermediate decisions which have become final and selected orders of the Commission issued during such period.

**Christian Education** - Robert E. Clark 1991-10-22

Whether in the home or in the church or in a Christian school, the challenge of contemporary Christian educators is to meet the academic needs of students while remaining unswerving in adherence to biblical principles. *Christian Education: Foundations for the Future* introduces you to the basics of a healthy Christian education program, then takes you beyond, showing you how to develop a fresh, innovative Christian education program that will revitalize your church, home, or school.

[The Scottish Law Reporter](#) - 1888

**Romney Readiness Project 2012** - 2013-01-01

The importance of effective and well-planned presidential transitions has long been understood. The Presidential Transition Act of 1963 provided a formal recognition of this principle by providing the President-elect funding and other resources "To promote the orderly transfer of the executive power in connection with the expiration of the term of office of a President and the Inauguration of a new President." The Act received minor amendments in the following decades, but until 2010 all support provided was entirely post-election. The Pre-Election Presidential Act of 2010 changed this by providing pre-election support to nominees of both parties. Its passing reinforced the belief that early transition planning is prudent, not presumptuous. The Romney Readiness Project was the first transition effort to operate with this enhanced pre-election focus. While Obama's re-election prevented a Romney transition from occurring, it is hoped that the content of this book can provide a valuable insight to future transition teams of both parties.

**A Quarter for a Kiss** - Mindy Starns Clark 2011-10-01

This interactive book companion from Neil T. Anderson makes the transforming truths of his dynamic *Bondage Breaker™* DVD Experience even more accessible to individuals and groups. Through interactive questions, Scripture references, and practical explorations, readers can enrich and personalize their understanding of the 12 sessions on the DVD, including: how to overcome the world who they are and how God wants them to live how to recognize spiritual conflict and take thoughts captive how to heal damaged emotions what it means to forgive from the heart Anderson's message of God's power over sin and what it means to be set free as a child of God continues to be revolutionary and needed more than ever. This workbook will enrich every person's encounter with his DVD's life-changing message and lead them toward the freedom in Christ that they are made for.

[The One-Page Project Manager for IT Projects](#) - Clark A. Campbell 2010-12-17

Clark A. Campbell, author of a best-selling book on project management, has written a project management guide specifically for IT professionals who want to save time and work more efficiently. *The One Page Project Manager for IT Projects: Communicate and Manage Any Project With A Single Sheet of Paper* presents you

with a winning formula for managing your complex IT projects using minimal resources. Coverage of vital topics like working with outside consultants, ERP project management, and ISO 9000 will be of special interest to IT managers and CIOs.

[Habits of Success](#) - Alinka Rutkowska 2021-10-05

For the sleeping giants of our workforce pursuing a more productive life, *HABITS OF SUCCESS* is an anthology illuminating the varieties of choices, habits and strategies that lead to the same goal: success. *READING IS A KEY HABIT OF SUCCESS. FORM THE HABIT WITH ANOTHER STELLAR ANTHOLOGY FROM LEADERS PRESS!* As the world resumes from a year and a half of pandemic disruption, we find ourselves wondering what to do next? Should we go back to normal or move forward to better? How do we maximize our time and efforts to find our most successful selves? What habits will sustain that success the next time our world is shaken up? You will find these answers reading the brilliant contributors to *HABITS OF SUCCESS*. This anthology draws wisdom from over a dozen exceptional leaders, ranging from CEOs to Coaches to world-changers. *Habits of Success* presents a diverse array of habits that you may choose to suit your concept of success. Each chapter in *Habits of Success* will shed light on different methods for acquiring habits and how to utilize them on your path to success: Adopt the habit of understanding what success means to you. Practice the habit of taking risks, knowing when to diverge from the traditional path and experience the life you've always wanted to live. Thrive through the habit of adaptation to stay productive even as your world turns completely upside down. Develop daily habits of planning to improve collaborations with yourself, your coworkers, and your family. Embrace the habit of renewal as you evolve into this next chapter of life. As the world restarts, take this opportunity to assess the path you are on. Are you taking the most efficient path? How certain are you that success awaits and the end of this journey? Fortunately, habits are products of behavior. You can always adapt them to suit the situation and goals. What habits will accompany you on the next leg of your journey? Get a copy of *Habits of Success* and pave your path to success today!

[One Hundred Years](#) - Mary Imogene Clark Campbell 1957\*

**The Help** - Kathryn Stockett 2011

Limited and persecuted by racial divides in 1962 Jackson, Mississippi, three women, including an African-American maid, her sassy and chronically unemployed friend and a recently graduated white woman, team up for a clandestine project against a backdrop of the budding civil rights era. Includes reading-group guide. Reissue. A #1 best-selling novel.

[If Chins Could Kill](#) - Bruce Campbell 2015-10-01

*If Chins Could Kill: Confessions of a B Movie Actor* Here we are together in the digital universe. Somehow, you've clicked yourself to this page. If you came here of your own free will and desire, you and I are going to get along just fine. Life is full of choices. Right now, yours is whether or not to download the autobiography of a mid-grade, kind of hammy actor. Am I supposed to know this guy? you think to yourself. No-and that's exactly the point. You can download a terabyte of books about famous actors and their high-falootin' shenanigans. I don't want to be a spoilsport, but we've all been down that road before. Scroll down to that Judy Garland biography. You know plenty about her already-great voice, troubled life. Scroll down a little further to the Charlton Heston book. Same deal. You know his story too-great voice, troubled toupee. The truth is that though you might not have a clue who I am-unless you watch cable very late at night-there are countless working stiffs like me out there, grinding away every day at the wheel of fortune. *If Chins Could Kill: Confessions of a B Movie Actor* documents my time in blue-collar Hollywood, where movies are cheap, the hours are long, and the filmmaking process can be very personal. To keep up with the times, I've digitized *Chins*. It was originally published in hardcover/analog fifteen years ago, which is a vast amount of time in the evolution of books and technology, and it was time to get current. The advance of technology is great for a book like this, which is jammed full of pictures. When it came out originally, the photographs all had to be black and white and moderately sized on the page. Now, any photo that was originally taken in color can strut its stuff. Overall, the resolution of the images is off-the-charts better than the first go-around. This is one "sequel" that I'm happy to be a part of, since we could make so many technical improvements. The process was very similar to restoring an old movie. Since I knew that it was going to be reissued, I also had a look at the story being told and decided to condense, move, or clarify some chapters, all or in part. I

also tried to add a hint of historical context, since it has been a decade and a half since Chins first came out. I hope you enjoy it. Regards, Bruce Campbell

Integrative Psychotherapy - Mark R. McMinn 2009-09-20

Mark McMinn and Clark Campbell present a new integrative model of psychotherapy that is grounded in Christian biblical and theological teaching and in a critical and constructive engagement with contemporary psychology. The authors provide both theoretical analysis and also practical guidance for the practitioner.

Hail to the Chin - Bruce Campbell 2017-08-15

New York Times bestseller Introduction by New York Times bestselling author and famous minor television personality John Hodgman One of my dad's favorite jokes about getting older was: "I went out for coffee when I was twenty-one and when I got back I was fifty-eight!" I get what he meant now. Time flies. My first book, *If Chins Could Kill: Confessions of a "B" Movie Actor*, was published back in 2001 and it chronicles the adventures of a "mid-grade, kind of hammy actor" (my words), cutting his teeth on exploitation movies far removed from mainstream Hollywood. This next book, an "Act II" if you will, could be considered my "maturing years" in show business, when I began to say "no" more often and gravitated toward self-generated material. Taking stock in the overall quality of my life, I fled Los Angeles and moved to a remote part of Oregon to renew, regroup and reload. If that sounds tame, the journey from *Evil Dead* to *Spider-Man* to *Burn Notice* was long, with plenty of adventures/mishaps along the way. I never pictured myself hovering above Baghdad in a Blackhawk helicopter, facing a pack of wild dogs in Bulgaria, or playing an aging Elvis Presley with cancer on his penis - how can you predict this stuff? The sheer lunacy of show business is part of the fun for me and I hope you'll come along for the ride. - Bruce "Don't Call Me Ash" Campbell

The Australian encyclopedia - 1958

**Descendants of Edward Small of New England, and the Allied Families, with Tracings of English Ancestry** - Lora Altine Woodbury Underhill 1910

**Conjugated Conducting Polymers** - Helmut Kiess 2012-12-06

This book reviews the current understanding of electronic, optical and magnetic properties of conjugated polymers in both the semiconducting and metallic states. It introduces in particular novel phenomena and concepts in these quasi one-dimensional materials that differ from the well-established concepts valid for crystalline semiconductors. After a brief introductory chapter, the second chapter presents basic theoretical concepts and treats in detail the various models for n-conjugated polymers and the computational methods required to derive observable quantities. Specific spatially localized structures, often referred to as solitons, polarons and bipolarons, result naturally from the interaction between n-electrons and lattice displacements. For a semi-quantitative understanding of the various measurements, electron-electron interactions have to be incorporated in the models; this in turn makes the calculations rather complicated. The third chapter is devoted to the electrical properties of these materials. The high metallic conductivity achieved by doping gave rise to the expression conducting polymers, which is often used for such materials even when they are in their semiconducting or insulating state. Although conductivity is one of the most important features, the reader will learn how difficult it is to draw definite conclusions about the nature of the charge carriers and the microscopic transport mechanism solely from electrical measurements. Optical properties are discussed in the fourth chapter.

The Chief European Dramatists - Brander Matthews 1916

Twenty one plays from the drama of Greece, Rome, Spain, France, Italy, Germany, Denmark, and Norway from 500 B.C. to 1879 A.D.

The Politics of Kim Campbell - Murray Dobbin 1993-01-01

This book looks at Canada's first woman Prime Minister - what she believed, how she operated in the back rooms, and why the Progressive Conservative party chose her. Murray Dobbin researched Kim Campbell's record as a municipal, provincial and federal politician, discovering how she handled a variety of controversial issues, from school funding cutbacks to the behind-the-scenes negotiations on gun control. He examined her performance in the federal cabinet of Prime Minister Brian Mulroney, noting particularly the policies and decisions on which she succeeded in marking with her personal stamp. *The Politics of Kim*

Campbell is a critical look at the career of a remarkable Canadian public figure, and at the obstacles she encountered in her political ascent.

Report of the Chief of Engineers - United States. Army. Corps of Engineers 1873

Integrative Psychotherapy - Mark R. McMinn 2007-03-07

Deeply rooted in Christian biblical and theological teaching and in a critical and constructive engagement with contemporary psychology, a unique model of psychotherapy provides both a theoretical and theological dimension of integration, as well as theoretical analysis and practical guidance for practitioners.

Clark and Menefee - Richard Jensen 2000-04

A monograph on the complete works of Clark and Menefee.

The American Lawyer - 1894

**Some of the Best from Tor.com: 2016** - Charlie Jane Anders 2017-01-17

A collection of some of the best original science fiction and fantasy short fiction published on Tor.com in 2016. Includes stories by Charlie Jane Anders, Nina Allan, Tara Isabella Burton, Monica Byrne, Rebecca Campbell, P. Djèlí Clark, Indrapramit Das, Alix E. Harrow, N. K. Jemisin, Margaret Killjoy, Cixin Liu, Melissa Marr, David Nickle, Laurie Penny, Daniel Polansky, Lettie Prell, Delia Sherman, Angela Slatter, Caighlan Smith, Lavie Tidhar, Rajnar Vajra, Genevieve Valentine, Carrie Vaughn, and Alyssa Wong. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**McClure's Magazine** - 1907

Contribution from the Scripps Institution of Oceanography - Scripps Institution of Oceanography 1978

Reprints from various publications.

The One-Page Project Manager - Clark A. Campbell 2010-09-24

The One-Page Project Manager shows you how to boil down any project into a simple, one-page document that can be used to communicate all essential details to upper management, other departments, suppliers, and audiences. This practical guide will save time and effort, helping you identify the vital parts of a project and communicate those parts and duties to other team members.

Creating Life-Long Learners - Todd Stanley 2015-07-30

Wanted for the global workforce: thinkers (and those who can teach them) Where K-12 instruction once centered on content and memorization, today's educators want, most of all, to teach their students to think critically and perceptively. What better way than with project-based learning (PBL)? Author Todd Stanley provides a teacher-friendly, step-by-step approach to implementing PBL, showing readers how to: Use project and classroom management skills to create a positive, productive learning environment Develop curriculum around ten different project types Link projects with today's standards Teach students how to effectively collaborate and bring out the best in each other

**Introduction to Remote Sensing, Fifth Edition** - James B. Campbell 2011-06-15

A leading text for undergraduate- and graduate-level courses, this book introduces widely used forms of remote sensing imagery and their applications in plant sciences, hydrology, earth sciences, and land use analysis. The text provides comprehensive coverage of principal topics and serves as a framework for organizing the vast amount of remote sensing information available on the Web. Including case studies and review questions, the book's four sections and 21 chapters are carefully designed as independent units that instructors can select from as needed for their courses. Illustrations include 29 color plates and over 400 black-and-white figures. New to This Edition\*Reflects significant technological and methodological advances.\*Chapter on aerial photography now emphasizes digital rather than analog systems.\*Updated discussions of accuracy assessment, multitemporal change detection, and digital preprocessing.\*Links to recommended online videos and tutorials.

**Drama** - 1926

**Childhood's End** - Arthur C. Clarke 2012-11-30

In the Retro Hugo Award-nominated novel that inspired the Syfy miniseries, alien invaders bring peace to

Earth—at a grave price: “A first-rate tour de force” (The New York Times). In the near future, enormous silver spaceships appear without warning over mankind’s largest cities. They belong to the Overlords, an alien race far superior to humanity in technological development. Their purpose is to dominate Earth. Their demands, however, are surprisingly benevolent: end war, poverty, and cruelty. Their presence, rather than signaling the end of humanity, ushers in a golden age . . . or so it seems. Without conflict, human culture and progress stagnate. As the years pass, it becomes clear that the Overlords have a hidden agenda for the evolution of the human race that may not be as benevolent as it seems. “Frighteningly logical, believable, and grimly prophetic . . . Clarke is a master.” —Los Angeles Times

**Echoes of Titanic** - Mindy Starns Clark 2012-03-01

Kelsey Tate comes from sturdy stock. Her great-grandmother Adele endured the sinking of Titanic and made it safely to America, where she not only survived but thrived. Generations later, Kelsey works for the firm Adele founded nearly 100 years ago. Now facing a hostile takeover, the firm's origins are challenged when new facts emerge about Adele's actions on the night Titanic sank. Kelsey tries to defend the company and the great-grandmother she has long admired, but the stakes are raised when Kelsey's boss is murdered and her own life threatened. Forced to seek help from Cole Thornton, a man Kelsey once loved—and lost, thanks to her success-at-all-costs mentality—she pursues mysteries both past and present. Aided by Cole and strengthened by the faith she'd all but forgotten in her climb up the corporate ladder, Kelsey races the clock to defend her family legacy, her livelihood, and ultimately her life.

**The One-Page Project Manager for Execution** - Clark A. Campbell 2010-01-15

Drive Strategy With Simplicity—On A Single Sheet Of Paper! The One-Page Project Manager set a new standard as an understandable and easy-to-apply organizational tool, allowing managers to summarize complex projects on a single information-rich page. This book, third in the OPPM series, describes how to combine the OPPM with the Toyota A3 report to create an enhanced, integrated management tool. With a refreshingly clear style, the authors walk users through implementing the OPPM/A3 using a variety of real-world case studies, as well as their own experience at O.C. Tanner Company. Rich with tools, templates, and teaching, the emphasis throughout remains on maintaining simplicity across the organization—communicating the right information to the right people at the right time to get the right things done. Praise for The One-Page Project Manager "Executives want the answers to two questions: Where are we today? Where will we end up? Do you really believe this cannot be accomplished on a single sheet of paper? The One-Page Project Manager series of books is encouraging you to do just that. Making this part of your Project Management methodology will simplify and improve your project communication, especially for busy executives." —Harold D. Kerzner, PhD, Senior Executive Director, International Institute for Learning, Inc. "Clark Campbell fills a void and bridges a communication gap that has long existed between company executives and project or program managers. OPPM successfully links corporate strategy to those in the trenches managing projects." —Dr. Denis R. Petersen, PMP®, President and CEO, Milestone Management Consultants, LLC "Clark Campbell and Mike Collins present how OPPM works to drive strategy deployment. With OPPM in our lean tool kit, we have tapped into the creativity of our people to pump up productivity, cut cycle times, reduce inventories, and sustain world-class quality." —Harold Simons, Executive Vice President,

Supply Chain, O.C. Tanner Company, Member of the Shingo Prize Board of Governors (PMP and Project Management Professional are registered marks of the Project Management Institute, Inc.)

**Practice Makes Perfect** - Carsen Taite 2010-06-11

Meet law school friends Campbell, Abby, and Grace, law partners at Austin’s premier boutique legal firm for young, hip entrepreneurs. Or, it will be as soon as they score a victory for their first big client. Campbell Clark wins the big pitch and lands the client, or so she thinks, until the internet start-up insists her firm work with the legal counsel Campbell thought they’d be replacing. Wynne Garrity has never been second best, and she’s not going to let anyone screw up her chance of making partner, but to do so she needs to hang on to her client and prove to everyone her firm isn’t stuck in the Stone Age. Reluctant team players, Campbell and Wynne would risk everything by giving in to the attraction that flares between them. In the boardroom and the courtroom, only one can win, but the price of victory could mean losing at love. Legal Affairs: one law firm, three best friends, three chances to fall in love.
