Archangels and Ascended Masters - Doreen Virtue 2010-07

Guide to Working and Healing with Divinities and Deities.

Archangels and Ascended Masters is a thoroughly researched book in a lively encyclopedia format, listing 77 divinities from Greek, Roman, Egyptian, Asian, Babylonian, Tibetan, Buddhist, Celtic, Theosophical, New Age, Catholic, Cabalistic, Jewish, and Christian roots. Doreen Virtue carefully studied and wrote about the history of each of the deities, what role they serve today, how they can help us with specific life problems, and how to call upon each one. Doreen spent time in communication with each divinity to ensure that the being was reachable, and to discover the essence of his or her personality and current dealings with the world - and within these pages, she includes a channeled message or impression from each of the ascended masters and archangels. Many of her channelings were conducted at power points throughout the world, such as Stonehenge in England; the Irish coast; Kona, Hawaii; and the New Zealand rain forest. A comprehensive chart lists a number of life situations such as Addictions, Finding a Soulmate, Emergency Money, Healing Physical Illness, and various personal and family concerns. Beneath each topic is a list of whom to call upon when dealing with that particular challenge. Doreen also includes prayers to help you call upon multiple divinities for specific issues such as "increased clairvoyance" and "resolving conflict."

Earth Angels - Doreen Virtue 2002-09-30

In the same way that "The Indigo Children" was a phenomenon that was much talked-about, before the book came out and explained it, "Earth Angels" is a topic of much discussion among spiritually minded people world-wide. Four years ago, Doreen Virtue wrote an article on the topic, and then a chapter in her book, "Healing with the Angels," and then more information in "Healing with the Fairies." Since that time, Doreen has been flooded with letters from people who resonate with the idea, requesting more information. "Earth Angels" will be the first book devoted to the topic. Doreen will describe the five different types of lightworkers: Incarnated Angels (those who had previous lives as angels, but who are now here as humans); Incarnated Elementals (those whose previous lives were in the elemental kingdom, as fairies, elves, etc.); Starpeople (those who have lived the majority of their past lives on other planets); Walk-In's (those who came from a high spiritual realm and walked-in to another person's life, as that soul gladly exited their body); and Reincarnated Sorcerers, Sorceresses, and Wizards (those whose most recent past life was during Arthurian or Atlantian times, when they practiced high magic). The book will include dozens of case studies; a fascinating analysis of an extensive survey that Doreen has conducted among people who identify with the five types of Earth Angels; and guidance to help readers to feel happier about their lives, their own idiosyncrasies, and their missions.

Be the master of your fear and you can rule over your life. Fear is the only obstacle between you and your dreams, between you and what you most love. So says Archangel Raphael, who, in this series of channelings, unravels the mysteries of fear and, through its darkest paths, guides you step by step up to the glade of love. He helps you tear away fears masks one by one till you come to know its real face; only then does he teach you the ways to transmute it into love, thus eliminating its disastrous implications. According to Archangel Raphael, fear shows that somewhere in the deepest part of your being, you have chosen hatred versus love, and your life cannot have real meaning. Only when your fear is transformed can real life happen to you. The end of your fear will signal the beginning of your life. Until that day comes, you will have just lived in a lie, in an illusion. I am only asking you to give me your fear, Archangel Raphael adds, and I will give back to you your love, the most precious gift you ever had.

Divine Magic - Doreen Virtue 2015-08-04

The Ancient Hermetic Secrets to Alchemy and Divine Magic Revealed! In 1908, three Hermetic students recorded them in a book called The Kybalion. Yet this work was still difficult to understand because of its archaic and confusing language. Now, in Divine Magic, Doreen Virtue presents a clear, edited version of The Kybalion, written in understandable and modern language while retaining all of the original teachings. She gives comments and practical suggestions based upon her own success in using Hermetic teachings for healing and manifestation. With Divine Magic, you can master your moods, release negativity, manifest new levels of abundance, and attract wonderful opportunities in all areas of your life.
