A Syllabus for Listening - RICHARD. CAULDWELL 2018-03-02

A Syllabus for Listening: Decoding is for teachers, teacher trainers, textbook and course book authors in English language teaching (ELT). This book will help you add a decoding dimension to all your listening activities, which means that your students will be better prepared for real-world spontaneous speech encounters. If you are designing a listening course, or writing listening exercises for a course book, this is essential reading. There are four parts. Decoding and Perception presents key ideas which are essential to understanding why the teaching and learning of listening needs to be improved. A Critique of Training, Theory and Practice presents a critical analysis

of conventional approaches to listening in teacher training and the ELT classroom. A Syllabus for Listening presents specific items for the syllabus, including word clusters, streamlining processes and, crucially, ear-training. Education, Tools and Activities describes innovative classroom activities for teaching decoding: exploiting recordings and classroom language, using pen-and-paper prompts, together with the voices of teachers and learners. Sound files are available for download from www.speechinaction.com My teaching of listening has changed utterly. Happy teacher. Happy students. It's fabulous. Jane Hadcock, Teacher, Essex Integration. To inspire ELT, another original book from a pioneer of teaching listening. Alice

Henderson, Associate Professor of English, Université Savoie Mont Blanc, France Interesting and challenging ideas that will stir up your views on listening. Martin Hewings, author of English Pronunciation in Use: Advanced. The product of years of scholarship and research - this is a triumph! Sheila Thorn, founder of The Listening Business, author of Real Lives, Real Listening.

Pronunciation and Listening Comprehension in North American English

Intelligibility, Oral Communication, and the Teaching of Pronunciation - John M. Levis 2018-10-04

An intelligibility-based approach to teaching that presents pronunciation as critical, yet neglected, in communicative language teaching.

Teaching Pronunciation - Celce-Murcia 1996-10-13

This course includes an overview of current theory and practice. The paperback edition offers current and prospective teachers of English a comprehensive treatment of pronunciation pedagogy, drawing on current theory and practice. The text provides an overview of teaching issues from the perspective of different methodologies and second language acquisition research. It has a thorough grounding in the sound system of North American English, and contains insights into how this sound system intersects with listening, morphology, and spelling. It also contains diagnostic tools, assessment

measures, and suggestions for syllabus design. Discussion questions encourage readers to draw on their personal language learning/teaching experiences as they assimilate the contents of each chapter. Follow-up exercises guide teachers in developing a range of classroom activities within a communicative framework.

Clear Speech Teacher's Resource Book

3 class audio CD's ; teacher's resource manual with accompanying audio CD ; student's book with accompanying audio CD.

I Know Why the Caged Bird Sings - Maya Angelou 2010-07-21

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. "*I Know Why the Caged Bird Sings* liberates the reader into life simply because Maya Angelou

confronts her own life with such a moving wonder, such a luminous dignity."—James Baldwin From the Paperback edition.

Provides students with practice in pronunciation and listening comprehension from individual sounds to stretches of continuous speech. Gives a practical approach to the intonation, stress, and rhythm of North American English.

Speaking Clearly Student's Book - Pamela Rogerson 1990-07-19
Pronunciation and listening comprehension for learners of English.

Clear Speech from the Start Student's Book - Judy B. Gilbert 2000-10-23
Clear Speech from the Start gives beginning students immediate help in mastering the crucial elements of English pronunciation. The Student's Book concentrates on features that will have the most significant impact on a student's ability to understand and communicate with others such as stress, rhythm and intonation. It also focuses on speech sounds that carry specific grammatical meaning, such as the plural "s" and the past tense "ed" ending. The text presents

these features through kinesthetic exercises and visual and auditory modeling, thus making them accessible even to beginners.

Clear Speech from the Start - Judy B. Gilbert 1988-01-01

Clear Speech from the Start gives beginning students immediate help in mastering the crucial elements of English pronunciation. The audio program for Clear Speech From the Start includes a broad selection of exercises recorded by a variety of speakers in natural-sounding speech. The program is also available on Audio CD.

Well Said - Linda Grant 2020-08-12
The Well Said series is designed to improve the pronunciation and communication skills of beginner to advanced students from all language backgrounds. It offers a clear course plan covering the essential areas of pronunciation, including stress, rhythm, and intonation--features that research shows help students the most. Additionally, there are over fifty pages of supplemental activities focusing on consonant and vowel sounds. This level of Well Said introduces the most important pronunciation features at an intermediate to advanced level. A free Website for teachers and students includes the full audio program. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Speak Now - Kaylie Jones 2005-11-01
Clara Sverdlow has been stalked by her high-school lover for almost 20 years. A recently sober alcoholic in her mid-thirties, she has found happiness in a tenuous new marriage to Mark. Yet the past lurks over them like a great shadow, always encroaching on their happiness. With a miracle baby, they are trying to forget the past and learn to live

normally in the world. But Clara's stalker secretly insinuates himself upon their life, with disastrous consequences. Clara and Mark's only hope is to address the past and confront the present before it's too late.

Clear Speech. Student's book. - Judy Bogen Gilbert 2000

Pronunciation Myths - Linda Grant 2014-02-21

This volume was conceived as a "best practices" resource for pronunciation and speaking teachers in the way that Vocabulary Myths by Keith S. Folse is one for reading and vocabulary teachers. Like others in the Myths series, this book combines research with good pedagogical practices. The book opens with a Prologue by Linda Grant (author of the Well Said textbook series), which reviews the last four decades of pronunciation teaching, the differences between accent and intelligibility, the rudiments of the English sound system, and other factors related to the ways that pronunciation is learned and taught. The myths challenged in this book are: § Once you've been speaking a second language for years, it's too late to change your pronunciation. (Derwing and Munro) § Pronunciation instruction is not appropriate for beginning-level learners. (Zielinski and Yates) § Pronunciation teaching has to establish in the minds of language learners a set of distinct consonant and vowel sounds. (Field) § Intonation is hard to teach. (Gilbert) § Students would make better progress if they just practiced more. (Grant) § Accent reduction and pronunciation instruction are the same thing. (Thomson) § Teacher training programs provide adequate preparation in how to teach pronunciation (Murphy). The book concludes with an Epilogue by

Donna M. Brinton, who synthesizes some of the best practices explored in the volume.

Clear Speech Audio Cassettes (2) - Judy B. Gilbert 1993-05-28

Clear Speech, Second Edition, is a highly successful and innovative pronunciation course for intermediate and advanced students of English. The Audio Cassettes contain the listening material for all of the listening

tasks, as well as the Clear Listening Test.
