This is why you remain in the best website to see the amazing books to have.

The Mismeasure of Desire - David E. Stannard 1993-11-18

For four hundred years--from the first Spanish assaults against the Arawak people of Hispaniola in the 1490s to the U.S. Army's massacre of Sioux Indians at Wounded Knee in the 1890s--the indigenous inhabitants of North and South America endured an unending firestorm of violence. During that time the native population of the Western Hemisphere declined by as many as 100 million people. Indeed, as historian David E. Stannard argues in this stunning new book, the European and white American destruction of the native peoples of the Americas was the most massive act of genocide in the history of the world. Stannard begins with a portrait of the enormous richness and diversity of life in the Americas prior to Columbus's fateful voyage in 1492. He then follows the path of genocide from the Indies to Mexico and Central and South America, then north to Florida, Virginia, and New England, and finally out across the Great Plains and Southwest to California and the North Pacific Coast.

Stannard reveals that wherever Europeans or white Americans went, the native people were caught between imported plagues and barbarous atrocities, typically resulting in the annihilation of 95 percent of their populations. What kind of people, he asks, do such horrendous things to others? His highly provocative answer: Christians. Digging deeply into ancient European and Christian attitudes toward sex, race, and war, he finds the cultural ground well prepared by the end of the Middle Ages for the centuries-long genocide campaign that Europeans and their descendants launched--and in places continue to wage--against the New World's original inhabitants. Advancing a thesis that is sure to create much controversy, Stannard contends that the perpetrators of the American Holocaust drew on the same ideological wellspring as did the later architects of the Nazi Holocaust. It is an ideology that remains dangerously alive today, he adds, and one that in recent years has surfaced in American justifications for large-scale military intervention in

Southeast Asia and the Middle East. At once sweeping in scope and meticulously detailed, *American Holocaust* is a work of impassioned scholarship that is certain to ignite intense historical and moral debate.

Psalms Volume 3- Everyman's Bible Commentary - Robert Alden
1976-06-01

In this third commentary on the Psalms, Dr. Alden completes his series by illuminating the final fifty psalms, which he has entitled "Songs of Discipleship." These psalms reveal kaleidoscopic meanings for the reader as Dr. Alden examines the background of each psalm, explains the message the psalmist was attempting to convey then, and relates it in a meaningful way to today. The psalmist tells how the Lord has proved faithful to him, helping him in his distress. He voices desperate petitions, recalls what the Lord has done in the past, praises Him for His goodness and greatness, and testifies to His mercy in the many extremities of life. Dr. Alden says, "Here, more than any other place in the Bible, the heart-throb of the saint is heard. Here are the most exalted expressions of God's greatness. Here are the most bitter groans of the sinful sick. Here is something for everyone in every mood." Containing outlines and translations of difficult words, this is an ideal book for personal or group study, in the classroom or at home.

First Corinthians - Robert B. Hughes 1985

When Paul wrote his first letter to the Corinthians, he was responding to their plea for guidance and spiritual leadership. The new believers at Corinth were facing serious problems--divisions, immorality, marital strife, confusion regarding spiritual gifts, and misuse of money. They had lost sight of the joy of Christian liberty. Paul's instruction to this new church, though tailored to meet the Corinthians' specific needs, will speak to all believers. His discussion includes such central issues as wisdom and foolishness, full and partial knowledge, weakness and strength, worldliness and holiness, sin and purity, and humility and

boasting. Robert B. Hughes outlines Paul's teachings, verse-by-verse, tracing the logic of the apostle's argument and instruction. His in-depth commentary--not too technical for the general reader--is helpful, informative, and highly readable.

New-Church Messenger - 1917

American Book Publishing Record - 1976

The Circus - Joyce Kilmer 1921

This 1921 volume offers a collection of works by the prolific poet and journalist, including "The Circus" and "The Abolition of Poets."

Athenæum and Literary Chronicle - 1906

Religious Books and Serials in Print - 1982

First & Second Chronicles- Everyman's Bible Commentary - John Sailhamer 1983-03-15

To its own generation the book of Chronicles was a vivid reminder of hope in the faithfulness of God, a reminder of the promise--made both to the world and to the house of David--of peace and prosperity, to be fulfilled through the covenant people of God. Structurally, the book may be considered an exegetical summary of Old Testament history. Not only does it recount the important events of God's dealing with Israel, but it also explains the significance of those events to Israel's history.

From Puritanism to Postmodernism - Richard Ruland 2016-04-14

Widely acknowledged as a contemporary classic that has introduced thousands of readers to American literature, *From Puritanism to Postmodernism: A History of American Literature* brilliantly charts the fascinating story of American literature from the Puritan legacy to the advent of postmodernism. From realism and romanticism to modernism and postmodernism it examines and reflects on the work of a rich panoply of writers, including Poe, Melville, Fitzgerald, Pound, Wallace

Stevens, Gwendolyn Brooks and Thomas Pynchon. Characterised throughout by a vibrant and engaging style it is a superb introduction to American literature, placing it thoughtfully in its rich social, ideological and historical context. A tour de force of both literary and historical writing, this Routledge Classics edition includes a new preface by co-author Richard Ruland, a new foreword by Linda Wagner-Martin and a fascinating interview with Richard Ruland, in which he reflects on the nature of American fiction and his collaboration with Malcolm Bradbury. It is published here for the first time.

Job- Everyman's Bible Commentary - Roy B. Zuck 1978-06-01

Unfathomable loss. Unmerited suffering. Why is this happening to me? For centuries people have tried to understand the reasons for suffering and grief. When we cannot connect our woes to wrongs we have done, we conclude that our suffering is undeserved and unfair. Like Job, we struggle to understand our pain. The universality of suffering makes the book of Job appealing, but the treatment of that theme often makes the book difficult to comprehend. Nonetheless, this section of Scripture offers powerful lessons for your life. Dr. Roy Zuck directs his commentary toward the layman. His clear, organized insights can reveal important truths for the struggling Christian. The uncomplicated, outlined content is suitable for both individual and group study. You can learn from Job's suffering--as well as from your own.

Beards and Texts - Sebastian Coxon 2021-09-08

Beards and Texts explores the literary portrayal of beards in medieval German texts from the mid-twelfth to the early sixteenth centuries. It argues that as the pre-eminent symbol for masculinity the beard played a distinctive role throughout the Middle Ages in literary discussions of such major themes as majesty and humanity. At the same time beards

served as an important point of reference in didactic poetry concerned with wisdom, teaching and learning, and in comedic texts that were designed to make their audiences laugh, not least by submitting various figure-types to the indignity of having their beards manhandled. Four main chapters each offer a reading of a work or poetic tradition of particular significance (Pfaffe Konrad's Rolandslied; Wolfram von Eschenbach's Willehalm; 'Sangspruchdichtung'; Heinrich Wittenwiler's Ring), before examining cognate material of various kinds, including sources or later versions of the same story, manuscript variants and miniatures and further relevant beard-motifs from the same period. The book concludes by reviewing the portrayal of Jesus in vernacular German literature, which represents a special test-case in the literary history of beards. As the first study of its kind in medieval German studies, this investigation submits beard-motifs to sustained and detailed analysis in order to shed light both on medieval poetic techniques and the normative construction of masculinity in a wide range of literary genres.

Outlook - Alfred Emanuel Smith 1873

Directions - 1975

Ezekiel- Everyman's Bible Commentary - Ralph H. Alexander 1976-06-01

The Old Testament book of Ezekiel is filled with visions and prophecies the Lord revealed to His prophet. Although these revelations were given to the people of Israel during their Babylonian captivity, many of them are yet to be fulfilled. Ezekiel gives warnings of punishment for evil practices and waywardness but also glorious promises to encourage those who seek to honor the Lord even in the midst of trials. Bible students are often puzzled by these difficult visions and fail to perceive God's central message--that He alone is Lord. Dr. Ralph Alexander discusses each section of the prophecy in summary and then treats the major themes, dealing with various questions and problems that arise.

Genesis- Everyday Bible Commentary - Howard F. Vos 2019-03-05

From Adam and Eve through to the patriarchs, the Bible is telling us who

God is, who we are, and how we got into the place we're in now. But it keeps going, it tells us what God has done and is doing to redeem us. The stories of Genesis come to life when someone explains the significance of all the little details we so often skip over. This is exactly what the best preachers do, but you don't have to wait until Sunday's sermon.

Encounter the beautiful depth of Genesis through an enlightening verse-by-verse commentary from Howard Vos that's both straightforward and insightful. You'll gain: Important historical and cultural background
Insightful comments on the stories of Genesis Help with the difficult passages And more! You don't have to go to seminary to encounter God in exciting, new ways through His Word. Discover how much more enjoyable your personal study will be with understandable, quality Bible commentary for everyday life.

1 Corinthians- Everyday Bible Commentary - Robert B. Hughes
2019-03-05

Divisions, immorality, marital strife, spiritual gifts, money, wisdom, folly, and holiness—these may have been Corinthian problems first, but we need Paul's wisdom just as much today. But it can be confusing to read 1 Corinthians on our own. What we need is a guide—someone who can explain what's going on in the world outside the letter and bring to life Paul's words of exhortation. This is what the best preachers do, but you don't have to wait until Sunday's sermon. Encounter the beautiful depth of 1 Corinthians through an enlightening verse-by-verse commentary from Robert R. Hughes that's both straightforward and insightful. You'll gain: Important historical and cultural background Insights from the original languages Help with the difficult passages And more! You don't have to go to seminary to encounter God in exciting, new ways through His Word. Psalms Volume 2- Everyman's Bible Commentary - Robert Alden

1955-06-01

This profound yet clearly written volume discusses the middle section of the Psalter, psalms 51-100, which contains some of the most beautiful expressions of dedication to God in the Bible. Dr. Alden's commentary makes them come alive for Christians today. Studying the Psalms is particularly important for the Christian, since, as Dr. Alden says, "Here, more than any other place in the Bible, the heart throb of the saint is heard. Here are the most exalted expressions of God's greatness; here are the most bitter groans of the sinful and the sick. Here is something for everyone in every mood." Each psalm is examined and discussed individually in sequence. The meaning of each psalm is carefully explained within the context of a basic outline form. With all the helpful features utilized in the Everyman's Bible Commentaries this is an ideal book for personal or group study, whether in a classroom or at home. This Everyman's Bible Commentary is based upon the author's own translation of the scriptural text.

Books in Print Supplement - 1984

Worldly Saints - Leland Ryken 2010-09-28

"Ryken's *Worldly Saints* offers a fine introduction to seventeenth-century Puritanism in its English and American contexts. The work is rich in quotations from Puritan worthies and is ideally suited to general readers who have not delved widely into Puritan literature. It will also be a source of information and inspiration to those who seek a clearer understanding of the Puritan roots of American Christianity." -Harry Stout, Yale University "...the typical Puritans were not wild men, fierce and freaky, religious fanatics and social extremists, but sober, conscientious, and cultured citizens, persons of principle, determined and disciplined excelling in the domestic virtues, and with no obvious shortcomings save a tendency to run to words when saying anything important, whether to God or to a man. At last the record has been put straight." -J.I. Packer, Regent College "*Worldly Saints* provides a revealing treasury of primary and secondary evidence for understanding the Puritans, who they were, what they believed, and how they acted. This is a book of value and interest for scholars and students, clergy and laity alike." -Roland Mushat Frye, University of Pennsylvania "A very persuasive...most interesting book...stuffed with quotations from Puritan sources, almost to the point of making it a mini-anthology." -Publishers Weekly "With *Worldly Saints*, Christians of all persuasions have a tool that provides ready access to the vast treasures of Puritan thought." -Christianity Today "Ryken writes with a vigor and enthusiasm that makes delightful reading-never a dull moment." -Fides et Historia "*Worldly Saints* provides a valuable picture of Puritan life and values. It should be useful for general readers as well as for students of history and literature." -Christianity and Literature

Proverbs- Everyday Bible Commentary - Irving L. Jensen 2019-03-05

The wisdom of Proverbs sometimes comforts and sometimes confuses. It contains some of our most cherished verses, as well as odd metaphors, and strange pronouncements that can feel cold or even cruel. What we need is a guide—someone who can explain the confusing bits and bring familiar passages to life. This is what the best preachers do, but you don't have to wait until Sunday's sermon. Encounter the beautiful depth of Proverbs through an enlightening verse-by-verse commentary from Irving Jensen that's both straightforward and insightful. You'll gain: Important historical and cultural background Useful charts and graphs Help with the difficult passages And more! You don't have to go to seminary to encounter God in exciting, new ways through His Word. Discover how much more enjoyable your personal study will be with understandable, quality Bible commentary for everyday life.

American Book Publishing Record Cumulative, 1950-1977 - R.R. Bowker Company. Department of Bibliography 1978

Psalms Volume 1- Everyman's Bible Commentary - Robert Alden 1958-06-01

Combining in a most helpful presentation both scholarly exegesis and practical application, this commentary discusses the meaning of the first fifty psalms. The Psalms served as the hymnbook of ancient Israel and expressed their deepest emotion and reverence toward God, so they are particularly well suited for devotional study. Dr. Alden says, "Here, more than any other place in the Bible, the heartthrob of the saint is heard. Here are the most exalted expressions of God's greatness; here are the most bitter groans of the sinful and the sick. Here is something for everyone in every mood." Each psalm is examined and discussed individually in sequence. The meaning of each psalm is carefully explained and an outline provided. An introductory section deals with the psalter as a whole and the questions of date and authorship. With all the helpful features utilized in the other *Everyman's Bible Commentaries* this is an ideal book for personal or group study, whether in a classroom or at home.

Subject Guide to Forthcoming Books - 1983

Presents by subject the same titles that are listed by author and title in Forthcoming books.

Sabbath in Puritan New England - Alice Morse Earle 2020-11-18

When the Pilgrim Fathers landed at Plymouth they at once assigned a Lord's Day meeting-place for the Separatist church, --"a timber fort both strong and comely, with flat roof and battlements;" and to this fort, every Sunday, the men and women walked reverently, three in a row, and in it they worshipped until they built for themselves a meeting-house in 1648. As soon as each successive outlying settlement was located and established, the new community built a house for the purpose of assembling therein for the public worship of God; this house was called a meeting-house. Cotton Mather said distinctly that he "found no just ground in Scripture to apply such a trope as church to a house for public

assembly." The church, in the Puritan's way of thinking, worshipped in the meeting-house, and he was as bitterly opposed to calling this edifice a church as he was to calling the Sabbath Sunday. His favorite term for that day was the Lord's Day
