*A Gift of Time* - Beth Flynn 2016-07-16  
RECOMMENDED FOR READERS 18 AND OLDER  
DUE TO STRONG LANGUAGE, SEXUAL  
SITUATIONS, AND VIOLENCE.This is Book 3 of 3 in  
the Nine Minutes TrilogyA Gift of Time is the third  
installment in the Nine Minutes Trilogy. It is not  
intended to be a stand-alone novel, but could be  
read as one. Still, I highly recommend that you  
read my first two novels, Nine Minutes and Out of  
Time, to be able to understand the background  
stories of the main characters. There are many  
twists and turns in both books that can best be  
connected if read consecutively.Are some secrets  
meant to stay buried?Three months have passed  
since Jason "Grizz" Talbot was put to death by  
lethal injection for crimes he committed. His  
former wife, Ginny, whom he had abducted from  
a convenience store when she was a teenager  
and became the love obsession of his life, has  
spent more than the last decade trying to carve  
out a life of normalcy in the bustling suburbs of  
Fort Lauderdale-including a thriving and happy  
marriage to Tommy "Grunt" Dillon, a former  
member of Grizz's gang. Tired of the secrets and  
the lies, Ginny and Tommy thought the final  
piece of their past could be left behind forever  
with Grizz's execution. However, the past comes  
crashing around Ginny and Tommy when a newly  
discovered secret threatens to destroy their  
marriage.When tragedy strikes, Ginny is forced  
to reach into her heart and decide, once and for  
all, what she really wants. In this third book in  
the Nine Minutes trilogy, A Gift of Time takes  
readers from the busy tropical metropolis of  
South Florida into the serenity of the North

Carolina Blue Ridge mountains as Ginny chases  
down the answers she needs. Will she have the  
strength to confront the secrets of her past...and  
her heart?

**Five First Dates** - Erin McCarthy 2020-12-18  
Every date is my next chance to find love--but  
my brother's best friend has his own plans for  
me. Every perfect rom-com has a twist that leads  
the heroine to her happily ever after. Me?  
Somehow, in any room full of Prince Charmings, I  
always manage to find the one frog. So this time,  
I've found my own twist. Four of my friends will  
each set me up. Four first dates. Four chances at  
my own happily-ever-after. My brother's best  
friend even offered to watch my baby while I'm  
out finding true love. Only Maddox has seriously  
grown up since I saw him last. The guy next door  
now looks more like the guy on a magazine  
cover. He's inked and sexy. Muscular. Utterly  
irresistible. And... big. Oh, and did I mention he's  
now my roommate? Surely having a brother's-  
friend-with-benefits won't hurt my search for Mr.  
Right. Especially if he's my fifth first date... Five  
First Dates is a standalone romantic comedy with  
a tattooed bad boy roommate, a feisty heroine,  
an adorable baby, and a Happily Ever After.  
*Beau and the Clockwork Girl* - Kami Bryant  
2018-11-28

In this steampunk, fantasy, romance, Beau's lost  
love has been enchanted to forget her memories  
and to suppress her emotions. Beau meets a  
dragonfly fairy, Juniper to assist him in the quest  
to save his love and break her enchantment.  
Beau has to teach his princess to feel, for she  
replaced her heart with clockwork and now she

has become evil and cruel. Beau has loved his princess Em, since they were children but Em has forgotten what it is to feel because, if you decide to give up your emotions so that you are not in pain, you will also lose your ability to love.

*Gibson's Legacy* - K.L. SHANDWICK 2014-12-17

Gibson Barclay has been famous for almost seven years and he's only twenty four. Seldom does anyone pick up a magazine, newspaper or watch a television entertainment show, without seeing his image or reading about his promiscuous antics . He had no need to court publicity with his magnetic charm and charismatic ways; when he chooses to cooperate that is. Shrugging off the advice of publicists and image consultants, Gibson makes no excuses for who he is, and with no ties, he answers to no one about how he chooses to live his life. From teenage musician to twenties mega rock star Gibson has seen and done it all. Women fantasize about him and men envy his rock scene, womanizing lifestyle. Only one person ever made Gibson feel uncomfortable about the way he lived his life. No one ever said no to him that he can remember, although there were two minute events that he has never been able to shake from his mind. Both of those events involved the way Chloe Jenner looked at him. It was something and nothing, but for him, the impact haunted him. In the strangest twist of fate, something so wildly obscure occurred, that set his mind ablaze with the memory of that small encounter. Like all women, Chloe found Gibson striking and had even shared with her friends, her own guilty fantasy about him. Fantasy and reality were poles apart and Chloe believed that Gibson Barclay never even knew that she existed.

**A New Life** - Samantha Jacobey 2013-09-30

**That Forever Girl** - Meghan Quinn 2019

USA Today bestselling author Meghan Quinn's second book in the Getting Lucky series brings heart, humor, and heat back to Port Snow. There are two little words every small-town man dreads: She's back. Harper Sanders, the girl who was supposed to be my forever, has returned to Port Snow, Maine, for good--and she's bringing back memories of our shared past. We once had a bright future together, but when tragedy struck, I threw it all away and pushed her out of

my life. People in our small town think I'm cursed, but I know better. I did it all to myself. And now she's creating a life of her own in the place where we first fell in love. I can't fight my feelings for her--or the strong attraction that keeps pulling us together. But after all this time, can she forgive the past and fall in love with me all over again? Everyone hopes to find that forever girl...I just hope I haven't lost mine for good.

**Infuriating** - Onley James 2020-07-07

What he fears is love. JACKSON AVERY has everything in life, except somebody to share it with. But as the owner of one of the largest private security forces in the country, he's got plenty to keep him busy until he finds 'the one.' After spending the last year dealing with the fallout of his best security agents falling for their clients, the last thing Jackson expects is to take one look at feisty camboy, Dayton Daniels, and almost instantly know that he's it for him. DAYTON DANIELS has been on his own since he was just fourteen years old. He's spent his entire life scraping by, doing whatever's necessary to survive. A severe learning disability has left Day unable to read and forced him to find creative ways to make a living. Camming allows him to earn money while keeping his clients at a distance, and Day has grown used to keeping everybody at a distance...until he witnesses a murder and Jackson Avery walks into his life. Guarding Day is supposed to be a favor, a simple off the books job until they find out who killed a prominent attorney, but Jackson quickly realizes there is nothing simple about Day. He's beautiful, smart, surprising, and Jackson is all in merely ten minutes after they meet. But Day, he can't imagine a man like Jackson wanting to spend his life with somebody like him, and he is determined to do anything to send Jackson running in the opposite direction, no matter how much it hurts. When Day starts receiving threatening emails, Jackson enlists his team to hunt down the killer. Day doesn't want to spend the rest of his life living in fear, but every day he's with Jackson, he falls a little harder, forming cracks in the walls he's worked so hard to build up around himself. Can Jackson solve a murder and find a way past Day's defenses to convince him there is such a thing as love at first sight and that everybody deserves a happily ever after, even him? INFURIATING is the fourth book in the

Elite Protection Services Series and contains age-gap, Daddy-kink, voyeurism and lingerie with a HEA and no cliffhangers. Warning: This book contains brief portrayals of childhood emotional abuse as well as discussions of past child sexual trauma and one scene of on-page physical violence to a main character at the hands of somebody other than the main character.

The Company Doctor - Elaine Draper 2005-03-24

To limit the skyrocketing costs of their employees' health insurance, companies such as Dow, Chevron, and IBM, as well as many large HMOs, have increasingly hired physicians to supervise the medical care they provide. As Elaine Draper argues in *The Company Doctor*, company doctors are bound by two conflicting ideals: serving the medical needs of their patients while protecting the company's bottom line. Draper analyzes the advent of the corporate physician both as an independent phenomenon, and as an index of contemporary culture, reaching startling conclusions about the intersection of corporate culture with professional autonomy. Drawing on over 100 interviews with company physicians, scientists, and government and labor officials, as well as historical, legal, and statistical sources and medical trade association data, Draper presents an illuminating overview of the social context and meaning of professional work in corporations. Draper finds that while medical journals, speeches, and ethical codes proclaim the independent professional judgment of corporate physicians, the company doctors she interviewed often expressed anguish over the tightrope they must walk between their patients' health and the corporate oversight they face at every turn. Draper dissects the complex position occupied by company doctors to explore broad themes of doctor-patient trust, employee loyalty, privacy issues, and the future direction of medicine. She addresses such controversial topics as drug screening and the difficult position of company doctors when employees sue companies for health hazards in the workplace. Company doctors are but one example of professionals who have at times ceded their autonomy to corporate management. Physicians provide the prototypical professional case for exploring this phenomenon, due to their traditional independence, extensive training, and high levels of prestige. But Draper expands the

scope of the book—tracing parallel developments in the law, science, and technology—to draw insightful conclusions about changing conditions in the professional workplace, as corporate cultures everywhere adapt to the new realities of the global economy. *The Company Doctor* provides a compelling examination of the corporatization of American medicine with far-reaching implications for professionals in many other fields.

*Before and Beyond Divergence* - Jean-Laurent Rosenthal 2011-04-01

China has reemerged as a powerhouse in the global economy, reviving a classic question in economic history: why did sustained economic growth arise in Europe rather than in China? Many favor cultural and environmental explanations of the nineteenth-century economic divergence between Europe and the rest of the world. This book, the product of over twenty years of research, takes a sharply different tack. It argues that political differences which crystallized well before 1800 were responsible both for China's early and more recent prosperity and for Europe's difficulties after the fall of the Roman Empire and during early industrialization. Rosenthal and Wong show that relative prices matter to how economies evolve; institutions can have a large effect on relative prices; and the spatial scale of politics can affect the choices of institutions in the long run. Their historical perspective on institutional change has surprising implications for understanding modern transformations in China and Europe and for future expectations. It also yields insights in comparative economic history, essential to any larger social science account of modern world history.

*Animal Social Networks* - Dr. Jens Krause 2015

This book demonstrates the application of network theory to the social organization of animals.

*Until Tomorrow Comes* - Adelaide Forrest 2021-02-19

Rafael I came for war. I left with an obsession. With one look, Isa captivated me. She consumed me, drawing me into her world without ever knowing the dangers of mine. I intend to make her mine, no matter what lies I need to tell to manipulate her into falling in love with El Diablo. It should be simple enough, but secrets lurk in the depths of her multicolored eyes, and I'll do anything to understand what broke her before I had the chance. Because she's mine to break. Isa Rafael Ibarra tore through my life like a raging inferno. Consuming every part of me he touches, he promises to show me passion and the real Ibiza. Though our tryst can never be anything but temporary, I never want to leave the man who makes me wish things were different. But there's a nightmare hiding within his multicolored gaze, a phantom rattling at the cages who wants to devour me, to take me and claim me as his. He's temptation, pushing me toward sin with his wicked touch. But the sins of the flesh are different from the sins of the mind, and as much as I hate his secrets...I will never tell him my own. Until Tomorrow Comes is the first book in the Beauty in Lies series and ends on a cliffhanger. This is a DARK mafia romance and contains graphic violence, mature content, and elements that may be triggering. Please read at your own discretion.

**Captive** - Samantha Jacobey 2014-03

Captive - A New Life Series Formerly Life of Recovery To what lengths would you go to break away from a life filled with pain and suffering? Tori Farrell has lived a dangerous life. When you grow up with a Motorcycle Gang of Mercenaries and Drug Lords like the Dragons, a normal life is more like a fairytale. For years, she accepted her dark reality, a world consisting of drugs, sex, violence and murder. In the end, she learned the most valuable lesson: survival. After years of being ruled by the Dragons, Tori uses her skills of seduction and assassination to free herself from the grasp of the people who vowed they would never let her go. Taken in by the FBI, she fears not everything is what it seems, and soon finds herself lost in a web of lies and deceit. She thought getting away from the Dragons would put her on a path to a new and better life, but now she must face the cold hard truth" there is always a price to be paid. Excerpt "Quietly, he explained to her that he was going to arrange for

another group to kill the Dragons and send her to live with someone who would take care of her. Not understanding, she asked why she would have to go with someone else. If the Dragons were dead, why couldn't she just go with him? He refused to explain, and simply said, "You are going to have a different life, baby girl. A life I cannot give you. You must be strong and willing to do whatever it takes to make this happen. Promise me you will do this...." Book 1 of 7 in A New Life Series This is the first in a series that chronicles the life of a young woman who is raised by a group of men who work as freelance mercenaries in the dark world of drug trafficking and murder for hire. They acquired the young woman at a very young age, as she has no memory of life before them. The book opens as she has broken free and moves through a series of current events and flashbacks that explain the beginning of her story. It is very dark with an unfinished feel, because in the end, the past is not the real story - the real story is what happens from here. **WARNING: GRAPHIC SCENES** This book is intended for readers 18+ and contains scenes that may cause distress to some readers: Domestic Abuse, Kidnapping, Rape and Substance Abuse are described in detail. Throb - Vi Keeland 2015-01-25

From New York Times & USA Today Bestseller, Vi Keeland, comes a steamy new romance novel. The rules: No dating. No sex outside of the game. No disclosing the terms of the contract. Rules were made to be broken, right? Eight weeks ago I signed a contract. One that seemed like a good idea at the time. A handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules though. Lots of them actually. Follow the script, no dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men the last year, it wouldn't be hard to live up to my end of the bargain...so I thought. Until I realized the deal I'd made was with the devil...and I was in love with his dirty-talking brother. Author's note - Throb is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18.

**The Illio** - University of Illinois (Urbana-Champaign campus) 1895

*Autumn Allure* - Allie Boniface 2016-08-30

It's time for this playboy to face the music. He just never dreamed it would be a lullaby... Bartender Nate Hunter enjoys his small-town, no-strings-attached life in Whispering Pines. Then a dying ex-girlfriend tracks him down to tell him he has a daughter he never knew existed. Nate doesn't know the first thing about being a father, but one look at Autumn and he's a goner, so he agrees to take care of her until her aunt returns at Christmas. When Nate asks the town's librarian, no-nonsense Maxine Abbott, to move in with him and help take care of Autumn, she agrees, but only if he'll pretend to be her boyfriend and get her mother off her back. Their relationship of convenience works perfectly at first, until real feelings begin to invade their false romance. Then Autumn's aunt shows up early, and everything changes. Will Nate and Maxine's budding love end in heartbreak before the last leaves fall? *Our Finest Hour* - Jennifer Millikin 2017-10-12

Two lives. One hour. A lifetime consequence. I believe in choice, not fate. I chose to nurse a broken heart at the kitschy country bar that night. I chose to let Isaac Cordova buy me a drink. I chose to spend one hour with a near stranger in an attempt to soothe my pain. No last names, no details about our lives, just one hour where I was allowed to forget, and then we would never see each other again. But was it a choice when I ran into him five years later? I needed help, and he was the only person equipped to give it. Our instant attraction doesn't feel like much of a choice either, but it doesn't matter. Everything has changed. Now my choices impact other people. And what will I choose? Do I keep Isaac out? Do I dare to let him in?

*Sasha (Mixed Drinks #1)* - Rae Matthews 2014-09-03

When it comes to relationships, I have really bad luck. Each time I meet a guy, I cross my fingers and hope he is at least halfway normal. I'm so tired of dealing with crybabies and freak shows that I could just scream. At this point, I'm so

close to just joining a convent, taking the vow of chastity, and calling it quits with men entirely. Well, I probably don't need to go to that extreme... I mean who am I kidding? There's no way I could be a nun. But becoming an old crotchety lady with 20 cats lurking around? Now THAT is a definite possibility. That is until I see him, my brown-eyed stallion man, swooping in to save me from an unforeseen wrinkly old balls attack, and then... he is gone. Well, not gone completely, because I can't stop fantasizing about him. I fantasize about him so much that when I finally do see him again, I make a complete and total ass of myself. Several times in fact. How I do not drop dead of embarrassment right then and there is beyond me. So, remember I said I have really bad luck? Well, sit back, grab a glass of wine or your favorite mixed drink, and let me tell you how it all started, and how it all ends...

Letters in the Dark - Kit Rose 2020-06-23

Cassandra Abducted. Caged. Kidnapped. They all mean the same thing. Hidden away and forgotten about by everyone. Everyone except the monster who put me here. He stripped me of my freedom. He stripped me of my clothing. He's a monster, and he'll do whatever he wants with me. But I will survive. And I will wait. He hides in the shadows, but I will learn to see in the dark. And when the lights go out, I will show him the monster inside me. If you live in the dark long enough, even the sweet ones must grow claws. Monster Soulless. Psychopath. Evil. That's what I've been told my entire life. If you looked at the trail of blood that follows me, you'd think they were right. I never asked to be like this. I never asked to be different. I never asked to be a monster. Something broke inside of me when I was born, and Cassandra Matheson is the only one who can fix me. She'll be the light to my darkness, the good to my evil. And she'll teach me what it is to be human. Or she'll never leave her cage. *Letters in the Dark* is a standalone full-length novel with an HEA.

**Dirty Wicked Lust** - Amanda Heartley  
2016-08-10

After too many tours in Afghanistan, I'm back home to my millionaire life in Tennessee. Actually, it's my dad's millions-not mine. I'm Ryan Johnson, Marine vet. I always thought I'd be a career Marine-a top dog-but decided against it

after I'd seen enough war. A lot changed during those years spent in the sandbox. Returning home has meant meeting my new stepmother... and annoying as hell stepsister, Heather. But irritation has quickly turned to lust. And in place of my night terrors, I can't stop dreaming about her. Things went sideways while our parents were away on vacation. Now, they're back and ever since I tasted her sweet lips-I need her. I need to find a way to be with her. But what am I going to do about my dad-or her mom? I'm tired of sneaking around like a damn teenager, but the secrets, lies, and scandal could tear the family apart. Is this dirty, wicked, lust worth it? It better be, but I'll let Heather tell the story...

**Cutthroat Cheerleader** - Zachary Ryan  
2020-10-27

In the sleepy town of Townsend, Washington, there was an act so gruesome that no one would ever be the same. What heinous crime do I speak of? Skylar Torres thinking she could pull off a crop top with that pudgy body of hers. Oh, did you think I was going to say my murder. Well, I thought it was more sensational than anything else, but the real scandal was who killed me and why. You should already know my name since it was on everyone's lips once they found me with my throat ripped out. People thought they should have only feared me, but the Liberty Lion's cheer squad knew one thing, hunt or be hunted. No one's hands were truly clean from all the dirt and blood on them. Be safe, watch your back and always remember, Happy Hunting. Love, Madison Taylor

[Are We Not Foreigners Here?](#) - Jeffrey M. Schulze  
2018-04-12

Since its inception, the U.S.-Mexico border has invited the creation of cultural, economic, and political networks that often function in defiance of surrounding nation-states. It has also produced individual and group identities that are as subversive as they are dynamic. In *Are We Not Foreigners Here?*, Jeffrey M. Schulze explores how the U.S.-Mexico border shaped the concepts of nationhood and survival strategies of three Indigenous tribes who live in this borderland: the Yaqui, Kickapoo, and Tohono O'odham. These tribes have historically fought against nation-state interference, employing strategies that draw on their transnational orientation to survive and thrive. Schulze details the complexities of the tribes' claims to nationhood in the context of the border from the nineteenth century to the present. He shows that in spreading themselves across two powerful, omnipresent nation-states, these tribes managed to maintain separation from currents of federal Indian policy in both countries; at the same time, it could also leave them culturally and politically vulnerable, especially as surrounding powers stepped up their efforts to control transborder traffic. Schulze underlines these tribes' efforts to reconcile their commitment to preserving their identities, asserting their nationhood, and creating transnational links of resistance with an increasingly formidable international boundary.

*The Lifetime of A Second* - Jennifer Millikin  
2018-08-07

Brynn Escape. That was my sole focus. Forget the headlines, forget the threats. Forgetting what I've done? Never. To disappear, I needed money. I fled the big city in the desert to hide in a small town amongst the pines. The plan? Blend in, work until I have what I need, and then vanish. The problem? Connor Vale ruined everything. Falling for him would be easy, if it weren't for one inescapable truth: For every action there is an equal and opposite reaction, and nobody around me is safe. Connor Brynn Montgomery slammed into my life like a category five hurricane. She

stepped in front of my truck, and everything changed. One second to swerve, one second to jump from my vehicle, one second to never be the same. I gave her a job. It wasn't a smart idea. She's guarded, withdrawn, and aloof. She wears shirts with snarky sayings and won't let me get within a foot of her. She doesn't talk much, so I watch her move. Unspoken pain pours from her eyes, emotion moves with each twist of her lips. Hidden behind her prickly exterior is a tenderness that mesmerizes me. Every day she reveals a piece of herself. Every day I get closer to learning about the fear that grips her. Every day I fall a little more in love with her.

[Fueled](#) - K. Bromberg 2016-09-05

From New York Times Best-Selling Author K. Bromberg comes the continuation of the Driven series... What happens when the one person you never expected suddenly happens to be the one you'll fight the hardest to keep? Colton stole my heart. He wasn't supposed to, and I sure as hell didn't want him to, but he crashed into my life, ignited feelings within me that I thought had died forever, and fueled a passion that I never knew could exist. Rylee fell out of that damn storage closet and into my life. Now I don't think I'll ever be the same. She's seen glimpses of the darkness within me, and yet she's still here. Still fighting for me. She is without a doubt the saint, and I am most definitely the sinner. How is it the one thing neither of us wanted—neither of us anticipated that fateful night—has us fighting so hard to keep? He steals my breath, stops my heart, and brings me back to life again all in a split second of time. But how can I love a man who won't let me in? Who continually pushes me away to prevent me from seeing the damaged secrets in his past? My heart has fallen, but patience and forgiveness can only go so far. How can I desire a woman who unnerves me, defies me, and forces me to see that in the deep, black abyss of my soul there's someone worthy of her love? A place and person I swore I'd never be again. Her selfless heart and sexy body deserve so much more than I'll ever be capable of giving her. I know I can't be what she needs, so why can't I just let her go? We are driven by need and fueled with desire, but is that enough for us to crash into love?

*Hemy* - Victoria Ashley 2014-09-22

Henry Knox has hurt the one person that meant something to him, the only person he has loved. He became involved with drugs, alcohol and the wild life. But what he really wants is real love and the high that comes along with it.

Off the Cuff - K. I. Lynn 2021-01-11

I spilled a cup of coffee on the President of Acquisitions. He deserved it. Not the brightest idea, but I'd had a bad day, and now he's getting back at me. For nine weeks I'm to be his assistant, and there's nothing I can do about it. It's punishment. Every moment we're near each other it's a constant battle of wills, but I refuse to go down. If only he wasn't so good looking. If only my fantasies didn't invade our arguments. Everything is off the cuff, including him pinning me to the wall. Now he wants something else from me. A date. There's just one problem--he doesn't know I have a child.

Captive - A New Life Series Formerly Life of Recovery To what lengths would you go to break away from a life filled with pain and suffering? Tori Farrell has lived a dangerous life. When you grow up with a Motorcycle Gang of Mercenaries and Drug Lords like the Dragons, a normal life is more like a fairytale. For years, she accepted her dark reality, a world consisting of drugs, sex, violence and murder. In the end, she learned the most valuable lesson: survival. After years of being ruled by the Dragons, Tori uses her skills of seduction and assassination to free herself from the grasp of the people who vowed they would never let her go. Taken in by the FBI, she fears not everything is what it seems, and soon finds herself lost in a web of lies and deceit. She thought getting away from the Dragons would put her on a path to a new and better life, but now she must face the cold hard truth" there is always a price to be paid. Excerpt "Quietly, he explained to her that he was going to arrange for another group to kill the Dragons and send her to live with someone who would take care of her. Not understanding, she asked why she would have to go with someone else. If the Dragons were dead, why couldn't she just go with him? He refused to explain, and simply said, "You are going to have a different life, baby girl. A life I cannot give you. You must be strong and willing to do whatever it takes to make this happen.

Promise me you will do this...." Book 1 of 7 in A New Life Series This is the first in a series that chronicles the life of a young woman who is raised by a group of men who work as freelance mercenaries in the dark world of drug trafficking and murder for hire. They acquired the young woman at a very young age, as she has no memory of life before them. The book opens as she has broken free and moves through a series of current events and flashbacks that explain the beginning of her story. It is very dark with an unfinished feel, because in the end, the past is not the real story - the real story is what happens from here. **WARNING: GRAPHIC SCENES** This book is intended for readers 18+ and contains scenes that may cause distress to some readers: Domestic Abuse, Kidnapping, Rape and Substance Abuse are described in detail. Maximus Tempest is business driven-and family starved. Eager to get his estranged wife to sign the divorce papers so he can move on with his life, he is frustrated when she is taken to the hospital after overdosing and wants no part of her treatment. When Sara and Max see each other after twenty years, old feelings spring to life, but with the whirlwind of problems that surround them, how could it possibly work? Secrets are revealed from the grave that could threaten any future they might have, and it will be up to Sara and Max to see if they can overcome the lies-or if they must bury their dreams of a relationship forever.

**Falling Out of Hate with You** - Lauren Rowe  
2021-04-15

I've tried to like Adrian Savage, the mercurial frontman for Fugitive Summer, while serving as his band's opening act on tour. We're stuck together for three months, after all. And I'm well aware I'm lucky to be here. But it's proved impossible. He's far too rude and dismissive a guy to get along with. And way too good at getting under my skin. In fact, at this point, I think it's fair to say I downright hate his guts. Global thirst trap that he is, though, I'm finding it extremely difficult not to want to jump Savage's bones, despite how much he infuriates me. I hate myself for it. But my body is going rogue on me. It doesn't matter, though. I'm determined to resist him. In fact, what I've decided is that, as long as I'm here and stuck with him, I'm not only going to give Savage the sound tongue lashing nobody else around here has the balls to deliver, I'm going to bring that bad boy to his knees.

**Hot and Sexy** - Erika Wilde 2020-05-26

She has him just where she wants him... Joelle Sommers is very good at her job as a PI and bail recovery agent, but she's definitely out of her element when she arrests sexy businessman Dean Colter in a case of mistaken identity. Because unlike her usual fugitives, Dean is cooperative, accommodating, and hot as sin . . . and not at all guilty as charged. But this bad boy isn't so innocent either, and she finds it increasingly hard to resist his seductive charm, and their mutual attraction. After years of working himself to the point of having no life outside the office, Dean Colter is in the mood for an adventure. But being kidnapped by a

gorgeous bounty hunter—one he discovers is into bondage, to boot—isn't exactly what he had in mind. Still, it doesn't take long for him to realize that being a willing captive has its advantages. Jo might be the one with the handcuffs, but Dean's about to discover the key to unleashing the passionate, uninhibited woman beneath the tough, stubborn facade. And when he does, all bets are off.

**Return by Sea** - Tracey Jerald 2021-01-11

I lost my heart to a man who walked away without looking back. Over the years, I dealt with the hand life dealt me, slowly shutting down my soul. For twenty years, I've loved Nicholas Cain. He's returned but neither of us are the same people we were back then. We've been polished, punished by life's harshest seas. My heart is torn between what was and what could be, but I can't turn away. And despite everything, the choice to love him both thrills and terrifies me. Just like my brother predicted it would years before it actually happened.

**Darling Girl** - Liz Michalski 2022-05-03

In this beautiful, grounded, and darkly magical modern-day reimagining of J. M. Barrie's classic, to save her daughter's life one woman must take on the infamous Peter Pan—who is not the innocent adventurer the fairy tales make him out to be . . . Life is looking up for Holly Darling, granddaughter of Wendy—yes, that Wendy. She's running a successful skincare company; her son, Jack, is happy and healthy; and the tragedy of her past is well behind her . . . until she gets a call that her daughter, Eden, who has been in a coma for nearly a decade, has gone missing from the estate where she's been long tucked away. And, worst of all, Holly knows who must be responsible: Peter Pan, who is not only very real, but more dangerous than anyone could imagine. Eden's disappearance is a disaster for more reasons than one. She has a rare condition that causes her to age rapidly—ironic, considering her father is the boy who will never grow up—which also makes her blood incredibly valuable. It's a secret that Holly is desperate to protect, especially from Eden's half-brother, Jack, who knows nothing about his sister or the crucial role she plays in his life. Holly has no one to turn to—her mother is the only other person in the world who knows that Peter is more than a story, but she refuses to accept that he is not the hero

she's always imagined. Desperate, Holly enlists the help of Christopher Cooke, a notorious ex-soldier, in the hopes of rescuing Eden before it's too late . . . or she may lose both her children. *Darling Girl* brings all the magic of the classic Peter Pan story to the present, while also

exploring the dark underpinnings of fairy tales, grief, aging, sacrifice, motherhood, and just how far we will go to protect those we love.
