Growing in Christ While Helping Others Participant's Guide #4 - Rick Warren 1998-04

A recovery program based on eight principles from the Beatitudes. *Sought Through Prayer and Meditation* - Geno W. 2010-01-28

An inspiring collection of meditations, prayers, and insights designed to facilitate the weekly practice of the 11th step, heightening our conscious contact with God as we understand him. Each year, hundreds of men and women cross the threshold of the Wolfe Street Center in Little Rock, Arkansas. Many of them attend the "Hour of Power," a weekly Sunday morning meeting focused on heightening one's spiritual awareness and growth by focusing on the Eleventh Step of Alcoholics Anonymous: "Sought through prayer and meditation to improve our conscious contact with God as we understood Him, praying only for knowledge of His will for us and the power to carry that out." This special book,

designed for weekly study, offers a prayer, a meditation, and related insights from the discussions that emerged during the "Hour of Power." Sought Through Prayer and Meditation brings the insights of the collective consciousness of the Wolfe Street groups to recovering people everywhere. This book reminds us that if we are vigilant in our spiritual pursuit, we may well achieve what is promised: "a glimpse of that ultimate reality which is God's kingdom." (Geno W.)

Your First Step to Celebrate Recovery - John Baker 2016-06-28

You've undoubtedly heard the expression "time heals all wounds." Unfortunately, it isn't true. As many pastors and counselors know, people still carry hurts from thirty or forty years ago. The truth is, time often makes things worse. Wounds that are left untended fester and spread infection throughout your entire body. Time only extends the pain if the problem isn't dealt with. Your First Step to Celebrate Recovery introduces you to a biblical and balanced program that has helped nearly a million people overcome their hurts, hang-ups, and habits. Based on the actual words of Jesus found in the Sermon on the Mount rather than psychological theory, the Celebrate Recovery program has helped people for over 20 years to grow toward full Christ-like maturity. Author and founder John Baker tells the true story of how Celebrate Recovery became one of the largest Christ-centered recovery programs in history. Baker will help you discover how God's love, truth, grace and forgiveness can bring healing into your life.
