Rural Tourism in Europe - World Tourism Organization
2004

With an expected growth rate of around 6 per cent rural tourism is developing faster than the overall growth rate for international tourism arrivals. Due to its special importance for the European region, three seminars were held in Belgrade (Serbia), Kielce (Poland) and Yaremcha (Ukraine) to focus on three major issues: to contribute to a better understanding of rural tourism and to offer additional tools for planning and execution of initiatives; to enhance the importance of rural tourism in the agendas of governments and international organizations; to generate political and financial support for the development of rural tourism. Cultural Haunting - Kathleen Brogan 1998

In this text, Kathleen Brogan makes the case that the recent preoccupation with ghosts stems not from a lingering interest in Gothic themes, but instead from a whole new genre in American literature that she calls 'the story of cultural haunting'.

Corydon - André Gide 1983-01-01

In 1907 Andre Gide began work on a series of Socratic dialogues on the subject of homosexuality and its place

in society. These were published piecemeal, without the author's name, in private editions of twelve copies (1911) and twenty-one copies (1920) before a signed, commercial edition finally appeared in France in 1924. In his preface to the first American edition--published in 1950, the year before his death--Gide says: "Corydon remains in my opinion the most important of my books."

Becoming Brazilians - Marshall C. Eakin 2017-07-25

This book traces the rise and decline of Gilberto Freyre's vision of racial and cultural mixture (mestiçagem - or race mixing) as the defining feature of Brazilian culture in the twentieth century. Eakin traces how mestiçagem moved from a conversation among a small group of intellectuals to become the dominant feature of Brazilian national identity, demonstrating how diverse Brazilians embraced mestiçagem, via popular music, film and television, literature, soccer, and protest movements. The Freyrean vision of the unity of Brazilians built on mestiçagem begins a gradual decline in the 1980s with the emergence of an identity politics stressing racial differences and multiculturalism. The book combines intellectual history, sociological and anthropological field work, political science, and cultural studies for a wide-ranging analysis of how Brazilians - across social classes - became Brazilians.

The Hunchback of Notre Dame Annotated - Victor Marie Hugo 2021-08-23

The Hunchback of Notre-Dame is a French Gothic novel by Victor Hugo published in January 14, 1831. The title refers to the Notre Dame Cathedral in Paris, on which the story is centered. Set in medieval Paris, it tells the story of the beautiful gypsy Esmeralda, condemned as a witch by the tormented archdeacon Claude Frollo, who lusts after her. Quasimodo, the deformed bell ringer of

Notre-Dame Cathedral, having fallen in love with the kindhearted Esmeralda, tries to save her by hiding her in the cathedral's tower.

Suleiman the Magnificent - André Clot 2012-02-13

Suleiman the Magnificent, most glorious of the Ottoman sultans, kept Europe atremble for nearly half a century. In a few years he led his army as far as the gates of Vienna, made himself master of the Mediterranean and established his court in Baghdad. Faced with this redoubtable champion, who regarded it as his duty to extend the boundaries of Islam farther and farther, the Christian world struggled to unite against him. 'The Shadow of God on Earth', but also an expert politician and all-powerful despot, Suleiman ruled the state firmly with the help of his viziers. He extended the borders of the empire beyond what any of the Ottoman sultans had achieved, yet it is primarily as a lawgiver that he is remembered in Turkish history. His empire held dominion over three continents populated by more than thirty million inhabitants, among whom nearly all of the races and religions of mankind were represented. Prospering under a well-directed, authoritarian economy, Suleiman's reign marked the apogee of Ottoman power. City and country alike experienced unprecedented economic and demographic growth. Istanbul was the largest city in the world, enjoying a remarkable renaissance of arts and letters; a mighty capital, it was the seat of the Seraglio and dark intrigue. 'Clot's informed and intelligent study is to be commended ... Brings back to life a man, an empire and an era.' -- Digest of Middle East Studies 'Excellent ... The best book from which to

gain an introduction to Suleiman's era.' -- Middle East Journal

Physicians, Peasants, and Modern Medicine - Constantin Bărbulescu 2019-04-10

This monograph, a coherent and consistent historical narrative about Romania's modernization, focuses on one section of the country's elites of the late nineteenth century, namely the health professionals, and on the imagery they constructed as they interacted with the peasant and his world. Doctors ventured out of cities and became a familiar sight on dusty country roads in of Moldavia and Wallachia. Beyond a charitable impulse they did so thru patriotism as the rural world became ever more prominent within the national ideology.

Furthermore, new health legislation required the district general practitioner (medicul de plasă) to visit the villages in his catchment area twice a month. Based on solid original research, the book describes rural conditions of the time and the efforts aiming to improve peasants' way of life with abundant quotes from doctors' public health reports and memoirs. The book sheds light on a variety of microscale realities of social life in the medical discourse on the peasant and the rural world in the mirror of medical discourse. Themes include general hygiene, clothing, dwellings, nutrition, drinking habits and healing practices of the peasantry, in the eye of medical specialists. Related official measures, laws, regulations, norms about public health are also discussed in the frame of wider modernizing processes.

Candide - Voltaire 2002

A flamboyant and controversial personality of enormous wit and intelligence, Voltaire remains one of the most influential figures of the eighteenth-century Enlightenment. "Candide, his masterpiece, is a brilliant satire of the theory that our world is "the best of all possible worlds." The book traces the picaresque adventures of the guileless Candide, who is forced into the army, flogged, shipwrecked, betrayed, robbed, separated from his beloved Cunegonde, tortured by the Inquisition, et cetera, all without losing his resilience and will to live and pursue a happy life. This Modern Library edition, published to celebrate the seventy-fifth anniversary of Random House, is a facsimile of the first book ever released under the Random House colophon. It includes the timeless illustrations by Rockwell Kent, a twentieth-century artist whose wit and genius serve as a counterpart and compliment to Voltaire's.

Letters Concerning the English Nation - Voltaire 1774
Inspired by Voltaire's two-year stay in England (1726-8), this is one of the key works of the Enlightenment. His controversial pronouncements on politics, philosophy, religion, and literature have placed the Letters among the great Augustan satires. Voltaire wrote most of the book in English, in which he was fluent and witty, and it fast became a bestseller in Britain. He re-wrote it in French as the *Lettres Philosophiques*, and current editions in English translate his French. This edition restores for the modern reader Voltaire's own English text, allowing us to appreciate him as a stylist at first hand. It is the only critical edition of the original text and, as well as providing an introduction and notes, it includes intriguing accounts of Voltaire by contemporary English observers.

Creolization and Diaspora in the Portuguese Indies - Stefan Halikowski Smith 2011-09-23

This book examines the sizeable Portuguese community in Ayutthaya, the chief river-state in Siam, during a period in which Portuguese power in the region declined. The analysis turns on the creolization and diaspora that affected this community, as well as problems with international trade, the Christian conversion process, and European rivalries.

Driven by Desire - Alan Wilson 2011-10-15

From a five-year-old girl racing 60mph micro-midgets in South Africa, to a Formula One driver in the British Championship during her first full year of racing in the UK, and on to becoming the first and only woman ever to win a Formula One race, Desiré Wilson was a winner bested by very few of her male rivals. But single-seater

racing was just the start of Desiré's ascent in motorsport. She won two FIA World Championship Sports Car Endurance races in 1980, and went on to compete in well over 120 types of race car at more than 100 race tracks around the world. Always competitive, she earned a reputation for an intense, no-nonsense approach to racing, shrugging off the media glamour to focus on the hard grind of staying competitive in one of the world's toughest sporting arenas. Moving to the male-dominated world of North American racing, Desiré became a pioneer for women racing in the harsh world of Indy Cars, facing discrimination, financial problems, and other obstacles ranging from tragedy to farce. Her career is unique in the world of racing, encompassing everything from club racing to Formula One and World Championship sports cars, to the evil monsters of the IndyCar World Series – the world's fastest race cars. Hers is a story of hardships, fun, tragedy, perseverance, injury, and the

amazing behind-the-scenes world masked by the public face and glamour of racing. It tells, too, of the consequences of politics and discrimination in the male world of professional auto racing.
