Changing Places - David Lodge 2011

When Philip Swallow and Professor Morris Zapp participate in their universities Anglo-American exchange scheme, the Fates play a hand, and each academic finds himself enmeshed in the life of his counterpart on the opposite side of the Atlantic. Nobody is immune to the exchange: students, colleagues, even wives are swapped as events spiral out of control. And soon both sundrenched Euphoric State university and rain-kissed university of Rummidge are a hotbed of intrigue, lawlessness and broken vows."

Paradise News - David Lodge 2012-02-29

Bernard Walsh, agnostic theologian, has a professional interest in heaven. But when he travels to Hawaii with his reluctant father Jack, to visit Jack's dying, estranged sister it feels more like purgatory than paradise. Surrounded by

quarrelling honeymooners, a freeloading anthropologist and assorted tourists in search of their own personal paradise, and with his father whisked off to hospital after an unfortunate accident, Bernard is beginning to regret ever coming to Hawaii. Until, that is, he stumbles on something he had given up hope of finding: the astonishing possibility of love.

The Art of Fiction - David Lodge 2012-04-30

In this entertaining and enlightening collection David Lodge considers the art of fiction under a wide range of headings, drawing on writers as diverse as Henry James, Martin Amis, Jane Austen and James Joyce. Looking at ideas such as the Intrusive Author, Suspense, the Epistolary Novel, Magic Realism and Symbolism, and illustrating each topic with a passage taken from a classic or modern novel, David Lodge makes

the richness and variety of British and American fiction accessible to the general reader. He provides essential reading for students, aspiring writers and anyone who wants to understand how fiction works.

Quite A Good Time To Be Born - David Lodge

2016-02-23

'I drew my first breath on the 28th of January 1935, which was quite a good time for a future writer to be born in England...' The only child in a lower-middle-class London family, David Lodge inherited his artistic genes from his musician father and his Catholic faith from his Irish-Belgian mother. Four years old when World War II began, David grew to maturity through decades of great social and cultural change - giving him plenty to write about. Candid, witty and insightful, *Quite a Good Time to be Born* illuminates a period of transition in British society, and charts the evolution of a writer whose works have become classics in his own lifetime.

Deaf Sentence - David Lodge 2009-09-29

The subject of enthusiastic and widespread reviews, David Lodge's fourteenth work of fiction displays the humor and shrewd observations that have made him a much-loved icon. *Deaf Sentence* tells the story of Desmond Bates, a recently retired linguistics professor in his mid-sixties. Vexed by his encroaching deafness and at loose ends in his personal life, Desmond inadvertently gets involved with a seemingly

personable young American female student who seeks his support in matters academic and not so academic, who finally threatens to destabilize his life completely with her unpredictable-and wayward-behavior. What emerges is a funny, moving account of one man's effort to come to terms with aging and mortality-a classic meditation on modern middle age that fans of David Lodge will love.

Working with Structuralism - David Lodge

1981-01-01

Cardinal - Henry Morton Robinson 1979-01-03

Consciousness & the Novel - David Lodge 2002

Writing with characteristic wit and brio, and employing the insight and acumen of a skilled novelist and critic, Lodge explores the representation of human consciousness in fiction (mainly English and American) in light of recent investigations in the sciences.

The Practice of Writing - David Lodge 2012-02-29

In this absorbing volume, David Lodge turns his incisive critical skills onto his own profession, salutes the great writers who have influenced his work, wonders about the motives of biographers, ponders the merits of creative writing courses, pulls the rug from under certain theoretical critics and throws open the curtains on his own workshop.

Nice Work - David Lodge 2012-02-29

When Vic Wilcox (MD of Pringle's engineering works) meets English lecturer Dr Robyn Penrose, sparks fly as their lifestyles and ideologies collide head on. What, after all, are they supposed to learn from each other? But in time both parties make some surprising discoveries about each other's worlds - and about themselves.

Ginger, You're Barmy - David Lodge 2012-02-29

When it isn't prison, it's hell. Or at least that's the heartfelt belief of conscripts Jonathan Browne and Mike 'Ginger' Brady. For this is the British Army in the days of National Service, a grimy deposit of post-war gloom. An endless round of kit layout, square-bashing, shepherd's pie 'made with real shepherds' and drills is relieved only by the occasional lecture on firearms or V.D. The reckless, impulsive Mike and the more pragmatic Jonathan adopt radically different attitudes to survive this two-year confiscation of their freedom, with dramatic consequences

The War Between the Tates - Alison Lurie

2012-11-13

A husband's affair pushes a suburban wife to her breaking point in this "near perfect comedy of manners" by the Pulitzer Prize-winning author of *Real People* (The New York Times). Erica Tate wouldn't mind getting up in the morning if her children were less intolerable. Until puberty struck, Jeffrey and Matilda were absolute darlings, but in the last year, they have become sullen, insufferable little monsters. A forty-year-old

housewife out of work and out of mind, she finds little happiness in the small college town of Corinth. Erica's husband, Brian, a political science professor, is so deeply immersed in university life—or more accurately in the legs of his mistress, a half-literate flower child named Wendy—that he either doesn't notice his wife's misery or simply doesn't care. Worst of all, their pleasant little neighborhood is transforming into a subdivision. As new ranch houses spring up around their once idyllic home, Erica's marriage inches closer to disaster. When the Tate household tips into full-scale emotional combat, Erica must do her best to ensure that she comes out on top. In this darkly comic tale of a family at civil war, the National Book Award-shortlisted author of *Foreign Affairs* dives into the deterioration of a marriage. This ebook features an illustrated biography of Alison Lurie including rare images from the author's collection.

Souls and Bodies - David Lodge 1990

The ups, downs, and exploits of a group of British Catholics—for whom the sexual revolution came a little later than it did for everybody else... In this bracing satire, a group of university students make their way through the fifties and into the turbulent sixties and seventies. We first meet Dennis, Michael, Ruth, Polly, and the others at the altar rail of Our Lady and St. Jude, but soon enough they get caught up in the alternately hilarious and poignant preoccupations of work,

marriage, sex, and babies--not always in that order. A satirical comedy in the tradition of Evelyn Waugh, *Souls and Bodies* take an unblinking look at the sexual revolution and the contemporaneous upheavals in the Catholic Church. The result is as unsettlingly true as it is funny.

Out Of The Shelter - David Lodge 2012-02-29

The restrictions of a wartime childhood in London and subsequent post-war shortages have done little to enrich Timothy's early youth. But everything changes when his glamorous older sister, Kath, invites him to spend the summer at Heidelberg. Kath, who left home long ago to work for the American army, introduces her sixteen-year-old brother to a lifestyle that is deliriously fast, furious and extravagant. Dazzled by the indulgent habits of the American forces, but at the same time sensitive to the broken spirits of the German community beneath this sparkling surface, Timothy will find that his summer holiday is in more ways than one an unforgettable rite of passage.

The Dialogic Novels of Malcolm Bradbury and

David Lodge - Robert A. Morace 1989

Discusses the overlooked works of Bradbury and Lodge in terms of their critical reception, Bakhtin's theory of the dialogical novel, and their relation to British literature and contemporary literature in general. Annotation copyright Book News, Inc. Portland, Or.

Small World - David Lodge 2012-02-29

Philip Swallow, Morris Zapp, Persse McGarrigle and the lovely Angelica are the jet-propelled academics who are on the move, in the air and on the make in David Lodge's satirical *Small World*. It is a world of glamorous travel and high excitement, where stuffy lecture rooms are swapped for lush corners of the globe, and romance is in the air...

Elements of the Holy Grail Quest in David Lodge's "Small World" - Doreen Bärwolf 2010-09-09

Seminar paper from the year 2008 in the subject English - Literature, Works, grade: 2,7,

<http://www.uni-jena.de/>

(Anglistisch/Amerikanistisches Institut), course:

Hauptseminar: King Arthur, language: English,

abstract: David Lodge was born 1935 in South

London as the child of a Jewish father and a

Catholic mother. He was raised in the middle

class and went to Catholic schools. With the age

of 22 he became postgraduate student for English

literature at the University college of London. In

1960 he became a lecturer at the Birmingham

University and published his first novel *The*

Picturegoers. Being a lecturer he discovered the

field of literary criticism and wrote his first critical

book *Language of Fiction*. After touring the USA

and studying at the Brown University and at

Berkeley he was so inspired by travelling and the

academic world that he wrote *Changing Places*.

This academic novel about travelling teachers of

literature was the first part of a trilogy together

with *Small World* and *Nice Work*. All three of them were pioneering for modern fiction of the 20th century. For *Changing Places* David Lodge won the Hawthornden Prize and the Yorkshire Post Fiction Prize. *Small World*, as well as *Nice Work*, were shortlisted for the Booker Prize and *Nice Work* was Sunday Express Book of the year and actually adapted for Television. All three of them showed the academic world in a new light. After World War II more people from middle class went to Universities and the competition between the Universities as well as the scholars became harder. Travelling around the world from conference to conference was on the day's schedule of every scholar. David Lodge used this milieu and mixed it with humour and sarcasm and so innovated fiction writing of today. This paper is about David Lodge's *Small World* and its linking to the King Arthur myth especially to the knight Perceval and the Holy Grail. The connection between the novel and the legend results from David Lodge's knowledge of both, the academic world and the medieval literature. He mixed them so to create a modern version of Perceval's quest for the Holy Grail.

Lucky Jim - Kingsley Amis 2012-10-02

A hilarious satire about college life and high class manners, this is a classic of postwar English literature. Regarded by many as the finest, and funniest, comic novel of the twentieth century, *Lucky Jim* remains as trenchant, withering, and

eloquently misanthropic as when it first scandalized readers in 1954. This is the story of Jim Dixon, a hapless lecturer in medieval history at a provincial university who knows better than most that "there was no end to the ways in which nice things are nicer than nasty ones." Amis's scabrous debut leads the reader through a gallery of emphatically English bores, cranks, frauds, and neurotics, with each of whom Dixon must contend in one way or another in order to hold on to his cushy academic perch and win the girl of his fancy. More than just a merciless satire of cloistered college life and stuffy post-war manners, *Lucky Jim* is an attack on the forces of boredom, whatever form they may take, and a work of art that at once distills and extends an entire tradition of English comic writing, from Fielding and Dickens through Wodehouse and Waugh. As Christopher Hitchens has written, "if you can picture Bertie or Jeeves being capable of actual malice, and simultaneously imagine Evelyn Waugh forgetting about original sin, you have the combination of innocence and experience that makes this short romp so imperishable."

A Man of Parts - David Lodge 2011-09-15

A riveting novel about the remarkable life—and many loves—of author H. G. Wells. H. G. Wells, author of *The Time Machine* and *War of the Worlds*, was one of the twentieth century's most prophetic and creative writers, a man who immersed himself in socialist politics and free

love, whose meteoric rise to fame brought him into contact with the most important literary, intellectual, and political figures of his time, but who in later years felt increasingly ignored and disillusioned in his own utopian visions. Novelist and critic David Lodge has taken the compelling true story of Wells's life and transformed it into a witty and deeply moving narrative about a fascinating yet flawed man. Wells had sexual relations with innumerable women in his lifetime, but in 1944, as he finds himself dying, he returns to the memories of a select group of wives and mistresses, including the brilliant young student Amber Reeves and the gifted writer Rebecca West. As he reviews his professional, political, and romantic successes and failures, it is through his memories of these women that he comes to understand himself. Eloquent, sexy, and tender, the novel is an artfully composed portrait of Wells's astonishing life, with vivid glimpses of its turbulent historical background, by one of England's most respected and popular writers.

Writer's Luck - David Lodge 2018-01-11

'A wonderfully candid and insightful account of a writer's life' William Boyd Luck, good or bad, plays an important part in a writer's career. In 1976 Lodge was pursuing a 'twin-track career' as novelist and academic but the balancing act was increasingly difficult, and he became a full-time writer just before he published his bestselling novel *Nice Work*. Readers of Lodge's novels will

be fascinated by the insights this book gives – not only into his professional career but also more personal experience, such as his growing scepticism of his Catholic religion and the challenges of parenting. Anyone who is interested in learning about the creative process and about the life of a writer will find *Writer's Luck* a candid and entertaining guide.

Home Truths: a Novella - David Lodge 2012-03-31

Adrian Ludlow, a novelist with a distinguished reputation and a book on the 'A' level syllabus, is now seeking obscurity in a cottage beneath the Gatwick flight path. His university friend Sam Sharp, who has become a successful screen writer, drops in on the way to Los Angeles, fuming over a vicious profile of himself by Fanny Tarrant, one of the new breed of Rottweiler interviews, in a Sunday newspaper. Together they decide to take revenge on the interviewer, though Adrian is risking what he values most: his privacy. David Lodge's dazzling novella examines with wit and insight the contemporary culture of celebrity and the conflict between the solitary activity of writing and the demands of the media circus. 'Sharp, intelligent, surprising and fun' THE TIMES.

Thinks... - David Lodge 2012-03-31

Ralph Messenger is a man who knows what he wants and generally gets it. Approaching his fiftieth birthday, he has good reason to feel pleased with himself. As Director of the

prestigious Holt Belling Centre for Cognitive Science at the University of Gloucester he is much in demand as a pundit on developments in artificial intelligence and the study of human consciousness - 'the last frontier of scientific enquiry'. He enjoys an affluent life style subsidised by the wealth of his American wife, Carrie. Known to colleagues on the conference circuit as a womaniser and to Private Eye as a 'Media Dong', he has reached a tacit understanding with Carrie to refrain from philandering in his own back yard. This resolution is already weakening when he meets and is attracted to Helen Reed, a distinguished novelist still grieving for the sudden death of her husband more than a year ago, who has rented out her London house and taken up a post as writer-in residence at Gloucester University, partly to try and get over her bereavement. Fascinated and challenged by a personality and a world-view radically at odds with her own, Helen is aroused by Ralph's bold advances, but resists on moral principle. The stand-off between them is shattered by a series of events and discoveries that dramatically confirm the truth of Ralph's dictum, 'We can never know for certain what another person is thinking.'

The Novelist at the Crossroads - David Lodge 1986

The British Museum Is Falling Down - David Lodge 2012-07-31

The British Museum is Falling Down is a brilliant comic satire of academia, religion and human entanglements. First published in 1965, it tells the story of hapless, scooter-riding young research student Adam Appleby, who is trying to write his thesis but is constantly distracted - not least by the fact that, as Catholics in the 1960s, he and his wife must rely on 'Vatican roulette' to avoid a

fourth child.

A Tale of Two Demon Slayers - Angie Fox

2013-01-15

Last month, I was a single preschool teacher whose greatest thrill consisted of color-coding my lesson plans. That was before I learned I was a slayer. Now, it's up to me to face curse-hurling imps, vengeful demons, and any other supernatural uglies that crop up. And to top it off, a hunk of a shape-shifting griffin has invited me to Greece to meet his family. But it's not all sun, sand, and ouzo. Someone has created a dark-magic version of me with my powers and my knowledge—and it wants to kill me and everyone I know. Of course, this evil twin doesn't have Grandma's gang of biker witches, a talking Jack Russell terrier, or an eccentric necromancer on its side. In the ultimate showdown for survival, may the best demon slayer win.

Author, Author - David Lodge 2012-02-29

In David Lodge's last novel, *Thinks...* the novelist Henry James was invisibly present in quotation and allusion. In *Author, Author* he is centre stage, sometimes literally. The story begins in December 1915, with the dying author surrounded by his relatives and servants, most of whom have private anxieties of their own, then loops back to the 1880s, to chart the course of Henry's 'middle years', focusing particularly on his friendship with the genial Punch artist and illustrator, George Du Maurier, and his intimate but chaste relationship

with the American writer Constance Fenimore Woolson. By the end of the decade Henry is seriously worried by the failure of his books to 'sell', and decides to try and achieve fame and fortune as a playwright, at the same time that George Du Maurier, whose sight is failing, diversifies into writing novels. The consequences, for both men, are surprising, ironic, comic and tragic by turns, reaching a climax in the years 1894-5. As Du Maurier's *Trilby*, to the bewilderment of its author himself, becomes the bestseller of the century, Henry anxiously awaits the first night of his make-or-break play, *Guy Domville* ... Thronged with vividly drawn characters, some of them with famous names, others recovered from obscurity, *Author, Author* presents a fascinating panorama of literary and theatrical life in late Victorian England, which in many ways foreshadowed today's cultural mix of art, commerce and publicity. But it is essentially a novel about authorship - about the obsessions, hopes, dreams, triumphs and disappointments, of those who live by the pen - with, at its centre, an exquisite characterisation of one writer, rendered with remarkable empathy.

Changing Places - David Lodge 1975

The plate-glass, concrete jungle of Euphoria State University, USA, and the damp red-brick University of Rummidge have an annual exchange scheme. Normally the exchange passes without comment. But when Philip

Swallow swaps with Professor Zapp the fates play a hand.

Representation of Women's Rights issues in

David Lodge's "Changing Places" - 2022-09-01

Seminar paper in the subject English Language and Literature Studies - Literature, Dresden

Technical University, language: English, abstract:

This term paper deals with the topic of Women's Rights in the 1960s in Britain and the United States by especially examining abortion rights issues. The statements used in this term paper are supported by the novel "Changing Places" by the English author and literary critic David Lodge. The Abortion Act of 1967 in Britain was a central occasion in the Women's Liberation Movement, as women were now free to choose between keeping a child or aborting it, even though an abortion required certain reasons. But this was not the only change in the Women's Liberation Movement. Women started to get more rights in keeping a part of the money their husbands gave them. Women furthermore started to get involved in politics, since the first female Secretary of State in Britain was appointed in 1968 and the youngest female Minister-President in 1969. But there was still inequality in payment, job opportunities, and the educational system. Discrimination on the basis of sex was no rarity, and women had to fight for equal treatment.

How Far Can You Go? - David Lodge 1980

"Polly, Dennis, Angela, Adrian and the rest are

bound to lose their spiritual innocence as well as their virginites on the journey between university in the 1950s and the marriages, families, careers and deaths that follow. On the one hand there's Sex and then the Pill, on the other there is the traditional Catholic Church. In this razor-sharp novel, David Lodge exposes the pressures that assailed Catholics everywhere within a more permissive society, and voices their eternal question: how far can you go?" -- Provided by publisher.

The Picturegoers - David Lodge 2016-02-25

The Palladium, Brickley, is the haunting setting for this novel. Here is a seedy Saturday night venue which attracts people searching for something new in their lives. Mark, Clare and Father Kipling are just three of the characters featured.

[The Year of Henry James](#) - David Lodge

2012-02-29

In 2004, Henry James featured as a character in no less than three novels - David Lodge's *Author, Author* was one of them. With insightful and amusing candour, here he traces the history of his book from conception to publication, pondering the mystery - and indeed the anguish - of so many novels about James appearing at the same time. Lodge's reflections on his own creative practice are accompanied by studies of the genesis, composition and reception of key works by James himself, as well as other

novelists from George Eliot to Vladimir Nabokov, and J.M. Coetzee to Graham Greene.

The Campus Trilogy - David Lodge 2011-10-04

"A trio of dazzling novels in a comic mode that the author has now made completely his own...a cause for celebration." -The New York Times Book Review David Lodge's three delightfully sophisticated campus novels, now gathered together in one volume, expose the world of academia at its best-and its worst. In *Changing Places*, we meet Philip Swallow, British lecturer in English at the University of Rummidge, and the flamboyant American Morris Zapp of Euphoric State University, who participate in a professorial exchange program at the close of the tumultuous sixties. Ten years later in *Small World*, older but not noticeably wiser, they are let loose on the international conference circuit-along with a memorable and somewhat oversexed cast of dozens. And in *Nice Work*, the leftist feminist Dr. Robyn Penrose at Rummidge University is assigned to shadow the director of a local engineering firm, sparking a collision of ideologies and lifestyles that seems unlikely to foster anything other than mutual antipathy.

Varying Degrees of Success - David Lodge 2022-10-25

In a career spanning six decades, David Lodge has been one of Britain's best-loved and most versatile writers. With *Varying Degrees of Success* he completes a trilogy of memoirs which

describe his life from birth in 1935 to the present day, and together form a remarkable autobiography. His aim is to describe honestly and in some detail the highs and lows of being a professional creative writer in several different genres: prose fiction, literary criticism, plays for live theatre and screenplays for film and television. Few writers have excelled in so many different forms of the written word. Lodge's creativity, and his wonderful sense of humour, have made his work popular in translation in numerous countries, and his extensive travels around the world are recorded here. Each of the three memoirs has its own thematic focus. In this latest one it is on the hope and desire of writers to make a significant and positive impression on their readers and audiences. The elation of success, and the depression that follows disappointment, are familiar emotions to most writers in varying degrees. David Lodge describes these feelings with rare candour. *Varying Degrees of Success* provides the reader with a privileged insight into the working practices and the creative life of a major British novelist.

Changing Places - David Lodge 1979-10-25

Euphoric State University with its whitestone, sun-drenched campus and England's damp red-brick University of Rummidge have an annual professorial exchange scheme, and as the first day of the last year of the tumultuous sixties dawns, Philip Swallow and Morris Zapp are the

designated exchangees. They know they'll be swapping class rosters, but what they don't know is that in a wildly spiraling transatlantic involvement they'll soon be swapping students, colleagues, and even wives. *Changing Places* is a hilarious send-up of academic life, intellectual fashion, sex, and marriage by a writer Anthony Burgess has called "one of the best novelists of his generation."

Therapy - David Lodge 2012-02-29

A successful sitcom writer with plenty of money, a stable marriage, a platonic mistress and a flash car, Laurence 'Tubby' Passmore has more reason than most to be happy. Yet neither physiotherapy nor aromatherapy, cognitive-behaviour therapy or acupuncture can cure his puzzling knee pain or his equally inexplicable mid-life angst. As Tubby's life fragments under the weight of his self-obsession, he embarks - via Kierkegaard, strange beds from Rummidge to Tenerife to Beverly Hills,

a fit of literary integrity and memories of his 1950s South London boyhood - on a picaresque quest for his lost contentment.

Textuality as Striptease - Bárbara Arizti 2002

The book analyses how David Lodge's *Changing Places* and *Small World* relate to the sphere of the intimate in the decades in which they were written, published and read. The analysis of the novels is preceded by an approach to Lodge's work and a theoretical section which looks at the concept of intimacy, the evolution of intimate practices in the sixties, seventies and eighties and the connections between intimacy and literary genre. This leads on to a study of *Changing Places* and *Small World* in their intimate contexts and an exploration of their links with the genres of comedy and romance. The author uncovers significant ideological differences between the two novels, which have often been lumped together by the critics.
