**Marie Antoinette** - Antonia Fraser 2002-11-12

France's iconic queen, Marie Antoinette, wrongly accused of uttering the infamous "Let them eat cake," was alternately revered and reviled during her lifetime. For centuries since, she has been the object of debate, speculation, and the fascination so often accorded illustrious figures in history. Married in mere girlhood, this essentially lighthearted child was thrust onto the royal stage and commanded by circumstance to play a significant role in European history.

Antonia Fraser's lavish and engaging portrait excites compassion and regard for all aspects of the queen, immersing the reader not only in the coming-of-age of a graceful woman, but in the culture of an unparalleled time and place.

**The Diary of Karl Süssheim (1878-1947)** - Karl Süssheim 2002

The orientalist Karl Süssheim kept his Diary in Turkish - and later in Arabic - from his early years in the Ottoman Empire through the Young Turk Revolution of 1908 and after his return to Germany, through war, revolution, and the horrors of Nazi rule. This book presents selected episodes in translation from the surviving parts of Süssheim's Diary, covering the years 1908 to 1940. In its detached style it allows the reader a remarkable insight into Süssheim's family surroundings, his academic career at Munich University, and the eventful times he lived through. Flemming and Schmidt aim at providing at once an intimate impression of, and a monument to, one of the great diarists of the last century. To illuminate the issues for a broad range of readers, the selected texts from the Diary are situated against the background of contemporary events and fully annotated. "Erst die kommentierte Übersetzung der Tagebücher gibt Süssheim sein Leben zurück, macht aus dem Vergessenen und Unbekannten einen an allem interessierten Menschen im Wirbel des dramatischen Geschehens der ersten Hälfte des zwanzigsten Jahrhunderts [ ] in diesem Buch entsteht ein Leben, das den Leser in den Bann zieht. Es ist die Lebensgeschichte eines genialen Autodidakten, der durch seine bedingungslose Liebe zum Orient zu einem Außenseiter wurde." FAZ "Flemming and Schmidt have done a remarkable job and the resulting work presents a valuable historical source. Jahrbuch fuer Europäische Geschichte "There is more, much more, in this impeccably researched and translated work than can be mentioned in the space of a short review." Journal of the Royal Asiatic Society.

Ourika - 2014-08-01

John Fowles presents a remarkable translation of a nineteenth-century work that provided the seed for his acclaimed novel *The French Lieutenant's Woman* and that will astonish and haunt modern readers. Based on a true story, Claire de Duras's *Ourika* relates the experiences of a Senegalese girl who is rescued from slavery and raised by an aristocratic French family during the time of the French Revolution. Brought up in a household of learning and privilege, she is unaware of her difference until she overhears a conversation that suddenly makes her conscious of her race--and of the prejudice it arouses. From this point on, *Ourika* lives her life not as a French woman but as a black woman who feels "cut off from the entire human race." As the Reign of Terror threatens her and her adoptive family, *Ourika* struggles with her unusual position as an educated African woman in eighteenth-century Europe. A best-seller in the 1820s, *Ourika* captured the attention of Duras's peers, including Stendhal, and became the subject of four contemporary plays. The work represents a number of firsts: the first novel set in Europe to have a black heroine; the first French literary work narrated by a black female protagonist; and, as Fowles points out in the foreword to his translation, "the first serious attempt by a white novelist to enter a black mind."

**Promise at Dawn** - Romain Gary 2017-10-31

A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. *Promise at Dawn* begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland “born out of a mother's murmur into a child's ear, a promise whispered at dawn of future triumphs and greatness, of justice and love.”

**In the City of Gold and Silver** - Kenize Mourad 2014

Here is the long-forgotten story of Begum Hazrat Mahal, queen of Awadh and the soul of the Indian revolt against the British, brought to vivid life by a writer whose own story reads like a novel. Begum was an orphan and a poetess who captured the attentions of King Waiid Ali Shah of Awadh and became his fourth wife. As his wife, she incited and led a popular uprising that would eventually prove to be the first step toward Indian independence. Begum was the very incarnation of resistance: as chief of the army and the government in Lucknow, she fought battles on the field for two years; she was a freedom fighter, a misunderstood mother, and an illicit lover. A remarkable woman who risked everything only to face the greatest betrayal of all. Begum is a fitting subject for Keniz Mourad, whose mother was a Turkish princess and father an Indian Raj. When Mourad's mother moved to Paris in the company of a eunuch and died shortly after, the eunuch entrusted the child to the care of Catholic nuns. The nuns hid Mourad from her father, not wanting the child to be raised Muslim. Mourad only discovered her true identity and her parents' tragic fate in her twenties. Her story is the subject of an autobiographical novel, *Regards from the Dead Princess*, to be published by Europa in 2015.

For Ashlar knows this powerful clan is intimately linked to the heritage of the Taltos. In a swirling universe filled with death and life, corruption and innocence, this mesmerizing novel takes us on a wondrous journey back through the centuries to a civilization half-human, of wholly mysterious origin, at odds with mortality and immortality, justice and guilt. It is an enchanted, hypnotic world that could only come from the imagination of Anne Rice . . . Praise for *Taltos* “*Taltos* is the third book in a series known as the lives of the Mayfair witches. . . Their haunted heritage has brought the family great wealth, which is exercised from a New Orleans manse with Southern gentility; but of course such power cannot escape notice . . . or challenge . . . Rice is a formidable talent. . . [*Taltos*] is a curious amalgam of

gothic, glamour fiction, alternate history, and high soap opera.”—The Washington Post Book World “Anne Rice will live on through the ages of literature.”—San Francisco Chronicle “An intricate, stunning imagination.”—Los Angeles Times Book Review “Spellbinding . . . mythical . . . Anne Rice is a pure storyteller.”—Cosmopolitan “Beautifully written.”—Kirkus Reviews (starred review) “Her power of invention seems boundless. . . . She has made a masterpiece of the morbid, worthy of Poe’s daughter. . . . It is hard to praise sufficiently the originality of Miss Rice.”—The Wall Street Journal

**Le parfum de notre terre** - Kenizé MOURAD 2011-11-17

Kenizé Mourad donne la parole aux victimes du conflit Israëlo-palestinien, et nous replonge au cœur de la vérité de ce drame... Kenizé Mourad, auteur de *De la part de la princesse morte*, a travaillé pendant quinze ans comme reporter spécialisé dans les affaires du Moyen-Orient et du sous-continent indien. C'est avec son expérience de journaliste et sa sensibilité de romancière qu'elle aborde aujourd'hui le drame vécu par Israéliens et Palestiniens. Évitant les analyses politiques et les généralités dont nous sommes submergés, ce livre décrit et laisse s'exprimer des hommes et des femmes des deux camps. Jérusalem bien sûr, mais aussi Jénine, Gaza, ou les implantations de colons... Kenizé Mourad est allée à la rencontre de tous. C'est leur histoire qu'elle nous raconte, mais aussi celle de leur famille, car il est impossible de mesurer ce qui se passe aujourd'hui sans remonter le fil des tragédies vécues par les générations successives. Palestiniens, Arabes israéliens, Juifs... Il y a Oript, dont la sœur a été tuée dans un attentat et qui n'arrive plus à vivre ; Itaï, l'officier israélien, objecteur de conscience ; Naomi, qui chaque jour craint pour la vie de son fils, tout jeune soldat; Mohammed, l'imam emprisonné et torturé ; ou encore Leïla, qui voit son plus jeune fils prendre le chemin de l'aîné, tué pendant l'Intifada et dont il porte le prénom... En retraçant leur vie, et celle de leurs parents, rescapés des camps de la mort, ou chassés de leurs villages de Palestine et parqués dans des camps de réfugiés, Kenizé Mourad nous fait comprendre leurs besoins, leurs angoisses, et leurs façons d'appréhender le présent.
