[Fluent in 3 Months](#) - Benny Lewis 2014-03-11

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, *Fluent In 3 Months*. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages.

Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

[Listen Like You Mean It](#) - Ximena Vengoechea 2021-03-30

"Full of revealing, instantly applicable ideas for leveraging your strengths and overcoming your weaknesses." —Adam Grant, author of *Think Again* and *Originals*, and host of the TED podcast *WorkLife* For many of us, listening is simply something we do on autopilot. We hear just enough of what others say to get our work done, maintain friendships, and be polite with our neighbors. But we miss crucial opportunities to go deeper—to give and receive honest feedback, to make connections that will endure for the long haul, and to discover who people truly are at their core. Fortunately, listening can be improved—and Ximena Vengoechea can show you how. In *Listen Like You Mean It*, she offers an essential listening guide for our times, revealing tried-and-true strategies honed in her own research sessions and drawn from interviews with marriage counselors, podcast hosts, life coaches, journalists, filmmakers, and other listening experts. Through Vengoechea's set of scripts, key questions, exercises, and illustrations, you'll learn to:

- Quickly build rapport with strangers
- Ask the right questions to deepen a conversation
- Pause at the right time to encourage vulnerability
- Navigate a conversation that's gone off the rails

Now more than ever, we need to feel heard, connected, and understood in a world that keeps turning up the volume. Warm, funny, and immensely practical, this book shows you how.

Common European Framework of Reference for Languages: Learning, Teaching,

assessment - Council of Europe 2020-05-05

The CEFR Companion volume broadens the scope of language education. It reflects academic and societal developments since the publication of the Common European Framework of Reference for Languages (CEFR) and updates the 2001 version. It owes much to the contributions of members of the language teaching profession across Europe and beyond. This volume contains:

- an explanation of the key aspects of the CEFR for teaching and learning;
- a complete set of updated CEFR descriptors that replaces the 2001 set with: - modality-inclusive and gender-neutral descriptors; - added detail on listening and reading; - a new Pre-A1 level, plus enriched description at A1 and C levels; - a replacement scale for phonological competence; - new scales for mediation, online interaction and plurilingual/pluricultural competence; - new scales for sign language competence;
- a short report on the four-year development, validation and consultation processes. The CEFR Companion volume represents another step in a process of engagement with language education that has been pursued by the Council of Europe since 1971 and which seeks to: ► promote and support the learning and teaching of modern languages; ► enhance intercultural dialogue, and thus mutual understanding, social cohesion and democracy; ► protect linguistic and cultural diversity in Europe; and ► promote the right to quality education for all.

Second Language Pronunciation Assessment - Talia Isaacs 2016-12-22

This book is open access under a CC BY licence. It spans the areas of assessment, second language acquisition (SLA) and pronunciation and examines topical issues and challenges that relate to formal and informal assessments of second language (L2) speech in classroom, research and real-world contexts. It showcases insights from assessing other skills (e.g. listening and writing) and highlights perspectives from research in speech sciences, SLA, psycholinguistics and sociolinguistics, including lingua franca communication, with concrete implications for pronunciation assessment. This collection will help to establish commonalities across research areas and facilitate greater consensus about key issues, terminology and best practice in L2 pronunciation research and assessment. Due to its interdisciplinary nature,

this book will appeal to a mixed audience of researchers, graduate students, teacher-educators and exam board staff with varying levels of expertise in pronunciation and assessment and wide-ranging interests in applied linguistics.

[A Political Practice of Occupational Therapy E-Book](#) - Nick Pollard 2008-09-02

This challenging and innovative book explores the political aspects of occupational therapy. It looks at how practitioners may develop political awareness in order to aid community development. *A Political Practice of Occupational Therapy* is about maximizing the potential impact of occupational therapists' engagements and ensuring the profession is working towards the construction of a civic society. It is supported by twelve chapters of practice examples from the UK, US, Georgia and Australia, as well as a history of the profession as an agency for social change. It asks: How is it possible to introduce the political into a profession that is linked to health and social care? What form could political practice take, and how could the political components of practice be analyzed and evaluated? It includes significant theoretical chapters on gender, class and sexuality, challenges to holism, occupational literacy, and a discussion of political competence. This book will be of particular use for students exploring community and emerging role settings, client centred practice, occupational and social justice and the theoretical base of the profession. From an editorial team that is widely recognized for their challenges to traditional thought and practice in occupational therapy, this book will be of value not just to occupational therapists but also those employed in health profession management and development, and community based rehabilitation.
