Faith Beyond Reason - A. W. Tozer
2009-11-18

Faith Beyond Reason, a book by A.W. Tozer, is a compilation of sermons on the book of John. It is within this series of sermons that you will find A.W. Tozer addressing the whole truth that all things are possible with God. Tozer takes us in Faith Beyond Reason to a new understanding of our spiritual birth and human conscience and addresses our enlightened spirit, inner knowledge and the resurrection. IT is these truths that sustain us in our Christian walk. Faith Beyond Reason comes to us with insights of faith and Tozer takes an in depth look and what it stands on. In Tozer's typical fashion and style, he explores the things that are beyond or frail human understanding. Faith Beyond Reason will leave you with a new and empowering sense of the faith while subtly revealing the power of God in our lives. The question every Christian must ask as they prepare to walk with God is, do they really believe that the God they worship will move heaven and earth for them if they truly trust in Him? The whole premise of this book is that with God nothing is impossible especially when it comes to His children. We must act with faith and do what is needed.

The Bible Unearthed - Israel Finkelstein
2002-03-06

In this groundbreaking work that sets apart fact and legend, authors Finkelstein and Silberman use significant archeological discoveries to provide historical information about biblical Israel and its neighbors. In this

iconoclastic and provocative work, leading scholars Israel Finkelstein and Neil Asher Silberman draw on recent archaeological research to present a dramatically revised portrait of ancient Israel and its neighbors. They argue that crucial evidence (or a telling lack of evidence) at digs in Israel, Egypt, Jordan, and Lebanon suggests that many of the most famous stories in the Bible—the wanderings of the patriarchs, the Exodus from Egypt, Joshua's conquest of Canaan, and David and Solomon's vast empire—reflect the world of the later authors rather than actual historical facts. Challenging the fundamentalist readings of the scriptures and marshaling the latest archaeological evidence to support its new vision of ancient Israel, *The Bible Unearthed* offers a fascinating and controversial perspective on when and why the Bible was written and why it possesses such great spiritual and emotional power today.

Between Two Worlds - John Stott
2017-07-20

"Preaching is indispensable to Christianity." World-renowned preacher John Stott opens this book with those five bold words. He maintains, further, that "nothing is better calculated to restore health and vitality to the church than a recovery of true, biblical, contemporary preaching." Stott was aiming to foster such a recovery when he wrote *Between Two Worlds*, which has become a modern evangelical classic. The genius of this book is the way it synthesizes and distills Stott's wealth of wisdom on

preaching, focusing not so much on technical matters but more on theological foundations and on necessary personal characteristics of the preacher—sincerity, earnestness, courage, and humility. Preachers old and new will continue to find much to chew on in these pages.

The tribulations they faced The blessings they received The Pentecostal movement that followed What God will do when desperate souls cry out for more of Him Azusa Street is not a long-forgotten story from thousands of years ago. "He who believes in Me, the works that I do he will do also; and greater works than these he will do, because I go to My Father." —John 14:12

All Of Grace - C .H. Spurgeon 2010-06-01
C. H. Spurgeon writes, "Only God can justify the ungodly, but He can do it to perfection. He casts our sins behind His back; He blots them out. He says that though they be sought for, they shall not be found." In an age of limited travel and isolated nations, C.H. Spurgeon preached to over 10,000,000 people in person—sometimes up to 10 times per week. It is in this classic work that Spurgeon most clearly present the message of salvation—man's ultimate need and God's unique provision—both simply and sincerely, for honest seekers and zealous witnesses alike.

Surprised by the Power of the Spirit - Zondervan, 2010-08-10

What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today? What convinced someone skeptical about miracles that God still speaks and heals? A dramatic change took place in Jack Deere's life when he took a fresh look at the Scriptures. He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible. As soon as Deere became a seeker instead of a skeptic, the Holy Spirit revealed himself in new and surprising ways. In *Surprised by the Power of the Spirit*, Jack Deere provides a strong biblical defense for the Spirit's speaking and healing ministries today. He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way. Finally, he gives sound advice for using spiritual gifts in the church. Written in popular style-with the care of a scholar but the passion of personal experience-this book is a vital resource for people on both sides of the debate about miraculous gifts.

Daring Greatly - Brené Brown 2013-01-17
Researcher and thought leader Dr. Brené Brown offers a powerful new vision in *Daring Greatly* that encourages us to embrace vulnerability and imperfection, to live wholeheartedly and courageously. 'It is not the critic who counts; not the man who

points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly' -Theodore Roosevelt

Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. Challenging everything we think we know about vulnerability, Dr. Brené Brown dispels the widely accepted myth that it's a weakness. She argues that vulnerability is in fact a strength, and when we shut ourselves off from revealing our true selves we grow distanced from the things that bring purpose and meaning to our lives. Daring Greatly is the culmination of 12 years of groundbreaking social research, across the home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring greatly.

'Brilliantly insightful. I can't stop thinking about this book' -Gretchen Rubin

Brené Brown, Ph.D., LMSW is a #1 New York Times bestselling author and a research professor at the University of Houston Graduate College of Social Work. Her groundbreaking work was featured on Oprah Winfrey's Super Soul Sunday, NPR, and CNN. Her TED talk is one of the most watched TED talks of all time. Brené is also the author of The Gifts of Imperfection and I Thought It Was Just Me (but it isn't).

Nehemiah - Cyril J. Barber 2011-10-01

Nehemiah, God has given us principles of leadership which work as effectively in today's dynamic business world as they did centuries ago. Cyril Barber brings out these biblical principles in a clear and effective way, and he applies them to our contemporary world. Once again, Dr. Stanley has brought clear focus to a timely issue. *Success God's Way* challenges readers to reexamine whether or not they are sacrificing genuine, lasting success on the altar of a worldly, temporary counterfeit and therefore settling for a lot less than what God wants to give them." ?Anne Graham Lotz, International Bible Teacher and Bestselling Author "In an age when our thinking is skewed, our zeal is waning, and our desire for excellence is deadened by apathetic self-centeredness, this book presents many biblical insights that challenge us to hear God's Word to Joshua to meditate on God's Word and be strong and courageous so we can have success." ?Kay Arthur, Precept Ministries International

Expository Exultation - John Piper
2018-04-16

"God has appointed preaching in worship as one great means of accomplishing his ultimate goal in the world." —John Piper
John Piper makes a compelling claim in

these pages about the purpose of preaching: it is intended not merely as an explanation of the text but also as a means of awakening worship by being worship in and of itself. Christian preaching is a God-appointed miracle aiming to awaken the supernatural seeing, savoring, and showing of the glory of Christ. Distilling over forty years of experience in preaching and teaching, Piper shows preachers how and what to communicate from God's Word, so that God's purpose on earth will advance through Bible-saturated, Christ-exalting, God-centered preaching—in other words, expository exultation.

2014-09-16

Thus Spake Zarathustra - Friedrich Wilhelm Nietzsche 2003

"Zarathustra" was Nietzsche's masterpiece, the first comprehensive statement of his mature philosophy, and the introduction of his influential and well-known (and misunderstood) ideas including the "overman" or "superman" and the "will to power." It is also the source of Nietzsche's famous (and much misconstrued) statement that "God is dead." This classic was due for an update and overhaul. A considerable part of Nietzsche's genius is his ability to make his language dance, and this is what becomes extraordinarily difficult to translate. Aphorist and punster Thomas Wayne puts the play back into this work.

Sinners in the Hands of an Angry God - Jonathan Edwards 2019-08-15

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon’s conclusion. Edwards puts it this way, “And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners.” While those who would rather ignore God’s justice in favor of His mercy condemn Edwards and his sermon, those who were

present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, “Before the sermon was done there was a great moaning and crying through the whole House, ‘what shall I do to be saved; oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

The Glories of Mary - Saint Alfonso Maria de' Liguori 1868

Biblical Preaching for Today's World - Lloyd Perry 1990-03-08

"Biblical preaching has not outgrown its usefulness. The methods may vary, but the message remains the same. God's challenge and call to the preacher still come through loud and clear: 'Preach the Word.'" Lloyd M. Perry's *Biblical Preaching for Today's World* has been helping pastors and speakers preach the Word since 1973. Although the principles Perry originally established are timeless, the needs and concerns of audiences are always changing. Historical references throughout each chapter will also help preachers learn from yesterday's teachers

and styles. Biblical Preaching for Today's World continues to offer sound, time-tested principles for preaching, regardless of the preacher's style. Filled with helpful suggestions, annotated outlines, and solid documentation, it is invaluable reading for all who aspire to preach the Word.

Bradshaw, Jr., Former Dean, Dale Carnegie Institute of Effective Speaking & Human Relations "I have read almost every book that has ever been written on salesmanship, but I think Og Mandino has captured all of them in *The Greatest Salesman in the World*. No one who follows these principles will ever fail as a salesman, and no one will ever be truly great without them; but, the author has done more than present the principles—he has woven them into the fabric of one of the most fascinating stories I have ever read."—Paul J. Meyer, President of Success Motivation Institute, Inc. "I was overwhelmed by *The Greatest Salesman in the World*. It is, without doubt, the greatest and the most touching story I have ever read. It is so good that there are two musts that I would attach to it: First, you must not lay it down until you have finished it; and secondly, every individual who sells anything, and that includes us all, must read it."—Robert B. Hensley, President, Life Insurance Co. of Kentucky

Radical - David Platt 2010-05-04

New York Times bestseller *What is Jesus worth to you?* It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his

disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring. Gospel Workers - Ellen G. White 2005

Our High Calling - Ellen Gould Harmon White 2000

The Count of Monte Cristo - Alexandre Dumas 1926

On the 24th of February, 1815, the look-out at Notre-Dame de la Garde signalled the three-master, the Pharaon from Smyrna, Trieste, and Naples. As usual, a pilot put off immediately, and rounding the Chateau d'If, got on board the vessel between Cape Morgion and Rion island. Immediately, and according to custom, the ramparts of Fort Saint-Jean were covered with spectators; it is always an event at Marseilles for a ship to come into port, especially when this ship, like the Pharaon, has been built, rigged, and laden at the old Phocée docks, and belongs to an owner of the city. The ship drew on and had safely passed the strait, which some volcanic shock has made between the Calasareigne and Jaros islands; had doubled Pomegue, and approached the harbor under topsails, jib, and spanker, but so slowly and sedately that the idlers, with that instinct which is the forerunner of evil, asked one another what misfortune could have happened on board. However, those experienced in navigation saw plainly that if any accident had occurred, it was not to the vessel herself, for she bore down with all the evidence of being skilfully handled, the anchor a-cockbill, the jib-boom guys already eased off, and standing by the side of the pilot, who was steering the Pharaon towards the narrow entrance of the inner port, was a young man, who, with activity and vigilant eye, watched every motion of the ship, and repeated each

direction of the pilot. The vague disquietude which prevailed among the spectators had so much affected one of the crowd that he did not await the arrival of the vessel in harbor, but jumping into a small skiff, desired to be pulled alongside the Pharaon, which he reached as she rounded into La Reserve basin. When the young man on board saw this person approach, he left his station by the pilot, and, hat in hand, leaned over the ship's bulwarks. He was a fine, tall, slim young fellow of eighteen or twenty, with black eyes, and hair as dark as a raven's wing; and his whole appearance bespoke that calmness and resolution peculiar to men accustomed from their cradle to contend with danger.
