Sirena Selena - Mayra Santos-Febres 2007-04-01

Discovered by Martha Divine in the backstreets of San Juan, picking over garbage, drugged out of his mind and singing boleros that transfix the listener, a fifteen year old hustler is transformed into Sirena Selena, a diva whose uncanny beauty and irrisistable voice will be their ticket to fame and fortune. Auditioning for one of the luxury hotels in the Dominican Republic, Selena casts her spell over Hugo Graubel, one of the hotel's rich investors. Graubel is a powerful man in the Republic, married with children. Silena, determined to escape the poverty and abuse s/he suffered as a child, engages Graubel in a long seduction in this mordant, intensely lyrical tragi-comedy - part masque, part cabaret - about identity (class, race, gender) and "the hunger and desire to be other things."

Danger My Ally - F. A. (Frederick Albert) Mitchell-Hedges 1995

The frontier between 'law' and 'politics' is not always clear-cut. A large area exists where courts operate, but where governments and parliaments also make decisions. Tim Koopmans compares the way American, British, French and German law and politics deal with different issues: in many instances subjects which are highly 'political' in one country constitute legal issues in another. Is there, for example a 'sovereign Parliament' (as there is in Britain), or will courts control the compatibility of statutes with the Constitution (as in the United States and Germany)? How far can courts go in controlling the legality of administrative action? Are there general legal theories about the frontier between what courts and what politics can do? Koopmans considers case law on a range of issues, including human rights protection, federalism, separation of powers, equal protection and the impact of European and international law.

Stray Dogs - Tony Fleecs 2021-09-15

It's scary being the new dog. In this suspenseful new series, readers meet Sophie, a dog who can't remember what happened. She doesn't know how she ended up in this house. She doesn't recognize any of these other dogs. She knows something terrible happened, but she just...can't...recall...Wait! Where's her lady? Now Sophie has to

figure out where she is, what's happening, and how she's going to survive this. They say there's no such thing as a bad dog—just bad owners. STRAY DOGS is a heartbreakingly adorable suspense thriller by My Little Pony comic artists TONY FLEECES and TRISH FORSTNER. It's Lady and the Tramp meets Silence of the Lambs. Collects STRAY DOGS #1-5 Select praise for STRAY DOGS: "What do you get when you crossbreed Silence of the Lambs with All Dogs Go to Heaven? Well, you get STRAY DOGS."—Forbes "It's not something that comes around every day, and if you enjoy trying new twists on classic comics premises, this should be at the top of your list."—ComicBook.com "STRAY DOGS manages to somehow be a convincing collision between 101 Dalmations and CRIMINAL. Noir, charming and a really great take on quasi-real dog psychology."—KIERON GILLEN "A charming, compelling comic with the best kind of sinister center."—Multiversity Comics "May catch your eye with its Disney-like style, but it will grab you with a riveting and shocking story that will keep you coming back for more."—Horror DNA

The Strangled Traveler - Martine van Woerkens 2002-11

British colonists in 1830s India lived in terror of the Thugs. Reputed to be brutal criminals, the Thugs supposedly strangled, beheaded, and robbed thousands of travelers in the goddess Kali's name. The British responded with equally brutal repression of the Thugs and developed a compulsive fascination with tales of their monstrous deeds. Did the Thugs really exist, or did the British invent them as an excuse to seize tighter control of India? Drawing on historical and anthropological accounts, Indian tales and sacred texts, and detailed analyses of the secret Thug language, Martine van Woerkens reveals for the first time the real story of the Thugs. Many different groups of Thugs actually did exist over the centuries, but the monsters the British made of them had much more to do with colonial imaginings of India than with the real Thugs. Tracing these imaginings down to the present, van Woerkens reveals the ongoing roles of the Thugs in fiction and film from Frankenstein to Indiana Jones and the Temple of Doom.

Then They Do - Trace Adkins 2003

"You want the dreams they dreamed of to come true-Then They Do." That line from one of country music's best songs in recent memory pretty much sums up the way millions of parents feel about their children. Many times as they are growing up and driving you crazy, you dream of when they will be out of the house-and you will have your life back again-and then they do. Then They Do is filled with heartwarming, and sometimes tear-inducing, stories from parents about cherishing the moments with your children and celebrating the fine young men and women they have become. This book will serve as a reminder to parents to seize those moments when their tiny ones are still underfoot, and will be a nostalgia-inducing keepsake for those whose children have moved upwards and onwards. A fine gift for parents young and old or for grown children in the midst of raising their own families.

The Lifetimes When Jesus and Buddha Knew Each Other - Gary R. Renard 2017-11-14

Two and a half decades ago, Ascended Master Teachers Arten and Pursah appeared to Gary Renard and held a series of conversations with him that elaborated on the teachings of two spiritual classics, The Gospel of Thomas and A Course in Miracles. Gary immortalized what he learned in the books of his best-selling series: The Disappearance of the Universe, Your Immortal Reality, and Love Has Forgotten No One. This fourth book is a companion to the original trilogy, yet written to stand alone, an invitation for new readers into this fascinating work. This book explores six of the lifetimes in which the incarnations of Jesus and Buddha lived together, beginning in 700 B.C. when they were known as Saka and Hiroji. Arten and Pursah, through the spiritual lessons that Jesus and Buddha learn on their path, clarify the difference between duality and nonduality. When you are able to internalize these lessons, you will be saved countless years in your spiritual development.

Parasite - Bong Joon Ho 2020-05-19

Discover the illustrations that inspired the historic, OSCAR®-winning film's every shot in this graphic novel drawn by Director Bong Joon Ho himself. So metaphorical: With hundreds of mesmerizing illustrations, Parasite: A Graphic Novel in Storyboards is a behind-the-scenes glimpse at the making of one of the best films in years and a brand-new way to experience a global phenomenon. As part of his unique creative process, Director Bong Joon Ho storyboarded each shot of PARASITE prior to the filming of every scene. Accompanied by the film's dialogue, the storyboards he drew capture the story in its entirety and inspired the composition of the film's every frame and scene. Director Bong has also written a foreword and provided early concept drawings and photos from the set, which take the reader even deeper into the vision that gave rise to this stunning cinematic achievement. Director Bong's illustrations share the illuminating power of his writing and directing. The result is a gorgeous, riveting read and a fresh look at the vertiginous delights and surprises of Bong Joon Ho's deeply affecting, genre-defying story.

Nam June Paik - Sook-Kyung Lee 2020-02-04

Explore the ground-breaking work of 20th-century, avant-garde artist Nam June Paik, the pioneer of video art, and discover his impact on the digital age. Nam June Paik was one of the most presciently visionary artists of his generation, one who foresaw the ascendance of the screen in modern life, coined the phrase "electronic superhighway", and celebrated these developments with a humor and whimsy that counteracts some of the darker aspects of our technological age. This book features works from throughout Paik's five-decade career--from robots made

from old TV screens to stills from his innovative video works and views of his renowned room-sized installations. Archival materials and excerpts of Paik's own writings offer a deeper understanding of the artist's extraordinary collaborative career. He had exchanges with avant-garde artists, musicians, and choreographers, including Charlotte Moorman, John Cage, Merce Cunningham, Joseph Beuys, and members of the Fluxus movement. Essays explore how Paik influenced a global network of artists and pioneered a radical and cutting-edge art practice. They also consider how Paik's transnational approach to art presaged today's issues around borders, immigration, cultural appropriation, and nationalism. By envisioning a future that has become a reality, Paik's work--and its humanity, scope, and optimism--is perhaps more important than ever. Published with Tate

Narcoland - Anabel Hernandez 2013-09-10

The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels."

Blood Wedding - Federico Garcia Lorca 2019-10-03

A bride promised. A blood vow broken. The vengeance of a village released. I want you green. Green wind, green branches. Boat on the ocean. Horse on the mountain. Written in the summer of 1932 with the Spanish civil war looming, Lorca's anarchic meditation on the fate of the individual versus society is a prophetic foreshadowing of the violence that would soon tear his beloved country apart and lead to his own tragic end. The mysteries of love and hate are explored against the backdrop of a community gearing up to unleash these elemental forces upon itself, with unstoppable consequences. What is done cannot be undone. Marina Carr's version of Federico García Lorca's Blood Wedding premiered at the Young Vic, London, in September 2019.

Secret Judgments of God - Noble David Cook 2001

In the wake of European expansion, disease outbreaks in the New World caused the greatest loss of life known to history. Post-contact Native American inhabitants succumbed in staggering numbers to maladies such as smallpox, measles, influenza, and typhus, against which they had no immunity. A collection of case studies by historians, geographers, and anthropologists, "Secret Judgments of God" discusses how diseases with Old World origins devastated vulnerable native populations throughout Spanish America. In their preface to the paperback edition, the editors discuss the ongoing, often heated debate about contact population history.

Leonardo da Vinci - Walter Isaacson 2017-10-17

The #1 New York Times bestseller from Walter Isaacson brings Leonardo da Vinci to life in this exciting new biography that is "a study in creativity: how to define it, how to achieve it... Most important, it is a powerful story of an exhilarating mind and life" (The New Yorker). Based on thousands of pages from Leonardo da Vinci's astonishing notebooks and new discoveries about his life and work, Walter Isaacson "deftly reveals an intimate Leonardo" (San Francisco Chronicle) in a narrative that connects his art to his science. He shows how Leonardo's genius was based on skills we can improve in ourselves, such as passionate curiosity, careful observation, and an imagination so playful that it flirted with fantasy. He produced the two most famous paintings in history, The Last Supper and the Mona Lisa. With a passion that sometimes became obsessive, he pursued innovative

studies of anatomy, fossils, birds, the heart, flying machines, botany, geology, and weaponry. He explored the math of optics, showed how light rays strike the cornea, and produced illusions of changing perspectives in The Last Supper. His ability to stand at the crossroads of the humanities and the sciences, made iconic by his drawing of Vitruvian Man, made him history's most creative genius. In the "luminous" (Daily Beast) Leonardo da Vinci, Isaacson describes how Leonardo's delight at combining diverse passions remains the ultimate recipe for creativity. So, too, does his ease at being a bit of a misfit: illegitimate, gay, vegetarian, left-handed, easily distracted, and at times heretical. His life should remind us of the importance to be imaginative and, like talented rebels in any era, to think different. Here, da Vinci "comes to life in all his remarkable brilliance and oddity in Walter Isaacson's ambitious new biography... a vigorous, insightful portrait" (The Washington Post).

The People of the Secret - Ernest Scott 1983

Are biological evolution and human history directed by a hierarchy of Intelligences, the lowest level of which makes physical contact with mankind? Do invisible guardians of this planet "seed" ideas into the earth's cultures to prepare human beings for huge steps in their development? The author suggests not only that it may be so, but that it may also be possible to recognize these "People of the Secret."

Madness and Civilization - Michel Foucault 2013-01-30

Michel Foucault examines the archeology of madness in the West from 1500 to 1800 - from the late Middle Ages, when insanity was still considered part of everyday life and fools and lunatics walked the streets freely, to the time when such people began to be considered a threat, asylums were first built, and walls were erected between the "insane" and the rest of humanity.

The Hollywood Economist 2.0 - Edward Jay Epstein 2012-01-24

A fully revised edition of the popular guide to Hollywood finances, updated to reflect even newer films and trends In a Freakonomics-meets-Hollywood saga, veteran investigative reporter Edward Jay Epstein goes undercover to explore Hollywood's "invisible money machine," probing the dazzlingly complicated finances behind the hits and flops, while he answers a surprisingly difficult question: How do the studios make their money? We also learn: + How and why the studios harvest silver from old film prints ... + Why stars do-or don't do-their own stunts ... + The future of Netflix: Why the "next big thing" now seems in such deep trouble... + What it costs to insure Nicole Kidman's right knee... + How Hollywood manipulates Wall Street: including the story of the acquisition of MGM... wherein a consortium of banks and hedge funds lost some \$5 billion... while Hollywood made millions. + Why Arnold Schwarzenegger is considered a contract genius... + The fate of serious fare: How HBO, AMC, and Showtime have found ways to make money offer adult drama, while the Hollywood studios prefer to cater to teen audiences. + Why Lara Croft: Tomb Raider is considered a "masterpiece" of financing ...
