Designing Corporate Identity - Pat Matson Knapp 2001

How to land, work with & retain large clients from a designer's perspective. Hundreds of images illustrate successful effective branding campaigns.

Logotype - Michael Evamy 2012-09-24

Logotype is the definitive modern collection of logotypes, monograms and other text-based corporate marks. Featuring more than 1,300 international typographic identities, by around 250 design studios, this is an indispensable handbook for every design studio, providing a valuable resource to draw on in branding and corporate identity projects. Logotype is truly international, and features the world's outstanding identity designers. Examples are drawn not just from Western Europe and North America but also Australia, South Africa, the Far East, Israel, Iran, South America and Eastern Europe. Contributing design firms include giants such as Pentagram, Vignelli Associates, Chermayeff & Geismar, Wolff Olins, Landor, Total Identity and Ken Miki & Associates as well as dozens of highly creative, emerging studios. Retaining the striking black-and-white aesthetic and structure of Logo (also by Michael Evamy) and Symbol, Logotype is an important and essential companion volume.

The Brand Mapping Strategy - Karen Leland 2016-06-20

A fundamental paradigm shift has occurred in marketing and branding. Today the most successful CEOs, executives, entrepreneurs and enterprises set their sites on developing a long-term platform instead of a short-term strategy that supports and builds buzz for their personal or business brand. That's really the key to the new business mindset — the recognition that branding and marketing are an ongoing, steady stream of small efforts, not a series of gigantic pushes. Social media, blogging and other business development activities — both online and off — are about the persistent, ongoing process of building a platform, creating credibility and increasing the number of people that you funnel into your potential client and network pipeline. Converting those people into clients or fans may take a month, a year or two years, but the new

mindset leads you to strategies that will keep that pipeline full. In short, you need to start a bunch of small fires to keep your brand burning hot. How can today's CEOs, executives and entrepreneurs keep these fires going and powerfully get their messages across, motivate others to action and be authentic — all while simultaneously shepherding initiatives from creation to implementation in high-demand markets? CEO, executive and team branding are key factors that enable effective leaders to achieve peak performance, gain greater influence in their industries and generate increased engagement within their companies. By creating a brand (business or personal) by design instead of default, leaders and companies bring their brand promise into every interaction across the board. A personal, team or business brand is not just a single statement or a clever quip but a multilayered, congruent narrative told across multiple channels — online and off — within the organization and to the business community at large. The power is in knowing how to tell the story. The book will introduce CEOs and executives in Fortune 500 companies and entrepreneurs in SMBs to the SMG Brand Mapping Process®, a process that will guide them in creating personal, team and business brands that work in harmony and parallel with each other.

Hello, My Name Is Awesome - Alexandra Watkins 2014-09-15

Every year, 6 million companies and more than 100,000 products are launched. They all need an awesome name, but many (such as Xobni, Svbtle, and Doostang) look like the results of a drunken Scrabble game. In this entertaining and engaging book, ace naming consultant Alexandra Watkins explains how anyone—even noncreative types—can create memorable and buzz-worthy brand names. No degree in linguistics required. The heart of the book is Watkins's proven SMILE and SCRATCH Test—two acronyms for what makes or breaks a name. She also provides up-to-date advice, like how to make sure that Siri spells your name correctly and how to nab an available domain name. And you'll see dozens of examples—the good, the bad, and the “so bad she gave them an award.” Alexandra Watkins is not afraid to name names.

Brand Identity Essentials - Kevin Budelmann 2010-10-01

This book is the fourth book in the Essential series following Layout Essentials, Typography Essentials, and Packaging Essentials. It outlines and demonstrates basic logo and branding design guidelines and rules through 100 principles including the elements of a successful graphic identity, identity programs and brand identity, and all the various strategies and elements involved.

Brand Thinking and Other Noble Pursuits - Debbie Millman 2013-05-01

We are now living in a world with over one hundred brands of bottled water. The United States alone is home to over 45,000 shopping malls. And there are more than 19 million customized beverage choices a barista can whip up at your local Starbucks. Whether it's good or bad, the real question is why we behave this way in the first place. Why do we telegraph our affiliations or our beliefs with symbols, signs, and codes? Brand Thinking and Other Noble Pursuits contains twenty interviews with the world's leading designers and thinkers in branding. The interviews contain spirited views on how and why humans have branded the world around us, and the ideas, inventions, and insight inherent in the search.

What Great Brands Do - Denise Lee Yohn 2014-01-07

Discover proven strategies for building powerful, world-class brands It's tempting to believe that brands like Apple, Nike, and Zappos achieved their iconic statuses because of serendipity, an unattainable magic formula, or even the genius of a single visionary leader. However, these companies all adopted specific

approaches and principles that transformed their ordinary brands into industry leaders. In other words, great brands can be built—and Denise Lee Yohn knows exactly how to do it. Delivering a fresh perspective, Yohn's *What Great Brands Do* teaches an innovative brand-as-business strategy that enhances brand identity while boosting profit margins, improving company culture, and creating stronger stakeholder relationships. Drawing from twenty-five years of consulting work with such top brands as Frito-Lay, Sony, Nautica, and Burger King, Yohn explains key principles of her brand-as-business strategy. Reveals the seven key principles that the world's best brands consistently implement Presents case studies that explore the brand building successes and failures of companies of all sizes including IBM, Lululemon, Chipotle Mexican Grill, and other remarkable brands Provides tools and strategies that organizations can start using right away Filled with targeted guidance for CEOs, COOs, entrepreneurs, and other organization leaders, *What Great Brands Do* is an essential blueprint for launching any brand to meteoric heights.

[Logo Design Love](#) - David Airey 2009-12-20

There are a lot of books out there that show collections of logos. But David Airey's "Logo Design Love" is something different: it's a guide for designers (and clients) who want to understand what this mysterious business is all about. Written in reader-friendly, concise language, with a minimum of designer jargon, Airey gives a surprisingly clear explanation of the process, using a wide assortment of real-life examples to support his points. Anyone involved in creating visual identities, or wanting to learn how to go about it, will find this book invaluable. - Tom Geismar, Chermayeff & Geismar In *Logo Design Love*, Irish graphic designer David Airey brings the best parts of his wildly popular blog of the same name to the printed page. Just as in the blog, David fills each page of this simple, modern-looking book with gorgeous logos and real world anecdotes that illustrate best practices for designing brand identity systems that last. David not only shares his experiences working with clients, including sketches and final results of his successful designs, but uses the work of many well-known designers to explain why well-crafted brand identity systems are important, how to create iconic logos, and how to best work with clients to achieve success as a designer. Contributors include Gerard Huerta, who designed the logos for Time magazine and Waldenbooks; Lindon Leader, who created the current FedEx brand identity system as well as the CIGNA logo; and many more. Readers will learn: Why one logo is more effective than another How to create their own iconic designs What sets some designers above the rest Best practices for working with clients 25 practical design tips for creating logos that last

Identity Designed - David Airey 2019-01-01

Ideal for students of design, independent designers, and entrepreneurs who want to expand their understanding of effective design in business, *Identity Designed* is the definitive guide to visual branding. Written by best-selling writer and renowned designer David Airey, *Identity Designed* formalizes the process and the benefits of brand identity design and includes a substantial collection of high-caliber projects from a variety of the world's most talented design studios. You'll see the history and importance of branding, a contemporary assessment of best practices, and how there's always more than one way to exceed client expectations. You'll also learn a range of methods for conducting research, defining strategy, generating ideas, developing touchpoints, implementing style guides, and futureproofing your designs. Each identity case study is followed by a recap of key points. The book includes projects by Lantern, Base, Pharus, OCD, Rice Creative, Foreign Policy, Underline Studio, Fedoriv, Freytag Anderson, Bedow, Robot Food, Together Design, Believe in, Jack Renwick Studio, ico Design, and Lundgren+Lindqvist. *Identity Designed* is a must-have, not only for designers, but also for entrepreneurs who want to improve their work with a greater understanding of how good design is good business.

Designing Brand Identity - Alina Wheeler 2017-10-16

[The Brand Gap, Revised Edition](#) - Marty Neumeier 2005-08-04

THE BRAND GAP is the first book to present a unified theory of brand-building. Whereas most books on branding are weighted toward either a strategic or creative approach, this book shows how both ways of thinking can unite to produce a "charismatic brand"—a brand that customers feel is essential to their lives. In an entertaining two-hour read you'll learn: • the new definition of brand • the five essential disciplines of brand-building • how branding is changing the dynamics of competition • the three most powerful questions to ask about any brand • why collaboration is the key to brand-building • how design determines a

customer's experience • how to test brand concepts quickly and cheaply • the importance of managing brands from the inside • 220-word brand glossary From the back cover: Not since McLuhan's *THE MEDIUM IS THE MESSAGE* has a book compressed so many ideas into so few pages. Using the visual language of the boardroom, Neumeier presents the first unified theory of branding—a set of five disciplines to help companies bridge the gap between brand strategy and customer experience. Those with a grasp of branding will be inspired by the new perspectives they find here, and those who would like to understand it better will suddenly "get it." This deceptively simple book offers everyone in the company access to "the most powerful business tool since the spreadsheet."

Book of Branding - Radim Malinic 2019-11-11

Designing Brand Identity - Alina Wheeler 2006-03-10

This innovative approach -- blending practicality and creativity -- is now in full-color! From translating the vision of a CEO and conducting research, through designing a sustainable identity program and building online branding tools, *Designing Brand Identity* helps companies create stronger brands by offering real substance. With an easy-to-follow style, step-by-step considerations, and a proven, universal five-phase process for creating and implementing effective brand identity, the book offers the tools you need, whether a brand manager, marketer, or designer, when creating or managing a brand. This edition includes a wealth of full-color examples and updated case studies for world-class brands such as BP, Unilever, Citi, Tazo Tea, and Mini Cooper. Alina Wheeler (Philadelphia, PA) applies her strategic imagination to help build brands, create new identities, and design brand-identity programs for Fortune 100 companies, entrepreneurial ventures, foundations, and cities.

Website Branding for Small Businesses - Nathalie Nahai 2014-04-22

With so many customers taking to the web for information, every business needs to have an online presence, especially a small business. However, a simple website won't suffice and each enterprise has to properly connect with customers to build and nurture a relationship that will ensure their devotion to the brand. This is where Nathalie Nahai, The Web Psychologist, steps in. Nahai expertly draws from the fields of psychology, neuroscience, and behavioral economics to share the latest developments, innovative techniques, and original insights that will lead any small business to online success, with information on: • Targeting the emotional versus the rational brain • The psychology of decision-making • How to pinpoint your target market • Communicate persuasively • Utilizing images, video, and colors to grab attention • Making a website easy to use • Using social media to connect • Increase sales through e-commerce What makes consumers click on a link? In what ways can you target different demographics? How do you make the web work for you? The tools in this book will give you answers to help develop a compelling, influential, and profitable online strategy to catapult your brand to the next level. Allworth Press, an imprint of Skyhorse Publishing, publishes a broad range of books on the visual and performing arts, with emphasis on the business of art. Our titles cover subjects such as graphic design, theater, branding, fine art, photography, interior design, writing, acting, film, how to start careers, business and legal forms, business practices, and more. While we don't aspire to publish a New York Times bestseller or a national bestseller, we are deeply committed to quality books that help creative professionals succeed and thrive. We often publish in areas overlooked by other publishers and welcome the author whose expertise can help our audience of readers.

Brand Identity Essentials, Revised and Expanded - Kevin Budelmann 2019-04-16

Brand Identity Essentials, Revised and Expanded outlines and demonstrates basic logo and branding design guidelines and rules through 100 principles. These include the elements of a successful graphic identity, identity programs and brand identity, and all the various strategies and elements involved. A company's identity encompasses far more than just its logo. Identity is crucial to establishing the public's perception of a company, its products, and its effectiveness—and it's the designer's job to envision the brand and create what the public sees. *Brand Identity Essentials*, a classic design reference now updated and expanded, lays a foundation for brand building, illustrating the construction of strong brands through examples of world-class design. Topics include: A Sense of Place, Cultural Symbols, Logos as Storytellers, What is "On Brand?", Brand Psychology, Building an Online Identity, Managing Multiple Brands, Owning an Aesthetic, Logo Lifecycles, Programs That Stand Out, Promising Something, and Honesty is Sustainable The new, revised edition

expands each of the categories, descriptions, and selections of images, and incorporates emergent themes in digital design and delivery that have developed since the book first appeared. Brand Identity Essentials is a must-have reference for budding design professionals and established designers alike.

Brand Identity - Stephan McDonald 2020-12-03

Design the Life You Love is a joyful, inspirational guide to building the life you've always wanted, using the principles and creative process of an award-winning product designer. Through four steps that reveal hidden skills and wisdom, anyone can design a life they love!

Branding - K. L. Hammond 2017-12-14

In the world of business, a great brand is everything. Those who lack a strong brand and branding strategies are surely going to struggle in their climb to success. Having a well-developed and powerful brand can be the difference between success and failure in the modern business world. Naturally, you want to run a successful business. Therefore, you need a successful brand. "Branding: Brand Identity, Brand Strategy and Brand Development" is an all-inclusive branding guide that will walk you through all of the necessary steps for creating a powerful brand. Not only will you learn how to develop your basic brand identity, but you will also learn how to generate customized strategies that will assist you in growing your brand. Learning to develop your brand effectively and nurture its natural evolution is a necessity in a fast-paced world. You need to know how to put these steps together and keep using them to walk yourself higher up the ladder of success. This branding guide will teach you everything that you need to know to generate massive success. Globally recognized brands all follow these tips, and it's mandatory that you do, too. You don't just want a mediocre brand that never takes you to the success you desire. You want one that starts strong and uses that traction to take it to the top in minimal timing. You want to be the next Coca-Cola, Nike, or Amazon. You want to own a wildly successful megabrand that people everywhere know about and recognize. One that people are excited to be involved with, love to rave about, and are eager to see where you go next. And because you want that type of success, you want "Branding: Brand Identity, Brand Strategy, and Brand Development." No other book will take you through the in-depth process of creating a very specific brand profile based on success-building formulas, teach you how to customize your strategies to your unique brand and audience, or educate you on the natural evolution of brands the way this guide does. This book will help you start from the bottom, or from wherever you may be standing now, and help you perfect the formula so you can land on top. With consistency, step-by-step action, and clearly defined goals, you can become the owner of the next megabrand. "Branding: Brand Identity, Brand Strategy and Brand Development" will help you get there. Don't just take our word for it. If you're ready to generate massive success with your very own company, invest in this branding guide and invest in your brand. This all-inclusive guide features it all, leaving nothing for chance. All you have to do is open it and start taking the step-by-step actions and you, too, will be a branding superstar. The only question you'll have left to answer is: What is the view like from the top?

Logo Design Love - David Airey 2015

In Logo Design Love, Irish graphic designer David Airey brings the best parts of his wildly popular blog of the same name to the printed page. Just as in the blog, David fills each page of this simple, modern-looking book with gorgeous logos and real world anecdotes that illustrate best practices for designing brand identity systems that last.

Brand Identity Essentials, Revised and Expanded - Kevin Budelmann 2019-04-16

Brand Identity Essentials, Revised and Expanded outlines and demonstrates basic logo and branding design guidelines and rules through 100 principles. These include the elements of a successful graphic identity, identity programs and brand identity, and all the various strategies and elements involved. A company's identity encompasses far more than just its logo. Identity is crucial to establishing the public's perception of a company, its products, and its effectiveness—and it's the designer's job to envision the brand and create

what the public sees. Brand Identity Essentials, a classic design reference now updated and expanded, lays a foundation for brand building, illustrating the construction of strong brands through examples of world-class design. Topics include: A Sense of Place, Cultural Symbols, Logos as Storytellers, What is "On Brand?", Brand Psychology, Building an Online Identity, Managing Multiple Brands, Owning an Aesthetic, Logo Lifecycles, Programs That Stand Out, Promising Something, and Honesty is Sustainable The new, revised edition expands each of the categories, descriptions, and selections of images, and incorporates emergent themes in digital design and delivery that have developed since the book first appeared. Brand Identity Essentials is a must-have reference for budding design professionals and established designers alike.

Brand Bible - Debbie Millman 2012-02-01

Brand Bible is a comprehensive resource on brand design fundamentals. It looks at the influences of modern design going back through time, delivering a short anatomical overview and examines brand treatments and movements in design. You'll learn the steps necessary to develop a successful brand system from defining the brand attributes and assessing the competition, to working with materials and vendors, and all the steps in between. The author, who is the president of the design group at Sterling Brands, has overseen the design/redesign of major brands including Pepsi, Burger King, Tropicana, Kleenex, and many more.

Here, the speculative is replaced by the proven: a seamless framework for global brand success, created and followed by an organization renowned for its consulting and advisory services. Features essential up-to-date strategies for keeping your brand fresh and enduring Addresses the role of designers; the marketing and communication function; human resources and talent teams; agencies and vendors; and more Considers the impact of digital and social media, two massive forces requiring new thinking for B2B brands Incorporates best practices for emerging markets With guidance that takes you on a clear, linear path toward achieving your brand objectives, this impressive single-source volume is the one book no business marketing professional should be without.

Corporate Identity Design - Veronica Napoles 1991-01-16

In a market cluttered with big and small companies competing for the consumer's attention, public image becomes more critical than ever to the success of any business. Veronica Napoles's Corporate Identity Design provides a practical tool for designing and implementing a successful, comprehensive corporate identity program. It is an invaluable resource, since fashioning a powerful and accessible identity is a company's best bet for capturing the attention of consumers. Napoles explains the difference between corporate image--how a company is actually perceived by the public--and identity--how it wants to be perceived--and shows how to close the gap between the two. In doing so, she goes beyond previous books on the subject and anticipates the needs of consumers by incorporating elements of behavioral psychology into the design process. Corporate Identity Design is not merely a picture book or an anthology of symbols, but a comprehensive, detailed examination of all factors that lead to the choice and refinement of a corporate identity. Napoles's concise, step-by-step overview looks at all phases of the corporate identity design process, including: * recognizing the need for corporate identity adjustment * selecting a basic symbol category from which to choose * deciding on and refining a chosen symbol * implementing a careful, intelligent program for phasing in the new corporate identity and ensuring its acceptance by the public. The book includes dozens of helpful illustrations, a sample design proposal, questionnaires, design briefs, and a color chart. In addition, Napoles provides guidelines for changing a company name, including information on basic name categories and the categories and the creative process for developing and evaluating names.

These and other features make Corporate Identity Design the definitive work for establishing quick and accurate image/identity relationships in the mind of the public. Design students and professionals, public relations and communications officers, and top-level management personnel will all find Corporate Identity Design a continuing resource for ideas, information, and inspiration.

Essential Elements for Brand Identity - Kevin Budelmann 2013-04-01

Design terms are often used inconsistently - or just as bad, interchangeably. This leads to confusion for designers as well as clients. New in paperback, Essential Elements for Brand Identity lays a foundation for brand building, defining the tools and building blocks, and illustrating the construction of strong brands through examples of world-class design. It is a one-stop reference for connecting visual design elements for logos to branding concepts, and demonstrates core identity design principles through clear organization and a variety of sources and examples. Through a cohesive structure that explores broader concepts in relation to graphic identities, identity programs, and brand identities, Essential Elements for Brand Identity links formal design concerns with business issues. Design students and seasoned brand managers alike will appreciate the pragmatic relevance of its content and be inspired by the representative body of work collected and presented throughout the book.

Taking Brand Initiative - Mary Jo Hatch 2008-03-11

Taking Brand Initiative offers a revolutionary approach to corporate branding that looks beyond the marketing value of brands company-to-customer and the HR significance of brands company-to-employee. It places the management of brands at the senior level of management as it radiates throughout the organization. In this groundbreaking book, international branding thought leaders, Mary Jo Hatch and Make Schultz explain how a company's brand is just as important to outsiders—politicians, suppliers, and analysts as it is to company insiders. They show how only the corporate brand can integrate all the company's staff functions and provide a vision for competition and globalization.

Diverse Karten von Ostfriesland: Landschaftschutzkarte Wilhelmshaven -

Designing Brand Identity - Alina Wheeler 2012

From researching the competition to translating the vision of the CEO, to designing and implementing an integrated brand identity programme, the meticulous development process of designing a brand identity is presented through a highly visible step-by-step approach in five phases.

Designing Brand Experience: Creating Powerful Integrated Brand Solutions - Robin Landa 2005-09-02

In today's competitive marketplace, establishing a creative and comprehensive branding program is crucial to achieving business success. This dynamic new book from best-selling author Robin Landa is an all-inclusive guide to generating ideas and creating brand applications that resonate with an audience. A highly visual examination of each phase of the branding process includes comprehensive coverage of the key brand applications of graphic design and advertising. Readers gain valuable insight into the art of designing individual brand applications—brand identity, promotional design, identification graphics, web sites, advertising, and unconventional/guerilla formats, among others—while benefiting from the thoughtful commentary and full-color branding work of award-winning designers and creative directors worldwide. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Creating a Brand Identity: A Guide for Designers - Catharine Slade-Brooking 2016-01-18

Creating a brand identity is a fascinating and complex challenge for the graphic designer. It requires practical design skills and creative drive as well as an understanding of marketing and consumer behaviour. This practical handbook is a comprehensive introduction to this multifaceted process. Exercises and examples highlight the key activities undertaken by designers to create a successful brand identity, including defining the audience, analyzing competitors, creating mood boards, naming brands, designing logos, presenting to clients, rebranding and launching the new identity. Case studies throughout the book are illustrated with brand identities from around the world, including a diverse range of industries - digital media, fashion, advertising, product design, packaging, retail and more.

Designing Brand Identity - Alina Wheeler 2003

Building Better Brands - Scott Lerman 2018-05-29

Building Better Brands is the essential guide to creating and evolving brands. Leveraging three decades of brand consulting for legendary companies like Caterpillar, Harley-Davidson, 3M, Owens-Illinois, National Australia Bank, and American Express, as well as middle-market and new-media startups, Scott Lerman shares the processes and frameworks needed to build great brands. This book is for you if you're a CEO seeking to enhance your knowledge of the branding process, a marketing/communications specialist who wants to take a leadership role in advancing an organization's brand, a brand consultant who is striving to sharpen and extend your skills, or a student who wants to jump-start a career in branding. Whatever its starting point—market leader or struggling competitor—any organization that follows this step-by-step guide will end up with a better brand.

The Anarchist Cookbook - William Powell 2018-03-11

The Anarchist Cookbook will shock, it will disturb, it will provoke. It places in historical perspective an era when "Turn on, Burn down, Blow up" are revolutionary slogans of the day. Says the author "This book... is not written for the members of fringe political groups, such as the Weatherman, or The Minutemen. Those radical groups don't need this book. They already know everything that's in here. If the real people of America, the silent majority, are going to survive, they must educate themselves. That is the purpose of this book." In what the author considers a survival guide, there is explicit information on the uses and effects of drugs, ranging from pot to heroin to peanuts. There is detailed advice concerning electronics, sabotage, and surveillance, with data on everything from bugs to scramblers. There is a comprehensive chapter on natural, non-lethal, and lethal weapons, running the gamut from cattle prods to sub-machine guns to bows and arrows.

Examine the importance of brand identity and especially the application of sensory principles to create a stronger brand, including the practical application of symbolism and storytelling in customer experience.

Identify - Tom Geismar 2011-10-31

The NBC peacock. Chase Bank's blue octagon. Mobil Oil's arresting red O. PBS's poetic silhouettes of "Everyman." Chermayeff & Geismar's visual identities are instantly recognizable by countless millions around the world (one identity--the official logo for the U.S. Bicentennial--even sits on Mars) and set the standard for what a successful trademark is. In *Identify*, celebrated designers Tom Geismar and Ivan Chermayeff, and partner, rising star Sagi Haviv (called a "logo prodigy" by *The New Yorker*) open up their studio for the first time in the firm's 55-year history and reveal the creative process that lead to the firm's iconic visual identities, from the oldest (Chase Bank and Mobil Oil in the 1960s) to the more recent (Armani Exchange and the Library of Congress in the 2000s). The team demonstrates how their approach to design has remained unaltered by cultural and technological change and is in fact more successful than ever in today's online and digital applications, due to the powerful simplicity that is the hallmark of the firm's work. A showcase of some of the world's most famous and enduring trademarks, an account of how they came to be, and an unprecedented insider's peek into a legendary branding and graphic design firm. *Identify: Basic Principles of Identity Design in the Iconic Trademarks of Chermayeff & Geismar* unveils the thinking and the process

behind identity design that works.

60-Minute Brand Strategist - Idris Mootee 2013-05-17

Praise for *60-Minute Brand Strategist* "A fresh take on the wisdom of putting brand strategy at the heart of corporate strategy. Brilliant insights for a fast-moving world." —Angela Ahrendts, CEO, Burberry "Idris Mootee paints a sharp, comprehensive, and finely articulated analysis of the potential of meaningful brands in the 21st century's cultural scenario and business landscape. The result is a smart manual that reminds you and your company how to build relevant, authentic, sustainable, and successful brands in an evolving society." —Mauro Porcini, Chief Design Officer, PepsiCo Inc. "Idris's book teaches us how to engage today's increasingly cynical consumers on a deeper emotional level to build real equity and leadership. He demonstrates how to break out of the box and connect business strategy to brand strategy, and how the right brand story never really ends!" —Blair Christie, SVP and CMO, Cisco Systems, Inc. "It's rare to find a book that's both inspiring and practical but Idris nailed it! He has crafted the ultimate guide to brand building in the connected world with visual clarity and thought-provoking strategy." —Eric Ryan, cofounder, Method Products, Inc. This book is about one thing only: branding. Period. In this economy ruled by ideas, the only sustainable form of leadership is brand leadership. *60-Minute Brand Strategist* offers a fast-paced, field-tested view of how branding decisions happen in the context of business strategy, not just in marketing communications. With a combination of perspectives from business strategy, customer experience, and even anthropology, this new and updated edition outlines the challenges traditional branding faces in a hyper-connected world. This essential handbook of brand marketing offers an encyclopedia of do's and don'ts, including new case studies of how these concepts are being used by the world's most successful and valuable brands. *60-Minute Brand Strategist* is your battle plan, filled with powerful branding tools and techniques to win your customers' hearts and defeat the competition.
