Say I Do - Cynthia Eden 2020-09-29

She hates him. Dexter Ryan is smug. Arrogant. Manipulative. And he is also...Lacey Amari's new partner. Well, her partner on one case. A case she doesn't even want to take, but when Dex—CIA super operative and all around puppet-master—basically blackmails her, she has no choice. Then he asks her the big question... Will you marry me? The proposal isn't real. It's just an undercover assignment. Dex needs Lacey to be his fake fiancée for a case. Not exactly her dream job. But, she'll do it. He wants her to pretend to be head over heels in love with him, he wants her help on a dangerous investigation in a remote ski lodge, and he...wants her? Their desire isn't pretend. Dex doesn't work well with others and handling a case with a partner in close proximity—as in 24/7 close—isn't his normal style. He's pulled Lacey into the investigation because she is smart and resourceful, and maybe because he knows a secret about her that could prove to be very useful to him. After all, Dex uses people all the time. It's his thing. Yet the more he is around her, the idea of using Lacey

suddenly doesn't seem like such a good plan. But getting her into his bed? Stellar idea. He wants her, but so do the bad guys. The attraction between Dex and Lacey burns red-hot, hot enough to melt the snow around them. Except, just as he planned, Lacey's presence draws in the enemy. Now the bad guys are after her, and Dex has to stick even closer to her. He's playing the role of the obsessed lover, only it's not just a role. Because for the first time in his life, Dex is falling hard. He's losing his control. He's lied. He's cheated. He's about to give up his heart. When Lacey finds out the secret he's known, her rage and pain break his heart. Dex has to find a way to make things up to her, and he has to stop the enemies who are closing in. Nothing he can't handle. Maybe. Dex is a master multi-tasker—most days, anyway. Dex will use every trick in his very large arsenal to win this case. Lacey melted the ice around what the whole world knows is Dex's very, very cold heart, and Dex will fight like hell to protect her and to prove to her that even master spies can fall in love. Author's note: Dex loves playing games. Some would even

say he enjoys playing with other people's lives, but this time...it is Dex's life on the line. His life and his heart. The longer his pretend engagement to Lacey lasts, the longer Dex finds himself longing for the real deal. Prepare for lies, tricks, dangerous enemies, and romance hot enough to melt some heavy snow...Dex's story will burn like fire and things will get WILDE. Stand-alone romance, no cliff-hangers, and a guaranteed happy ending.

Heart of a Soldier - James B. Stewart 2009-11-24
From Pulitzer Prize winner James B. Stewart comes the extraordinary story of American hero Rick Rescorla, Morgan Stanley security director and a veteran of Vietnam and the British colonial wars in Rhodesia, who lost his life on September 11. When Rick Rescorla got home from Vietnam, he tried to put combat and death behind him, but he never could entirely. From the day he joined the British Army to fight a colonial war in

Rhodesia, where he met American Special Forces' officer Dan Hill who would become his best friend, to the day he fell in love with Susan, everything in his remarkable life was preparing him for an act of generosity that would transcend all that went before. *Heart of a Soldier* is a story of bravery under fire, of loyalty to one's comrades, of the miracle of finding happiness late in life. Everything about Rick's life came together on September 11. In charge of security for Morgan Stanley, he successfully got all its 2,700 men and women out of the south tower of the World Trade Center. Then, thinking perhaps of soldiers he'd held as they died, as well as the woman he loved, he went back one last time to search for stragglers. *Heart of a Soldier* is a story that inspires, offers hope, and helps heal even the deepest wounds.

Lulu's cousin Mitch introduced her to the world of Renaissance Faires, and when she spies one at a time just when she needs an escape, she leaps into the welcoming environment of turkey legs, taverns, and tarot readers. The only drawback? Dex MacLean: a guitarist with a killer smile, the Casanova of the Faire... and her traveling companion for the summer. Dex has never had to work for much in his life, and why should he? Touring with his brothers as The Dueling Kilts is going great, and he always finds a woman at every Faire. But when Lulu proves indifferent to his many plaid charms and a shake-up threatens the fate of the band, Dex must confront something he never has before: his future. Forced to spend days and nights together on the road, Lulu's interest in the kilted bad boy grows as he shows her a side of himself no one else

Her Devoted Hero - Caitlyn O'Leary 2017-09-25

Navy SEAL Dex Evans has a problem. His buddies think it's a riot when they sign him up for a dating service behind his back. But who would have thought that with a profile like SailorBoy69 he'd snag a woman who was hysterically funny and gorgeous. Too bad she was also skittish as all hell. Dex fears that when she finds out his profile was a set-up, his happily ever after could sink to the bottom of the ocean. Single mother, Kenna Wright was in way over her head. She'd spent years putting her child first while ignoring her needs. So what was she thinking responding to the flirtatious email? Luckily for her, when she is stuck on a project with Dex, he's even better in person than he'd been on his online profile. But can she believe this sexy SEAL when he says he's looking for more than a fling? When one of her co-workers is murdered and it looks like Kenna might be the next one in the killer's crosshairs, Dex is determined to keep her safe. But with a target on her

back, it's really hard to keep a shield over her heart..... Hello SailorBoy69,SNMP stands for So Not Mary Poppins. Take it to heart. My photo is me, but it's pretty much a fake, since it took me two hours and twenty dollars worth of product to achieve the look. If we were to meet in person, I probably wouldn't look anywhere close to this, so soak in this picture.

Actually, don't worry, we won't meet, but I'll get to that. Here's me in a nutshell. I live in the good part of town because I work my ass off handling my full-time job as a nurse, plus a part-time gig, that's so my son can go to school in a decent school district. Being a good mother is the most important thing in my life, so I have no earthly idea why I'm responding to your profile since I don't have time to date. Did I mention I have a kid, two jobs and really don't look like this? I like the fact that you're serving our country. That's part of the reason I'm reaching out to you. But the real reason I'm writing, is that I'm ninety-nine point nine percent sure you won't respond, so this is a safe letter to write. I can feel good that I've finally put myself out there, without enduring the humiliation of a first date, which I'll fail at, because I'll never in a million years figure out how to reach this level of pretty again. But in all seriousness, I wanted to take aim for a good guy, and you're it. I like the fact you're in the Navy. I like the fact, that you work with disenfranchised kids. I think you're a nice man. Hell, I don't even care if that's not your real picture, because responsible men do it for me. Of course in my world they're like mythical unicorns, they just don't exist, at least not for me. But the dream of a responsible man makes my panties damp. See I can say this safely, cause you're not going to respond, and I'm never going to meet you. So, that's

my story SailorBoy69. Just know that out there in this big bad world a woman thinks you're pretty exceptional, except for the atrocious cyber name you've given yourself of course. Now, if you have a thought of responding, for God's sake don't. Remember, it's me. I have a kid, two jobs, and I'll look like crap, and you'll ruin the fantasy.- Signed, So Not Mary Poppins Hero - Julia Sykes 2016-06-17

Dex... I don't have a heart left to give anyone. So when my friend tries to set me up with romance author Chloe Martin, the only answer I can give is "hell no." Amid the brewing chaos, Anakin Skywalker rises to the rank of Jedi Knight. Despite the mandate that Obi-Wan travel alone—and his former master's insistence that he listen this time—Anakin's headstrong determination means nothing can stop him from crashing the party, and bringing along a promising but conflicted youngling. Once a Padawan to Obi-Wan, Anakin now finds himself on equal—but uncertain—footing with the man who raised him. The lingering friction between them increases the danger for everyone around them. The two knights must learn a new way to work together—and they must learn quickly, to save Cato Neimoidia and its people from the fires of war. To overcome the threat they face they must grow beyond master and apprentice. They must stand together as brothers.
