*The Voice of the Foreign Service* - Harry W. Kopp 2015-06-01  
The U.S. Foreign Service and the American Foreign Service Association were born together in 1924. In this first-ever book about the association's more than 90-year history, author Harry Kopp chronicles the evolution of the Foreign Service and the events and personalities that shaped AFSA into what it is today. Published by Foreign Service Books, *The Voice of the Foreign Service* combines an institutional history of

America's diplomatic service from its earliest days to the present, with the twinned story of the American Foreign Service Association and its transformation from a benevolent society to an independent professional organization and exclusive employee representative of all members of the Foreign Service. *Diplomatic List* - South Africa. Department of Foreign Affairs 1983

**The London Diplomatic List** - Great Britain. Foreign and Commonwealth Office 1970

**Organizational Telephone Directory** - United States. Department of Health and Human Services 1999

**Diplomatic List and List of Representatives of International Organisations February 2001** - Australian Government - Department of Foreign Affairs and Trade 2001

Inside a U.S. Embassy - American Foreign Service Association 2003  
Ever wonder exactly what the Foreign Service is and what goes on inside a U.S. Embassy? A U.S. embassy is home to a dynamic team of professionals committed to public service and the value of diplomacy. Inside a U.S. Embassy gives an up-close and personal look into the lives of the diplomats and specialists who make up the U.S. Foreign Service. Gain a sense of the key role played by each member of an embassy team from Paris to Kabul, from Bogota to Beijing, and places in between. Travel into the rainforests of Thailand with an environmental affairs officer, face rampaging militias with a political officer in East Timor, and join an ambassador on a midnight trip into a Macedonian refugee camp to quell a riot. A Foreign Service career offers the experience of living in diverse cultures and the challenge of making

a difference in the world. Come along inside a U.S. embassy and learn how the Foreign Service works for America.

**Career Diplomacy** - Harry W. Kopp  
2011-03-22

Career Diplomacy—now in its second edition—is an insider's guide that examines the foreign service as an institution, a profession, and a career. Harry W. Kopp and Charles A. Gillespie, both of whom had long and distinguished careers in the foreign service, provide a full and well-rounded picture of the organization, its place in history, its strengths and weaknesses, and its role in American foreign affairs. Based on their own experiences and through interviews with over 100 current and former foreign service officers and specialists, the authors lay out what to expect in a foreign service career, from the entrance exam through midcareer and into the senior service—how the service works on paper, and in practice. The second edition addresses major changes that have occurred since 2007: the controversial effort to build an expeditionary foreign service to lead the work of stabilization and reconstruction in fragile states; deepening cooperation with the U.S. military and the changing role of the service in Iraq and Afghanistan; the ongoing surge in foreign service recruitment and hiring at the Department of State and U.S. Agency for International Development; and the growing integration of USAID's budget and mission with those of the Department of State.

**Diplomatic List** - Australia. Department of Foreign Affairs 1970

**Diplomatic List, November 1994** - 1994

New Realities in Foreign Affairs -

Volker Stanzel 2019-07-08

Moderne Diplomatie wirkt heute in viele Bereiche des modernen Lebens hinein. Sie ist zugleich selbst neuen Einflüssen ausgesetzt. Faktoren, die unsere Gesellschaften verändern, verändern auch unser Regierungshandeln, auch in der Außenpolitik, seien es Digitalisierung, emotionalisierte Sensibilitäten unserer Öffentlichkeiten oder nicht-staatliche internationale Akteure. Derartige Entwicklungen müssen von der Diplomatie aufgenommen werden, damit sie weiter als Instrument einer Regierung funktionieren kann. Regierungen sollten Wege finden, zwischen den neuen Bedürfnissen der Gesellschaft und den Notwendigkeiten legitimen Regierungshandelns zu vermitteln. Das Ziel sollte sein, als souveräner Staat handeln zu können und zugleich das Potential der tiefgreifenden gesellschaftlichen Veränderungen zu nutzen. Mit Beiträgen von Volker Stanzel, Sascha Lohmann, Andrew Cooper, Christer Jönsson, Corneliu Bjola, Emillie V. de Keulenaar, Jan Melissen, Karsten D. Voigt, Kim B. Olsen, Hanns W. Maull und R. S. Zaharna  
*First Line of Defense* - Robert V. Keeley 2000

*List of Documents Relating to Special Agents of the Department of State, 1789-1906* - United States. National Archives and Records Service 1951

Diplomatic List and List of Representatives of International Organisations - Australian Government - Department of Foreign Affairs and Trade 2000

Career Diplomacy - Harry W. Kopp 2017-09-01  
Career Diplomacy is an insider's guide to the Foreign Service as an

institution, a profession, and a career. In this thoroughly revised third edition, Kopp and Naland provide an up-to-date, authoritative, and candid account of the life and work of professional US diplomats, who advance and protect this country's national security interests around the globe. The authors explore the five career tracks—consular, political, economic, management, and public diplomacy—through their own experience and through interviews with more than a hundred current and former members of the Foreign Service. They lay out what to expect in a Foreign Service career, from the entrance exam through midcareer and into the senior service—how to get in, get around, and get ahead. New in the third edition: • A discussion of the relationship of the Foreign Service and the Department of State to other agencies, and to the combatant commands • An expanded analysis of hiring procedures • Commentary on challenging management issues in the Department of State, including the proliferation of political appointments in high-level positions and the difficulties of running an agency with employees in two personnel systems (Civil Service and Foreign Service) • A fresh examination of the changing nature and demographics of the Foreign Service

To the Secretary: Leaked Embassy Cables and America's Foreign Policy Disconnect - Mary Thompson-Jones 2016-07-12

A former American diplomat reveals a disconnect between Washington policymakers and those who work in US embassies. When the world awoke on

November 28, 2010, and read the first of the 251,287 State Department cables made public by WikiLeaks, Italian Foreign Minister Franco Frattini warned, "It will be the September 11th of world diplomacy." The WikiLeaks scandal certainly stirred tempers around the world, but it was not the implosion that many leaders expected: rather, it shed a new spotlight on the work of the U.S. foreign service. In *To the Secretary*, Mary Thompson-Jones explores the most fascinating and overlooked of these cables to offer an unparalleled window into the day-to-day work of U.S. diplomats, demystifying the lives of those who implement America's foreign policy across the globe. From the story of Bulgaria's Aleksi "the Tractor" Petrov to disappearing ballot ink in Ukraine, a Honduran coup d'état, or disaster relief for a devastated Haiti, *To the Secretary* depicts the work of ambassadors and foreign service officers through their firsthand narratives dealing with crises, corruption, and testy world leaders. Negotiating distinctly un-American customs and corridors of power, these shrewd brokers in embassies from Argentina to Zimbabwe worked tirelessly to promote American diplomacy in a world frequently hostile to the United States. *To the Secretary* also reveals the disconnect that diplomats face at home, guided by conflicting approaches from multiple Washington stakeholders intent on their own agenda, often unaware of realities on the ground. In an honest assessment of America's foreign policy challenges, Thompson-Jones describes the deepening gulf between decision makers in Washington and their diplomats in the field. From misinterpreted analyses of anti-Americanism to Washington's unwillingness to send resources to support diplomatic activities that

could make a difference, *To the Secretary* shows what policymakers can learn from diplomats abroad—and how this can strengthen America's place in an unstable world.

**Diplomatic Security** - Eugenio Cusumano 2019

The safety of diplomats has animated recent public and political debates. As diplomatic personnel are increasingly targeted by terrorism and political violence while overseas, sending states are augmenting host nations' security measures with their own. Protective arrangements range from deploying military, police, and private security guards to relocating embassies to suburban compounds. Yet, reinforced security may also hamper effective diplomacy and international relations. Scholars and practitioners from around the world bring to light a large body of empirical information available for the first time in *Diplomatic Security*. This book explores the global contexts and consequences of keeping embassies and their personnel safe. The essays in this volume offer case studies that illustrate the different arrangements in the U.S., China, the United Kingdom, France, Germany, Italy, Turkey, Israel, and Russia.

Considering the historical and legal contexts, authors examine how states protect their diplomats abroad, what drives changes in existing protective arrangements, and how such measures affect the safety of diplomats and the institution of diplomacy.

*Diplomatic Security* not only reveals how a wide variety of states handle security needs but also illuminates the broader theoretical and policy implications for the study of diplomacy and security alike.

All-new third edition of the essential guide to the Foreign Service

**Consular Notification and Access** - 2003

This booklet contains instructions and guidance relating to the arrest and detention of foreign nationals, deaths of foreign nationals, the appointment of guardians for minors or incompetent adults who are foreign nationals, and related issues pertaining to the provision of consular services to foreign nationals in the United States. This booklet is designed to help ensure that foreign governments can extend appropriate consular services to their nationals in the United States and that the United States complies with its legal obligations to such governments. The instructions and guidance herein should be followed by all federal, state, and local government officials, whether law enforcement, judicial, or other, insofar as they pertain to foreign nationals subject to such officials' authority or to matters within such

officials' competence.
