The Man Who Laughs - Victor Hugo 2011-05-01

Moving away from the explicitly political content of his previous novels, Victor Hugo turns to social commentary in *The Man Who Laughs*, an 1869 work that was made into a popular film in the 1920s. The plot deals with a band of miscreants who deliberately deform children to make them more effective beggars, as well as the long-lasting emotional and social damage that this abhorrent practice inflicts upon its victims.

The Ruined Map - Kobo Abe 2011-12-14

Of all the great Japanese novelists, Kobo Abe was indubitably the most versatile. Mr. Nemuro, a respected salesman, disappeared over half a year ago, but only now does his alluring yet alcoholic wife hire a private eye. The nameless detective has but two clues: a photo and a matchbook. With these he embarks upon an ever more puzzling pursuit that leads him into the depths of Tokyo's dangerous underworld, where he begins to lose the boundaries of his own identity. Surreal, fast-paced, and hauntingly dreamlike, Abe's masterly novel delves into the unknowable mysteries of the human mind. Translated from the Japanese by E. Dale Saunders.

When he finds a local hunting outfitter dead, splayed out on the woodpile behind his state-owned home, he takes it personally. As Joe digs deeper into the murders, he soon discovers that the outfitter brought more than death to his backdoor: he brought Joe an endangered species, thought to be extinct, which is now living in his woodpile. But if word of the existence of this endangered species gets out, it will destroy any chance of InterWest, a multi-national natural gas company, building an oil pipeline that would bring the company billions of dollars across Wyoming, through the mountains and forests of Twelve Sleep. The closer Joe comes to the truth behind the outfitter murders, the endangered species and InterWest, the closer he comes to losing everything he holds dear.

Box Man, The - 1975

The Box Man - Imiri Sakabashira 2010-01-19

THE FIRST STORY TO BE TRANSLATED INTO ENGLISH FROM THE SURREALIST AND ALTERNATIVE MANGA-KA Enter the strange world of Imiri Sakabashira, whose denizens are zoomorphic creatures that emerge from one another as well as their equally bizarre environs. *The Box Man* follows its protagonists along a scooter trip through a complex landscape that oscillates between a dense city, a countryside simplified to near abstraction, and hybrids of the two; the theme of hybridity permeates throughout. One is unsurprised to encounter a creature that is half elderly man, half crab, or a flying frog in this world where our guide apparent is an anthropomorphic, mollusk-like cat. Sakabashira weaves this absurdist tale into a seamless tapestry constructed of elements as seemingly disparate as Japanese folklore, pop culture, and surrealism. Within these panels, it becomes difficult to distinguish between the animate and the inanimate, the real and the imagined—a tension that adds a layer of complexity to this near-wordless psychedelic travelogue. Imiri Sakabashira (real name Mochizuki Katsuhiko) was born in Shizuoka, Japan, in 1964, the same year that *Garo*, the influential manga anthology in which he would first be published, was founded.

The Box Man - Kobo Abe 2011-12-14

Kobo Abe, the internationally acclaimed author of *Woman in the Dunes*, combines wildly imaginative fantasies and naturalistic prose to create narratives reminiscent of the work of Kafka and Beckett. In this eerie and evocative masterpiece, the nameless protagonist gives up his identity and the trappings of a

normal life to live in a large cardboard box he wears over his head. Wandering the streets of Tokyo and scribbling madly on the interior walls of his box, he describes the world outside as he sees or perhaps imagines it, a tenuous reality that seems to include a mysterious rifleman determined to shoot him, a seductive young nurse, and a doctor who wants to become a box man himself. The Box Man is a marvel of sheer originality and a bizarrely fascinating fable about the very nature of identity. Translated from the Japanese by E. Dale Saunders.

His covert explorations reveal that the enormous hospital she was taken to is home to a network of constant surveillance, outlandish sex experiments, and an array of very odd and even violent characters. Within a few days, though no closer to finding his wife, the unnamed narrator finds himself appointed the hospital's chief of security, reporting to a man who thinks he's a horse. When Time Stopped - Ariana Neumann 2020-02-04

In this astonishing story that “reads like a thriller and is so, so timely” (BuzzFeed) Ariana Neumann dives into the secrets of her father’s past: “Like Anne Frank’s diary, it offers a story that needs to be told and heard” (Booklist, starred review). In 1941, the first Neumann family member was taken by the Nazis, arrested in German-occupied Czechoslovakia for bathing in a stretch of river forbidden to Jews. He was transported to Auschwitz. Eighteen days later his prisoner number was entered into the morgue book. Of thirty-four Neumann family members, twenty-five were murdered by the Nazis. One of the survivors was Hans Neumann, who, to escape the German death net, traveled to Berlin and hid in plain sight under the Gestapo’s eyes. What Hans experienced was so unspeakable that, when he built an industrial empire in Venezuela, he couldn’t bring himself to talk about it. All his daughter Ariana knew was that something terrible had happened. When Hans died, he left Ariana a small box filled with letters, diary entries, and other memorabilia. Ten years later Ariana finally summoned the courage to have the letters translated, and

she began reading. What she discovered launched her on a worldwide search that would deliver indelible portraits of a family loving, finding meaning, and trying to survive amid the worst that can be imagined. A “beautifully told story of personal discovery” (John le Carré), *When Time Stopped* is an unputdownable detective story and an epic family memoir, spanning nearly ninety years and crossing oceans. Neumann brings each relative to vivid life, and this “gripping, expertly researched narrative will inspire those looking to uncover their own family histories” (Publishers Weekly).

The Man Book - Otto DeFay 2008-05-13

In the tradition of the national bestseller *The Dangerous Book for Boys*, a book that contains everything a man needs to know - from penis size facts, to Super Bowl winners, to how to tie a tie. *The Man Book* is an essential life-skills handbook - a manual for everything a modern man needs to know. Designed for every (straight) man on the planet who has to survive each day trying to figure out how to be politically correct, how to deal with overbearing significant others, what his boss is really up to, what to wear, what to say, how to settle bar bets, as well as how to keep his friends amused. This is the ultimate book of skills and knowledge. In short, it's a little black book chock full of the stuff a man should know. Because men's needs extend beyond sports, sex and alcohol. Not far, but they do extend.

Breaking Out of the "Man Box" - Tony Porter 2016-01-26

An international TED Talk speaker, Tony Porter challenges manhood and male socialization, which he defines as the “man box.” Tony Porter works closely with the NFL, the NBA, the MLB, the US military, colleges, universities, and numerous other organizations to prevent violence against women and girls by promoting healthy, respectful manhood. Now, in *Breaking Out of the “Man Box”* Porter’s message is directed at all men. This book tackles the collective socialization of manhood and provides an in-depth look at the experiences of boys and men. In an effort to understand the many aspects of “what it means to be a man,” Porter suggests the topic is worthy of being rethought, challenged, and even redefined. This book will help men—fathers, husbands, brothers, coworkers, etc.—unpack and correct those realities. *Breaking Out of the “Man Box”* boldly exposes the connection between male socialization and the quest to end violence against women and girls. Porter provides an honest and transformative experience, empowering men to create a world where men and boys are loving and respectful—and a human race where women and girls are valued and safe. On the heels of national movements and initiatives such as the NFL’s NoMore.org, this book provides men with the knowledge and understanding to explore how to create that world.

The Face of Another - Kobo Abe 2011-12-14

Like an elegantly chilling postscript to *The Metamorphosis*, this classic of postwar Japanese literature describes a bizarre physical transformation that exposes the duplicities of an entire world. The narrator is a scientist hideously deformed in a laboratory accident—a man who has lost his face and, with it, his connection to other people. Even his wife is now repulsed by him. His only entry back into the world is to create a mask so perfect as to be undetectable. But soon he finds that such a mask is more than a disguise:

it is an alternate self—a self that is capable of anything. A remorseless meditation on nature, identity and the social contract, *The Face of Another* is an intellectual horror story of the highest order.

Tuck Everlasting - Natalie Babbitt 2015-01-20

Critically acclaimed when it was first published, *Tuck Everlasting* has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at *Tuck Everlasting* twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older.

But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey.
