Dowsing - Elizabeth Brown 2010-06-07

Dowsing – The Ultimate Guide for the 21st Century is a book for its time. It brings the undoubted benefits of this ancient art to a modern world, and makes dowsing, and its unlimited applications, accessible and relevant for all. Find out what dowsing is; who can do it; how to do it; when and where it works. Learn about the pioneering scientific discoveries that explain the mechanics of dowsing. Understand how dowsing can become an invaluable tool to optimise your own health, well-being, and quality of life, by giving you the means to discern truth from non-truth, and to identify what is, and what is not, in your individual best interests. And at this pivotal time in the evolution of human consciousness, discover how dowsing physically demonstrates on a tangible level the existence of an invisible world of energy outside the one we perceive with our five senses – and our ability to connect with it.

A Beginner's Guide to Pendulum Dowsing - Brenda Hunt 2012-09-28

Dowsing is as skill as old as Human History but it's also extremely relevant to life today. This book will guide you in choosing and programming your pendulum, introduce you to the various ways you can work with a dowsing pendulum and how you can include it in your everyday life. Discover what you can do with a dowsing pendulum, how it can help you in choosing and improving your home, help you in making the right choices for you health and your career. Dowsing can help you make healthy food choices and help you find things you have lost, your pendulum can help you make decisions and help you balance your energy field. You are at the beginning of a very interesting journey. From a long line of healers on the West Coast of Ireland, Brenda has worked with a dowsing pendulum and healing crystals for over 15 years and is a member of the British Society of Dowzers. She regularly gives talks and classes on dowsing, vibrational therapies, crystal healing and colour healing as well as writing books, articles and charts on a number of alternative therapies.

Extraordinary Knowing - Elizabeth Lloyd Mayer 2008-02-26

In 1991, when her daughter's rare, hand-carved harp was stolen, Lisby Mayer's familiar world of science and rational thinking turned upside down. After the police failed to turn up any leads, a friend suggested she call a dowser—a man who specialized in finding lost objects. With nothing to lose—and almost as a joke—Dr. Mayer agreed. Within two days, and without leaving his Arkansas home, the dowser located the exact California street coordinates where the harp was found. Deeply shaken, yet driven to understand what had happened, Mayer began the fourteen-year journey of discovery that she recounts in this mind-opening, brilliantly readable book. Her first surprise: the dozens of colleagues who'd been keeping similar experiences secret for years, fearful of being labeled credulous or crazy. **Extraordinary Knowing** is an attempt to break through the silence imposed by fear and to explore what science has to say about these and countless other “inexplicable” phenomena. From Sigmund Freud's writings on telepathy to secret CIA experiments on remote viewing, from leading-edge neuroscience to the strange world of quantum physics, Dr. Mayer reveals a wealth of credible and fascinating research into the realm where the mind seems to trump the laws of nature. She does not ask us to believe. Rather she brings us a book of profound intrigue and optimism, with far-reaching implications not just for scientific inquiry but also for the ways we go about living in the world.

The Future Is Yours - Raymon Grace 2014-02-01

FIND AND USE YOUR INNER POWER If you keep on doing what you're doing, you're likely to keep on getting what you're getting. If you do nothing, nothing will happen. If you do something, something may happen. Here's how to do “something” so you won't keep on getting what you're getting! Raymon Grace, mountain man, dowser, healer, and font of folk wisdom, has written a book filled with down-home stories of what happens when real people use their personal power to heal themselves and take charge of their lives. Included here are stories of spontaneous healings, space clearing, the amazing powers of the pendulum, dowsing, energy raising, exorcism, and tapping into the power of spirit guides. Grace inspires readers to

imagine the seemingly impossible, to harness the power of the mind, and to open themselves to a world of endless possibilities. You don't need academic degrees, expensive equipment, or spiritual credentials. All you need is a willingness to learn the simple principles and put the techniques to use. This book shows you how to change your life.

Pendulums have been around for centuries and have been used for many purposes. This book, however discuss is the particular use of pendulums for dowsing. Pendulum dowsing can be quite useful for anyone who has just begun journeying into the spiritual life. You can use it for anything from finding a lost object to opening your energy centers or chakras. No one knows for sure the exact way dowsing works. Some people believe that the pendulum provides a response that comes straight from a Higher Power. Others believe that it works by picking up on the energies of people and objects around it. Most people will, however, agree that pendulums tap into our subconscious minds to bring hidden information to our conscious awareness. Whatever you may believe about the way dowsing works, one thing is for sure. It is definitely a very effective, yet simple, means of divination. This book is intended for beginners interested in learning about dowsing.

What is dowsing? How did it get started? What tools do you need? How you need to be prepared in order to use this method of divination? How you can actually do it and make the best possible use of this very useful divination method?

[Plant Spirit Reiki](#) - Fay Johnstone 2020-09-22

Enrich your Reiki practice by connecting with the healing spirit of plants and the natural world • Explores a new way of channeling Reiki energy for both personal healing and professional practice by intuitively connecting with plants and the natural world • Provides simple exercises, meditations, and Reiki practices to help the reader intuitively work in partnership with plants as part of their Reiki practice • Emphasizes healing exchange with plants and the self-practice of Reiki in partnership with the spirit of plants to heal our essential nature • Explains how to raise the vibration of your community and the world by connecting with green spaces, nature beings, and habitats under threat In this practical workbook, Fay Johnstone demonstrates how energy healers and Reiki practitioners can partner with plant spirit allies and the forces of nature for powerful healing for themselves, others, and our planet. She explains how to include plants and nature in your Reiki practice, both the spiritual/etheric components of plants and the physical plants themselves. She offers many practical exercises, techniques, and meditations as well as case studies and personal experiences to show how best to harness the power of plants on all levels, along with other energy flows, to support the healing process in much the same way that crystals are used as energetic healing aids. She explains how plants connect with the Reiki principles and explores plant spirit allies, chakra work, and healing with the elements of nature. She details how to enhance self-healing and Reiki treatments for others through "bringing the outside in," creating a healing space, use of plant preparations, and other sacred forms of plant medicine. Fay also explores how to support the healing of plants and nature itself through your Reiki/healing practice. She provides guidance on how to raise the vibration of your home and community, how to impact nature positively with regard to climate change, and how to send distance healing to the Earth, nature beings, and endangered habitats across the world. She inspires you to reach out to the vital force that flows through the natural world and open your intuition to discover guidance and support from nature. By deepening our conscious cooperation and partnership with nature and the plant kingdom, in a sacred healing way, we come to recognize that in healing ourselves, we are also healing our Earth.

Become a co-creator of your life, not a victim to anyone or anything. Rewrite your life script and live life consciously in each moment. Stop just existing, and miracles will happen. There is cellular intelligence that is communicating constantly throughout the body, which leads us to know that the information in cells, genes, and DNA can be changed. Learn how to release yourself from emotional bondage once and for all, develop your intuition, heal yourself, others, and detrimental environmental energies causing ill health. Included with this life-changing information are easy-to-follow exercises to incorporate into your life. Start now, awaken, and live consciously!

Dowsing Beyond Duality - David Cowan 2012-06-01

David Cowan's first book, *Navigating the Collapse of Time*, introduced readers to the consciousness shift in "reality" that we are currently experiencing. *Dowsing Beyond Duality* draws on those principles and theories and presents an easy and powerful means to keep our energy balanced in this time of great change. Working with Erina Cowan, David Cowan presents a comprehensive course based on the Course in Miracles principle that we know all we need to know within our divine selves. They teach us to use the science of spiritual dowsing to access physical, mental, and emotional healing. *Dowsing Beyond Duality* goes well beyond just getting 'yes and no' answers from a pendulum. The Cowans show how to use the pendulum—not only to find lost objects or make daily decisions—but also to deepen one's self-realization, to move beyond the duality of the third dimension, and create positive change in one's life and in the world. With more than 75 charts, the Cowans guide readers through specific movements of the pendulum that release limiting beliefs and unconscious resistance. *Dowsing Beyond Duality* shows readers how to use spiritual dowsing to deepen self-

realization and find truth and peace of mind in their lives.

The Art of Dowsing - Michael Fercik 2020-11-15

The Art of Dowsing: Separating Science from Superstition book is the first book ever written that comprehensively explains the physics involved in using the modern ball bearing dowsing rod with gauging by pitting gravity against the elemental magnetic flux lines of the dowsed for element or elemental mass. Gravity is used as a gauge for dowsing the edges, middle, grade, angle of depositing with depth buried. The involved physics of each of the ninety-two natural elements radiating out electromagnetic microwave band frequency from single atoms that combine with other atoms of the same element for producing one elemental magnetic flux line, which combine with all the other same element's elemental magnetic flux lines for building enough static electrical energy for the human body produced static electricity to energize the dowsing rod's attached one-tenth-troy-ounce pure element that is dowsed for. The element that is attached to the dowsing rod becomes energized enough by the same element buried in the ground to produce physical turning of the dowsing rod when dowsing toward and over the sought buried elemental mass. Building and maintaining the modern ball bearing dowsing rod and dowsing on foot or amplified long-distance dowsing from a vehicle is thoroughly explained. Michael John Fercik started dowsing for gold ore veins in 1975 with unknowingly becoming a dowsing savant after figuring out the dowsing physics involved, and this is why he has the natural ability today to write the book that will change the world's perspective on all the dowsing false superstitions with the correct dowsing theories and proven science and physics of dowsing in the modern world. Physical on ground dowsing and long-distance dowsing from a moving vehicle is explained in laymen terms for enabling everyone to understand the physics involved in dowsing while shown how to build your own modern ball bearing dowsing rod and how to dowse and gauge what is being dowsed. Physicists will be amazed that nobody has explained the physics involved in dowsing and how to use dowsing physics with gravity as a gauge for understanding the size, grade, angle of depositing, and depth buried of the dowsed elemental mass. Dowsing specific wording is explained in a glossary of terms for easy understanding and communications of the required dowsing process of eliminations. Whether or not you want to learn how to dowse, just reading and understanding the recently proven physics of dowsing will excite the curiosity of expanding previously unknown physics of the electrical energies involved in the human body interacting with the electrical energies of solid or liquid or gaseous matter through the modern ball bearing dowsing rod.

Compass - Mathias Enard 2018-03-27

Winner of the 2015 Prix Goncourt, an astounding novel that bridges Europe and the Islamic world On the shortlist for the 2017 Man Booker International Prize As night falls over Vienna, Franz Ritter, an insomniac

musicologist, takes to his sickbed with an unspecified illness and spends a restless night drifting between dreams and memories, revisiting the important chapters of his life: his ongoing fascination with the Middle East and his numerous travels to Istanbul, Aleppo, Damascus, and Tehran, as well as the various writers, artists, musicians, academics, orientalists, and explorers who populate this vast dreamscape. At the center of these memories is his elusive, unrequited love, Sarah, a fiercely intelligent French scholar caught in the intricate tension between Europe and the Middle East. With exhilarating prose and sweeping erudition, Mathias Énard pulls astonishing elements from disparate sources—nineteenth-century composers and esoteric orientalists, Balzac and Agatha Christie—and binds them together in a most magical way.

I Lock My Door Upon Myself - Joyce Carol Oates 1990

In turn-of-the-century, upstate New York, a strange, beautiful child who wanders the countryside like a sleepwalker is married off to a coarse, much older farmer. Bitter and increasingly estranged, she falls in love with a tall, black, itinerant water diviner. When the doomed affair ends tragically, she withdraws completely.

The Dowsing State - Maggie Percy 2017-09-18

If you aren't in the dowsing state, you aren't dowsing. The dowsing state is the core of the dowsing process. It is an altered state that is different from the normal waking state of the brain and is characterized by not one brain wave, but four types simultaneously. In *The Dowsing State* you will learn what the dowsing state is, what scientific studies have shown about it and how you can best access it to make your dowsing more accurate. Anyone can get an answer when dowsing, but without the dowsing state, the answer will be no better than guessing. *The Dowsing State* will help you master a process that defies description and is usually

left out of dowsing courses because it isn't easy to teach, but is vital for dowsing success. Buy *The Dowsing State* now and take your dowsing skill to the next level. Once you master the dowsing state, you will be able to use dowsing to transform your life.

The Divining Hand - Christopher Bird 1993

"To dowse," says the author of this definitive study of the divining art, "is to search with the aid of a handheld instrument such as a forked stick or a pendular bob on the end of a string - for anything: subterranean water flowing in a narrow underground fissure, a pool of oil or a vein of mineral ore, a buried sewer pipe or electrical cable, an airplane downed in a mountain wilderness, a disabled ship helplessly adrift in a gale, a lost wallet or dog, a missing person, perhaps a buried treasure." Co-author of *The Secret Life of Plants*, Christopher Bird has filled this book with exciting, documented stories, most of them illustrated with photographs and diagrams. It provides a complete history of the art of dowsing around the world and discusses in detail the various existing theories attempting to explain this extraordinary phenomenon.

Conscious Communications - Mary Shores 2017-08-22

Whether we realize it or not, the words we use dictate and control our lives. The persistent messages we repeat can frame our thoughts and trap us into a mind-set that is difficult to break. This mind-set often manifests itself with statements like "I can't," "I'm not good enough," and "I'll never find the [insert the blank] I want." Many times, we don't stop to consider the profound impact that these negative, limiting words have on our mentality, life choices, and the path of possibility that we manifest. After gathering years of research and personal experience with how words affect individuals mentally and emotionally, business owner and communications specialist Mary Shores realized that there is a life-changing theme persistent throughout ancient traditions and spiritual foundations that is supported by scientific professionals. They all agree on one recurring truth: Words have the power to create and transform. Mary took her discoveries and created easy-to-follow, step-by-step practices that can transform each area of your life. Based on two decades of research, Mary teaches how you can create new neural pathways simply by changing your words. You can align your words, thoughts, and actions to produce the results you want. *Conscious Communications* can show you how! *Conscious Communications* is your guide to creating a life in alignment with your dreams and desires. With thoroughly tested exercises, research, advice, and personal stories, you will begin to experience the tremendous impact of words and how to utilize the right ones to unleash and unlock the power to create a new reality.

Dragon Lady of the Ninja - Ashida Kim 1984-09-01

The Healing Therapies Bible - Claire Gillman 2016-01-07

The Healing Therapies Bible profiles more than 50 therapies, explaining the principles on which they are based, their history in practice, and wherever possible, shows them in action. New healing techniques are now being taught all over the world. Some are associated with a particular healer, such as Brandon Bays' *The Journey* and Vianna Stibal's *Theta Healing*. Others respond to our spiritual ascension, such as crystal healing with new-generation, high-vibration crystals and flower remedies. Some have longer histories, and have evolved from a wealth of traditions - such as Mindfulness meditation, with its roots in Buddhism and western stress reduction techniques, and regression therapy, more recently popularized by Harvard Psychiatry Professor Dr Brian Weiss. Also included are the classic techniques of complementary therapists, such as massage, reiki, reflexology and aromatherapy.

Plants That Speak, Souls That Sing - Fay Johnstone 2018-06-12

Engage with the intelligence of nature to discover your unique role and deepen your spiritual path on Earth • Presents practical ways to rekindle your connection with nature and open up to plant consciousness as a way to enrich your spiritual path • Offers guidance on how to meet plant allies with wisdom teachings specific to you and your path • Provides over 40 exercises, including shamanic journeys, as well as links to digital downloads for a shamanic drumming track and guided meditations As our lives become more absorbed in screen time rather than the great outdoors, it feels essential to open up our senses again to the riches of nature, reestablishing our connection with the heartbeat of the Earth. In this book, Fay Johnstone provides a road map for bridging the gap between plants and people, allowing our sacred relationship with the Green Kingdom to be restored. Fay shows how to confidently meet, explore, and build relationships with key plant allies to enjoy a more balanced connection with yourself and your environment. Sharing her passion for the plant world, she provides a practical guide to rekindling your connection with nature, opening up to plant consciousness as a way to enrich your path and weave the enchantment of nature back into your own life. She includes more than 40 simple, practical exercises and meditations to guide you on a heart-centered journey of transformation and commune with the environment, the seasons, the cycles of the moon, and the Earth Heart. Addressing plants as conscious beings we meet their spirit, while at the same time aligning with our own true nature and sense of purpose as a creature of this Earth. The book also introduces the shamanic practice of plant spirit healing, emphasizing that ceremony begins at home with our local plants, rather than with the famous plant healers of the Amazon. Guided meditations and shamanic journeys enable a deeper exploration and interaction with the spirit of plants for healing and support. The author offers practical advice on how to initiate a conversation with plants and meet a plant ally with wisdom teachings specific to you and

your path. Whether you explore your back garden, office plants, or morning cup of tea, Fay reveals how to introduce the magic of plants into your daily routine and appreciate the important role plants play. Reaching out to interact with nature is a step forward not only on your personal journey to wholeness but also toward healing our Earth.

An Open Book : Work by Barbara Ellmann - 2014

Dowse Your Way to Psychic Power - Anthony Talmage 2014-04-09

THE FIRST BOOK OF ITS KIND We all have a sixth sense. When we activate it we become superhuman. We are clairvoyant, telepathic, can find lost objects, can talk to our pets, heal disease, travel through time and talk with the angels. We become partners with our Spirit Guides and our lives become a daily adventure. Meaningful co-incidences happen which steer us on a path to our true destiny. SKILL OF THE ANCIENTS Psychic abilities are not confined to a gifted few - we all have them and they are just waiting to be set free. This book takes us in simple, methodical steps on a journey to Extra Sensory Perception. There are many books on psychic development but this is the first to employ a unique short-cut - the art of dowsing. It has been discovered that this ancient skill is a portal to psychic power. And the other thing that is different within these pages is that you will have practical proof that your psychic abilities are awakening. The dowsing tools will move in your hand, seemingly of their own volition. When this happens you know the old you is changing and a new you, complete with a growing sixth sense, is coming into being. MONKS TAKE YEARS - DOWSERS HOURS It is a fact that the brains of some experienced diviners enter as deep an altered state within seconds as that attained by Buddhist monks who have spent years of dedication and discipline to learn the skill. By following the instructions in these pages we learn BOTH the art of divining AND how to unlock our mystical powers. ENTERING THE UNIVERSE NEXT DOOR On our journey together we encounter angels, spirit guides, elementals, ghosts, poltergeists and entities that dwell in other dimensions. We look at precognition, retro-cognition, trance states, possession, past lives and re-incarnation. And as we travel we enter new dimensions which will change our lives.

The Secret of Our Success - Joseph Henrich 2017-10-17

How our collective intelligence has helped us to evolve and prosper Humans are a puzzling species. On the one hand, we struggle to survive on our own in the wild, often failing to overcome even basic challenges, like obtaining food, building shelters, or avoiding predators. On the other hand, human groups have produced ingenious technologies, sophisticated languages, and complex institutions that have permitted us to successfully expand into a vast range of diverse environments. What has enabled us to dominate the globe,

more than any other species, while remaining virtually helpless as lone individuals? This book shows that the secret of our success lies not in our innate intelligence, but in our collective brains—on the ability of human groups to socially interconnect and learn from one another over generations. Drawing insights from lost European explorers, clever chimpanzees, mobile hunter-gatherers, neuroscientific findings, ancient bones, and the human genome, Joseph Henrich demonstrates how our collective brains have propelled our species' genetic evolution and shaped our biology. Our early capacities for learning from others produced many cultural innovations, such as fire, cooking, water containers, plant knowledge, and projectile weapons, which in turn drove the expansion of our brains and altered our physiology, anatomy, and psychology in crucial ways. Later on, some collective brains generated and recombined powerful concepts, such as the lever, wheel, screw, and writing, while also creating the institutions that continue to alter our motivations and perceptions. Henrich shows how our genetics and biology are inextricably interwoven with cultural evolution, and how culture-gene interactions launched our species on an extraordinary evolutionary trajectory. Tracking clues from our ancient past to the present, *The Secret of Our Success* explores how the evolution of both our cultural and social natures produce a collective intelligence that explains both our species' immense success and the origins of human uniqueness.

An Incomplete Revenge - Jacqueline Winspear 2010-04-01

In her fifth outing, Maisie Dobbs, the extraordinary Psychologist and Investigator, delves into a strange series of crimes in a small rural community With the country in the grip of economic malaise, and worried about her business, Maisie Dobbs is relieved to accept an apparently straightforward assignment from an old friend to investigate certain matters concerning a potential land purchase. Her inquiries take her to a picturesque village in Kent during the hop-picking season, but beneath its pastoral surface she finds evidence that something is amiss. Mysterious fires erupt in the village with alarming regularity, and a series of petty crimes suggests a darker criminal element at work. As Maisie discovers, the villagers are bitterly prejudiced against outsiders who flock to Kent at harvest time—even more troubling, they seem possessed by the legacy of a wartime Zeppelin raid. Maisie grows increasingly suspicious of a peculiar secrecy that shrouds the village, and ultimately she must draw on all her finely honed skills of detection to solve one of her most intriguing cases. Rich with Jacqueline Winspear's trademark period detail, this installment of the bestselling series, *An Incomplete Revenge*, is gripping, atmospheric, and utterly enthralling.

Handbook New Dowsing - Brigitta Schmidt 2016-12-09

The Handbook New Dowsing includes the knowledge mediated by Brigitta Schmidt at her seminars, now available in English. It describes the basics of dowsing, the pendulums from the Baj manufactory and their

mode of action and application, and methods of energetic healing work with these "tools of angels". The text is supplemented by a series of holograms, which are indispensable to the work with Baj pendulums.

The Creative Pendulum - Joan Rose Staffen 2022-06-01

Awaken your own innate creative potential by using pendulum work to clear energetic blocks. The Creative Pendulum demonstrates how to use the pendulum to unlock your inner artist, allowing you to discover or expand your creative potential. Dowsing with a pendulum is a quick, direct path to the sub-and super-conscious levels, to higher forces, and to the Muse herself. Thirty pendulum creativity charts are offered that help clear, center, unblock, and guide a person forward, so that anyone may more easily enter the creative space to play and work. Staffen offers practical information and tips so that anyone can learn to dowse, but even experienced practitioners will find exciting new ways of using a pendulum. The book includes Joan's own story of how the pendulum helped her transition from businesswoman to author and visual artist, bringing the power of the pendulum to real life.

Workbook New Dowsing - Brigitta Schmidt 2016-12-22

The Workbook New Dowsing includes the knowledge mediated by Brigitta Schmidt at her seminars, now available in English. It describes the basics of dowsing, the pendulums from the Baj manufactory and their mode of action and application, and methods of energetic healing work with these "tools of angels". The text is supplemented by a series of holograms, which are indispensable to the work with Baj pendulums.

Pattern Recognition - William Gibson 2004-06-24

Pattern Recognition - a pulsating techno-thriller by William Gibson, bestselling author of Neuromancer Cayce Pollard has been flown to London. She's a 'coolhunter' - her services for hire to global corporations desperate for certainty in a capricious and uncertain world. Now she's been offered a special project: track down the makers of the addictive online film that's lighting up the 'net. Hunting the source will take her to Tokyo and Moscow and put her in the sights of Japanese computer crazies and Russian Mafia men. She's up against those who want to control the film, to own it - who figure breaking the law is just another business strategy. The kind of people who relish turning the hunter into the hunted . . . William Gibson is a prophet and a satirist, a black comedian and an outstanding architect of cool. Readers of Neal Stephenson, Ray Bradbury and Iain M. Banks will love this book. Pattern Recognition is the first novel in the Blue Ant trilogy - read Spook Country and Zero History for more. 'A big novel, full of bold ideas . . . races along like an expert thriller' GQ 'Dangerously hip. Its dialogue and characterization will amaze you. A wonderfully detailed, reckless journey of espionage and lies' USA Today 'A compelling, humane story with a sympathetic heroine searching for meaning and consolation in a post-everything world' Daily Telegraph Idoru is a gripping techno-thriller by William Gibson, bestselling author of Neuromancer 'Fast, witty and cleverly politicized' Guardian

Needles of Stone - Tom Graves 2008

This book takes the reader on an extraordinary journey. Using his skills as a dowser, the author explores the realm of Earth mysteries -- megaliths, ley-lines, barrows, beacon hills, and other ancient features -- and puts

forward some startling, but nonetheless highly plausible ideas. He reveals a view of our world that links past and present, a world that hints at a magical technology linking people and place; a world whose energies could perhaps have been harnessed in the past to improve the quality of life. It is also a plea for us to rediscover the profound connection with place that our ancestors knew, and to begin to heal a relationship with land that has been badly ravaged by the values and assumptions of the modern world. "Needles of Stone" has long and rightly been considered a classic. With the addition of new chapters, this 30th Anniversary edition allows the author to bring the work up-to-date and gives him an opportunity to reflect on what has happened since the book was first written.
