How We Reason - Philip Johnson-Laird 2008-10-23

Good reasoning can lead to success; bad reasoning can lead to catastrophe. Yet, it's not obvious how we reason, and why we make mistakes - so much of our mental life goes on outside our awareness. In recent years huge strides have been made into developing a scientific understanding of reasoning. This new book by one of the pioneers of the field, Philip Johnson-Laird, looks at the mental processes that underlie our reasoning. It provides the most accessible account yet of the science of reasoning. We can all reason from our childhood onwards - but how? 'How we reason' outlines a bold approach to understanding reasoning. According to this approach, we don't rely on the laws of logic or probability - we reason by thinking about what's possible, we reason by seeing what is common to the possibilities. As the book shows, this approach can answer many of the questions about how we reason, and what causes mistakes in our reasoning that can lead to disasters such as Chernobyl. It shows why our irrational fears may become psychological illnesses, why terrorists develop 'crazy' ideologies, and how we can act in order to improve our reasoning. The book ends by looking at the role of reasoning in three extraordinary case histories: the Wright brothers' use of analogies in inventing their flyer, the cryptanalysts' deductions in breaking the German's Enigma code in World War II, and Dr. John Snow's inductive reasoning in discovering how cholera spread from one person to another. Accessible, stimulating, and controversial, How we Reason presents a bold new approach to understanding one of the most intriguing facets of being human.

Monster Christmas - Giles Andreae 2021-10-14

Molly Keane's Ireland - Molly Keane 1993

The Widow Waltz - Sally Koslow 2013-06-13

"This heartfelt, witty addition to women's fiction will appeal to fans of Elizabeth Berg and Anna Quindlen." (Booklist) Georgia Waltz has things many people only dream of: a plush Manhattan apartment overlooking Central Park, a Hamptons beach house, valuable jewels and art, two bright daughters, and a husband she adores, even after decades of marriage. It's only when Ben suddenly drops dead from a massive coronary while training for the New York City Marathon that Georgia discovers her husband—a successful lawyer—has left them nearly penniless. Their wonderland was built on lies. As the family attorney scours emptied bank accounts, Georgia must not only look for a way to support her family, she needs to face the revelation that Ben was not the perfect husband he appeared to be, just as her daughters—now ensconced back at home with secrets of their own—have to accept that they may not be returning to their lives in Paris and at Stanford subsidized by the Bank of Mom and Dad. As she uncovers hidden resilience, Georgia's sudden midlife shift forces her to consider who she is and what she truly values. That Georgia may also find new love in the land of Spanx and stretch marks surprises everyone—most of all, her. Sally Koslow's fourth novel is deftly told through the alternating viewpoints of her remarkable female protagonists as they plumb for the grit required to reinvent their lives. Inspiring, funny, and deeply satisfying, The Widow Waltz explores in a profound way the bonds between mothers

and daughters, belligerent siblings, skittish lovers, and bitter rivals as they discover the power of forgiveness, and healing, all while asking, "What is family, really?"

The Knight Of Cheerful Countenance - Molly Keane 2013-05-02

To Ballinrath House, where purple bog gives way to slate-coloured mountains, comes Allan to visit his Irish cousins. No sooner has he arrived than he falls in love with Cousin Ann, though it seems that she only has eyes for Captain Dennys St Lawrence.

Castle on the Rise - Kristy Cambron 2019-02-05

Spanning more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all. Praise for Castle on the Rise: "Enchanting and mesmerizing!" —PATTI CALLAHAN, New York Times bestselling author of Becoming Mrs. Lewis "Castle on the Rise perfectly showcases rising star Kristy Cambron's amazing talent! Perfect pacing, lovely prose, and an intricate plot blend together in a delightful novel I couldn't put down. Highly recommended!" —Colleen Coble, USA TODAY bestselling author of Secrets at Cedar Cabin and the Rock Harbor series "Cambron's latest is one of her best. Gripping and epic, this intricately woven tale of three generations seeking truth and justice will stay with you long after the last page." —Rachel Hauck, New York Times bestselling author Second in the Lost Castle series (The Lost Castle, Castle on the Rise, The Painted Castle) Can be read as a stand-alone, but best if read in order Sweet romance set in three time periods: present day, World War I/Easter Rising, and late 1700s Full-length novel (over 110,000 words)

Italian Motorcycles - Tim Parker 1984

Ducati Desmoquattro Superbikes - Ian Falloon 2002-06

Ducati stunned the world in 1988 when the struggling, small Italian firm unleashed its Desmoquattro -- 8-valve, desmodromic -- Superbike. The bike found success on the world's racetracks right from the start. Road-going versions soon carried that success to the general public, proving this design wasn't just another noisy prototype. The Superbikes -- 748, 851, 888, 916, and 996 -- are now Ducati's best-selling machines in the United States; and the Desmoquattro engine found its way into the company's more pedestrian series such as the Monster roadster and ST4 sport-tour. This is the comprehensive volume on Ducati's ultimate performance motorcycles and replaces the out-of-print Ducati Super Bikes: 851, 888, 916.

The Cottage of Curiosities (Pengelly Series, Book 2) - Celia Anderson 2020-09-17

Come home to 59 Memory Lane with a new novel from the top Kindle and USA Today bestselling author Celia Anderson!

To My Arrogant Boss - J. S. Cooper 2021-01-01

To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

Loving And Giving - Molly Keane 2015-01-22

In 1914, when Nicandra is eight, all is well in the grand Irish estate, Deer Forest. Maman is beautiful and adored. Dada, silent and small, mooches contentedly around the stables. Aunt Tossie, of the giant heart and bosom, is widowed but looks splendid in weeds. The butler, the groom, the landsteward, the maids, the men - each as a place and knows it. Then, astonishingly, the perfect surface is shattered; Maman does something too dreadful ever to be spoken of. 'What next? Who to love?' asks Nicaranda. And through her growing up and marriage her answer is to swamp those around her with kindness - while gradually the great house crumbles under a weight of manners and misunderstanding.

The Big Bike Trip - Freddie Gillies 2021-08-03

'When you're hurting and coughing on a steep incline, it's hard to see or even think of the top, but you just gotta push a pedal at a time and keep pushing.' At Auckland Airport, three young Kiwis began an audacious — some would say crazy — journey, huddled together and wiping tears from their eyes. Fourteen months later, they had cycled 23,000 kilometres, from Bali to Buckingham Palace, across more than 20 countries and adventured through some of the most exotic parts of the world. They battled extreme heat, sub-zero temperatures, culture shock and loneliness as they pushed their bodies to their limits. They overcame injury, illness, heartbreak, and, above all, their own fears and self-doubt. It was the time of their lives. Packed with stunning photography by Sean Wakely, The Big Bike Trip is an inspirational account of self-discovery, friendship and turning your dreams into reality.

Molly Keane - Sally Phipps 2018-03-20

Molly Keane (1904 - 96) was an Irish novelist and playwright (born in County Kildare) most famous for Good Behaviour which was shortlisted for the Man Booker Prize. Hailed as the Irish Nancy Mitford in her day; as well as writing books she was the leading playwright of the '30s, her work directed by John Gielgud. Between 1928 and 1956, she wrote eleven novels, and some of her earlier plays, under the pseudonym M.J. Farrell. In 1981, aged seventy, she published Good Behaviour under her own name. The manuscript, which had languished in a drawer for many years, was lent to a visitor, the actress Peggy Ashcroft, who encouraged Keane to publish it. Molly Keane's novels reflect the world she inhabited; she was from a 'rather serious hunting and fishing, church-going family'. She was educated, as was the custom in Anglo-Irish households, by a series of governesses and then at boarding school. Distant and awkward relationships between children and their parents would prove to be a recurring theme for Keane. Maggie O'Farrell wrote that 'she writes better than anyone else about the mother-daughter relationship, in all its thorny, fraught, inescapable complexity.' Here, for the first time, is her biography and, written by one of her two daughters, it provides an honest portrait of a fascinating, complicated woman who was a brilliant writer and a portrait of the Anglo-Irish world of the first half of the twentieth century.

This Wooden 'O' - Barry Day 1998

(Limelight). The story of one man's dream fulfilled, This Wooden "O" tells of American actor Sam Wanamake's efforts to reconstruct Shakespeare's Globe Theater. "A tale of intrigue and bitter rivalry, it reads more like a political thriller than a slice of recent theatrical history." Time Out (London) "...an extraordinary document of human endeavor. When I got to the final pages I found there were tears running down my face." Rosemary Harris

Million Cars for Billion People - Gautam Sen 2014-10-11

Can one car transform a nation? The Ford Model T did so a century ago when it replaced the horse, brought about a revolution in agriculture, became a stimulus to urbanization that eventually changed the landscape of America. Though the Maruti 800, the Tata Indica, the Hyundai Santro and the Maruti Alto, became engines of growth for India, these cars neither drove away the cow nor changed the way Indians travelled. Tata's Nano was expected to change all that and become the ultimate people's car, capturing the imagination of the middle class across nations and cultures. In spite of its petite dimensions, the Nano was meant to stand tall. Yet it did not. What caused it to fail and fall from grace despite being lauded as the 'right product at the right time' and 'the most significant new car since the Ford Model T was introduced 100 years ago'? But is it really all over or is there still hope for India's 'little wonder'? What will the people's cars of tomorrow be like? A Million Cars for a Billion People delves into the questions, concerns and doubts, as well as the many misconceptions and myths, that have gathered momentum over the years about India's automotive history and the industry's mission to create a true 'people's car'. The very first cars that came to India; the early beginnings of the industry; the nascent history of the automobile across nations like Germany, France, US, the UK, Italy, Japan and South Korea, is narrated with authority and charm, from the viewpoint of the quest for the ultimate people's car.

City Stages - Michael McKinnie 2013-06-17

In every major city, there exists a complex exchange between urban space and the institution of the theatre. *City Stages* is an interdisciplinary and materialist analysis of this relationship as it has existed in Toronto since 1967. Locating theatre companies ? their sites and practices ? in Toronto's urban environment, Michael McKinnie focuses on the ways in which the theatre has adapted to changes in civic ideology, environment, and economy. Over the past four decades, theatre in Toronto has been increasingly implicated in the civic self-fashioning of the city and preoccupied with the consequences of the changing urban political economy. *City Stages* investigates a number of key questions that relate to this pattern. How has theatre been used to justify certain forms of urban development in Toronto? How have local real estate markets influenced the ways in which theatre companies acquire and use performance space? How does the analysis of theatre as an urban phenomenon complicate Canadian theatre historiography? McKinnie uses the St. Lawrence Centre for the Arts and the Toronto Centre for the Performing Arts as case studies and considers theatrical companies such as Theatre Passe Muraille, Toronto Workshop Productions, Buddies in Bad Times, and Necessary Angel in his analysis. *City Stages* combines primary archival research with the scholarly literature emerging from both the humanities and social sciences. The result is a comprehensive and empirical examination of the relationship between the theatrical arts and the urban spaces that house them.

Death Waits in the Dark - Mark Edward Langley 2020-08-04

It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

The Promise - Ida Linehan Young 2019-03-27

When all she has is her word, she makes a solemn vow to three small children. But circumstances drastically change, and the promise could take years to fulfill. She fears it might be better broken. When her past must be confronted, Erith finds herself facing unbearable choices that resound with adversity and might cost her everything. Enduring self-doubt pushes Erith to her breaking point. Will she allow hope and kindness to guide her, or will it be safer to remain captive in the grip of her unfortunate past?

Every Time a Bell Rings - Barbara Ankrum 2019-11-18

Once upon a time, he was everything to her, except for one thing: her future Christmas sparkles from every bough and window at the cozy Four Winds Ski Resort, where single mother Eden Kendall and her eight-year-old son are spending the holiday. A surprise marriage proposal from her boss's son wasn't on her Christmas list, but it's the perfect excuse to get away and weigh her options. She never imagined her son's ski instructor/Santa impersonator would be the gorgeous, charismatic dreamer she left behind years ago, the one who still owns a piece of her heart. Cole Hagan has never stopped loving Eden and he's spent the last eight years proving her wrong on every count about his potential. While he fights to save the resort that he helped to build by organizing a holiday concert, he decides it's about time that Eden puts aside her list-making pragmatism so that she and her skeptical son can experience the true magic of Christmas. Can a not-so-perfect angel help this unlikely pair get a second chance at happily ever after?
