Dynamo Memory - Paul Archer
2018-06-05

A poetry collection inspired by the poet's time in England, Japan and Spain. Eloquently written in an approachable style that will appeal to a wide range of readers. A thought-provoking collection that is insightful, surprising and compelling. Inspired by the poet's time in England, Japan and Spain, the poems in *Dynamo Memory* explore how memories interact with present day realities and shape them into a new perspective. The poems are triggered by sharply focused observation of the present and then are taken in new directions that reveal the extraordinary that underlies the ordinary. The myriad aspects of reality are thrown into sharp relief, celebrating their colourful and varied facets whilst at the same time not flinching from their

darker side. Each poem is a voyage of discovery, opening a window onto a world that is at once familiar and strange.

Dynamo Memory is a compelling collection full of revelations that are often deeply moving, but also leavened by a wry sense of humour, written in an immediate style that will appeal to a broad range of readers.

We Beat the Street - Sampson Davis 2006-04-20

Growing up on the rough streets of Newark, New Jersey, Rameck, George, and Sampson could easily have followed their childhood friends into drug dealing, gangs, and prison. But when a presentation at their school made the three boys aware of the opportunities available to them in the medical and dental professions, they made a pact among themselves that they would become doctors. It took a lot of determination—and a lot of support from one another—but despite all the hardships along the way, the three succeeded. Retold with the help of an award-winning author, this younger adaptation of the adult hit novel *The Pact* is a hard-hitting, powerful, and inspirational book that will speak to young readers everywhere.

The Miracle of Dunkirk - Walter Lord 2012-03-06

The true story of the World War II evacuation portrayed in the Christopher Nolan film Dunkirk, by the #1 New York Times–bestselling author of Day of Infamy. In May 1940, the remnants of the French and

British armies, broken by Hitler's blitzkrieg, retreated to Dunkirk. Hemmed in by overwhelming Nazi strength, the 338,000 men gathered on the beach were all that stood between Hitler and Western Europe. Crush them, and the path to Paris and London was clear. Unable to retreat any farther, the Allied soldiers set up defense positions and prayed for deliverance. Prime Minister Winston Churchill ordered an evacuation on May 26, expecting to save no more than a handful of his men. But Britain would not let its soldiers down. Hundreds of fishing boats, pleasure yachts, and commercial vessels streamed into the Channel to back up the Royal Navy, and in a week nearly the entire army was ferried safely back to England. Based on interviews with hundreds of survivors and told by "a master narrator," *The Miracle of Dunkirk* is a striking history of a week when the outcome of World War II hung in the

balance (Arthur Schlesinger Jr.).

Here Is Real Magic - Nate Staniforth 2018-01-16

An extraordinary memoir about finding wonder in everyday life, from magician Nate Staniforth. Nate Staniforth has spent most of his life and all of his professional career trying to understand wonder--what it is, where to find it, and how to share it with others. He became a magician because he learned at a young

age that magic tricks don't have to be frivolous. Magic doesn't have to be about sequins and smoke machines--rather, it can create a moment of genuine astonishment. But after years on the road as a professional magician, crisscrossing the country and performing four or five nights a week, every week, Nate was disillusioned, burned out, and ready to quit. Instead, he went to India in search of magic. *Here Is Real Magic* follows Nate Staniforth's evolution from an obsessed young magician to a broken wanderer and back again. It tells the story of his rediscovery of astonishment--and the importance of wonder in everyday life--during his trip to the slums of India, where he infiltrated a three-thousand-year-old clan of street magicians. *Here Is Real Magic* is a call to all of us--to welcome awe back into our lives, to marvel in the everyday, and to seek magic all around us. *Auston Matthews* - Todd

Kortemeier 2019-01-01

Introduces readers to the life and career of hockey star Auston Matthews. Colorful spreads, fun facts, interesting sidebars, and a map of important places in his life make this a thrilling read for young sports fans.

Magical: How Magic and its Star Performers Transformed the Entertainment Economy - Bharat Rao 2019-01-19

Are you ready for some magic? There are solo magicians today who are making over \$20,000 per performance, while those in the big leagues routinely bring in over \$20 million a year. How did they get there and what are the keys to their success? What skills and techniques do they possess and deploy that can be easily adapted for your own personal use? In this book, you will learn of the key attitudes and practices that propel their success, as well as the path they have paved for other magicians and performers hoping to gain an entry into this

competitive yet lucrative industry. We look at the magic industry through the lens of two of its most celebrated performers, Penn and Teller, who are not just as magicians and entertainers, but smart entrepreneurs running a global entertainment business. In parallel, we look at how the field of modern magic has evolved since its inception, what the outlook is for its future in our global, interconnected, always-on economy. We consider the successful careers of legendary magicians like Jean Eugène Robert-Houdin, Harry Houdini, Dai Vernon, Doug Henning, and others, and how they have shaped the growing magic industry and made it a force to be reckoned with. Through shows like Penn and Teller Fool Us, America's Got Talent, Britain's Got Talent, and The World's Best, and through social media outlets like Facebook, Twitter, Instagram and Youtube, contemporary magicians have an

unprecedented opportunity to make themselves known to a global audience. The success secrets followed by the likes of Penn and Teller, David Copperfield, David Blaine, Criss Angel, and newer stars like Shin Lim, Dynamo, and Ryan Hayashi, both as professional magicians and business owners, can be applied by entrepreneurs, business people and self starters everywhere who want to make a mark in their careers. Through constant efforts at design, experimentation, prototyping, and field testing with peers and live audiences, these performers have been fine tuning their craft for decades. Let the Great World Spin - Colum McCann 2009-11-30
NATIONAL BOOK AWARD WINNER • Colum McCann's beloved novel inspired by Philippe Petit's daring high-wire stunt, which is also depicted in the film *The Walk* starring Joseph Gordon-Levitt In the dawning light of a late-summer morning, the people of lower Manhattan stand hushed, staring up in disbelief at the Twin

Towers. It is August 1974, and a mysterious tightrope walker is running, dancing, leaping between the towers, suspended a quarter mile above the ground. In the streets below, a slew of ordinary lives become extraordinary in bestselling novelist Colum McCann's stunningly intricate portrait of a city and its people. *Let the Great World Spin* is the critically acclaimed author's most ambitious novel yet: a dazzlingly rich vision of the pain, loveliness, mystery, and promise of New York City in the 1970s. Corrigan, a radical young Irish monk, struggles with his own demons as he lives among the prostitutes in the middle of the burning Bronx. A group of mothers gather in a Park Avenue apartment to mourn their sons who died in Vietnam, only to discover just how much divides them even in grief. A young artist finds herself at the scene of a hit-and-run that sends her own

life careening sideways. Tillie, a thirty-eight-year-old grandmother, turns tricks alongside her teenage daughter, determined not only to take care of her family but to prove her own worth. Elegantly weaving together these and other seemingly disparate lives, McCann's powerful allegory comes alive in the unforgettable voices of the city's people, unexpectedly drawn together by hope, beauty, and the "artistic crime of the century." A sweeping and radical social novel, *Let the Great World Spin* captures the spirit of America in a time of transition, extraordinary promise, and, in hindsight, heartbreaking innocence. Hailed as a "fiercely original talent" (*San Francisco Chronicle*), award-winning novelist McCann has delivered a triumphantly American masterpiece that awakens in us a sense of what the novel can achieve, confront, and even heal. Praise for *Let the*

Great World Spin "This is a gorgeous book, multilayered and deeply felt, and it's a damned lot of fun to read, too. Leave it to an Irishman to write one of the greatest-ever novels about New York. There's so much passion and humor and pure life force on every page of *Let the Great World Spin* that you'll find yourself giddy, dizzy, overwhelmed."—Dave Eggers "Stunning . . . [an] elegiac glimpse of hope . . . It's a novel rooted firmly in time and place. It vividly captures New York at its worst and best. But it transcends all that. In the end, it's a novel about families—the ones we're born into and the ones we make for ourselves."—USA Today "The first great 9/11 novel . . . We are all dancing on the wire of history, and even on solid ground we breathe the thinnest of air."—Esquire "Mesmerizing . . . a Joycean look at the lives of New Yorkers changed by a single act on a single day . . . Colum

McCann’s marvelously rich novel . . . weaves a portrait of a city and a moment, dizzyingly satisfying to read and difficult to put down.”—The Seattle Times “Vibrantly whole . . . With a series of spare, gorgeously wrought vignettes, Colum McCann brings 1970s New York to life. . . . And as always, McCann’s heart-stoppingly simple descriptions

wow.”—Entertainment Weekly “An act of pure bravado, dizzying proof that to keep your balance you need to know how to fall.”—O: The Oprah Magazine

The Toy Museum - Mark Roland Langdale 2021-01-13

Alfie Jolly is 59 and unhappy with his life. More specifically, with his birthdays. You see, none of them have been any good and with his sixtieth on its way, Alfie can't help but think he's been wronged. Spur of the moment, Alfie decides he wants to return/recycle all of his old birthdays. The only trick now is to find out how. A trip the North Pole, a chat with Father

Christmas, and a flight to Egypt later, Alfie meets Father Birthday who, eventually, agrees to help turn back the clock.

Literally. Suddenly Alfie is a child again, reliving each birthday and making new and better memories. Like in 1966 when he and his family travel to Disney World, or go to the fair in 1967 or when he relives the moon landing where the love his life, pretty Suzy Gentry, sits next to him on the sofa. His life is great with dancing again in classes and racing around with his twin, but it isn't long before shadows start creeping in to this dream childhood of never-ending birthdays. Is it a case of be careful what you wish for or be grateful for every moment you have – before it ends?

Animal Alchemy - Mark Roland

Langdale 2022-04-26

Jag, short for Jaguar, was orphaned when her environmentalist parents died in the jungle saving animals' lives. Although she was put into a care home, she ran away two years to live on the streets where she was adopted into a street gang who have now become her family.

Danny, the trickster and street magician and Tiger, whose animal instincts run close to the surface, and a few others are all animal activists at heart.

Although they go one night to an animal sanctuary in the country to tag the walls with graffiti, Jag gets caught in an enclosure.

However, it ends up for the best as the keeper takes a shine to her and offers a part time job when she hears Jag's affinity with the Jaguar spirit. With Jag working at the sanctuary, her gang start spending more time there to see the great Cat Man Do perform his

animal magic – until one day when a tiger is let out its cage. And that is only the beginning as a villainous Cat Man begins to stalk the streets with two pet panthers out for blood, seemingly appearing and disappearing at will. With newspapers reporting maulings and deaths and Sergeant Dickins not sure what's going on, the kids are intrigued by the reports. After witnessing an attack, the kids get sucked into this mysterious Cat Man's idea of a theatrical villain performance – but even if they have animal instincts and spirits with them and even if the big cats are swaying to their side, should they run before they too turn prey?

My Reflexions - Dilip V

Subhedar 2017-08-27

My Reflexions is a story book containing 19 stories written by a retired engineering professional. According to the author, barring two stories, Angkor Wat – A Travelogue and Priyesh Menon – An Obituary, all stories are a work of fiction. Each story was a result of the author hearing an event reported in news in the print or TV or Internet or social media or even in his own life that suddenly triggered him to think differently. When the author looked at the event from various angles and reflected on it a new story was born. The seven stories from this book - The Clone, The Missing Week, The Carrier, The Underworld, The Space Twins, The Invasion and

Journey of a Soul are classic science fictions and show author's love and his exposure to India's Space Program during his long service in the Research Laboratory under Dept. of Space.

The author has succeeded in dealing with the complex plots in all these stories in a remarkably free flowing language and tries to search his own answers and solutions to many questions the modern science has failed to answer, so far. The Thread and The Obsession deal with the intricate and complex human relationships in the family life in our society today. All the remaining eight stories are based on the socio-political atmosphere prevailing in the country. They are thoroughly enjoyable due to the element of subtle humor in their narration and do not intend to hurt anybody's feelings.
