White Christmas - Jody Rosen 2007-07-27

When Irving Berlin first conceived the song "White Christmas," he envisioned it as a "throwaway" -- a satirical novelty number for a vaudeville-style stage revue. By the time Bing Crosby introduced the tune in the winter of 1942, it had evolved into something far grander: the stately yuletide ballad that would become the world's all-time top-selling and most widely recorded song. In this vividly written narrative, Jody Rosen provides both the fascinating story behind the making of America's favorite Christmas carol and a cultural history of the nation that embraced it. Berlin, the Russian-Jewish immigrant who became his adopted country's greatest pop troubadour, had written his magnum opus -- what one commentator has called a "holiday Moby-Dick" -- a timeless song that resonates with some of the deepest themes in American culture: yearning for a mythic New England past, belief in the magic of the "merry and bright" Christmas season, longing for the havens of home and hearth. Today, the song endures not just as an icon of the national Christmas celebration but as the artistic and commercial peak of the golden age of popular song, a symbol of the values and strivings of the World War II generation, and of the saga of Jewish-American assimilation. With insight and wit, Rosen probes the song's musical roots, uncovering its surprising connections to the tradition of blackface minstrelsy and exploring its unique place in popular culture through six decades of recordings by everyone from Bing Crosby to Elvis Presley to *NSYNC. *White Christmas* chronicles the song's legacy from jaunty ragtime-era Tin Pan Alley to the elegant world of midcentury Broadway and Hollywood, from the hardscrabble streets where Irving Berlin was reared to the battlefields of World War II where American GIs made "White Christmas" their wartime anthem, and from the Victorian American past that the song evokes to the twenty-first-century present where Berlin's masterpiece lives on as a kind of secular hymn.

Irving Berlin - James Kaplan 2019-01-01

From the prizewinning Jewish Lives series, a fast-moving, musically astute portrait of arguably the greatest composer of American popular music Irving Berlin (1888-1989) has been called--by George Gershwin, among others--the greatest songwriter of the golden age of the American popular song. "Berlin has no place in American music," legendary composer Jerome Kern wrote;

"he is American music." In a career that spanned an astonishing nine decades, Berlin wrote some fifteen hundred tunes, including "Alexander's Ragtime Band," "God Bless America," and "White Christmas." From ragtime to the rock era, Berlin's work has endured in the very fiber of American national identity. Exploring the interplay of Berlin's life with the life of New York City, noted biographer James Kaplan offers a visceral narrative of Berlin as self-made man and witty, wily, tough Jewish immigrant. This fast-paced, musically opinionated biography uncovers Berlin's unique brilliance as a composer of music and lyrics. Masterfully written and psychologically penetrating, Kaplan's book underscores Berlin's continued relevance in American popular culture. About Jewish Lives: Jewish Lives is a prizewinning series of interpretative biography designed to explore the many facets of Jewish identity. Individual volumes illuminate the imprint of Jewish figures upon literature, religion, philosophy, politics, cultural and economic life, and the arts and sciences. Subjects are paired with authors to elicit lively, deeply informed books that explore the range and depth of the Jewish experience from antiquity to the present. In 2014, the Jewish Book Council named Jewish Lives the winner of its Jewish Book of the Year Award, the first series ever to receive this award. More praise for Jewish Lives: "Excellent." - New York Times "Exemplary." - Wall St. Journal "Distinguished." - New Yorker "Superb." - The Guardian *Piano Solos for Lent* - Hal Leonard Corp. 2017-08-01

Irving Berlin - Charles Hamm 1997-03-13

Irving Berlin remains a central figure in American music, a lyricist/composer whose songs are loved all over the world. His first piece, "Marie from Sunny Italy," was written in 1907, and his "Alexander's Ragtime Band" attracted more public and media attention than any other song of its decade. In later years Berlin wrote such classics as "God Bless America," "Blue Skies," "Always," "Cheek to Cheek," and the holiday favorites "White Christmas" and "Easter Parade." Jerome Kern, his fellow songwriter, commented that "Irving Berlin is American music." In *Irving Berlin: The Formative Years*, Charles Hamm traces the early years of this most famous and distinctive American songwriter. Beginning with Berlin's immigrant roots—he came to New York in 1893 from Russia—Hamm shows how the young Berlin quickly revealed the talent for music and lyrics that was to mark his entire career. Berlin first wrote for the vaudeville stage, turning out songs that drew on the various ethnic cultures of the city. These pieces, with their Jewish, Italian, German, Irish, and Black protagonists singing in appropriate dialects, reflected the urban mix of New York's melting pot. Berlin drew on various musical styles, especially ragtime, for such songs as "Alexander's Ragtime Band," and Hamm devotes an entire chapter to the song and its success. The book also details Berlin's early efforts to write for the Broadway musical stage, culminating in 1914 with his first musical comedy, *Watch Your Step*, featuring the popular dance team, Vernon and Irene Castle. A great hit on Broadway and in London, the show was a key piece in the Americanization of the musical comedy. Blessed with prodigious ambition and energy, Berlin wrote at least 4 or 5 new songs a week, many of which were discarded. He nevertheless published 190 songs between 1907 and 1914, an astonishing number considering that when Berlin arrived in America, he knew not a single word of English. As one writer reported, "there is scarcely a waking moment when Berlin is not engaged either in teaching his songs to a vaudeville player, or composing new ones." Early in his career, Irving Berlin brilliantly exploited the musical trends and influences of the day. Hamm shows how Berlin emerged from the vital and complex social and cultural scene of New York to begin his rise as America's foremost songwriter.

Wonderful Design - Lloyd Whitesell 2018-07-06

As one of the most beloved and beguiling genres of entertainment, the film musical wears its style ostentatiously. The genre allows for hyperbolic expression, extravagant sonic and visual decor, and extremely stylized forms of movement and performance. By staging a glittering spectacle, by releasing a current of lush sentiment, by unveiling a world of elegance and romance, the film musical woos us with patterns, textures, finesse and sensory display. In this book, author Lloyd Whitesell asks what, exactly, makes film musicals so glamorous. As he argues, glamour projects an aura of ethereality or sophistication by way of suave deportment, sensuous textures, elevated styles, and aesthetically refined effects. Glamour, in other words, is what unites "Cheek to Cheek" from Top Hat and the title song from Beauty and the Beast, each a sonic evocation of luxury, sparkle, grace, and finesse. Whitesell redirects our attention from visual cues like sequins and evening gloves to explore how glamour resides in the sonic. Discussing dozens of musical numbers, analyzing ingenious orchestration, and appraising the distinctive styles of favorite musical stars, Whitesell illuminates fundamental traits of the genre, its aesthetic strategies, and cultural ambitions.

As Thousands Cheer - Laurence Bergreen 1996-03-22

Irving Berlin (1888-1989) was unable to read or write music and could only play the piano in the key of F-sharp major; yet, for the first half of the twentieth century he was America's most successful and most representative songwriter, composing such hits as "Alexander's Ragtime Band," "Cheek to Cheek," "Let's Face the Music and Dance," "Puttin' on the Ritz," "White Christmas," "Anything You Can Do," "There's No Business Like Show Business," and "God Bless America." *As Thousands Cheer*, winner of the Ralph J. Gleason Music Book Award, explores with precision and sensitivity Berlin's long, prolific career; his self-doubt and late-blooming misanthropy; and the tyrannical control he exerted over his legacy of song. From his immigrant beginnings through Tin Pan Alley, Broadway, and Hollywood to his reclusive and bitter final years, this definitive biography reveals the man who wrote 1500 songs but could never quash the fear that, for all his success, he wasn't quite good enough.
