English Writing Exercises for Second Language Learners - Stephen E. Dew 2015-06-06

This is my second academic writing skills workbook. It contains questions and answers on topics to improve academic English writing skills. The questions are typical of those used in exams for an English diploma for university entrance. These practical writing exercise support my previous three "Academic Writing Skills" series books: 1. "Learn English Paragraph Writing Skills" 2. "Practical Academic Essay Writing Skills" 3. "The 5 Step Essay Writing Process" The exercise groups cover grammar areas such as capitals, commas, sentence structure and errors, and subject/verb agreement required for confident academic English writing skills. As well as the common grammar questions, there are questions to improve essay writing skills such as topic and supporting sentences, unity, coherence, and examples of transition signals. I would recommend ESL Students in low-intermediate to low-advanced English classes use this workbook for developing their academic English writing skills.

English Workbook - Kristine Brown 2005

Excel Basic Skills: English Workbook Year 5 will help you with the writing you do every day at school - in English and in other subjects. Each chapter looks at a different type of writing. Some are imaginative text types such as narratives and poems. Others are factual text types such as reports and explanations. All the chapters begin with a sample text. Make sure you read the sample text carefully and look at the special features marked on it. You should then try the activities that follow. These give you guidance and practice in writing a similar type of text. Some activities help you with grammar and punctuation. Others focus on words - the way they are spelt and what they mean. Some activities are just for fun. Each chapter ends with activities that help you write a complete text yourself. The Excel series of English Workbooks for Years 3-...6 will help primary school students with the reading and writing they do every day at school - in English and in other subjects. Each chapter is set out as a separate unit of work covering a different type of writing (text type,) and contains exercises that relate to that particular text type. In this book you will find: eleven chapters, each set out as a unit of work covering a particular text type (such as narratives, letters, speeches and information reports), including a chapter on writing for school projects exercises and activities in each chapter which are directly linked to the text type covered practice in skills such as spelling, grammar, vocabulary, punctuation and comprehension interesting and relevant sample texts, including many written by Year 5 students, with important features highlighted Answers to all questions at the back of the book

A PRACTICAL COURSE FOR DEVELOPING WRITING SKILLS IN ENGLISH - J. K. GANGAL 2011-03-26
Today, more than ever before, there is a realization that communicating properly, especially in writing, is essential for all the job aspirants as well as those employees—budding managers and others—eager to build up their career. Taking this scenario into account, this book equips the reader with the ability to learn and enhance the writing skills in English. From fundamentals of grammar to precis, paragraph and essay writing, this book dwells on all aspects of the language besides listing the words (both new and old) to enhance one's word power, and the foreign words used in the English language. Divided into eight sections, the book describes eight effective tools to master the art of writing. The book begins with the basics of writing, and it then goes to give a careful analysis of functional grammar, vocabulary, common errors committed and their rectifications. Finally, the book showcases the intricacies of formal and informal writings and creative writing to make a learner proficient in these areas. Each section is supported with simple examples, and easy-to-perform Practice Exercises along with their answers. The book is intended for the undergraduate students (both regular and correspondence courses) of all universities, and higher secondary (plus 2) students of all boards. The book will also be beneficial for the students appearing for the competitive examinations and interviews as well as for the general reader who wishes to improve his/her English writing skills.
