Literature and Geography - Emmanuelle Peraldo 2016-01-14

In a period marked by the Spatial Turn, time is not the main category of

analysis any longer. Space is. It is now considered as a central metaphor and topos in literature, and literary criticism has seized space as a new tool. Similarly, literature turns out to be an ideal field for geography. This book examines the cross-fertilization of geography and literature as disciplines, languages and methodologies. In the past two decades, several methods of analysis focusing on the relationship and interconnectedness between literature and geography have flourished. Literary cartography, literary geography and geocriticism (Westphal, 2007, and Tally, 2011) have their specificities, but they all agree upon the omnipresence of space, place and mapping at the core of analysis. Other approaches like ecocriticism (Buell, 2001, and Garrard, 2004), geopoetics (White, 1994), geography of literature (Moretti, 2000), studies of the inserted map (Ljunberg, 2012, and Pristnall and Cooper, 2011) and narrative cartography have likewise drawn attention to space. Literature and Geography: The Writing of Space Throughout History, following an international conference in Lyon bringing together literary academics, geographers, cartographers and architects in order to discuss literature and geography as two practices of space, shows that literature, along with geography, is perfectly valid to account for space. Suggestions are offered here from all disciplines on how to take into account representations and discourses since texts, including literary ones, have become increasingly present in the analysis of geographers.

St. Nicholas - Mary Mapes Dodge 1920

The Novice - Thich Nhat Hanh 2011-08-23

Bestselling author and Zen Master Thich Nhat Hanh transforms an ancient folktale into a timeless parable of a young woman who dares to risk her life for her faith. Born to an aristocratic family in rural Vietnam, Kinh Tam's uncommon beauty and intelligence were obvious to all she encountered. From an early age she was drawn to the teachings of Buddha and the rewards of a monastic life, but to please her family she agreed to walk the traditional path of marriage. Throughout her marriage, Kinh Tam's mind was devoted to her husband but her heart never wavered from her true calling. She wanted to be a monk. And yet

Buddhism was still new to Vietnam and temples accepted only men for ordination. Making a decision that would forever change her life, Kinh Tam left town, disguised herself as a man, and joined a monastery as a novice. Despite the many challenges of living as a man, Kinh Tam thrived and became a beloved member of the community. Years of profound joy and peace passed until a local woman accuses the novice of fathering her unborn child. Kinh Tam is torn between two impossible choices: keep her secret and endure brutal punishment or reveal the truth that would prove her innocence but put an end to her spiritual path. Facing the unbearable with the boundless heart of Buddha, her choice forever changes her life, her country, and her faith. In spare, elegant prose, Thich Nhat Hanh reminds us that we, too, face our own injustices and suffering, and by connecting with love, we can, like Kinh Tam, discover a mind and heart that are peaceful, happy, and free.

At once an engrossing drama and an intriguing political tale, *The Mandarins* is the emotional odyssey of a woman torn between her inner desires and her public life. "Much more than a roman a clef . . . a moving and engrossing novel." -- New York Times

Wickey was sent to deliver the most profound message of all; tap into God’s power to heal by sending a coded signal to the body via silent thought. Solomon has successfully demonstrated this method by restoring health where there was little, if any, hope, and improving the quality of life for tens of thousands. The mere possibility of achieving instant results without pain or debilitating side effects, is exciting for those willing to take charge of their own lives; their own health.

Geary's Guide to the World's Great Aphorists - James Geary 2008-12-08

Both an expert and a collector, James Geary has devoted his life to aphorisms-and the last few years to organizing, indexing, and even translating them. The result is *Geary's Guide*, featuring aphorists like Voltaire, Twain, Shakespeare, Nietzsche, Woody Allen, Muhammad Ali, Emily Dickinson, and Mae West, as well as international practitioners appearing in English for the first time. But it is more than just a conventional anthology. It is also an encyclopedia, containing brief biographies of each author in addition to a selection of his or her aphorisms. The book is a field guide, too, with aphorists organized into eight different "species," such as Comics, Critics & Satirists; Icons & Iconoclasts; and Painters & Poets. The book's two indexes-by author and by subject-make it easily searchable, while its unique organizational structure and Geary's lively biographical entries set it apart from all previous reference works. A perfect follow-up to Geary's New York Times bestseller *The World in a Phrase*, *Geary's Guide* is eminently suitable for browsing or for sustained reading. A comprehensive guide to our most intimate, idiosyncratic literary form, the book is an indispensable tool for writers and public speakers as well as essential reading for all language lovers.

Durga/Umayi - Y. B. Mangunwijaya 2004

This first English edition of the satirical Indonesian novel (1991) affords an overview of the Sukarno and Suharto eras and insight into the

postcolonial condition This scathingly satirical and hilarious novel, first published in Indonesia in 1991, affords both a blithely irreverent overview of Indonesian history in the Sukarno and Suharto eras, and brilliant insights into the postcolonial condition. Mangunwijaya (1929-2001) was a well-known Indonesian political activist and writer, as well as a Catholic priest, engineer, and architect. Framed by the world of ritual shadow plays - the realm of witches like Durga and the goddess Umayi - Mangunwijaya's novel gives an unblinking but remarkably compassionate account of people caught up in the great nationalist maelstrom of Indonesia's recent history.

Choice and Chance - William Allen Whitworth 1901

English Spelling Explained - Masha Bell 2017

In every English-speaking country, roughly one in six children find it impossible to learn to read and write well enough to cope with secondary schooling or the literacy demands of modern life. This failure tends to be blamed, predominantly, on poor teaching and inadequate parenting. Government ministers put teachers under relentless pressure to improve their methods and raise standards. They also run expensive media campaigns to encourage parents to get more involved in their children's education. Masha Bell believes that the main cause of the relatively high levels of literacy failure in all English-speaking countries are the irregularities of English spelling. She explains how they make learning to read and write exceptionally difficult and time-consuming. She also traces the chief causes of English spelling inconsistencies and makes some suggestions for coping with them and for reducing them.

A Proper Woman - Thavry Thon 2017-01-16

This is the true story of a young Cambodian woman who has challenged her country's social and cultural norms throughout her life and as a consequence has become an ambassador for female empowerment. Growing up on an island in the Bassac River, removed from many of the conveniences of modern life and surrounded by traditional customs and thought, Thavry's story is one of inspiration to females around the world. As Cambodia slowly recovers from the great turmoil and destruction of

civil war and the Khmer Rouge, rural life largely returned to familiar, century-old ways. For women, this meant marrying young, bearing children and working on the family farm, with little say in anything. But with support from her parents, whose own childhood experiences had been greatly shaped by the four years of Khmer Rouge rule, Thavry was taught to value education as a means of breaking from the confines of the village and to forge her own independent future. Her inspiring story shows that encouraging young women to believe in their dreams - and supporting them to do so - can lead to a freedom to learn and grow unknown to earlier generations.

The Redemption of Philip Thane - Lisa Berne 2021-12-01

The Redemption of Philip Thane is Bridgerton meets Groundhog Day in this rip-roaring regency romantic comedy for fans of Julia Quinn, Jane Austen and Georgette Heyer. 'One of the most exciting historical fiction writers in a long time' - Julia Quinn, author of the Netflix series Bridgerton, on Lisa Berne. How many times can a rake get it wrong . . . before he becomes Mr Right? Philip Thane - rogue, rake, and scoundrel extraordinaire - hadn't wanted to show up in the little town of Whittlesey to give a speech. He also didn't expect to somehow find himself stuck in time, waking up every morning to live exactly the same day over and over again. On the plus side, it's giving him time to further his acquaintance with the delightful Miss Margaret Allen, in town to research the book she's writing. And Philip has no doubt she'll fall starry-eyed into his arms, just like so many other ladies of the ton have done before. Yet Miss Allen stands firm against his wiles, day after day. How is it even possible? Why won't she change her mind? What must he do to win her heart? Maybe, just maybe, it isn't Margaret who needs to change, but rather a certain rogue, who - if only he knew it - is head over heels in love . . . and badly in need of redemption.

Evening Is the Whole Day - Preeti Samarasan 2009-05-12

A "psychologically acute and boldly plotted" tale of a wealthy, dysfunctional family in Malaysia (Booklist, starred review). Set in Malaysia, this internationally acclaimed debut novel offers an unflinching look at relationships between parents and children, brothers and sisters,

the wealthy and poor, a country and its citizens—all through the eyes of the prosperous Rajasekharan family. When Chellam, the family's rubber-plantation-bred servant girl, is dismissed for unnamed crimes, her banishment is the latest in a series of losses that have shaken six-year-old Aasha's life. A few weeks before, Aasha's grandmother Paati passed away under mysterious circumstances and her older sister, Uma, departed for Columbia University—leaving Aasha to cope with her mostly absent father, bitter mother, and imperturbable older brother. Moving backward and forward in time, *Evening Is the Whole Day* explores the closely guarded secrets that haunt the Rajasekharans: What was Chellam's unforgivable crime? Why was Uma so intent on leaving? What did Aasha see? And, underscoring all of these mysteries: What ultimately became of her father's once-grand dreams for his family and his country? "A delicious first novel . . . [Samarasan's] ambitious, spiraling plot, her richly embroidered prose, her sense of place, and her psychological acuity are stunning." —The New York Times Book Review "A surpassingly wise and beautiful debut novel about the tragic consequences of the inability to love." —Booklist, starred review "The language bursts with energy." —Publishers Weekly
Between Languages and Cultures - Anuradha Dingwaney 1996-01-15
Translated texts are often either uncritically consumed by readers,

teacher, and scholars or seen to represent an ineluctable loss, a diminishing of original texts. Translation, however, is a cultural practice, influenced also by social and political imperatives, which can open more doors than it closes. The essays in this book show how the act of translation, when vigilantly and critically attended to, becomes a means for active interrogation.
