Wartime Washington - Virginia Jeans Laas

1999-03-15

Elizabeth Blair Lee was raised in Washington's political circles, and her husband, Samuel Phillips Lee, third cousin to Robert E. Lee, commanded the North Atlantic Blockading Squadron during the Civil War. When they married, Elizabeth promised to write every day they were apart. Of the hundreds of letters with which she kept her promise, Virginia Jeans Laas has edited a choice selection that illuminates the functioning of a nineteenth-century family and the Mrs. Lee's unique perspective on the political and military

affairs of the nation's beleaguered capital.

**Ealing Revisited** - Mark Duguid 2012-10-31

Ealing Revisited provides a major reappraisal of one of British cinema's best-loved institutions, Ealing Studios. During its heyday, Ealing produced a string of classic comedies, including *Kind Hearts and Coronets* (1949), *The Lavender Hill Mob* (1951) and *The Ladykillers* (1955), but there is much more to Ealing than these films, as this volume of new writing on the studio shows. Addressing both known and less familiar aspects of Ealing's story, its films, actors and technicians,

the contributors uncover what has gone unexplored, or unspoken, in previous histories of the studio, and consider the impact that Ealing has had on British cultural life from the 1930s to the present. Listed in the Independent on Sunday's Cinema books of 2012

Zachary Scott - Ronald L. Davis 2009-09-28

Throughout the 1940s, Zachary Scott (1914–1965) was the model for sophisticated, debonair villains in American film. His best-known

roles include a mysterious criminal in *The Mask of Dimitrios* and the indolent husband in *Mildred Pierce*. He garnered further acclaim for his portrayal of villains in *Her Kind of Man*, *Danger Signal*, and *South of St. Louis*. Although he earned critical praise for his performance as a heroic tenant farmer in Jean Renoir's *The Southerner*, Scott never quite escaped typecasting. In *Zachary Scott: Hollywood's Sophisticated Cad*, Ronald L. Davis writes an appealing biography of the film star. Scott grew up in privileged circumstances—his father was a distinguished physician; his grandfather was a

pioneer cattle baron—and was expected to follow his father into medical practice. Instead, Scott began to pursue a career in theater while studying at the University of Texas and subsequently worked his way on a ship to England to pursue acting. Upon his return to America, he began to look for work in New York. Excelling on stage and screen throughout the 1940s, Scott seemed destined for stardom. By the end of 1950, however, he had suffered through a turbulent divorce. A rafting accident left him badly shaken and clinically depressed. His frustration over his roles mounted, and he began

to drink heavily. He remarried and spent the rest of his career concentrating on stage and television work. Although Scott continued to perform occasionally in films, he never reclaimed the level of stardom that he had in the mid-1940s. To reconstruct Scott's life, Davis uses interviews with Scott and colleagues and reviews, articles, and archival correspondence from the Scott papers at the University of Texas and from the Warner Bros. Archives. The result is a portrait of a talented actor who was rarely allowed to show his versatility on the screen.

**Miracle Baby** - Clarence Billheimer 2002-02

Jim and Elizabeth Keys struggle for several years to have children, and then finally have one, but

he is premature and has many health difficulties. The extra care and concern Jim feels his son needs eventually costs him his job. However, he is offered another job back in his home state. Not long after moving, his son is killed in a drive-by shooting. After the family recovers from the grief, they try again and lose the next child to miscarriage. Their physician finds out Elizabeth has a condition with her reproductive organs that he corrects which enables her to have a normal baby. This boy is small for his age and suffers a lot of ridicule until his size becomes an asset in rescuing a trapped dog. Meanwhile, Jim's

stepfather, who has been resistant to faith in Christ but more and more addicted to gambling, hits bottom and loses everything. It is then, through circumstances, he learns of another man who spent his life gambling but is now a changed man. He goes to hear the man speak and is convicted and becomes a Christian, the same night Jim's little boy receives Christ.

Every Falling Star - Sungju Lee 2017-10-17

Every Falling Star, the first book to portray contemporary North Korea to a young audience, is the intense memoir of a North Korean boy named Sungju who was forced at age twelve to live on the streets and fend for himself. To survive, Sungju creates a gang and lives by thieving, fighting, begging, and stealing rides on cargo trains. Sungju richly recreates his scabrous story, depicting what it was like for a boy alone to

create a new family with his gang, "his brothers," to daily be hungry and to fear arrest, imprisonment, and even execution. This riveting memoir allows young readers to learn about other cultures where freedoms they take for granted do not exist.

*Escaping Me* - Elizabeth Lee 2013-07-27

All she wants to do is forget. Forget the memory of walking in on her boyfriend in the middle of, well, another girl. Forget how she had her entire life planned out. And forget about being perfect all the time. Unfortunately, she is Whitney Vandaveer, and despite the fact that she has moved to the middle of nowhere—she can't. He's always known he would never be more than nothing. No job, no money, no future. Cole Pritchett has accepted the fact that he will always be the screw up, and he is okay with it. Until he meets her. Here's the thing they quickly find out—sometimes we all need a little help escaping

who we think we are.

The Diary of Elizabeth Lee - Elizabeth Lee  
2010-01-01

Personal diaries provide rare glimpses into those aspects of the past that are usually hidden from view, and the diary of Elizabeth Lee (1868–?) is no exception to this rule. Elizabeth’s father was a draper and outfitter in Birkenhead and during the twenty-five year span of Lee’s diary which began in 1884, she lived at home with her family while simultaneously traveling to both sides of the

Mersey without supervision, making the diary an unusually revealing portrait of middle-class female life in Victorian society. Accompanied by a detailed introduction and an analysis of the diary itself, as well as a glossary relating to key people mentioned in its pages, *The Diary of Elizabeth Lee* is a rare firsthand account of adolescent life in Victorian Britain.

*The Annotated Memoirs of Ulysses S. Grant* - Ulysses S. Grant 2018-12-04

With kaleidoscopic, trenchant, path-breaking insights, Elizabeth D. Samet has produced the most ambitious edition of Ulysses Grant’s

Memoirs yet published. One hundred and thirty-three years after its 1885 publication by Mark Twain, Elizabeth Samet has annotated this lavish edition of Grant's landmark memoir, and expands the Civil War backdrop against which this monumental American life is typically read. No previous edition combines such a sweep of historical and cultural contexts with the literary authority that Samet, an English professor obsessed with Grant for decades, brings to the table. Whether exploring novels Grant read at West Point or presenting majestic images culled from archives, Samet curates a richly annotated,

highly collectible edition that will fascinate Civil War buffs. The edition also breaks new ground in its attack on the "Lost Cause" revisionism that still distorts our national conversation about the legacy of the Civil War. Never has Grant's transformation from tanner's son to military leader been more insightfully and passionately explained than in this timely edition, appearing on the 150th anniversary of Grant's 1868 presidential election.
