**Thesis and Dissertation Writing in a Second Language** - Brian Paltridge 2007-06-11

The relationship of supervisor to student has traditionally been seen as one of apprenticeship, in which much learning is tacit, with the expectation that the student will become much like the tutor. The changing demographics of higher education in conjunction with imperatives of greater accountability and support for research students have rendered this scenario both less likely and less desirable and unfortunately many supervisors are challenged by the task of guiding non-native speaker students to completion. This handbook is the ideal guide for all supervisors working with undergraduate and postgraduate non-native speaker students writing a thesis or dissertation in English as it explicitly unpacks thesis writing, using language that is accessible to research supervisors from any discipline.

**Stuffed and Starved** - Raj Patel 2012-06-05

Completely updated and revised edition of one of the most widely-praised food books of recent years. It's a perverse fact of modern life: There are more starving people in the world than ever before, while there are also more people who are overweight. To find out how we got to this point and what we can do about it, Raj Patel launched a comprehensive investigation into the global food network. It took him from the colossal supermarkets of California to India's wrecked paddy-fields and Africa's bankrupt coffee farms, while along the way he ate genetically engineered soy beans and dodged flying objects in the protestor-packed streets of South Korea. What he found was shocking, from the false choices given us by supermarkets to a global epidemic of farmer suicides, and real reasons for famine in Asia and Africa. Yet he also found great cause for hope—in international resistance movements working to create a more democratic, sustainable and joyful food system. Going beyond ethical consumerism, Patel explains, from seed to store to plate, the steps to regain control of the global food economy, stop the exploitation of both farmers and consumers, and rebalance global sustenance.

**I Miss You When I Blink** - Mary Laura Philpott 2020-04-07

NATIONAL BESTSELLER A charmingly relatable and wise memoir-in-essays by acclaimed writer and bookseller Mary Laura Philpott, “the modern day reincarnation of...Nora Ephron, Erma Bombeck, Jean Kerr, and Laurie Colwin—all rolled into one” (*The Washington Post*), about what happened after she checked off all the boxes on a successful life's to-do list and realized she might need to reinvent the list—and herself. Mary Laura Philpott thought she'd cracked the code: Always be right, and you'll always be happy. But once she'd completed her life's to-do list (job, spouse, house, babies—check!), she found that instead of feeling content and successful, she felt anxious. Lost. Stuck in a daily grind of overflowing calendars, grueling small talk, and sprawling traffic. She'd done everything “right” but still felt all wrong. What's the worse failure, she wondered: smiling and staying the course, or blowing it all up and running away? And are those the only options? Taking on the conflicting pressures of modern adulthood, Philpott provides a “frank and funny look at what happens when, in the midst of a tidy life, there occur impossible-to-ignore tugs toward creativity, meaning, and the possibility of something more” (*Southern Living*). She offers up her own stories to show that identity crises don't happen just once or only at midlife and reassures us that small, recurring personal re-inventions are both normal and necessary. Most of all, in this “warm embrace of a life lived imperfectly”

(Esquire), Philpott shows that when you stop feeling satisfied with your life, you don't have to burn it all down. You can call upon your many selves to figure out who you are, who you're not, and where you belong. Who among us isn't trying to do that? "Be forewarned that you'll laugh out loud and cry, probably in the same essay. Philpott has a wonderful way of finding humor, even in darker moments. This is a book you'll want to buy for yourself and every other woman you know" (Real Simple).

*Anthem* is Ayn Rand's "hymn to man's ego." It is the story of one man's rebellion against a totalitarian, collectivist society. Equality 7-2521 is a young man who yearns to understand "the Science of Things." But he lives in a bleak, dystopian future where independent thought is a crime and where science and technology have regressed to primitive levels. All expressions of individualism have been suppressed in the world of *Anthem*; personal possessions are nonexistent, individual preferences are condemned as sinful and romantic love is forbidden. Obedience to the collective is so deeply ingrained that the very word "I" has been erased from the language. In pursuit of his quest for knowledge, Equality 7-2521 struggles to answer the questions that burn within him - questions that ultimately lead him to uncover the mystery behind his society's downfall and to find the key to a future of freedom and progress.

**Hourglass** - Dani Shapiro 2018-04-03

Elle Best Books of 2017 Kirkus Best Books of 2017 The best-selling novelist and memoirist delivers her most intimate and powerful work: a piercing, life-affirming memoir about marriage and memory, about the frailty and elasticity of our most essential bonds, and about the accretion, over time, of both sorrow and love. Hourglass is an inquiry into how marriage is transformed by time--abraded, strengthened, shaped in miraculous and sometimes terrifying ways by accident and experience. With courage and relentless honesty, Dani Shapiro opens the door to her house, her marriage, and her heart, and invites us to witness her own marital reckoning--a reckoning in which she confronts both the life she dreamed of and the life she made, and struggles to reconcile the girl she was with the woman she has become. What are the forces that shape our most elemental bonds? How do we make lifelong commitments in the face of identities that are continuously shifting, and commit ourselves for all time when the self is so often in flux? What happens to love in the face of the unexpected, in the face of disappointment and compromise--how do we wrest beauty from imperfection, find grace in the ordinary, desire what we have rather than what we lack? Drawing on literature, poetry, philosophy, and theology, Shapiro writes gloriously of the joys and challenges of matrimonial life, in a luminous narrative that unfurls with urgent immediacy and sharp intelligence. Artful, intensely emotional work from one of our finest writers.

The bestselling author of *American Housewife* and *Southern Lady Code* returns with an "inspiring, hilarious, straight-to-the-point" (Entertainment Weekly) collection of essays on friendship among grown-ass women. "Ellis' prose is filled with so many laugh lines, you might want to go ahead and book the Botox." —NPR When Helen Ellis and her lifelong friends arrive for a reunion on the Redneck Riviera, they unpack more than their suitcases: stories of husbands and kids, lost parents and lost jobs, powdered onion dip and photographs you have to hold by the edges, dirty jokes and sunscreen with SPF higher than they hair-sprayed their bangs senior year, and a bad mammogram. It's a diagnosis that scares them, but could never break their bond. Because women pushing fifty won't be pushed around. In these twelve gloriously comic and moving essays, Helen Ellis dishes on married middle-age sex, sobs with a theater full of women as a psychic exorcises their sorrows, gets twenty shots of stomach bile to the neck to get rid of her double chin, and gathers up the courage to ask, "Are you there, Menopause? It's Me, Helen." A book that reads like the best cocktail party of your life, *Bring Your Baggage and Don't Pack Light* is alive with the sensational humor and ferocious love for her friends that won Helen Ellis legions of fans. *The Red Hourglass* - Gordon Grice 2009-10-21

Snake venom that digests human flesh. A building cleared of every living thing by a band of tiny spiders. An infant insect eating its living prey from within, saving the vital organs for last. These are among the deadly feats of natural engineering you'll witness in *The Red Hourglass*, prize-winning author Gordon Grice's masterful, poetic, often dryly funny exploration of predators he has encountered around his rural Oklahoma home. Grice is a witty and intrepid guide through a world where mating ends in cannibalism, where killers possess toxins so lethal as to defy our ideas of a benevolent God, where spider remains, scattered like "the

cast-off coats of untidy children," tell a quiet story of violent self-extermination. It's a world you'll recognize despite its exotic strangeness--the world in which we live. Unabashedly stepping into the mix, Grice abandons his role as objective observer with beguiling dark humor--collecting spiders and other vermin, decorating a tarantula's terrarium with dollhouse furniture, or forcing a battle between captive insects because he deems one "too stupid to live." Kill. Eat. Mate. Die. Charting the simple brutality of the lives of these predators, Grice's starkly graceful essays guide us toward startling truths about our own predatory nature. *The Red Hourglass* brings us face to fanged face with the inadequacy of our distinctions between normal and abnormal, dead and alive, innocent and evil.

**Slow Motion** - Dani Shapiro 2012-09-05

From one of the most gifted writers of her generation comes the harrowing and exquisitely written true story of how a family tragedy saved her life. Dani Shapiro was a young girl from a deeply religious home who became the girlfriend of a famous and flamboyant married attorney—her best friend's stepfather. The moment Lenny Klein entered her life, everything changed: she dropped out of college, began to drink heavily, and became estranged from her family and friends. But then the phone call came. There had been an accident on a snowy road near her family's home in New Jersey, and both her parents lay hospitalized in critical condition. This haunting memoir traces her journey back into the world she had left behind. At a time when she was barely able to take care of herself, she was faced with the terrifying task of taking care of two people who needed her desperately. Dani Shapiro charts a riveting emotional course as she retraces her isolated, overprotected Orthodox Jewish childhood in an anti-Semitic suburb, and draws the connections

between that childhood and her inevitable rebellion and self-destructiveness. She tells of a life nearly ruined by the gift of beauty, and then saved by the worst thing imaginable. This is a beautiful and unforgettable memoir of a life utterly transformed by tragedy.

As a child, Madden lived a life of extravagance, from her exclusive private school to her equestrian trophies and designer shoe-brand name. But under the surface was a wild instability. The only child of parents continually battling drug and alcohol addictions, Madden confronted her environment alone. Facing a culture of assault and objectification, she found lifelines in the desperately loving friendships of fatherless girls. With unflinching honesty and lyrical prose, spanning from 1960s Hawai'i to the present-day struggle of a young woman mourning the loss of a father while unearthing truths that reframe her reality, *Long Live the Tribe of Fatherless Girls* is equal parts eulogy and love letter. It's a story about trauma and forgiveness, about families of blood and affinity, both lost and found, unmade and rebuilt, crooked and beautiful. **The Web and the Rock** - Thomas Wolfe 2020-05-03

UP TO THE TIME George Webber's father died, there were some unforgiving souls in the town of Libya Hill who spoke of him as a man who not only had deserted his wife and child, but had consummated his iniquity by going off to live with another woman. In the main, those facts are correct. As to the construction that may be placed upon them, I can only say that I should prefer to leave the final judgment to God Almighty, or to those numerous deputies of His whom He has apparently appointed as His spokesmen on this earth. In Libya Hill there are quite a number of them, and I am willing to let them do the talking. For my own part, I can only say that the naked facts of John Webber's desertion are true enough, and that none of his friends ever attempted to deny them. Aside from that, it is worth noting that Mr. Webber had his friends. John Webber was "a Northern man," of Pennsylvania Dutch extraction, who had come into Old Catawba back in 1881. He was a brick mason and general builder, and he had been brought to Libya Hill to take charge of the work on the new hotel which the Corcorans were putting up on Belmont Hill, in the center of the town. The Corcorans were rich people who had come into that section and bought up tracts of property and laid out plans for large enterprises, of which the hotel was the central one. The railroad was then being built and would soon be finished. And only a year or two before, George Willetts, the great Northern millionaire, had purchased thousands of acres of the mountain wilderness and had come down with his architects to project the creation of a great country estate that would have no equal in America. New people were coming to town all the time, new faces were being seen upon the streets. There was quite a general feeling in the air that great events were just around the corner, and that a bright destiny was in store for Libya Hill.
