**Queen of Angels** - Greg Bear 2014-04-01  
Hugo Award Finalist: A near-future novel of artificial intelligence, human nature, and

mass murder that “succeeds on virtually every level” (The New York Times Book Review). In Los Angeles in 2047, advances

in the science of psychology have made crime a rare occurrence. So it's utterly shocking when eight bodies are detected in an apartment, and not long afterward the perpetrator is revealed as well: noted poet Emmanuel Goldsmith. The LAPD's Mary Choy—who has had both her appearance and her police work enhanced by nanotechnology—is tasked with arresting the killer, while psychotherapy pioneer Martin Burke prepares to explore his mind. Meanwhile, Goldsmith's good friend and fellow writer reels at the news—while, far from all of them, a space probe makes a startling discovery. This “excellent” novel about technology, identity, and the nature of consciousness is a thought-provoking stunner by the Nebula Award-winning author of the Eon series and the Forerunner Saga (Chicago Tribune). **Cities For A Small Planet** - Richard Rogers 2008-08-01

Nothing else damages the earth's environment more than our cities. As the world's population has grown, our cities have burgeoned, and their impact on the environment worsened. Meanwhile, from the isolated, gated communities within Houston and Los Angeles, to the millions of residents of Bombay living in squalor, the city has failed to serve its ideal function—as the cradle of civilization, the engine of culture, and the inspiration for community and citizenship. In *Cities for a Small Planet*,

Sir Richard Rogers, one of the world's leading architects and the designer of the Pompidou Center in Paris, demonstrates how future cities could provide the springboard for restoring humanity's harmony with its environment. Rogers outlines the disastrous impact cities have had and will continue to have on our world, from waste-saturated Tokyo Bay, to the massive plumes of pollution caused by London's traffic, to the depleted water resources of Mexico City. He traces these problems to the underlying social and cultural values that create them—unchecked commercial zeal, selfish individualism, and a lack of community. Bringing to bear concepts such as that of “open-minded” space—places within cities that serve multiple functions such as markets, parks, and sidewalk cafes—he explains how urban design can be used to give citizens a sense of shared experience.

The city built with comfortable and safe public space can bring diverse groups together and breed a sense of tolerance, awareness, identity, and mutual respect. He calls for a new theoretical shift in the way cities do business and interact with the environment, arguing that many products come to market and are sold without figuring their social or environmental cost. Rogers goes on to describe the city of the future: one that is sustainable within its own environment; that can make a positive impact on its surroundings; that encourages communication among its citizens; that is compact and focused around neighborhoods; and that is beautiful, a city whose buildings and spaces spark the creative potential of its inhabitants. As our population grows larger, our planet grows smaller. *Cities for a Small Planet* is a passionate and eloquent blueprint for the cities we must create in response, cities

that provide for the needs of both their residents and the earth on which they live.

The Bee-Man of Orn - Frank R Stockton  
2021-01-21

Book Excerpt: ... It is the Ghastly Griffin and is enchanted. He can't stir so much as the tip of his whiskers for a thousand years. You can go to his cave and examine him just as if he were stuffed, and then you can sit on his back and think how it would be if you should live to be a thousand years old, and he should wake up while you are sitting there. It would be easy to imagine a lot of horrible things he would do to you when you look at his open mouth with its awful fangs, his dreadful claws, and his horrible wings all covered with spikes." "I think that might suit me," said the Languid Youth. "I would much rather imagine the exercises of these monsters than to see them really going on." "Come on, then," said the Very Imp, and he led the way to the cave of the

Ghastly Griffin. The Bee-man went by himself through a great part of the mountain, and looked into many of its gloomy caves and recesses, recoiling in horror from most of the dreadful monsters who met his eyes. While he was wandering about...

Talking to the Dead - Harry Bingham  
2012-09-25

A mesmerizing and thrilling novel—perfect for fans of Tana French and Stieg Larsson—that introduces a modern, unforgettable rookie cop whose past is as fascinating and as deadly as the crimes she investigates. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Boston Globe

- The Seattle Times SHE KNOWS WHAT IT'S LIKE. . . . At first, the murder scene appears sad, but not unusual: a young woman undone by drugs and prostitution, her six-year-old daughter dead alongside her. But then detectives find a strange

piece of evidence in the squalid house: the platinum credit card of a very wealthy—and long dead—steel tycoon. What is a heroin-addicted hooker doing with the credit card of a well-known and powerful man who died months ago? This is the question that the most junior member of the investigative team, Detective Constable Fiona Griffiths, is assigned to answer. But D.C. Griffiths is no ordinary cop. She's earned a reputation at police headquarters in Cardiff, Wales, for being odd, for not picking up on social cues, for being a little overintense. And there's that gap in her past, the two-year hiatus that everyone assumes was a breakdown. But Fiona is a crack investigator, quick and intuitive. She is immediately drawn to the crime scene, and to the tragic face of the six-year-old girl, who she is certain has something to tell her . . . something that will break the case wide open. Ignoring orders and protocol, Fiona begins to

explore far beyond the rich man's credit card and into the secrets of her seaside city. And when she uncovers another dead prostitute, Fiona knows that she's only begun to scratch the surface of a dark world of crime and murder. But the deeper she digs, the more danger she risks—not just from criminals and killers but from her own past . . . and the abyss that threatens to pull her back at any time. **BONUS:** This edition includes an excerpt from Harry Bingham's *Love Story, with Murders*. Praise for *Talking to the Dead* “Gritty, compelling . . . a procedural unlike any other you are likely to read this year.”—USA Today “With Detective Constable Fiona ‘Fi’ Griffiths, Harry Bingham . . . finds a sweet spot in crime fiction . . . think Stieg Larsson’s *Lisbeth Salander* . . . Denise Mina’s *‘Paddy’ Meehan* [or] Lee Child’s *Jack Reacher*. . . . The writing is terrific.”—The Boston Globe “The mystery-thriller genre is already so

staffed with masterminds that it's hard to make room for another. But along comes a book like *Talking to the Dead*, and suddenly an unadvertised opening is filled. . . . [This] has the feel of something fresh and compelling."—New York Daily News "A stunner with precision plotting, an unusual setting, and a deeply complex protagonist . . . We have the welcome promise of more books to come about Griffiths."—The Seattle Times "Recommended highly . . . [a] riveting procedural thriller."—Library Journal (starred review)

*Edición del centenario* - Juan Ramón Jiménez 1981

*Platero and I* - Juan Ramón Jiménez 2000 : "One of the great classics of modern Spanish literature. Sheer descriptive magic." —Time "An exquisite book—rich, shimmering, truly incomparable." —The New Yorker "This enchanting dialogue, or is it a monologue, between a man and his burro has been translated with great skill and sympathy." —Winthrop Sargeant In this translated Spanish classic, Juan Ramón Jiménez tells his burro Platero about their native Andalusian village of Moguer. Their dialogue creates an evanescent portrait of provincial Spain—its streets, homes, animals, children, and eccentrics. With the

pure-hearted, silent burro sometimes a witness, sometimes a participant, the routines of daily life take on a certain poignancy. Jiménez anxiously searches for and removes the long green thorn from Platero's hoof, and the donkey tenderly nuzzles him. On their way home one evening, Platero brays to his girlfriend burro in a field and trots hesitatingly, unwillingly past. Together Platero and his master make friends with the parrot, belonging to a local French doctor, whose sole and frequent pronouncement is "Ce n'est rien." Both prolific and profound, Juan Ramón Jiménez (1881-1958) wrote over seventy books, winning the 1956 Nobel Prize in literature. He has been hailed by The New Republic as "not only the dean of Hispanic poets, but a pioneer and the source of all those who wrote in the Spanish tongue after him." The translator, poet and scholar, Antonio de Nicolás,

received his education in Spain, India and the United States. A prolific writer, he has contributed to learned journals, magazines and book reviews and has published a number of books.

**The Silver Donkey** - Sonya Hartnett 2007-10-01

One bright spring morning in the woods of France, a soldier, blinded by the war, is found by a little girl named Coco, and her older sister Marcelle. In return for their kindness, the soldier tells the sisters marvellous tales, each story connected to

the keepsake he carries in his pocket: a perfect, tiny silver donkey. As the days pass and they struggle in secret to help the soldier reach home, Coco and Marcelle learn the truth behind the silver donkey, and what the precious object means: honesty, loyalty, and courage. This is a joyful and enchanting novel for all ages. The World of Animals - Desmond Morris 1993-01

*Captain Riley* - Fernando Gamboa 2016  
It's 1941, and Captain Alexander M. Riley and his crew of deep-sea treasure hunters believe they're setting off on yet another adventure--to find a mysterious artifact off the coast of Morocco for an enigmatic millionaire with questionable motives. Part-time smugglers, world travelers, and expats who have fought causes both valiant and doomed, Riley and his crew soon find themselves in the crosshairs of a deal much

more dangerous than the one they bargained for. From Spain to Morocco to an Atlantic crossing that leads to Washington, DC, Captain Riley must sail his ship, the *Pingarrón*, straight through the eye of a ruthless squall and into a conspiracy that goes by the name Operation Apokalypse--a storm that only he and his crew can navigate. --Page 4 of cover.

Federico García Lorca - Maria M. Delgado 2008-03-03

Immortalized in death by The Clash, Pablo Neruda, Salvador Dalí, Dmitri Shostakovich and Lindsay Kemp, Federico García Lorca's spectre haunts both contemporary Spain and the cultural landscape beyond. This study offers a fresh examination of one of

the Spanish language's most resonant voices; exploring how the very factors which led to his emergence as a cultural icon also shaped his dramatic output. The works themselves are also awarded the space that they deserve, combining performance histories with incisive textual analysis to restate Lorca's presence as a playwright of extraordinary vision, in works such as: *Blood Wedding* *The Public* *The House of Bernarda Alba* *Yerma*. Federico García Lorca is an invaluable new resource for those seeking to understand this complex and multifaceted figure: artist, playwright, director, poet, martyr and in the eyes of many, Spain's 'national dramatist'.

*A Dreamer for the People* - Antonio Buero Vallejo 1994

Buero Vallejo is Spain's most important

living playwright. His profound, innovative theatre has earned him success and respect since 1949. Each new play has been an exciting experiment with dramatic form as well as a powerful expression of a tragic view of human life and Spanish society. *A Dreamer for the People* was first performed in 1958. In this history play, the first of a remarkable series, culminating in *La detonacion* ( *The Shot* also published by Aris & Phillips), the dreamer of the title is the often maligned Marquis of Esquilache, the reformist minister of Carlos III. Buero sets off Esquilache's relations with the king, the aristocracy, his wife and his maidservant against a lively re-creation of the build-up to the famous 1766 *Capes and Hats Revolt* in the streets of Madrid. Public history and private tragedy are brought together in a complex structure, bringing into clear focus the clash between forces of change and immobility that lay at the heart

of both the 18th century and the Franco period in Spain. In returning his proofs, Buero compliments the author of this first translation into English of his play: 'La version de Mr Thompson es muy cuidada y fiel, asi como acertadas y oportunas sus notas'.

*CIEN AÑOS DE PLATERO Y YO* - NAVARRO  
, ELOY 2017-03-17

El volumen recoge las contribuciones presentadas al Simposio Cien años de Platero y yo (1914-2014), celebrado en 2014 en Moguer, Huelva y La Rábida. Por tratarse de una obra que ha trascendido su carácter de texto literario para convertirse en fenómeno social, cultural y educativo de resonancia universal, los trabajos abordan un amplio repertorio de temas y ofrecen nuevas perspectivas sobre un libro clásico,

pero no siempre bien leído. El trasfondo histórico y biográfico de los personajes mencionados en la obra, el coleccionismo del que han sido objeto sus distintas ediciones, la presencia en la enseñanza y en la literatura infantil, el contexto ideológico en el que el libro se gestó, su papel en la trayectoria literaria de Juan Ramón o su difusión y recepción en otras lenguas, son algunos de los temas tratados en los distintos trabajos, a los que se añaden otros que abordan el estudio específicamente literario o estilístico de Platero y yo. En su conjunto, el volumen da fe de la extraordinaria complejidad que subyace a la aparente sencillez de su prosa poética. *Boule de Suif, and Other Stories* - Guy de Maupassant 1922

Twelve Labours of Hercules - James Riordan 2000

**The Pearl** - John Steinbeck 2011

When Kino, an Indian pearl-diver, finds 'the Pearl of the world' he believes that his life will be magically transformed. He will marry Juana in church and their little boy,

Coyotito, will attend school. Obsessed by his dreams, Kino is blind to the greed, fear and violence the pearl arouses in him and his neighbours. Written with lyrical simplicity The Pearl explores the secretive nature of man, the depths of evil within, and the consequences of rebellion.

**The Adventures of Mowgli** - Rudyard Kipling 2012-12-18

Rudyard Kipling's eternal classics, The Jungle Book and The Second Jungle Book are most loved for the stories of Mowgli, the boy who grew up in a wolf pack. This book brings together all the stories of Mowgli. It begins with Father Wolf rescuing an abandoned baby boy from the tiger Shere Khan, terror of the jungle. The child grows up among the animals, befriending Bagheera the Panther, Balu the Bear, and making mortal enemies with Shere Khan the Tiger. He is kidnapped by monkeys, exiled by the wolf pack, disowned by

humans, till he finally vanquishes Shere Khan and returns to the forest. But the call of his own kind grows stronger, and he eventually finds his own, tenuous place among men and animals. Kipling's creations from the two Jungle Books—human and animal— have remained alive in literature and celluloid for nearly a century. They have mesmerized, entertained and educated generations of children. In this special Puffin Classics edition, Mowgli comes alive once more, accompanied by illustrations rendered by Gond artist Durga Bai, and an affectionate, heartwarming introduction by that other favourite children's writer, Ruskin Bond.

Julius Caesar Read-Along - William Shakespeare 2006-09-01

This series features classic Shakespeare retold with graphic color illustrations. Educators using the Dale-Chall vocabulary system adapted each title. Each 64-page,

softcover book retains key phrases and quotations from the original play. Research shows that the more students read, the better their vocabulary, their ability to read, and their knowledge of the world. A triumphant Caesar enters Rome after defeating the sons of his old enemy, Pompey. Jealousy and fear over Caesar's reforms reveal a brewing conspiracy to assassinate him. As the plot thickens, Caesar's wife is plagued by terrible nightmares and begs him not to go to the Capitol. But Caesar shrugs off her fears and is accompanied to the Senate by the conspirators thus sealing his fate. Caesar's loyal friends rally to avenge his death and preserve his legacy.
