Ethics - Steven M. Cahn 2012

Ethics: History, Theory, and Contemporary Issues, Fifth Edition, features sixty-nine selections organized into three parts, providing instructors with great flexibility in designing and teaching a variety of courses in moral philosophy. Spanning 2,500 years of ethical theory, the first part, Historical Sources, ranges from ancient Greece to the twentieth century. It moves from classical thought through medieval views to modern theories, culminating with leading nineteenth-

and twentieth-century thinkers. The second part, Modern Ethical Theory, includes many of the most important essays of the past century. The discussion of utilitarianism, Kantianism, egoism, and relativism continues in the work of major contemporary philosophers, while landmark selections reflect concern with moral language and the justification of morality. The concepts of duty, justice, and rights are explored, as well as recent views on cultural relativism and an ethic influenced by feminist concerns. In the third part, Contemporary Moral Problems, the readings present the current debates over abortion, euthanasia, famine relief, animal rights, environmentalism, and the use of torture in interrogations, as well as essays on death and the meaning of life. Wherever possible, each reading is printed in its entirety. The fifth edition features new readings from Cicero, Barbara Herman, and Judith Jarvis Thomson; an expanded selection from Joseph Butler's Fifteen Sermons; and a new translation of Kant's Groundwork for the Metaphysics of Mor

Moral Choices - Scott Rae 2009-12-15

Concepts and Cases in Nursing Ethics, second edition - Michael Yeo 1996-09-13
Concepts and Cases in Nursing Ethics maps the ethical landscape of contemporary nursing. The book is the product of a collaboration between philosopher-ethicist Michael Yeo, nurse-ethicist Anne Moorhouse, and six representatives of various areas of professional nursing. It thus combines philosophical and ethical analysis with nursing knowledge and experience in a manner that is both understandable and relevant. The book is organized around six main concepts in nursing ethics: beneficence, autonomy, confidentiality, truth-telling, justice, and integrity. A chapter is devoted to the elucidation of each of these concepts. In each chapter, historical background and conceptual analysis are supplemented by case studies that exemplify issues and show how the concept applies in nursing practice. In this new edition, the materials in each chapter have been updated to reflect recent developments in nursing and more generally in health care. In addition, a totally new chapter on ethical theory has been added. Complete with bibliographies and study questions for further analysis of cases, this book is ideally suited for textbook use. It will help both practitioners and students to deal better with the clinical problems and issues that are encountered in the field. However, its simple prose and clear exposition of complex issues will make Concepts and Cases in Nursing Ethics attractive to anyone concerned about health care.

The Moral Life - Louis P. Pojman 2007

Featuring new selections chosen by coeditor Lewis Vaughn, the third edition of Louis P. Pojman's *The Moral Life: An Introductory Reader in Ethics and Literature* brings together an extensive and varied collection of ninety-one classical and contemporary readings on ethical theory and practice. Integrating literature with philosophy in an innovative way, the book uses literary works to enliven and make concrete the ethical theory or applied issues addressed in each chapter. Literary works by Camus, Hawthorne, Hugo, Huxley, Ibsen, Le Guin, Melville, Orwell, Styron, Tolstoy, and many others lead students into such philosophical concepts and issues as relativism; utilitarianism; virtue ethics; the meaning of life; freedom and autonomy; sex, love, and marriage; animal rights; and terrorism. Once introduced, these topics are developed further through readings by philosophers including Plato, Aristotle, Kant, Nozick, Singer, and Sartre. This unique anthology emphasizes the personal dimension of ethics, which is often ignored or minimized in ethics texts. It also incorporates chapter introductions, study questions, suggestions for further reading, and biographical sketches of the writers. The third edition brings the collection up-to-date, adding selections by Jane English, William Frankena, Don Marquis, John Stuart Mill, Mary Midgley, Thomas Nagel, Judith Jarvis Thomson, and J.O. Urmson. It also features a new chapter on euthanasia with essays by Dan W. Brock, J. Gay-Williams, and James Rachels. Ideal for introductory ethics courses, *The Moral Life, Third Edition*, also provides an engaging gateway into personal and social ethics for general readers

Ethics in Practice - Hugh LaFollette 2014-01-02

The fourth edition of *Ethics in Practice* offers an impressive collection of 70 new, revised, and classic essays covering 13 key ethical issues. Essays integrate ethical theory and the discussion of practical moral problems into a text that is ideal for introductory and applied ethics courses. A fully updated and revised edition of this authoritative anthology of classic and contemporary essays

covering a wide range of ethical and moral issues Integrates ethical theory with discussions of practical moral problems, and includes three essays on theory written specifically for this volume Nearly half of the essays are written or revised exclusively for this anthology, which now also features eleven essays new to this edition, as well as expanded sections discussing theory, reproductive technologies, war and terrorism, and animals Content allows teachers to discuss discrete practical issues (e.g., euthanasia), focus on the broader grouping of topics (e.g., life and death), or focus on common themes which bridge sections (sexism, moral standing, individualism and community) Section introductions not only outline the basic issues discussed in the essays, but relate them to theoretical perspectives and practical issues discussed elsewhere in the book. Guides students with supporting introductory essays on reading philosophy, theorizing about ethics, writing a philosophy paper, and a supporting web site at www.hughlafollette.com/eip4/

Ethics - Steven M. Cahn 2009

The most comprehensive anthology of its kind, *Ethics: History, Theory, and Contemporary Issues, Fourth Edition*, provides the breadth and the depth to accommodate a variety of courses in ethics and contemporary moral problems. Its readings - unabridged where possible - are organized into three parts, essentially offering three books under one cover. Part I, *Historical Sources*, presents influential ethical theories spanning 2,500 years of philosophical thought, beginning in ancient Greece with the ideas of Socrates, Plato, and Aristotle and continuing through to the twentieth-century ideas of Camus and Sartre. Part II, *Modern Ethical Theory*, explores the theoretical issues concerning the nature of moral judgments, the resolution of moral disagreements, and the evaluation of moral theories through the perspectives of major contemporary philosophers, including Baier, Brandt, Foot, Harman, Williams, and Wolf. Finally, Part III, *Contemporary Moral Problems*, offers opportunities to apply the theories of the first two parts; it contains arguments for and against such issues as abortion, euthanasia, animal rights, and torture.
