As the new Earl of Granger, Benjamin Wright is determined to put an end to his family's reputation of roguish behavior, beginning with his own. When he arrives in London to claim his inheritance, he quickly realizes his plan will not be as simple as he expected. Lady Louisa Felton is appalled to learn her mother wrote love letters to the recently deceased earl. Fearing another scandal will cast her mother from Society, leaving her crushed along with Louisa's hopes for a future, Louisa attempts to retrieve the letters before the new heir finds them. Discovering a lady dressed in lad's clothing attempting to steal from him is a surprise to Benjamin, but not as much as his attraction to the reckless lady. Though he vows to keep his distance, the lovely Louisa refuses to stay out of his life. One kiss is all it takes to know she has the power to make him forget his plan to reform. Benjamin is the exact type of man Louisa's mother would fall for, making him the sort Louisa intends to avoid. If only she can convince her willful heart of that. Fate refuses to cooperate with their plans, and what happens at Christmas will change this rogue's reputation forever. **A Gateway to Spirituality** - Wing Commander Santosh Sharmaa 2017-10-27

The first book in the world, which talks about de-hypnosis and explains spiritual dimensions of hypnosis in an eastern way. Hypnosis is spiritual in the sense that in hypnosis, illusion is created to destroy illusion. It applies the principle of similia similibus curentur: let like be cured by like. In this book, there are two parts. The first part of this book will wake you up from maya and de-hypnotize you by creating awareness using traditional gyana. The second part of the book teaches some time-tested, verified, and effective modern hypnosis methods to de-hypnotize and integrate you. It is said, "to take out a nail, use another nail." Hypnosis uses illusion to remove illusions and delusions of your perceptions about yourself, your guilt, fears, phobias, anxiety, and hatred, etc. Sounds strange though, when I tell you to use hypnosis for de-hypnosis. However, that is the quickest way to get out of mental illusions and delusions.

**Whispers of the Runes** - Christina Courtenay 2021-06-24

'I would recommend this to readers of Barbara Erskine and if you enjoyed the TV series Vikings' 5□ □ □ □ reader review 'Once again,

Christina Courtenay takes us to the heart of the Viking world with an epic romantic tale of love and adventure' NICOLA CORNICK Christina's stunning and evocative new dual-time standalone epic novel, Hidden in the Mists, is available to preorder now! Brimming with romance, adventure and vivid historical detail, Christina Courtenay does for the Vikings what Diana Gabaldon's Outlander and Clanlans does for Scottish history. .... Time is no barrier for a love that is destined to be. When jewellery designer Sara Mattsson is propelled back to the ninth century, after cutting herself on a Viking knife she uncovers at an archaeological dig, she is quick to accept what has happened to her. For this is not the first Sara has heard of time travel. Although acutely aware of the danger she faces when she loses the knife - and with it her way to return to her own time - this is also the opportunity of a lifetime. What better way to add authenticity to the Viking and Anglo-Saxon motifs used in her designs? As luck has it, the first person Sara encounters is Rurik Eskilsson, a fellow silversmith, who is also no stranger to the concept of time travel. Agreeing that Sara can accompany him to Jorvik, they embark on a journey even more perilous than one through time. But Fate has brought these two kindred spirits together across the ages for a reason...

..... Just some of the rich praise for Christina Courtenay: 'Whispers of the Runes is the best Christina Courtenay book yet. It held me captive as I read and stayed in my mind whenever I had to put it down' SUE MOORCROFT 'A wonderful dual timeline story with captivating characters and full of vivid historical detail bringing the Viking world alive, I didn't want it to end!' CLARE MARCHANT 'I love how the historical detail is sure and authentic but never at the expense of a rollicking-good story and romance. If you like beautifully written timeslip, this is definitely one for you. Oh, and did I mention hot Vikings? What's not to like!' GEORGIA HILL 'This epic romance is sure to sweep you off your feet!' TAKE A BREAK 'An absorbing story, fast-paced and vividly imagined, which really brought the Viking world to life' PAMELA HARTSHORNE 'A love story and an adventure, all rolled up inside a huge amount of intricately-detailed, well-researched history. Thoroughly enjoyable' KATHLEEN MCGURL 'Prepare to be swept along in this treasure of an adventure! With a smart, courageous heroine and hunky, honourable hero at the helm, what's not to like?' KATE RYDER 'Seals Christina Courtenay's crown as the Queen of Viking Romance' CATHERINE MILLER

Bad Swipe - Elise Faber 2021-06-28

Stef blamed the dating app. She saw his picture—his smile, the rugged line of his jaw, the way the man could fill out a suit, and like an idiot, she fell a bit in love with him. Idiot because no one ever really looked like their profile pic. Idiot also because if the man did look like his profile pic then he certainly wasn't going to be into a science geek who binged old Sci-Fi shows on the regular, and whose longest relationship was with her golden retriever named Fred. But in a night of drunken insanity, she swiped right on the picture she'd been drooling over for months. Then in a morning of hangover unpleasantness, she saw that he'd swiped right, too. And suddenly, she found herself on a date with the man of her dreams. The only question was whether or not he lived up to them.

Except he'd like to grab her as well and teach her a thing or two about kissing. If only she weren't so damn stubborn. Ida Strong wants one thing - justice on behalf of her father. She has no room for anything else, in spite of her growing and (at times) inexplicable attraction toward a certain earl. But for a woman who knows what betrayal tastes like, placing her trust in others is hard. Risking her heart, would be downright foolish. Until it's the only thing that seems to make sense.

Sexy Beast - Piper Rayne 2017-12-08

It's time. Time to get a life. Time to start over. Time to move beyond the past. The guys in the Single Dads Club would tell you it was time years ago, but until recently, the risk of hurting my little girl outweighed the benefit of getting a piece of ass. Now that I have a tween daughter on my hands? It's becoming more apparent with every poster hung on the wall, every fight over make-up and every uncomfortable conversation about puberty, that at least one of us needs a female touch in our lives. Jesus. I can't even think the words 'female touch' without thinking of her. Charlotte Rose. Charlie. She's everything I shouldn't want, but someone needs to tell that to my damn libido because every time she's around I have a constant case of blue balls. There's a list of reasons why I shouldn't give into what I feel—she's my best friend's little sister, she's seen me at my most vulnerable, and the biggest one—she's the first person in eleven years who has the potential to break me.

**Brain Reset** - David Gillespie 2021-06-29

Anxiety, depression and addiction are the scourge of modern-day living. How are they linked? How do we beat them? According to bestselling author and researcher David Gillespie, we are more addicted than ever before, which is playing havoc with our dopamine levels. This is fuelling epidemic-like levels of depression, anxiety and stress. Gillespie reveals a large and robust body of research that shows how addictive activities, such as screen use, sugar consumption, drinking, gambling, shopping and smoking, spike our dopamine levels. This, in turn, affects our brain's ability to regulate our mood. The good news is that we can break the cycle to make things better. There are myriad root causes of mental illness, many of which are beyond our control; David argues that it makes sense to tackle the thing that is within our control - our seesawing dopamine levels. Packed with cutting-edge research and practical advice, David's latest book arms us with the tools we need to break our addictions, conquer uncertainty and reset our brains.
