It ruined his life and, most importantly, his relationship with the only girl he ever loved. He has vowed to become the man Aubrey Duncan deserves. Even if he has to tear himself apart to do it. So he enters rehab, trying to fix the parts of him that are shattered as he longs to be healthy and whole. Aubrey lost everything because she chose to listen to her heart. Now she has sworn to put herself first, to heal in the only way that she can...far away from Maxx and his demons. But just as Aubrey is starting over, Maxx is released from rehab and thrust back into her world, determined to prove how much they still need each other. And the chaos that had defined them threatens to unleash once again... But a heart, no matter how broken, is impossible to ignore.

Capitalist Nigger - Chika Onyeani 2012-03-27

Capitalist Nigger is an explosive and jarring indictment of the black race. The book asserts that the Negroid race, as naturally endowed as any other, is culpably a non-productive race, a consumer race that depends on other communities for its culture, its language, its feeding and its clothing. Despite enormous natural resources, blacks are economic slaves because they lack the 'devil-may-care' attitude and the 'killer instinct' of the Caucasian, as well as the spider web mentality of the Asian. A Capitalist Nigger must embody ruthlessness in pursuit of excellence in his drive towards achieving the goal of becoming an economic warrior. In putting forward the idea of the Capitalist Nigger, Chika Onyeani charts a road to success whereby black economic warriors employ the 'Spider Web Doctrine' - discipline, self-reliance, ruthlessness - to escape from their victim mentality. Born in Nigeria, Chika Onyeani is a journalist, editor and former diplomat.
