Midnight in the Garden of Good and Evil - John Berendt 2010-05-12

NATIONAL BESTSELLER • "Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime." —The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

WHO Recommendations on Intrapartum Care for a Positive Childbirth Experience - World Health Organization 2018-06-25

This up-to-date comprehensive and consolidated guideline on essential intrapartum care brings together new and existing WHO recommendations that when delivered as a package will ensure good-quality and evidence-based care irrespective of the setting or level of health care. The recommendations presented in this guideline are neither country nor region specific and acknowledge the variations that exist globally as to the level of available health services within and between countries. The guideline highlights the importance of woman-centred care to optimize the experience of labour and childbirth for women and their babies through a holistic human rights-based approach. It introduces a global model of intrapartum care which takes into account the complexity and diverse nature of prevailing models of care and contemporary practice. The recommendations in this guideline are intended to inform the development of relevant national- and local-level health policies and clinical protocols. Therefore the target audience includes national and local public health policy-makers implementers and managers of maternal and child health programmes health care facility managers nongovernmental organizations (NGOs) professional societies involved in the planning and management of maternal and child health services health care professionals (including nurses midwives general medical practitioners and obstetricians) and academic staff involved in training health care professionals.

[A Text-book of Diseases of Women](#) - Charles B. Penrose 2022-06-03

American gynecologist and surgeon Charles B. Penrose wrote this work in an attempt to deliver the best

teaching of modern gynecology, not hampered by old-fashioned theories or methods of treatment. He has recommended one treatment plan for each disease, hoping to avoid complicating things for the student or the physician who consults the book for practical advice. This is a well-structured work in which Penrose has covered all the necessary subjects related to women's health. He included topics such as common causes of diseases in women, methods of examination, diseases of external genitals, diseases of the vagina, diseases of the body of the uterus, diseases of the ovaries, menstrual disorders, and techniques used in gynecological surgeries, etc. He focused on presenting accurate, practical knowledge, leaving the general facts related to anatomy, physiology, and pathology that are easily discoverable in the textbooks on these subjects.

Reaper's Property - Joanna Wylde 2016-08-17

Marie doesn't need a complication like Horse. The massive, tattooed badass biker who shows up at her brother's house one afternoon doesn't agree. He wants Marie on his bike and in his bed. Now. But Marie just left her abusive jerk of an ex-husband and she's not looking for a new man. Especially one like Horse. She doesn't know his real name or where he lives. She's ninety percent certain he's a criminal and that the "business" he talked with her brother wasn't website design. She needs him out of her life, which would be a snap if he wasn't so damned sexy. Horse is part of the Reapers Motorcycle Club, and when he wants something, he takes it. What he wants is Marie, but she's not interested in becoming some biker's property. Then her brother steals from the club. Now Marie can save him by giving Horse what he wants-at home, in public, on his bike... and if she's a very, very good girl, he'll let her brother live. Author's Note: This book was originally released through a small publisher in 2013.

How to Amuse Yourself and Others: The American Girl's Handy Book - Lina Beard 2022-06-02

The American Girl's Handy Book was one of the earliest works written primarily for girls' amusement and enjoyment. It introduced original and novel ideas to open new routes for enterprise and entertainment for girls. The main goal was to engrave upon the girls' minds that they all have talent and the ability to achieve more than what they think is possible. During the time of this book's publication, it was unusual to promote girls to be inventive. But the writer desired to awaken this creative side in them by giving detailed methods of new tasks and amusements, to put them on the road they could travel and explore alone. Anyone curious about knowing the initiatives taken for girls' empowerment in the olden days will find this work beneficial.

Yoga Sequencing - Mark Stephens 2012-09-18

Yoga Sequencing: Designing Transformative Yoga Classes presents the essential principles and methods for planning and sequencing yoga classes. Addressing one of the most popular topics in the yoga profession, this book offers sixty-seven model sequences of yoga poses (asanas) that cover the broad range of yoga student experience, including multiple sequences for beginning, intermediate, and advanced students; yoga for kids, teens, women across the life cycle, and seniors; classes to relieve depression and anxiety; and sequences for each of the major chakras and ayurvedic constitutions. Each sequence provides guidance for teaching the different breathing (pranayama) and meditation techniques that give yoga its transformative power. Enhanced with over 2,000 instructional photos and an elaborate guide to the constituent elements of over 150 yoga asanas, the book draws equally from ancient yoga philosophy and contemporary insights into functional anatomy, biomechanics, and kinesiology. The nuanced interrelationships among asanas within and between the seven asana families are explored and the anatomy of opening and stabilizing each pose is explained for sequences designed around specific needs and intentions. A comprehensive appendix includes a glossary of yoga-related terms, an alphabetical asana index with thumbnail photographs of each asana, a class planning worksheet, representative sequences from several popular styles of hatha yoga, and a list of resources for further exploring sequencing and the larger practice of teaching yoga.

The Disappearing Spoon - Sam Kean 2010-07-12

From New York Times bestselling author Sam Kean comes incredible stories of science, history, finance, mythology, the arts, medicine, and more, as told by the Periodic Table. Why did Gandhi hate iodine (I, 53)? How did radium (Ra, 88) nearly ruin Marie Curie's reputation? And why is gallium (Ga, 31) the go-to element for laboratory pranksters? The Periodic Table is a crowning scientific achievement, but it's also a treasure trove of adventure, betrayal, and obsession. These fascinating tales follow every element on the table as they play out their parts in human history, and in the lives of the (frequently) mad scientists who discovered them. THE DISAPPEARING SPOON masterfully fuses science with the classic lore of invention, investigation, and discovery--from the Big Bang through the end of time. *Though solid at room temperature, gallium is a moldable metal that melts at 84 degrees Fahrenheit. A classic science prank is to mold gallium spoons, serve them with tea, and watch guests recoil as their utensils disappear.

Shiver - Maggie Stiefvater 2011-08-04

Grace is fascinated by the wolves in the woods behind her house; one yellow-eyed wolf in particular. Every winter, she watches him, but every summer, he disappears. Sam leads two lives. In winter, he stays in the frozen woods, with the protection of the pack. In summer, he has a few precious months to be human . . . until the cold makes him shift back again. When Grace and Sam finally meet, they realize they can't bear to be apart. But as winter nears, Sam must fight to stay human - or risk losing himself, and Grace, for ever.

The Vulva - Miranda A. Farage 2016-04-19

Addressing common misconceptions concerning the dermatologic composition and assessment of vulvular skin, this book is a unique compilation of current research and information on the anatomy, physiology, toxicology, microbiology, and diagnosis of the vulva and surrounding anatomical structures. A must-have source for anyone treating female patients, this source considers age and ethnicity factors and analyzes a wide range of symptoms, skin conditions, and diseases that physicians may encounter when caring for female patients.

Born a Crime - Trevor Noah 2016-11-15

#1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally

liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

Willing Victim - Cara McKenna 2016-07-08

For the past couple years Laurel's been coasting, hiding in the backseat while her life drifts off course. Then one summer afternoon a tall, built bruiser named Flynn strides in and steers her straight into an infatuation she never saw coming. Flynn introduces Laurel to things she's never imagined before-to the violent but exciting realm of the underground boxing circuit, to rough sex and even rougher role-playing, and to an attraction she craves even as it intimidates her. As Flynn invites her deeper into his world and his life, Laurel has to make a choice-let fear keep her holed up where it's safe, or take a chance and fight for the man who makes her feel more alive than she'd dreamed possible.

Still a Bad Boy - Ada Scott 2015-09-30

I can't get him out of my mind, and I can't keep myself out of his bed Kendall He wasn't supposed to notice me. Jace Barlow: the most powerful man in the city. Mysterious, scarred, pure muscle and tattoos. He was my first. That didn't stop him from pinning me against a wall, using me for his own pleasure until I screamed his name. Now my boss thinks I'm getting the scoop of the century, but all Jace is giving me is orgasm after leg-quivering orgasm. When he puts his hand on my throat and growls in my ear... "You are mine." I know it's true. I've fallen hard and I've never felt safer... Until I see him kill somebody. Jace I dedicated my life to taking down the Picolli Crime Family from the inside. I made a name for myself, the mafia's most brutal enforcer. I worked my way up the chain, and my revenge came. A righteous bloodbath. Then I took their place so they could never come back. Nothing else has ever mattered. Until Kendall. She was an innocent girl for me to defile, and then leave her ruined for other men like all the rest. But she makes me so hard I ache for release, and for the first time in my life, I want to have her again. Kendall's the chink in my armor my enemies have been looking for. I don't care. She is mine and I'll die before I give her up.

A Dictionary of Cebuano Visayan - John Wolff 2016-01-26

This is a dictionary of Cebuano Visayan, the language of the central part of the Philippines and much of Mindanao. Although the explanations are given in English, the aim of this work is not to provide English equivalents but to explain Cebuano forms in terms of themselves. It is meant as a reference work for Cebuano speakers and as a tool for students of the Cebuano language. There is a total of some 25,000 entries and an addenda of 700 forms which were prepared after the dictionary had been composed. This dictionary is the product of eleven years work by more than a hundred persons. The work was edited by John Wolff but the sources are entirely native, and all illustrations are composed by native speakers. To date, this work probably represents the most authoritative dictionary of the Cebuano Visayan language.

Here Kitty, Kitty - Shelly Laurenston 2009

Nikolai Vorislav likes his single life just as it is. Simple, relaxing, and quiet. What he doesn't need is some foul-mouthed Texas hellcat living in his house, eating his food, flirting with his idiot brothers, and shooting holes in his home with his granddaddy's gun. But those long legs, dark eyes, and lethal tongue are making Nik insane and he fears he may be caught in the sexiest animal trap ever. Angelina Santiago doesn't know how she got from Texas to North Carolina in a night or how she ended up in some hillbilly tiger's house wearing only a sheet. What she does know is that she doesn't like good ol' boys with slow, sexy drawls who can't seem to stop rubbing up against her. Yet in order to protect her friends, Angie has to stay with a cat who seems hellbent on finding all sorts of delicious ways to make her purr.

Religious Violence in the Ancient World - Jitse H. F. Dijkstra 2020-08-31

Much like our world today, Late Antiquity (fourth-seventh centuries CE) is often seen as a period rife with religious violence, not least because the literary sources are full of stories of Christians attacking temples, statues and 'pagans'. However, using insights from Religious Studies, recent studies have demonstrated that the Late Antique sources disguise a much more intricate reality. The present volume builds on this recent cutting-edge scholarship on religious violence in Late Antiquity in order to come to more nuanced judgments about the nature of the violence. At the same time, the focus on Late Antiquity has taken away from the fact that the phenomenon was no less prevalent in the earlier Graeco-Roman world. This book is therefore the first to bring together scholars with expertise ranging from classical Athens to Late Antiquity to examine the phenomenon in all its complexity and diversity throughout Antiquity.

Pack Challenge - Shelly Laurenston 2021-08-14

What's an Alpha Male to do when he meets the Alpha Female of his dreams? Step one, hide all sharp objects. All Zach Sheridan ever wanted was to become Alpha Male of his Pack and to be left alone. What he definitely didn't need in his life was some needy female demanding his attention. What he never saw coming was the vicious, scarred female who not only demanded his attention but knew exactly how to get it. Sara Morrighan knew this was the best she could expect from her life. Good friends. A nice place to live. And a safe job. But when Zach rode into her small Texas town with his motorcycle club, Sara knew she wanted more. She knew she wanted him. But after one sexy encounter with her dream biker, everything is starting to change. Her body. Her strength. That new thing she's doing with the snarling. Even her best friends are starting to wonder what's going on with her. But this is only the beginning. Sara's about to find out her life was meant for so much more. And Zach's about to find true love with the one woman who makes him absolutely insane.

Apeshit - Carlton Mellick Iii 2013-10

Friday the 13th meets Visitor Q. Apeshit is Mellick's love letter to the great and terrible B-horror movie genre. Six trendy teenagers (three cheerleaders and three football players) go to an isolated cabin in the mountains for a weekend of drinking, partying, and crazy sex, only to find themselves in the middle of a life and death struggle against a horribly mutated psychotic freak that just won't stay dead. Mellick parodies this horror cliché and twists it into something deeper and stranger. It is the literary equivalent of a grindhouse film. It is a splatter punk's wet dream. It is perhaps one of the most fucked up books ever written. If you are a fan of Takashi Miike, Evil Dead, early Peter Jackson, or Eurotrash horror, then you must read this book.

Brody - Mandy Harbin 2014-11-04

Hot Mechanics, Mercenaries, and the Mafia...Oh my! Brody "Brutus" Jackson isn't your average small-town mechanic. The garage where he works doubles as the headquarters for a ruthless team of mercenaries. They're all bosses under the hood, lethal behind the gun, and just shady enough to handle any job that

comes their way. There's a reason they call themselves the Bang Shift. For a man with no memory of his past and no care of the future, it's the perfect arrangement. Alexandria Collins knows how to pack fast and run thanks to years of FBI protection from the mafia. When her car breaks down in the middle of nowhere, she finds herself stuck at a garage surrounded by the toughest looking men she's ever seen. That shouldn't be possible considering her past, but what troubles her more is the sexy-as-hell mechanic staring at her, awakening something she thought died the night her ex shot her. When the feds hire the Bang Shift to protect the beautiful new lady in town, Brody is rocked to his core and not because of how much danger she's in or how hot she is. After all these years, he finally remembers something from his past...her. When the past and present collide, no one escapes the wreckage. Sheep, Goat, and Cervid Medicine - E-Book - D. G. Pugh 2020-01-07

Get practical answers from the only guide on the care of sheep, goats, and cervids! Authoritative yet easy to

read, *Sheep, Goat and Cervid Medicine, 3rd Edition* covers all the latest advances in the field, including diseases and medical treatment, surgery, pain management, theriogenology, and nutrition. Clear instructions and hundreds of full-color photographs guide you step by step through common procedures including restraint for examination, administration of drugs, blood collection, and grooming. New to this edition is coverage of deer and elk medicine, reflecting the growing interest in these ruminants. Written by an expert team led by Dr. D.G. Pugh, this comprehensive reference is ideal for veterinarians and also for owners of sheep and goats. Clear writing style and consistent organization makes the book easy to understand and use, with disease chapters including pathogenesis, clinical signs, diagnosis, treatment, and prevention. Coverage of both surgery and medicine in each body systems chapter makes it easier to choose between treatment options for specific disorders. Superbly illustrated surgical procedures clearly demonstrate the steps to follow in performing medical and reproductive surgery. Diverse, expert contributors include the most experienced authorities, each providing current information on the care of valuable breeding stock as well as pets. Useful appendixes, now including veterinary feed directives, offer convenient access to information on drugs and drug dosages, fluid therapy, and normal values and conversions. Consistent, logical format in each body systems chapter makes information easy to find by beginning with physical examination and diagnostic procedures, followed by discussions of common diseases that involve the system. Comprehensive Feeding and Nutrition chapter covers diet evaluation, method of balancing rations, total parenteral nutrition, and examples of nutritious diets. Explanation of the differences in normal behavior between sheep and goats shows how they are not the same, and require different methods of treatment. NEW! Coverage of cervids has been added to chapters throughout the book, reflecting the growing popularity of deer and elk. NEW! Thorough content updates are made throughout the book and reflect the latest research evidence. NEW! 170 new clinical photos have been added. NEW! Anesthesia and Pain Management chapter includes a new section on pain management strategies, reflecting the emphasis on controlling pain in small ruminants. NEW! Expert Consult website offers an online version of the book, making it easy to search the entire book electronically. NEW! Two new authors are respected and well-known veterinary medicine experts and educators: Dr. Misty Edmondson and Dr. Thomas Passler.

Homeland - Cory Doctorow 2013-02-05

In Cory Doctorow's wildly successful *Little Brother*, young Marcus Yallow was arbitrarily detained and brutalized by the government in the wake of a terrorist attack on San Francisco—an experience that led him to become a leader of the whole movement of technologically clued-in teenagers, fighting back against the tyrannical security state. A few years later, California's economy collapses, but Marcus's hacktivist past lands him a job as webmaster for a crusading politician who promises reform. Soon his former nemesis Masha emerges from the political underground to gift him with a thumbdrive containing a Wikileaks-style cable-dump of hard evidence of corporate and governmental perfidy. It's incendiary stuff—and if Masha goes missing, Marcus is supposed to release it to the world. Then Marcus sees Masha being kidnapped by the same government agents who detained and tortured Marcus years earlier. Marcus can leak the archive Masha gave him—but he can't admit to being the leaker, because that will cost his employer the election. He's surrounded by friends who remember what he did a few years ago and regard him as a hacker hero. He can't even attend a demonstration without being dragged onstage and handed a mike. He's not at all sure that just dumping the archive onto the Internet, before he's gone through its millions of words, is the right thing to do. Meanwhile, people are beginning to shadow him, people who look like they're used to inflicting pain until they get the answers they want. Fast-moving, passionate, and as current as next week, *Homeland* is every bit the equal of *Little Brother*—a paean to activism, to courage, to the drive to make the world a better place.
