My Body Is Not a Prayer Request - Amy Kenny

2022-05-17

"With humorous prose and wry wit, Kenny makes a convincing case for all Christians to do more to meet access needs and embrace disabilities as part of God's kingdom. . . . Inclusivity-minded Christians will cheer the lessons laid out here."--Publishers Weekly Much of the church has forgotten that we worship a disabled God whose wounds survived resurrection, says Amy Kenny. It is time for the church to start treating disabled people as full members of the body of Christ who have much more to offer than a miraculous cure narrative and to learn from their embodied experiences. Written by a disabled Christian, this book shows that the church is missing out on the prophetic witness and blessing of disability. Kenny reflects on her experiences inside the church to expose unintentional ableism and cast a new vision for

Christian communities to engage disability justice. She shows that until we cultivate church spaces where people with disabilities can fully belong, flourish, and lead, we are not valuing the diverse members of the body of Christ. Offering a unique blend of personal storytelling, fresh and compelling writing, biblical exegesis, and practical application, this book invites readers to participate in disability justice and create a more inclusive community in church and parachurch spaces. Engaging content such as reflection questions and top-ten lists are included.

Why I Write - George Orwell 2021-01-01

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new

vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' – 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' – and considers the importance of keeping these in balance. *Why I Write* is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can – and

must – be rediscovered with every age.' — Irish Times

House of Prayer No. 2 - Mark Richard 2012-02-14
Crippled by deformed hips as a child, Mark Richard was told he would spend his adult life in a wheelchair. The son of an unpredictable, violent father and a mother who sought inner peace through scripture, Richard spent his bedridden childhood in the company of books. As a young man, he set out to experience as much of the world as possible before his hips failed him. He spent years doing odd jobs and getting into trouble, grappling throughout with his faith and his calling, before winning a national fiction contest and launching an extraordinary writing career. In this irresistible blend of history, travelogue, and personal reflection, Richard draws a remarkable portrait of a writer's struggle with his faith, the evolution of his art, and the recognition of one's singularity in the face of

painful disability.

Fishboy - Mark Richard 2013-04-24

In the brilliant idiom of a modern Melville or Conrad, an odyssey of discovery by a bold and outrageous talent--the PEN/Hemingway Award--winning author of *The Ice At The Bottom Of The World*.

The Crucifixion - Fleming Rutledge 2017-02-09
Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome, degrading, public manner of his death by crucifixion, a mode of execution so loathsome that the ancient Romans never spoke of it in polite society. Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ. She shows how each of the biblical themes contributes to the whole, with the Christus Victor motif and the concept of substitution sharing pride

of place along with Irenaeus's recapitulation model.

The Ice at the Bottom of the World - Mark Richard
2013-04-24

With a distinctive and original voice, Mark Richard's stories capture characters on the fringe of society, and illuminate the goodness at the heart of their Southern, down-and-out lies. Full of startling images and harrowing epiphanies, *The Ice at the Bottom of the World* is a collection by a true master of his craft. In these ten stories, Mark Richard, winner of the 1990 PEN/Ernest Hemingway Foundation Award, emerges as the heir apparent to Mark Twain, Flannery O'Connor, and William Faulkner.

House of Prayer/Den of Thieves - Arlen F. Bradeen
2019-12-28

This book is a memoir and testimony about the author's escape from an abusive cult. It provides insight and powerful lessons learned from the

horrific events that took place. This book also contains real testimonies of other survivors of this same cult. All experiences shared about the cult leader, Jimmy, and how he preys on the vulnerable lives that he has influenced are eye-opening, very traumatic yet surreal, and strikingly similar to the late Jim Jones and his cult, The People's Temple. The survivors of this cult, House of Prayer, are fearful that Jimmy will follow in Jones' footsteps unto death taking his followers with him.

The Value of a Praying Mother - Isabel C. Byrum
2015-05-27

A novel with a purpose: To teach and inspire parents to develop the young lives entrusted to your care. "If, by reading this little book, any mother shall see wherein she can improve upon her past teaching, and thus be able to do more for the spiritual and moral well-being of her children,

the writer will feel amply rewarded. May the blessing of God attend it as it goes forth." "How delightful to step into the home where God is counselor of both parent and child! How blessed the companionship in such a home! There God counsels in sweet, tender tones. He teaches his will and gives the needed wisdom. God is man's truest and best teacher. James says, "If any of you lack wisdom, let him ask of God, that giveth to all men liberally ... and it shall be given him." Be the home ever so beautiful, if it is not a house of prayer, it is not a place of true happiness. Parents should often commune with the Lord; especially the mother, with her many cares and perplexities, if she would do justice to the little ones entrusted to her care." The Value of a Praying Mother is a heartwarming and inspiring book encouraging the cultivation of a godly Christian home. The chapters in this book cover a wide variety of topics, including prayer,

early training, consecration, conscience, the Christian experience, blessing and trial, temptations, decision-making, self-control, and a number of other topics of interest to Christian parents and children. It is a must for the parent of every homeschooler and to parents to read to their children. The following excerpt is just one of many which demonstrates the tone of this book: "Bessie," she began when ready for the talk, "I have some important things to tell you today. I wish to speak of your future. There comes a time in the life of every girl when she must change from childhood to womanhood; she can not always remain a child. Until this time arrives, she is very dependent and must lean entirely upon her parents' advice; but as her mind begins to mature, she should be taught the necessity of weighing matters well and of finding out God's will." The Book of Common Prayer - Alan Jacobs 2019-05-28

"While many of us are familiar with such famous words as, "Dearly beloved, we are gathered together here." or "Ashes to ashes, dust to dust," we may not know that they originated with The Book of Common Prayer, which first appeared in 1549. Like the words of the King James Bible and Shakespeare, the language of this prayer book has saturated English culture and letters. Here Alan Jacobs tells its story. Jacobs shows how The Book of Common Prayer--from its beginnings as a means of social and political control in the England of Henry VIII to its worldwide presence today--became a venerable work whose cadences express the heart

of religious life for many. The book's chief maker, Thomas Cranmer, Archbishop of Canterbury, created it as the authoritative manual of Christian worship throughout England. But as Jacobs recounts, the book has had a variable and dramatic career in the complicated history of English church politics, and has been the focus of celebrations, protests, and even jail terms. As time passed, new forms of the book were made to suit the many English-speaking nations: first in Scotland, then in the new United States, and eventually wherever the British Empire extended its arm. Over time, Cranmer's book was adapted for different preferences and purposes. Jacobs vividly demonstrates how one book became many--and how it has shaped the devotional lives of men and women across the globe"--.

A House of Prayer for All People - David K. Seitz
2017-11-01

Perhaps an unlikely subject for an ethnographic case study, the Metropolitan Community Church of Toronto in Canada is a large predominantly LGBT church with a robust, and at times fraught, history of advocacy. While the church is often riddled with fault lines and contradictions, its queer and faith-based emphasis on shared vulnerability leads it to engage in radical solidarity with asylum-seekers, pointing to the work of affect in radical, coalition politics. *A House of Prayer for All People* maps the affective dimensions of the politics of citizenship at this church. For nearly three years, David K. Seitz regularly attended services at MCCT. He paid special attention to how community and citizenship are formed in a primarily queer Christian organization, focusing on four contemporary struggles: debates on race and gender in religious leadership, activism around police–minority relations, outreach to LGBT Christians

transnationally, and advocacy for asylum seekers. Engaging in debates in cultural geography, queer of color critique, psychoanalysis, and affect theory, *A House of Prayer for All People* stages innovative, reparative encounters with citizenship and religion. Building on queer theory's rich history of "subjectless" critique, Seitz calls for an "improper" queer citizenship—one that refuses liberal identity politics or national territory as the ethical horizon for sympathy, solidarity, rights, redistribution, or intimacy. Improper queer citizenship, he suggests, depends not only on "good politics" but also on people's capacity for empathy, integration, and repair.

Daddy Grace - Marie W. Dallam 2009-04

Charles Manuel “Sweet Daddy” Grace founded the United House of Prayer for All People in Wareham, Massachusetts, in 1919. This charismatic church has been regarded as one of the most extreme Pentecostal sects in the country. In addition to attention-getting maneuvers such as wearing purple suits with glitzy jewelry, purchasing high profile real estate, and conducting baptisms in city streets with a fire hose, the flamboyant Grace reputedly accepted massive donations from his poverty-stricken followers and used the money to live lavishly. It was assumed by

many that Grace was the charismatic glue that held his church together, and that once he was gone the institution would disintegrate. Instead, following his 1960 death there was a period of confusion, restructuring, and streamlining. Today the House of Prayer remains an active church with a national membership in the tens of thousands. Daddy Grace: A Celebrity Preacher and His House of Prayer seriously examines the religious nature of the House of Prayer, the dimensions of Grace’s leadership strategies, and the connections between his often ostentatious acts and the intentional infrastructure of the House of Prayer. Furthermore, woven through the text are analyses of the race, class, and gender issues manifest in the House of Prayer structure under Grace’s aegis. Marie W. Dallam here offers both a religious history of the House of Prayer as an institution and an intellectual history of its colorful and enigmatic leader.

Shifting Nations Through Houses of Prayer - Rick and Patricia Ridings 2019-10-14

Shifting Nations Through Houses of Prayer emphasizes that the main thing is not houses of prayer, or shifting cities or nations. It's not even worship or prayer. The main thing is the Lord Himself. It's only His Presence that can change a city or nation in lasting ways. This book seeks to help prepare a dwelling place for Him in your city and nation - and in our hearts. **WHAT OTHERS ARE SAYING:** "There is simply no book like this one, written by Rick and Patricia Ridings, on how to shake a nation through 24-hours-a-day prayer." Dr. Cindy Jacobs, Generals International, USA "This is a powerful book for every believer to read, especially those wanting to begin a ministry. I highly recommend reading this book." Heidi G Baker, PhD, Iris Global, Mozambique "This book is a much-needed equipping tool for today's global

prayer movement." James W Goll, God Encounters Ministries, USA "I encourage you to read and meditate on this book which I believe will minister deeply across cultures and generations--it is life changing!" Mike Bickle, International House of Prayer, Kansas City

Prayer - 10th Anniversary Edition - Richard J. Foster 2009-10-13

Best-selling author Richard J. Foster offers a warm, compelling, and sensitive primer on prayer, helping us to understand, experience, and practice it in its many forms--from the simple prayer of beginning again to unceasing prayer. He clarifies the prayer process, answers common misconceptions, and shows the way into prayers of contemplation, healing, blessing, forgiveness, and rest. Coming to prayer is like coming home, Foster says. "Nothing feels more right, more like what we are created to be and to do. Yet at the same time we

are confronted with great mysteries. Who hasn't struggled with the puzzle of unanswered prayer? Who hasn't wondered how a finite person can commune with the infinite Creator of the universe? Who hasn't questioned whether prayer isn't merely psychological manipulation after all? We do our best, of course, to answer these knotty questions but when all is said and done, there is a sense in which these mysteries remain unanswered and unanswerable . . . At such times we must learn to become comfortable with the mystery." Foster shows how prayer can move us inward into personal transformation, upward toward intimacy with God, and outward to minister to others. He leads us beyond questions to a deeper understanding and practice of prayer, bringing us closer to God, to ourselves, and to our community.

A Thousand Years of Good Prayers - Yiyun Li
2007-12-18

Brilliant and original, *A Thousand Years of Good Prayers* introduces a remarkable new writer whose breathtaking stories are set in China and among Chinese Americans in the United States. In this rich, astonishing collection, Yiyun Li illuminates how mythology, politics, history, and culture intersect with personality to create fate. From the bustling heart of Beijing, to a fast-food restaurant in Chicago, to the barren expanse of Inner Mongolia, *A Thousand Years of Good Prayers* reveals worlds both foreign and familiar, with heartbreaking honesty and in beautiful prose. "Immortality," winner of *The Paris Review's* Plimpton Prize for new writers, tells the story of a young man who bears a striking resemblance to a dictator and so finds a calling to immortality. In "The Princess of Nebraska," a man and a woman who were both in love with a young actor in China meet again in America and try to reconcile the lost love with

their new lives. “After a Life” illuminates the vagaries of marriage, parenthood, and gender, unfolding the story of a couple who keep a daughter hidden from the world. And in “A Thousand Years of Good Prayers,” in which a man visits America for the first time to see his recently divorced daughter, only to discover that all is not as it seems, Li boldly explores the effects of communism on language, faith, and an entire people, underlining transformation in its many meanings and incarnations. These and other daring stories form a mesmerizing tapestry of revelatory fiction by an unforgettable writer.

This Here Flesh - Cole Arthur Riley 2023-01-31
NEW YORK TIMES BESTSELLER • In her stunning debut, the creator of *Black Liturgies* weaves stories from three generations of her family alongside contemplative reflections to discover the “necessary rituals” that connect us with our

belonging, dignity, and liberation. “This is the kind of book that makes you different when you’re done.”—Ashley C. Ford, *New York Times* bestselling author of *Somebody’s Daughter* “Reaches deep beneath the surface of words unspoken, wounds unhealed, and secrets untempered to break them open in order for fresh light to break through.”—Morgan Jerkins, *New York Times* bestselling author of *This Will Be My Undoing* and *Caul Baby* **ONE OF THE BEST BOOKS OF THE YEAR: The Root**, *Library Journal* “From the womb, we must repeat with regularity that to love ourselves is to survive. I believe that is what my father wanted for me and knew I would so desperately need: a tool for survival, the truth of my dignity named like a mercy new each morning.” So writes Cole Arthur Riley in her unforgettable book of stories and reflections on discovering the sacred in her skin. In these deeply

transporting pages, Arthur Riley reflects on the stories of her grandmother and father, and how they revealed to her an embodied, dignity-affirming spirituality, not only in what they believed but in the act of living itself. Writing memorably of her own childhood and coming to self, Arthur Riley boldly explores some of the most urgent questions of life and faith: How can spirituality not silence the body, but instead allow it to come alive? How do we honor, lament, and heal from the stories we inherit? How can we find peace in a world overtaken with dislocation, noise, and unrest? In this indelible work of contemplative storytelling, Arthur Riley invites us to descend into our own stories, examine our capacity to rest, wonder, joy, rage, and repair, and find that our humanity is not an enemy to faith but evidence of it. At once a compelling spiritual meditation, a powerful intergenerational account, and a tender

coming-of-age narrative, This Here Flesh speaks potently to anyone who suspects that our stories might have something to say to us.

Sea Prayer - Khaled Hosseini 2018-09-18

****Please note that this will work best on a color device and will appear in a horizontal format**** The #1 New York Times bestselling author of *The Kite Runner*, *A Thousand Splendid Suns*, and *And the Mountains Echoed* responds to the heartbreak of the current refugee crisis with this deeply moving, beautifully illustrated short work of fiction for people of all ages, all over the world. "Intensely moving. . .Powerfully evocative of the plight in which displaced populations find themselves."— Kirkus, **STARRED** Review "Hosseini's story, aimed at readers of all ages, does not dwell on nightmarish fates; instead, its emotional power flows from the love of a father for his son."— Publishers Weekly, **STARRED BOX** Review A short, powerful,

illustrated book written by beloved novelist Khaled Hosseini in response to the current refugee crisis, *Sea Prayer* is composed in the form of a letter, from a father to his son, on the eve of their journey.

Watching over his sleeping son, the father reflects on the dangerous sea-crossing that lies before them. It is also a vivid portrait of their life in Homs, Syria, before the war, and of that city's swift transformation from a home into a deadly war zone. Impelled to write this story by the haunting image of young Alan Kurdi, the three-year-old Syrian boy whose body washed upon the beach in Turkey in September 2015, Hosseini hopes to pay tribute to the millions of families, like Kurdi's, who have been splintered and forced from home by war and persecution, and he will donate author proceeds from this book to the UNHCR (the UN Refugee Agency) and The Khaled Hosseini Foundation to help fund lifesaving relief efforts to help refugees

around the globe. Khaled Hosseini is one of the most widely read writers in the world, with more than fifty-five million copies of his novels sold worldwide in more than seventy countries.

Hosseini is also a Goodwill Envoy to the UNHCR, and the founder of The Khaled Hosseini Foundation, a nonprofit that provides humanitarian assistance to the people of Afghanistan.

The Times Are Urgent God Is on the Move Now Is the Moment to ... ask God to ignite his fire in your soul! Pastor Jim Cymbala believes that Jesus wants to renew his people-to call us back from spiritual dead ends, apathy, and lukewarm religion. Cymbala knows the difference firsthand. Thirty-five years ago his own church, the Brooklyn Tabernacle, was a struggling congregation of twenty. Then they began to pray ... God began to move ... street-hardened lives by the hundreds were changed by

the love of Christ ... and today they are more than ten thousand strong. The story of what happened to this broken-down church in one of America's toughest neighborhoods points the way to new spiritual vitality in the church and in your own life. Fresh Wind, Fresh Fire shows what the Holy Spirit can do when believers get serious about prayer and the gospel. As this compelling book reveals, God moves in life-changing ways when we set aside our own agendas, take him at his word, and listen for his voice.

All I Have in This World - Michael Parker
2014-03-25

“Part empathetic portrait of troubled souls and part Springsteenian ode to the promise and heartbreak of the highway . . . Told with . . . emotional complexity and subtlety.” —The New York Times
Two strangers meet over the hood of a used car in Texas: Marcus, who is fleeing both his financial and

personal failures; and Maria, who, after years of dodging her mistakes, has returned to her hometown to make amends. One looking forward, the other looking back, they face off over the car they both want and think they need--a low-slung sky-blue 1984 Buick Electra--and, after knowing each other for less than an hour, decide to buy the Buick together. Parker has crafted a surprising love story about the power of friendship and the ways we must learn to forgive ourselves if we are ever to move on. "Parker's skillfully rendered story rolls like a restless, unpredictable west Texas river . . . the watershed moments happen not with sadness or blood or pain, but with cascades of laughter. It's through moments of unabashed humor, when Marcus and Maria let go and laugh, that his characters finally, and completely, connect. Which feels a lot like real life." —The Denver Post "Parker deftly captures his characters' uncertainties and

hesitations as they struggle to move away from regret and toward the absolution they so desire." —Booklist "Stylish . . . Engaging . . . Brings together a pair of unlikely but likeable protagonists." —Publishers Weekly "Michael Parker's best novel yet . . . [He] extends his geographical and emotional ranges in this layered and nuanced story of heartbroken, debt-ridden, and atonement-seeking creatures much like many of us." —Mark Richard, author of *House of Prayer No. 2*

One King - Samuel Whitefield 2016-12-06

Few subjects have been more controversial throughout history than Israel. Some say her significance ended in the first century, but if God is finished with the Jewish people, how has Israel miraculously reemerged as a state after two millennia of dispersion? Why is the rage of nations, ideologies, and religions aimed ultimately at the destruction of this group of people once predicted to bless the whole earth? And how is the church supposed to relate to a modern, secular Israel in these intensifying times? Who constitutes the true people of God--Israel or followers of Jesus? As the controversy around Israel increases, anti-Semitism rises, and the gospel mission to every people group nears completion, the global church will be forced to answer these questions. We must understand both the original Old Testament gospel mandate and exactly how the first coming of Jesus dramatically

shifted redemptive history. The New Testament teaches that God's promises to both Israel and the nations will be fulfilled by One King--Jesus. Discover God's Jesus-centered solution to the conundrum of history and answer to the question, "What is true Zion, and who are the people of God?"
